Re: Cannabis Conditional Use Permit Application No. P23-03086 at 4555 East Kings Canyon Road.

This letter confirms my office's voicemail to your staff at the start of this week wherein it was communicated that I will be appealing the PC decision on Cannabis Conditional Use Permit Application Fresno Farms No. P23-03086 at 4555 E. Kings Canyon Road.

I am appealing the decision for discussion among the City Council to assess the net impacts to the surrounding neighborhoods and to allow the public an opportunity to comment.

Thank you for your consideration of this very important matter.

Sincerely,
