The specific applications filed for the Project are described as follows:

1. **Plan Amendment Application No. A-17-13** proposes to repeal the Edison Community Plan, pertaining to approximately 10,019 acres located in the DA-1 South Development Area.
2. **Plan Amendment Application No. A-17-14** proposes to adopt the October 2017 Redline Draft and accompanying technical map changes of the Southwest Fresno Specific Plan, pertaining to approximately 3,255 acres located in the DA-1 South Development Area.
3. **Plan Amendment Application No. A-17-15** proposes to update the Land Use Map (Figure LU-1) and the Dual Designation Map (Figure LU-2) of the Fresno General Plan to incorporate the land use changes proposed in the Southwest Fresno Specific Plan and to correspondingly amend the Fresno Chandler Executive Airport Land Use Compatibility Plan and the Fresno-Chandler Downtown Airport Master and Environs Specific Plan.
4. **Text Amendment Application No. TA-17-08** proposes amendments to the Citywide Development Code (Fresno Municipal Code Chapter 15) to incorporate the Kearney Boulevard Historic Corridor (KB) Overlay District and the California Avenue Transit Corridor (CA) Overlay District.
5. **Rezone Application No. R-17-17** proposes to establish the Kearney Boulevard Historic Corridor (KB) Overlay District and the California Avenue Transit Corridor (CA) Overlay District.
6. **Rezone Application No. R-17-18** proposes to rezone approximately 892 acres of property within the Southwest Fresno Specific Plan area to be consistent with the planned land uses proposed in the Southwest Fresno Specific Plan.
7. **PROGRAM ENVIRONMENTAL IMPACT REPORT SCH No. 2017031012:** In accordance with the California Environmental Quality Act (CEQA), a Program Environmental Impact Report (PEIR) was prepared by the City to consider potential impacts associated with implementation of the project, and to provide mitigation measures that would reduce impacts to less than significant levels. The Draft PEIR was released for a 45-day public review period beginning on August 9, 2017 and ending on September 25, 2017. A Final PEIR will be released on October 13, 2017 which will include all comments received during the public review period, City responses to issues raised regarding adequacy of the Draft PEIR, and minor edits to the Draft PEIR.

PROPOSED LAND USE FOR THE SOUTHWEST FRESNO SPECIFIC PLAN AREA

GUIDING PRINCIPLES SUMMARY

Provide a mix of high quality housing types located close to amenities, with an emphasis on single-family housing that is affordable to a mix of household income levels. Encourage new housing that is compatible with the community character and historic architecture of Southwest Fresno.

Attract retail to serve Southwest Fresno residents and reduce vehicle miles travelled. Retail needs include department stores, restaurants, healthy grocers, and services. Discourage the expansion of potentially controversial retail establishments such as liquor stores and short-term loan shops.

Refine the standard for what is defined as “parkland” to include truly usable parks, as opposed to standards that include unusable spaces in ponding basins or parkland located on landfill or toxic sites. Prioritize improving existing parks with better and more amenities. Provide parks that are safe, healthy, social, and active spaces for residents especially families and youth, to visit.

Prepare, mentor, and train Southwest Fresno residents, including youth, to become better qualified for existing and future employment opportunities within Southwest Fresno and encourage a shift from unskilled, low-wage jobs to skilled, higher-education jobs. Locate employment uses so that they do not conflict with residential areas, but are still conveniently accessible by various modes of transportation and located near retail and regional access points.

Provide visible, complete, safe, and regularly maintained transportation infrastructure, such as roads, crosswalks, sidewalks, and traffic lights. Connect and expand access to regional transportation networks and locate transit on routes near residential areas that provide access to desired destinations. Accommodate both motorized and non-motorized modes of travel for people of all ages and abilities.

Locate new industrial development away from Southwest Fresno residential neighborhoods. Increase transparency and communication between government representatives, residents and stakeholders regarding proposed industrial uses and/or improvements. Restrict the proximity of truck routes near residential areas to the maximum extent feasible.

RS-4 - Residential Single-Family, Medium Low Density
Primarily single family residential uses on lots of at least 5,000 square feet in size.

RM-1 - Residential Multi-Family, Medium High Density
Primarily multi-family residential uses with no more than 16 units per acre.

NMX - Neighborhood Mixed Use
Combinations of various residential, retail, and office uses are allowed at heights of up to 40 feet.

CC - Commercial Community
Primarily retail and office uses at heights of up to 35 feet.

O - Office
Primarily office uses with some supporting retail uses at heights of up to 60 feet.

OS - Open Space
Primarily open spaces and environmentally sensitive areas.

Kearney Boulevard Historic Corridor (KB) Overlay District
The Kearney Boulevard Historic Corridor Overlay requires that any new development along the corridor match the existing development in terms of setbacks, building orientation and fence height, and requires continuation of the street tree and landscaping pattern that currently exists along Kearney Boulevard.

RS-5 - Residential Single-Family, Medium Density
Primarily single family residential uses on lots of at least 2,500 square feet in size.

RM-2 - Residential Multi-Family, Urban Neighborhood
Primarily multi-family residential uses with no more than 30 units per acre.

CMX - Corridor/Center Mixed Use
Combinations of various residential, retail, and office uses are allowed at heights of up to 60 feet.

CR - Commercial Regional
Primarily regional-serving retail uses at heights of up to 75 feet.

PR - Park and Recreation
Parks and other public recreation areas.

PI - Public and Institutional
Schools, hospitals, utilities, and other public facilities.

California Avenue Transit Corridor (CA) Overlay District
The California Avenue Transit Corridor Overlay requires that any new development along the corridor be oriented to face the street, provide pedestrian access, and limit any fencing to 3 feet in height.

Dear Southwest Fresno Property Owner:

Re: **Update on the Southwest Fresno Specific Plan**

This letter is to let you know that after over 2 years of planning and working with community stakeholders and residents, the Southwest Fresno Specific Plan is now ready for consideration by the City Council. You may be aware of the planning process, as mailers were sent to all property owners in the project area at the commencement of the process, and again in February of 2017. In addition, 17 Steering Committee meetings, 6 workshops, 10 topic group meetings and 3 community conversations have been held during the planning process, all of which were public meetings. Two notices were also recently published in the Fresno Bee to announce the upcoming City Council hearing.

The Plan includes guiding principles, objectives and policies aimed at making Southwest Fresno a more healthy, vibrant and connected community by catalyzing both public and private investment. One of the foundational principles of the plan is preserving existing residential neighborhoods while focusing new development on vacant or partially vacant opportunity sites. Among the Plan's priorities are the location of a West Fresno Community College campus and a park at the southwest corner of Church Avenue and Martin Luther King Boulevard. More information about the planning process and the latest version of the Plan, as well as the Environmental Impact Report, is posted at the City of Fresno webpage at www.fresno.gov/southwestplan.

The plan proposes changes to the planned land use and zoning for some properties within the plan area. You are receiving this letter because your property may be affected (see attached zoning and overlay map). Most of the proposed changes are minor in nature (such as changing from Business Park to Office or a change in residential density), although some are more substantial. The proposed zoning changes also include new overlay zoning districts that would apply to properties along Kearney Boulevard and California Avenue. These overlays would not change the base zoning on these properties, but they do add requirements to new development to preserve or create certain qualities along these streets.

It is important to note that businesses, land uses, and buildings that were legally established under older regulations may continue indefinitely, regardless of the plan that is ultimately adopted. Any new regulations that are adopted will only apply to new construction and new businesses/uses. Such *legal non-conforming* protections are provided in Article 4 of the Citywide Development Code (www.fresno.gov/code).

If you have any questions about the proposed land use and zoning changes or the overlays, please do not hesitate to contact me at (559) 621-8062 or by email at Sophia.pagoulatos@fresno.gov. If you wish to address the City Council about any of the proposed changes, the hearing is scheduled for October 26, 2017 at 4:30 p.m. in the City Council Chambers, Fresno City Hall, 2600 Fresno Street, Fresno, CA 93721.

**NOTICE OF THE FRESNO CITY PLANNING COMMISSION AND
CITY COUNCIL HEARINGS REGARDING
INITIATION OF THE
SOUTHWEST FRESNO SPECIFIC PLAN**

NOTICE IS HEREBY GIVEN that the Fresno City Planning Commission and City Council, in accordance with the procedures of Chapter 15, Sections 5007 and 5801-5812 of the Fresno Municipal Code (FMC), will conduct public hearings to consider initiation of the Southwest Specific Plan Draft Preferred Alternative. This document has been filed by the City of Fresno Development and Resource Management Department Director.

Project Description and Location. The project is the initiation of the Draft Preferred Alternative of the Southwest Fresno Specific Plan for commencement of an environmental review process and further refinement of the plan. The Southwest Fresno Specific Plan Area is depicted below in the map and includes approximately 3,140 acres of land that is part of the South Development Area described in the Fresno General Plan. The Draft Preferred Alternative includes proposed land uses and guiding principles for the plan area, shown on the map below, and a vision plan for the areas outside of the plan area but within the Sphere of Influence. More information about the Southwest Fresno Specific Plan process can be found at the following link: www.fresno.gov/southwestplan. More opportunities will be provided for public comment as part of the plan refinement and environmental review process scheduled to occur in 2017.

Public hearings on the Draft Preferred Alternative of the Southwest Fresno Specific Plan are scheduled with the Fresno Planning Commission and City Council as noted below. The Planning Commission's recommendation is advisory to the City Council. The City Council's action on plan initiation is final.

FRESNO CITY PLANNING COMMISSION

CITY OF FRESNO
NOTICE OF AVAILABILITY OF THE
DRAFT PROGRAM ENVIRONMENTAL IMPACT REPORT
FOR THE
SOUTHWEST FRESNO SPECIFIC PLAN.

NOTICE IS HEREBY GIVEN THAT the Draft Environmental Impact Report for the Southwest Fresno Specific Plan (SWFSP) is available for public review and comment. The City of Fresno (City) has completed an assessment of the possible environmental effects of the project and has determined that the preparation of a Draft Program Environmental Impact Report (DPEIR) is appropriate pursuant to the California Environmental Quality Act Guidelines (CEQA).

Project Location. The area addressed by the Specific Plan is approximately 3,255 acres in size and lies within the southwestern area of the City of Fresno, within Fresno County. The Specific Plan Area is bounded by Highway 180 in the north and by Highway 41 in the east. It does not include the Downtown Neighborhoods Community Plan Area, nor does it include the land currently in Fresno County that is outside city limits but within the Sphere of Influence (SOI) of the City's General Plan, with one exception. The one area in the SOI that is part of the Specific Plan Area is an approximately 115 acre site bounded by Church Avenue on the north, Jensen Avenue on the south, Knight Avenue on the west, and Martin Luther King, Jr. Boulevard on the east (see accompanying Project Location Map).

Project Description. The proposed Plan evaluated in this Draft PEIR is the adoption and implementation of the Southwest Fresno Specific Plan. The proposed Plan lays out a vision for Southwest Fresno over the Plan's 25-year horizon as a vibrant community well-connected to Downtown, strengthening the overall image and livability of the city. The Plan envisions two higher intensity cores near major highway interchanges, each with a primary magnet use. These magnet cores are ringed with smaller complete neighborhoods that support the core. Each complete neighborhood includes housing and a node with community-serving uses. Neighborhoods are linked by well-defined corridors lined with higher intensity uses. The plan calls for a mix of housing types, with an emphasis on single-family housing that is affordable to a range of income levels, is located near community amenities, and compatible with the community character. Adoption of the proposed Plan will include repeal of the Edison Community Plan, amendment of the Fresno General Plan, amendment of the Official Zoning Map, adoption of zoning overlay districts, and a text amendment to the Development Code to implement the zoning overlay districts.

Impacts. The DPEIR has identified the following significant and unavoidable impacts for the project: Aesthetics, Agriculture, Air Quality, Greenhouse Gasses, Noise, and Traffic. The DPEIR has identified the following impacts that are less than significant with mitigation: Biological Resources, Cultural Resources, Hazards and Hazardous Materials, Utilities and Service Systems.

There are sites within the Plan Area listed pursuant to Government Code Section 65962.5. However, due to the scale and nature of a program-level EIR, it is not feasible to list each site and the corresponding hazards listing within the body of this notice. Please refer to Chapter 4.8 of the DEIR for a complete listing.

Public Comment. The DPEIR and related plans are available for public review for a 45-day public review period beginning on Wednesday, August 9, 2017 and ending on Monday, September 25, 2017. All interested parties are invited to submit written comments on the SWFSP and DPEIR for consideration by the Planning Commission and City Council. Comments should be submitted to Sophia Pagoulatos, Planning Manager, at 2600 Fresno Street, Rm. 3065, Fresno, CA 93721 or via email at Southwestcomments@fresno.gov no later than 5:00 p.m. on Monday, September 25, 2017. Agencies should provide the name of a contact person with their response. The Fresno Planning Commission is tentatively scheduled to consider these items on October 18, 2017. The Fresno City Council is tentatively scheduled to consider these items on October 26, 2017.

Copies of the documents are available for review at the Fresno City Hall Development and Resource Management (2600 Fresno Street, Third Floor, Room 3065, Fresno, CA 93721) and at the West Fresno and Central branches of the Fresno County Library. A copy has also been placed at the following locations:

- Mary Ella Brown Community Center, 1350 E. Annadale Avenue, Fresno, CA 93706
- Hinton Community Center, 2385 Fairview Avenue, Fresno, CA 93706
- West Fresno Family Resource Center, 1801 E. California Avenue, Fresno, CA 93706

A copy of the documents can also be accessed online at www.fresno.gov/southwestplan

NOTICE IS HEREBY GIVEN that the Fresno City Planning Commission and City Council, in accordance with the procedures of Chapter 15, Sections 5007 and 5801-5812 of the Fresno Municipal Code (FMC), will conduct public hearings to consider the draft Southwest Fresno Specific Plan and related Final Program Environmental Impact Report (FPEIR). State Clearinghouse (SCH) # 2017031012. These applications have been initiated by the Fresno City Council.

Project Description. The project is the adoption of the Southwest Fresno Specific Plan (SWFSP). Adoption of the plan would require repeal of the Edison Community Plan, amendments to the City of Fresno General Plan land use map and dual designation map, and amendment of the Fresno Chandler Executive Airport Land Use Compatibility Plan and the Fresno-Chandler Downtown Airport Master and Environs Specific Plan. In addition, a rezone is proposed to reclassify the zoning on property within the plan area to be consistent with the land uses proposed in the plan. The intent of the SWFSP is to refine and build upon the General Plan goals for the area through specific guiding principles, policies, development criteria, and implementation strategies that were developed by residents and stakeholders to coordinate private development and public improvements given the unique opportunities and characteristics of the plan area.

The specific applications filed for the Project are described as follows:

1. **Plan Amendment Application No. A-17-13** proposes to repeal the Edison Community Plan, pertaining to approximately 10,019 acres located in the DA-1 South Development Area.
2. **Plan Amendment Application No. A-17-14** proposes to adopt the October 2017 Redline Draft and accompanying technical map changes of the Southwest Fresno Specific Plan, pertaining to approximately 3,255 acres located in the DA-1 South Development Area.
3. **Plan Amendment Application No. A-17-15** proposes to update the Land Use Map (Figure LU-1) and the Dual Designation Map (Figure LU-2) of the Fresno General Plan to incorporate the land use changes proposed in the Southwest Fresno Specific Plan and to correspondingly amend the Fresno Chandler Executive Airport Land Use Compatibility Plan and the Fresno-Chandler Downtown Airport Master and Environs Specific Plan.
4. **Text Amendment Application No. TA-17-08** proposes amendments to the Citywide Development Code (Fresno Municipal Code Chapter 15) to incorporate the Kearney Boulevard Historic Corridor (KB) Overlay District and the California Avenue Transit Corridor (CA) Overlay District.
5. **Rezone Application No. R-17-17** proposes to establish the Kearney Boulevard Historic Corridor (KB) Overlay District and the California Avenue Transit Corridor (CA) Overlay District.
6. **Rezone Application No. R-17-18** proposes to rezone approximately 892 acres of property within the Southwest Fresno Specific Plan area to be consistent with the planned land uses proposed in the Southwest Fresno Specific Plan.

7. **PROGRAM ENVIRONMENTAL IMPACT REPORT SCH No. 2017031012:** In accordance with the California Environmental Quality Act (CEQA), a Program Environmental Impact Report (PEIR) was prepared by the City to consider potential impacts associated with implementation of the project, and to provide mitigation measures that would reduce impacts to less than significant levels. The Draft PEIR was released for a 45-day public review period beginning on August 9, 2017 and ending on September 25, 2017. A Final PEIR will be released on October 13, 2017 which will include all comments received during the public review period, City responses to issues raised regarding adequacy of the Draft PEIR, and minor edits to the Draft PEIR.

NOTICE OF THE FRESNO CITY PLANNING COMMISSION AND CITY COUNCIL HEARINGS REGARDING THE SOUTHWEST FRESNO SPECIFIC PLAN AND RELATED FINAL PROGRAM ENVIRONMENTAL IMPACT REPORT (SCH NO. 2017031012)

NOTICE IS HEREBY GIVEN that the Fresno City Planning Commission and City Council, in accordance with the procedures of Chapter 15, Sections 5007 and 5801-5812 of the Fresno Municipal Code (FMC), will conduct public hearings to consider the draft Southwest Fresno Specific Plan and related Final Program Environmental Impact Report (FPEIR), State Clearinghouse (SCH) # 2017031012. These applications have been initiated by the Fresno City Council.

Project Description. The project is the adoption of the Southwest Fresno Specific Plan (SWFSP). Adoption of the plan would require repeal of the Edison Community Plan, amendments to the City of Fresno General Plan land use map and dual designation map, and amendment of the Fresno Chandler Executive Airport Land Use Compatibility Plan and the Fresno-Chandler Downtown Airport Master and Environs Specific Plan. In addition, a rezone is proposed to reclassify the zoning on property within the plan area to be consistent with the land uses proposed in the plan. The intent of the SWFSP is to refine and build upon the General Plan goals for the area through specific guiding principles, policies, development criteria, and implementation strategies that were developed by residents and stakeholders to coordinate private development and public improvements given the unique opportunities and characteristics of the plan area.

The specific applications filed for the Project are described as follows:

1. **Plan Amendment Application No. A-17-13** proposes to repeal the Edison Community Plan, pertaining to approximately 10,019 acres located in the DA-1 South Development Area.
2. **Plan Amendment Application No. A-17-14** proposes to adopt the October 2017 Redline Draft and accompanying technical map changes of the Southwest Fresno Specific Plan, pertaining to approximately 3,255 acres located in the DA-1 South Development Area.
3. **Plan Amendment Application No. A-17-15** proposes to update the Land Use Map (Figure LU-1) and the Dual Designation Map (Figure LU-2) of the Fresno General Plan to incorporate the land use changes proposed in the Southwest Fresno Specific Plan and to correspondingly amend the Fresno Chandler Executive Airport Land Use Compatibility Plan and the Fresno-Chandler Downtown Airport Master and Environs Specific Plan.
4. **Text Amendment Application No. TA-17-08** proposes amendments to the Citywide Development Code (Fresno Municipal Code Chapter 15) to incorporate the Kearney Boulevard Historic Corridor (KB) Overlay District and the California Avenue Transit Corridor (CA) Overlay District.
5. **Rezone Application No. R-17-17** proposes to establish the Kearney Boulevard Historic Corridor (KB) Overlay District and the California Avenue Transit Corridor (CA) Overlay District.
6. **Rezone Application No. R-17-18** proposes to rezone approximately 892 acres of property within the Southwest Fresno Specific Plan area to be consistent with the planned land uses proposed in the Southwest Fresno Specific Plan.
7. **PROGRAM ENVIRONMENTAL IMPACT REPORT SCH No. 2017031012:** In accordance with the California Environmental Quality Act (CEQA), a Program Environmental Impact Report (PEIR) was prepared by the City to consider potential impacts associated with implementation of the project, and to provide mitigation measures that would reduce impacts to less than significant levels. The Draft PEIR was released for a 45-day public review period beginning on August 9, 2017 and ending on September 25, 2017. A Final PEIR will be released on October 13, 2017 which will include all comments received during the public review period, City responses to issues raised regarding adequacy of the Draft PEIR, and minor edits to the Draft PEIR.

This published notice is provided in lieu of mailed notices to affected property owners pursuant to Fresno Municipal Code section 15-5007-d.

Public hearings on these items are scheduled with the Fresno Planning Commission and City Council as noted below. The Planning Commission's recommendation is advisory to the City Council. The City Council's action is final.
