Re: Request for Removal of Listed Subcontractor**

Dear Mr. Lenhof,

Pursuant to the California Public Contract Code Section 4107 (a) 1. HPS Mechanical requests de-listing of the listed subcontractor S.A. Camp Pump and Drilling Company. Please see attached notification from S.A. Camp informing HPS that they will be unable to perform the sewage well abandonment. HPS will self-perform this work.

We ask that you provide your written response and/or approval to this request as soon as possible. If you have any questions or need more information, please do not hesitate to call.

Sincerely,

A blue ink handwritten signature, appearing to read "Genny Guerrero", with a long horizontal line extending to the right.
