Briefly explain why are you interested in serving on this board or commission?

I have been a tower resident for 15 years, home owner for 9. My company has been one largest employers in the neighborhood, employing hundreds of people over the past 13 years. I love this neighborhood, and have been committed to serving it both professionally and personally. This neighborhood is why I chose to stay in the valley. My goal is to not only maintain the integrity of what makes this community uniquely diverse, but hope to be a part of its growth as well.
