

Agenda Items: ID#19-11591 (1:30 P.M.)

Date: 12/5/2019

FRESNO CITY COUNCIL

Additional Information

Agenda Related Item(s) – ID#19-11591 (1:30 P.M.)

Item(s)

RESOLUTION – Initiating a text amendment to the Zoning Ordinance of the City of Fresno to Amend Chapter 15, Article 27, Section 15-2009 relating to security fencing, pursuant to Fresno Municipal Code Section 15-5803-A(1)

Contents: Letter of Support from Pacific Door

Supplemental Information:

Any agenda related public documents received and distributed to a majority of the City Council after the Agenda Packet is printed are included in Supplemental Packets. Supplemental Packets are produced as needed. The Supplemental Packet is available for public inspection in the City Clerk's Office, 2600 Fresno Street, during normal business hours (main location pursuant to the Brown Act, G.C. 54957.5(2)). In addition, Supplemental Packets are available for public review at the City Council meeting in the City Council Chambers, 2600 Fresno Street. Supplemental Packets are also available on-line on the City Clerk's website.

Americans with Disabilities Act (ADA):

The meeting room is accessible to the physically disabled, and the services of a translator can be made available. Requests for additional accommodations for the disabled, sign language interpreters, assistive listening devices, or translators should be made one week prior to the meeting. Please call City Clerk's Office at 621-7650. Please keep the doorways, aisles and wheelchair seating areas open and accessible. If you need assistance with seating because of a disability, please see Security.

RE: ID19-11591 (Bredefeld & Chavez) –Security Fencing Resolution – SUPPORT

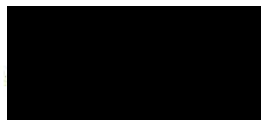

Dear Council President Caprioglio:

Pacific Door Inc. is pleased to support Resolution ID19-11591, which will allow the use of barbed wire, razor wire and other ultra-barriers to protect private property from trespassing, vandalism, and burglaries. By amending the Fresno Municipal Code the City Council would give more options to business owners who wish to secure their property from unwanted intrusions and deter prospective thieves.

This resolution will have ramifications for many Fresno business and commercial districts, increasing security for their property, customers, and employees. By making it more difficult for thieves to easily climb over a chain link fence, barbed wire or razor wire along the top of the fence can prevent climbing and break-ins. Industrial districts and construction sites in Fresno will especially benefit, by preventing vandalism and damage to expensive equipment.

We strongly support Resolution ID19-1159, initiating a text amendment to the Fresno Municipal Code related to security fencing. Because allowing property owners the ability to use stronger security measures such as enhanced fencing, means local businesses can create an improved first line of defense against unwanted intruders.

Sincerely,

Duane Fanna
Owner
Pacific Door Inc.
