For what Board or Commission are you applying?

Tower District Design Review Committee

Briefly explain why you are interested in serving on this Board(s) or Commission(s)

I live in the North Tower/Fresno High neighborhood with two small children and my husband. We moved here from Oakland 5.5 years ago after spending several years living in the Bay Area and DC and New York prior. We fell in love with the historic character, walkability, and diversity of the neighborhood that we had experienced in other cities - yet is so unique to the Fresno metropolitan area. I am passionate about making sure the neighborhood both retains that very unique character while ensuring that it stays an inclusive neighborhood for people of all ethnic and socioeconomic backgrounds even as it gains in popularity with more people in the region. Given my background as a city planner I have a good sense of best practices from other cities on how the greater Tower area can grow, change, and evolve amidst that tension.

Do you or an immediate family member have any professional or financial relationship that may present a potential conflict of interest for this board, commission or similar body?

No
