Each bidder has agreed to allow the City sixty-four (64) days from date bids are opened to accept or reject their bid proposal. Purchasing requests that you complete the following sections and return this bid evaluation to the Purchasing Division at the latest by Tuesday, May 28, 2019, 5:00 P.M.

The Engineer's Estimate for this expenditure is \$ 372,100. The contract price is 17% above the Engineer's Estimate. If the overage is greater than 10% or only one bid was received, give explanation:

The current bid prices for this electrical trade is currently being impacted by the abundance of work in the Fresno area which has seen prices consistently rising. The nation is also experiencing new steel tariff additions that were not in place at time of project estimate which is now affecting the increase in steel for the traffic signal poles. Also affecting the cost is a plant closure that now requires this type of acquisition of traffic signal poles to be placed in an ordering que with the remaining plants, causing a wait of approximately six months for steel traffic signal pole deliveries.

FOR: DAKOTA AND WEST TRAFFIC SIGNAL MODIFICATIONS

Bid File No. 3614
Bid Opening: May 7, 2019

BACKGROUND OF PROJECT (To be completed by Evaluating Department/Division. Explain need for project/equipment):

The intersection of Dakota Avenue and West Avenue has been analyzed by the City's Traffic and Engineering Division which included intersection accident reports, traffic counts, and performed an engineering analysis, a prioritized list of intersections recommended for left turn phasing was brought forth and adopted by the City Council for left turn phasing. Dakota and West is currently ranked No. 2 on the list.

DEPARTMENT CONCLUSIONS AND RECOMMENDATION:

Award a contract in the amount of \$438,933 _____
to Sturgeon Electric California, LLC of Chino CA _____
as the lowest responsive and responsible bidder.

Remarks:
