Ordinance No.

1. Wholesalers shall not supply establishments (as defined below) with any items that would violate this section of the Fresno Municipal Code.

[C.] Purpose. The following regulations, known as "The Responsible Neighborhood Market Act," are for establishments that sell alcoholic beverages for off-site consumption not otherwise exempt under Section 15-2706 D.2 (henceforth "establishment"). These establishments possess certain characteristics that have the potential to cause deleterious effects and nuisances on surrounding neighborhoods and businesses, especially when such establishments are concentrated near one another. In order to ensure that establishments operate in a manner that is mutually beneficial to surrounding uses and to also provide mechanisms to prevent and correct any associated problems, the following special regulations are provided.

[D]E. Applicability.

1. New or Expanded Use. Any proposed new establishment or any existing establishment that requests to modify their alcohol or business license type(s), reinstate their alcohol or business license(s) after an expiration or revocation, extend their hours of operation [alcohol sales], or expand their floor area [for retail sales of alcohol], shall obtain a Conditional Use Permit issued in compliance with the standards of this section. An existing establishment that expands their floor area for non-alcohol related retail sales is allowed to retain the conditions on their existing Conditional Use Permit in relation to alcohol requirements. Should

an establishment not comply with the strict application of the regulations provided for in this section, said improvements shall be made prior to commencing the sale of alcoholic beverages. Violation of these standards at any time may result in the revocation of a Conditional Use Permit.

2. Exemptions. This section does not apply to the following:

a. ~~Establishments that are 10,000 square feet or larger.~~

[a]b. Establishments that serve alcohol for on-site consumption, where an off-site sales component is incidental to the main use and as permitted through an establishment's ABC Conditional Use Permit License Type.

[E]D. Modifications to Existing Establishments. A modification to an existing establishment shall not be approved when a condition exists that has

caused or resulted in repeated activities that are harmful to the health, peace, or safety of persons residing or working in the surrounding area.

~~[F]~~E. Location Restrictions for New Establishments. The following location restrictions apply to new establishments, unless the establishment can be found qualified for exception by the Review Authority. [These location restrictions shall apply to existing establishments that must obtain a CUP pursuant to this ordinance due to proposed expansion or improvement of an existing use that is currently operating pursuant to a CUP issued prior to the effective date of this ordinance unless the proposed expansion or improvement is only with respect to a necessary repair, or bringing the existing establishment into compliance with current building codes, including but not limited to the California Building Code, the California Fire Code, and the California Electrical Code, as may be amended and any local amendments thereto.]

1. Near Sensitive Uses. The establishment shall not be located within 500 [1,000] feet of the following:

5. [Citywide Ratio. No establishment shall be granted a Conditional Use Permit under this Section if the number of sites selling alcohol for off-site consumption will exceed one license per 2,500 residents. This ratio requirement shall not apply to: (1) existing establishments that must obtain a CUP pursuant to this ordinance due to proposed expansion or improvement of an existing use that is currently operating pursuant to a CUP issued prior to the effective date of this ordinance; (2) new establishments that utilize the Cancel and Transfer

provisions stated in Section S., below; or (3) an existing establishment that is in good standing which has a change in the ABC License holder, specifically partner franchisees.]
