DEPARTMENT CONCLUSIONS AND RECOMMENDATION:

Award a contract in the amount of \$ _____
to _____ in accordance with the Selection Committee
recommendation.

Reject all proposals. Reason: The Department of Public Utilities, Water Division, is seeking to reject all Design-Build proposals received for the City of Fresno's NESWTF Six-Million Gallon Finished Water Reservoir Project. There were two Design-Build proposals received for the Project. Following a posting of staff's determination, an appeal was received and a protest hearing was held. The Independent Administrative Hearing Officer recommended that City Council reject all proposals and reinitiate the procurement process for the Project.
