For what Board or Commission are you applying?
Bicycle and Pedestrian Advisory Commission

Briefly explain why you are interested in serving on this Board(s) or Commission(s):
I want to be on the committee because not only do I have the ambition and drive to succeed, but also have a passion and love for bicycling. Ever since I have learned how to ride a bicycle I haven't stopped. Growing up, I rode with my neighborhood friends. While in high school, I would ride to school. Now 6 years of my adult life I have rode my bicycle as a vehicular cyclist. As an avid cyclist I want to express the concerns of the roadway and what can be done. Through my experience of riding and participating in activities with Fresno County Bicycle Coalition, I have gained knowledge of issues in Fresno and heard the complaints of fellow riders. I want to encourage safe roadways for both pedestrians and cyclists in a positive way for all to enjoy.

Do you or an immediate family member have any professional or financial relationship that may present a potential conflict of interest for this board, commission or similar body?
