Dear Dear Fresno Parks, Recreation, & Arts Commission, and Fresno City Council,

I am writing to ask you to adopt all the budget requests made by Communities for a New California Education Fund's Parks Advocates United committee.

- 1) \$600,000 to expand the Youth Fee Waiver/Voucher Program to also include youth-serving organizations.
- 2) \$75,000 to conduct an annual Representative Sample Survey
- 3) \$5,000,000 for a city-wide Participatory Budgeting engagement process
- 4) Formalize a partnership with the US Soccer Foundation and their Safe Places to Play initiative to create and resurface multi-sport possible facilities.
- 5) the City of Fresno prioritizing investing in and building an inclusive multi-use court that can accommodate Futsal (5v5 soccer), Basketball, and Volleyball at Quigley, Lions, and Lafayette Parks.
- 6) Make all new playgrounds accessible and accommodated for all children with disabilities.
- 7) \$6,000 for new goal posts and nets at the hockey rink at Cary Park. Including goals for Futsal

These proposals directly support my neighborhood, my family, and myself and would fix some of the issues in our neighborhood parks.

These proposals reflect and address the needs of constituents and fulfilling them successfully invests in our families, our future, and our city.

Invest in the future of Fresno, and adopt all the budget asks made by Communities for a New California's Parks Advocates United. Thank you.

Sincerely,

Salvador Mendoza

Aaron, Aldi, Edward, and the office of the City Clerk,

We hope you all had a great 3-day weekend and that this email finds you well. I want to share with you the budget priorities that Fresno residents that are a part of CNC's Fresno Parks Advocates United have identified for their neighborhood parks and PARCS Department.

Best Regards,

Pedro Navarro Cruz

MINI-PITCH INSTALLATION SPECIFICATIONS

TO INCREASE ACCESS TO SOCCER IN UNDERSERVED COMMUNITIES, THE U.S. SOCCER FOUNDATION WORKS WITH COMMUNITY PARTNERS NATIONWIDE TO OFFER *SOCCER FOR SUCCESS*, A HIGH-QUALITY AFTER-SCHOOL PROGRAM, AND TO CREATE SAFE PLACES TO PLAY THE GAME.

THE MINI-PITCH

In communities where space is at a premium, the U.S. Soccer Foundation developed what we call the mini-pitch. These are small, customized hard court spaces perfectly suited for organized soccer programs and pick-up games. Not only do mini-pitches provide quality playing surfaces for children and adults, they also transform the look and feel of neighborhoods. Below, please find information to help your organization target potential spaces for mini-pitch installation.

BEFORE

AFTER

MINI-PITCH SITE REQUIREMENTS

- Current concrete/asphalt surface — cannot construct on grass or dirt
- 5,000–7,200 square feet (typically 100–120' long and 50–60' wide)
- Surface is open, flat, acceptable for soccer play and free of major obstructions
- Surface is in a state of good repair, with minimal cracks (1" or less in width) or deviations
- No planned installation on proposed site for a minimum of 6–8 years
- Confirmation that landowner is comfortable with repurposing of space

MINI-PITCH SITE PREFERENCES

- Targeted mini-pitch space is currently unused or underutilized (common targets are defunct or underutilized tennis/basketball courts, parking lots, or open play spaces)
- Availability for branding/logo placement on mini-pitch surface and potential windscreens
- Potential to host youth development programming, such as the U.S. Soccer Foundation's *Soccer for Success* program
- Accessible to the public for year-round use

For more information on mini-pitch installation and other *Safe Places to Play* initiatives, contact Alex Bard at abard@ussoccerfoundation.org or 202-872-6660.

CNC's Fresno Parks Advocates United
Fiscal Year 2023-2024 The City of Fresno Budget Priorities

1) \$600,000 to expand the Youth Fee Waiver/Voucher Program to also include youth-serving organizations.

- FPAU Priority from FY 22-23
- Adopted by Fresno City Council with \$300,000
- Once implemented it excluded a major component which is for organizations and youth-serving businesses to also have access to the funds.

Why invest in these organizations?

- These organizations already have relationships in the neighborhoods they serve.
- Many of these organizations are completely volunteer ran. These funds can help the organizations be self-sustainable and reach more youth.
- The volunteerism performed in these organizations is an unappreciated gem in the city of Fresno. This will both help the organizations and ultimately serve more youth.
- It's being done elsewhere! The County of San Diego implemented this voucher program inclusively as we are asking.

IT WILL GET MORE KIDS ACTIVE!

- Many families have financial barriers right now making sports and recreation not a make priority. This program inclusively ran can alleviate families with financial hardships while using city funds to support the well-being of kids.
- Some families with financial hardships have multiple kids!

2) \$75,000 to conduct an annual Representative Sample Survey

Ensuring that residents have equitable access to parks, including facilities and programming that fit their specific needs, can have profound positive effects.

Currently, the City of Fresno is conducting a survey on implementing Measure P and distributing its funding. There's no way to control how many times someone can participate or if the participant even lives in Fresno. Through this method, the City of Fresno is getting an unrepresentative and skewed outcome where smaller communities are being overrepresented. This process also leaves room for certain groups or individuals to manipulate the process.

An excellent alternative to a random survey is a representative sample survey. A representative sample is a small number of people who reflect a more extensive group as accurately as possible.

We recommend that this survey is done annually to monitor new trends and any changes associated with Parks, Recreation, and the arts.

[Fresno Speaks 2022- Example of a Representative Sample Survey](#)

3) \$5,000,000 for a city-wide Participatory Budgeting engagement process

Participatory budgeting (PB) is a democratic process in which community members decide how to spend part of a public budget. It puts power into the hands of Fresno residents to decide how their tax dollars are spent. It's a better way to manage public money. Residents' input makes up for any gaps in local leaders' knowledge of the subject matter. This leads to better, more equitable, and innovative solutions while also bringing the people and their government closer together as a community. In the PB process, historically disenfranchised groups are able to participate. Historically marginalized individuals tend to participate more, leading to the government hearing voices of residents who have previously been silenced. To reiterate: the PB process strengthens civic engagement by creating new relationships, empowering new leaders, and strengthening local democracy. This is one of the recommendations from the 2020 Commission on Police Reform. Recommendation #36 to be exact. We see this enacted as a solution to the struggle to have residents participate in government. Including the Parks, Recreation, and Arts Commission.

We encourage the Parks, Recreation, and Arts Commission to send a recommendation to the City of Fresno to incorporate a city-wide participatory budgeting process that can include parks, recreation, and the arts but is not exclusive to.

[Participatory Budgeting Project](#)

[Video on a PB Process in New York City](#)

4) Formalize a partnership with the US Soccer Foundation and their Safe Places to Play initiative to create and resurface multi-sport possible facilities.

Futsal/Pickleball Courts

Futsal/Basketball Court

Pictured above: A sketch of what a US Soccer Foundation Safe Places to play Futsal court with Measure P funding could look like.

Safe Places to Play - National Initiative

In communities where space is at a premium, the U.S. Soccer Foundation developed what they call the mini-pitch. These are small, customized hard court spaces perfectly suited for organized soccer programs and pick-up games. Not only do mini-pitches provide quality playing surfaces for children and adults, but they also transform the look and feel of neighborhoods.

Impact Nationwide:

- ❖ **Increasing Access**
 - 96% say their mini-pitch is accessible to all
 - 90% of mini-pitches are located 30 minutes or less from users
 - 31% of mini-pitch users are new to soccer on average.
 - 69% of users are eligible for free and reduced-priced meals
- ❖ **Providing More Opportunities to Play**
 - 5x more soccer is played at the sites after the installation of mini-pitch
 - 4: the average number of hours programming is running per day on each court
 - 3: Daily additional hours of play made possible by mini-pitch lighting
- ❖ **Strengthening Communities**
 - 99% say people in their communities say their communities are more active after the installation of a mini-pitch (court).
 - 98% say their community feels safer after the installation of mini-pitch
 - 91% say their mini-pitch serves as a community hub

5) the City of Fresno prioritizing investing in and building an inclusive multi-use court that can accommodate Futsal (5v5 soccer), Basketball, and Volleyball at Quigley, Lions, and Lafayette Parks.

Relative Data to Support

- [Fresno Speak 2022](#)
 - [Data for Social Good](#) (DSG) was commissioned by The Fresno County Civic Engagement Table (FCCET), a coalition of local organizations to conduct a survey within the City of Fresno. The research was conducted from June 25 to August 23, 2022. A total of 1,850 Fresno residents were contacted via phone by coalition members. DSG oversampled Latinos, Blacks, and Asians to approximate the City's registered voters and has a 2+/- margin of error. This is the third iteration of Fresno Speaks conducted in 2020, 2021, and now 2022.
 - **The city of Fresno approved Measure P to tax retail transactions. The City projects being able to dedicate almost \$75 million to improve & maintain parks and facilities create new parks and trails, and fund recreation, community, and arts programs. Of the following options, what would be the best use of funds? (Choose one)**
 - **Citywide Data**
 - **49.5%** - Improving Picnic Facilities
 - **19.1%** - Expanding Soccer Facilities
 - **13.7%** - Refurbishing Basketball Courts
 - **6.6%** - Baseball Fields
 - **4.5%** - Building Volleyball Courts
 - **3.2%** - Football Fields
 - **2.1%** - Building Pickleball Courts
 - **0.9%** - Cricket
 - **0.5%**- Field Hockey
- [Fresno Parks Masterplan](#) (Adopted December 14, 2017, by the City of Fresno)
 - The Masterplan concludes that Soccer is the most on-demand activity locally with participation ranging from 11 to 34% higher than the national average for soccer participation.
 - **25%** higher participation than the national average in the city as a whole for **soccer**.
 - **5%** higher participation than the national average in the city as a whole for **volleyball**.
 - **5%** higher participation than the national average in the city as a whole for **basketball**.

6) Make all new playgrounds accessible and accommodated for all children with disabilities.

7)\$6,000 for new goal posts and nets at the hockey rink at Cary Park. Including goals for Futsal

Somehow this motion which was voted for and approved by the city council did not make it into the 2022-2023 Fiscal Budget. We do not know if it was a clerical or administrative error, however, residents have waited an entire year for these improvements. Our desire is for this to be corrected with current fiscal year funds or next year's funds as needed.

**For further questions and comments please contact
Pedro Navarro Cruz at (559) 800-2313 and pedro@cncedfund.org**

Mini-Pitch System™

MODULAR SPORTS SOLUTION

US
SOCCER
FOUNDATION

MUSCO
Lighting
We Make It Happen.

***The Mini-Pitch System™
modular sports solution has
an innovative, all-in-one design
to help communities create
fun and active play spaces by
revitalizing public areas.***

Created to assist the U.S. Soccer Foundation in providing safer places to play the game, the Mini-Pitch System is ideal for transforming abandoned courts and other underutilized areas into places where children and families can come together in the spirit of teamwork, empowerment, and physical activity. The system supports the Foundation's *It's Everyone's Game* movement to ensure that all children have access to the game and its many benefits.

Complete

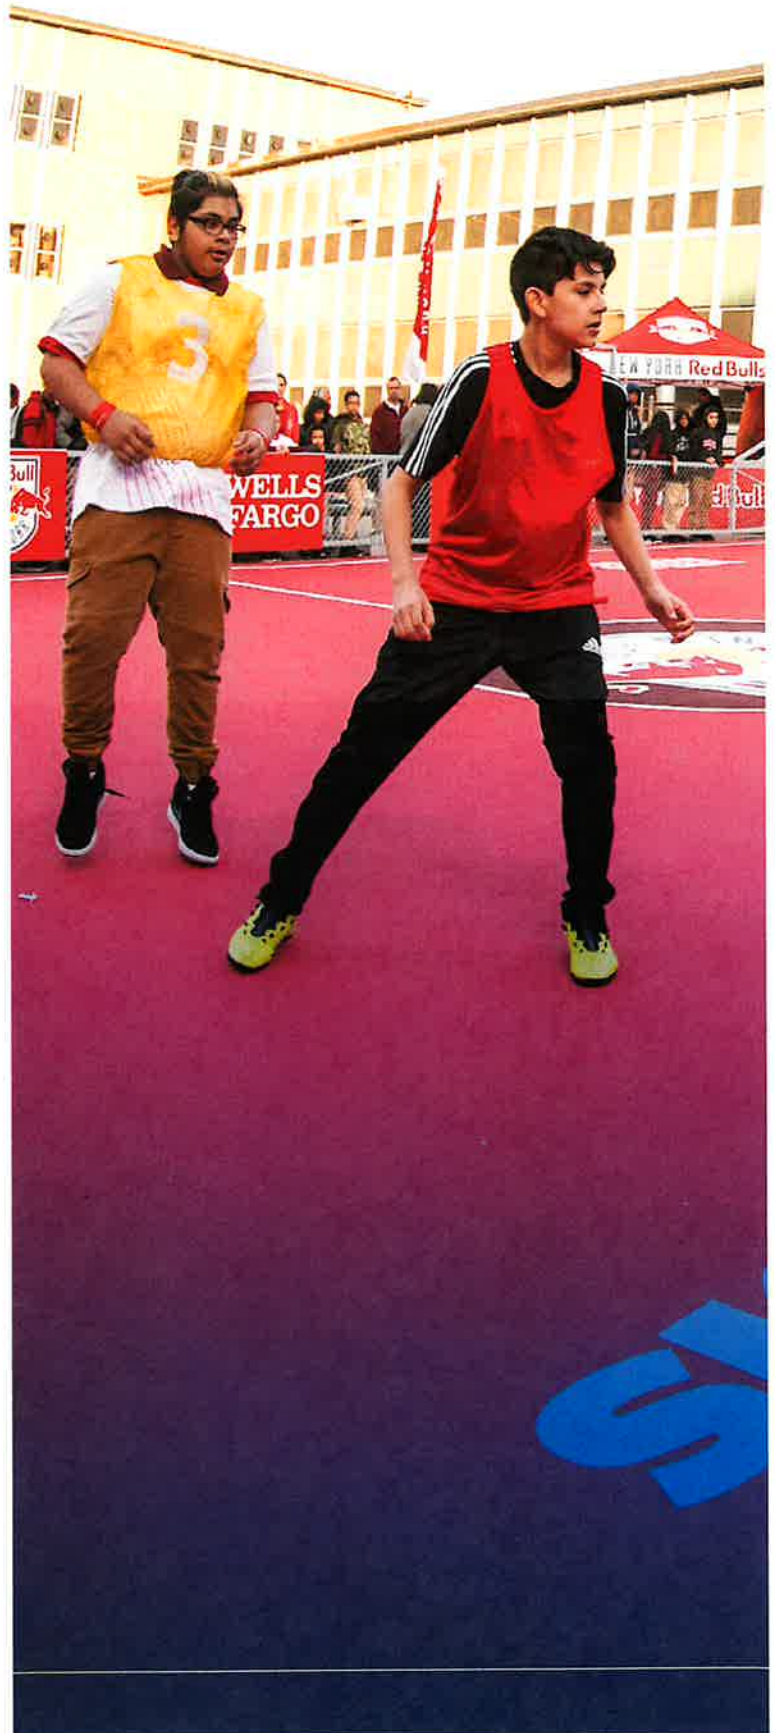

The mini-pitch comes as a modular system complete with lighting, fencing, goals, benches, ADA-compliant access, and lockable storage.

Convenient

Assembly can be done by a three-person crew in approximately 16 hours.

Customizable

You'll have options on the size of your pitch and custom signage. Acrylic surfacing is provided and can be color customized.

"The new soccer pitches will allow our students to engage in physical fitness, learn the tenets of teamwork, and have fun. Partnerships that benefit our students are an essential part of our success as a district."

– Roger León, Newark Superintendent of Schools

Complete System

The Mini-Pitch System™ modular sports solution includes lighting, structural, and electrical components designed and engineered to work together for streamlined installation and reliable operation.

- Factory-built, wired, aimed, and tested.
- Fast, trouble-free installation.
- Rugged reliability, designed to be long-lasting in all weather conditions and atop all surfaces.
- 10-year warranty covers all parts and labor.

TLC for LED® Lighting

Enjoy the benefits of the LED sports lighting technology of choice at venues around the world.

- Custom optics create a more uniform distribution of light for better visibility.
- Patented glare control preserves darkness around your pitch, keeping neighbors happy.
- Instant on/off and energy efficient operation.

Control-Link® Service

Your system will be supported by Musco's Control-Link control system.

- Manage your lights instantly, from anywhere, with a touch of a smartphone.
- 24/7 support from the Musco Team includes troubleshooting and scheduling assistance.
- Get a real, live voice on the other end of the phone anytime you call Control-Link Central™ service center.

10-Year Parts and Labor Warranty

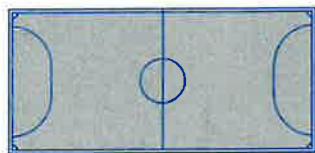

With Musco's long-term parts and labor warranty, you'll have the peace of mind in knowing that you won't have to pay for maintenance of your Mini-Pitch System™.

- No maintenance costs for the next decade.
- Every part and all labor covered.
- Supported by Musco's regionally-based technicians.

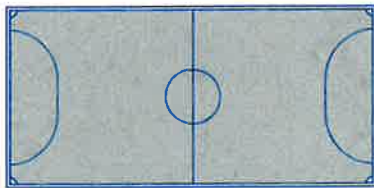

Separate playing surface warranty is provided by the surface contractor.

Your Pitch, Your Way

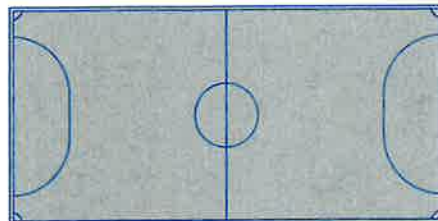

The Mini-Pitch System™ modular sports solution gives you customization options with the ability to combine any of the below widths and lengths to meet your exact needs.

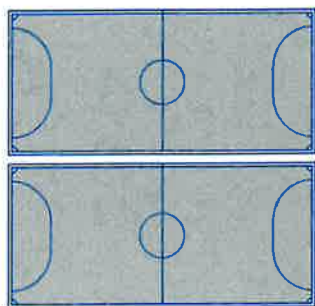

40 ft x 84 ft
12 m x 25 m

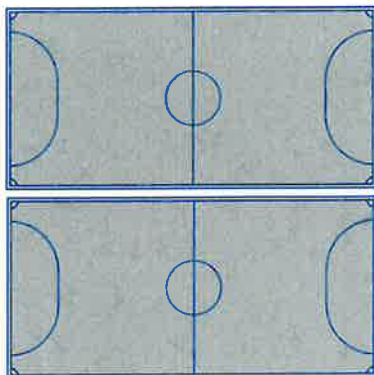

50 ft x 104 ft

Safe Places to Play Mini-Pitches

At the U.S. Soccer Foundation, we are working to create a future where children thrive and underserved communities are strengthened through the power of soccer.

Our *Safe Places to Play* mini-pitches do just that by transforming and revitalizing underutilized areas into state-of-the-art places to play soccer. These mini-pitches are installed in underserved communities where family income, race, and gender are often factors that limit opportunities to play and benefit from all that soccer offers.

Increasing Access to the Game

96%

say their mini-pitch is accessible to all

90%

of mini-pitches are located 30 minutes or less from users

31%

of mini-pitch users are new to soccer on average

Providing More Opportunities to Play

5x more soccer is played at sites after installation of a mini-pitch

4: The average number of hours programming is running per day on each mini-pitch

3: Daily additional hours of play made possible by mini-pitch lighting

Strengthening Communities

99% say people in their communities are more active after installation of a mini-pitch

98% say their community feels safer after installation of a mini-pitch

91% say their mini-pitch serves as a community hub

Dear Fresno Parks, Recreation, & Arts Commission, and Fresno City Council,

I am writing to ask you to adopt all the budget requests made by Communities for a New California Education Fund's Parks Advocates United committee.

- 1) \$600,000 to expand the Youth Fee Waiver/Voucher Program to also include youth-serving organizations.
- 2) \$75,000 to conduct an annual Representative Sample Survey
- 3) \$5,000,000 for a city-wide Participatory Budgeting engagement process
- 4) Formalize a partnership with the US Soccer Foundation and their Safe Places to Play initiative to create and resurface multi-sport possible facilities.
- 5) the City of Fresno prioritizing investing in and building an inclusive multi-use court that can accommodate Futsal (5v5 soccer), Basketball, and Volleyball at Quigley, Lions, and Lafayette Parks.
- 6) Make all new playgrounds accessible and accommodated for all children with disabilities.
- 7) \$6,000 for new goal posts and nets at the hockey rink at Cary Park. Including goals for Futsal

These proposals directly support my neighborhood, my family, and myself and would fix some of the issues in our neighborhood parks.

These proposals reflect and address the needs of constituents and fulfilling them successfully invests in our families, our future, and our city.

Invest in the future of Fresno, and adopt all the budget asks made by Communities for a New California's Parks Advocates United. Thank you.

Sincerely,

Briana Parra

Dear Dear Fresno Parks, Recreation, & Arts Commission, and Fresno City Council,

I am writing to ask you to adopt all the budget requests made by Communities for a New California Education Fund's Parks Advocates United committee.

- 1) \$600,000 to expand the Youth Fee Waiver/Voucher Program to also include youth-serving organizations.
- 2) \$75,000 to conduct an annual Representative Sample Survey
- 3) \$5,000,000 for a city-wide Participatory Budgeting engagement process
- 4) Formalize a partnership with the US Soccer Foundation and their Safe Places to Play initiative to create and resurface multi-sport possible facilities.
- 5) the City of Fresno prioritizing investing in and building an inclusive multi-use court that can accommodate Futsal (5v5 soccer), Basketball, and Volleyball at Quigley, Lions, and Lafayette Parks.
- 6) Make all new playgrounds accessible and accommodated for all children with disabilities.
- 7) \$6,000 for new goal posts and nets at the hockey rink at Cary Park. Including goals for Futsal

These proposals directly support my neighborhood, my family, and myself and would fix some of the issues in our neighborhood parks.

These proposals reflect and address the needs of constituents and fulfilling them successfully invests in our families, our future, and our city.

Invest in the future of Fresno, and adopt all the budget asks made by Communities for a New Californias Parks Advocates United. Thank you.

Sincerely,

Sent from my iPhone
