For what Board or Commission are you applying? Fresno Housing Authorities

Briefly explain why you are interested in serving on this Board(s) or Commission(s): My experience as both a former employee and former resident of the Fresno Housing Authority is the leading force to my interest in serving on this board. As a divorced mature woman of color, I successfully participated in HUD's Family Self Sufficiency program. I now serve on the national commissioners committee; I am a college graduate as well as a home owner. I give back directly as a Marriage and Family Therapist primarily working with children and low income families. My philosophy is simple; I believe that education, hard work and opportunity can provide everything needed to create sustainability in a person's life. My advocacy focuses on, upward mobility, home ownership and higher education. Proper policy creation and execution is the key component to not only cities, communities and neighborhoods thriving but it is the key to the families living in them thriving as well. I was born in Fresno Ca. and I believe that all of its people can thrive.

Provide 3 Personal/Professional References. Provide name, address, and phone number where they may be reached during the day.
