Re: Statement of Self-Insurance for City of Fresno for Freeway Maintenance Agreement
No. TR 06-4-0001 with California Department of Transportation for the maintenance
along SR 180 within the City limits

Dear Lum:

This letter certifies that the City of Fresno is self-insured and self-funded covering third-party claims arising out of its general operations (i.e.; commercial general liability and automobile liability insurance). Further, the CITY is self-insured covering workers' compensation claims and has received the consent of the State Department of Industrial Relations to do so.

Each fiscal year, as a part of its budgetary process, the CITY appropriates funds specifically to satisfy valid third-party claims and workers' compensation claims, which may be brought against the CITY.

The CITY certifies its self-insured, general liability coverage for bodily injury and property damage liability, meets the required coverage amounts in section 14.D (Insurance) of the Freeway Maintenance Agreement, specifically general liability insurance, coverage of bodily injury and property damage liability in an amount of \$1 million per occurrence and \$2 million in aggregate and \$5 million in excess.

If you need any additional information regarding this letter, please direct those inquiries through my office.

Sincerely,
