Gentlemen,

I am OPPOSED to this amendment. It would greatly impact traffic, schools, and services in this area that have not been planned for in the existing plans. Unless you are planning on expanding Herndon in some method, it doesn't make sense to increase the density in this area, it seems that if you want to increase housing, you should go to an area of Fresno that is not had planning in place for 40 or 50 or 60 years.

Thank you for your consideration on this matter .
