Dear City Leaders,

As a lifelong resident of Southeast Fresno and the Sunnyside area, I am reaching out to ask for your support in an important matter that impacts the identity and future of our Southeast Fresno community.

Councilmember Brandon Vang has proposed naming the new sports complex on 2155 S. Peach Avenue the **"Southeast Fresno Sports Complex."** This name represents our entire community — a rich, vibrant melting pot of diverse cultures, families, and histories.

However, there is an ongoing push by SEFCEDA, an organization formed and led by Jose Leon Barraza, to rename the complex after him or others. While many individuals may have made contributions, naming this space after a single person does **not** reflect the collective identity, values, or unity of our community.

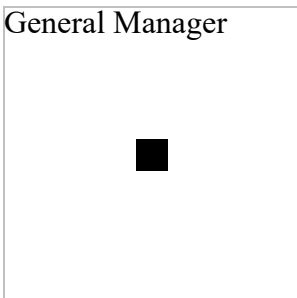

I believe that naming the complex after the **area** — not an individual — honors **all** who live here. It reinforces a shared identity and promotes unity over individual recognition. Let's bring the spirit of Southeast Fresno back, not by focusing on personal pride or politics, but by lifting up our community as a whole.

Together, let's ensure our community is heard. This is more than just a name — it's about preserving our identity and fostering a future built on unity, pride, and mutual respect.

Thank you for standing up for Southeast Fresno.

In solidarity,

General Manager

Hello,

Please see attached letter.

Thank you,

Mai Zoua Vang

Dear Esteemed City Council Members, Mayor, and City Manager,

I am writing to express my strong support for officially naming the new 49-acre park the "Southeast Fresno Sports Complex." As a resident deeply invested in the growth and well-being of our community, I believe this name accurately reflects the incredible potential and purpose of this significant development.

Firstly, the proposed name, "Southeast Fresno Sports Complex," precisely communicates to the public the nature and location of the park. It clearly defines it as a premier athletic facility for the Southeast Fresno region, aligning perfectly with the long-term vision for its full build-out. This clarity will serve our community well, ensuring residents and visitors immediately understand the comprehensive recreational opportunities available.

Secondly, I am particularly enthusiastic about the future incorporation of a state-of-the-art gymnasium within the complex. This addition will undoubtedly elevate the park's utility, providing much-needed indoor recreational space and complementing the outdoor fields and amenities. It speaks to a thoughtful, forward-looking approach to community development that addresses a wide range of needs.

Finally, I deeply appreciate the Councilmember and the City's thoughtful decision to allow future amenities within the complex to be named after individuals. This wise approach ensures that the park can authentically represent the rich diversity of Southeast Fresno, allowing various groups and historical figures to be honored without prioritizing one over another in the overarching name. It fosters a sense of unity and broad community ownership.

Thank you for your time, consideration, and dedication to enhancing our city's recreational infrastructure. I urge you to vote in favor of naming this vital community asset the "Southeast Fresno Sports Complex."

Sincerely,

Mai Zoua Vang

Message

Dear Council Member Vang,

As a Californian and proud American of Mexican heritage, I'm thrilled to see the new park in Southeast Fresno moving forward and strongly support keeping its current name: Southeast Fresno Sports Complex.

Please do not support a name change. Our city already has many schools and streets named after individuals, which are more fitting for that type of recognition. This park, however, should stand as a point of pride for the entire community. The name "Southeast Fresno Sports Complex" reflects the area it serves and gives residents a sense of belonging and ownership.

For too long, Southeast Fresno has been unfairly associated with negative stereotypes. In reality, our community is on the rise. Having a flagship park proudly bearing the Southeast Fresno name sends a powerful message: we are proud of who we are and where we live.

Thank you for your leadership and for considering the importance of keeping this name for our community's benefit.

Sincerely,
SE Fresno Resident

I heard about the upcoming discussion regarding changing the name of the **Southeast Fresno Sports Complex** on the news recently. I urge you to vote to keep the name as it is and not rename it after any single individual. I have lived in Southeast Fresno for over 30 years and I know several of the individuals whose names are proposed. Although I recognize their contributions, I strongly support keeping the name as is and urge you to vote to retain the name Southeast Fresno Sports Complex.

Good morning,

I am contacting you regarding the Southeast Fresno Sports Complex, an exciting development for our SE community. Local TV stations reported the naming of the development and mentioned some thought the name was "boring". I believe it's important to choose a name that best represents the spirit and diversity of our area so I am advocating to keep the name of the development "Southeast Fresno Sports Complex". This name reflects all of us - taking into account different cultures, neighborhoods, and generations. (My family has lived in Sunnyside since 1963!) I am proud to be part of this neighborhood and I look forward to seeing the development come to fruition, which is sorely needed. Thank you for your consideration. To Fresno City Leaders,

Re: Southeast Fresno Sports Complex naming

I have lived in the Sunnyside area for 28 years and have seen some disturbing changes. Sunnyside being in the Southeast area is a huge representation of the Southeast area. I am in favor of the new sports complex having a neutral non-controversial name of "Southeast Fresno Sports Complex. This represents a Sunnyside territory along with all the surrounding areas and nationalities in Fresno's Southeast. Please consider using this name.

Thank you for understanding,

Dear City Clerk

I am writing to you to show you that I fully support the naming of the 49-acre park "Southeast Fresno Sports Complex," because this name is an accurate description of the multiple facilities that will be built. This name is inclusive, and it reflects the diversity of Southeast Fresno, so anyone who wants to use it feels welcome. Still, there will be opportunities to name sports amenities once they're built out.

Additionally, I asked the council members and mayor to find funds to build the proposed gymnasium, because we do not have an indoor sports facility in Southeast Fresno. It will be greatly used during the hot summer months.

I urge the council to VOTE YES on agenda item 2-R, on Thursday, 8/14/2025.

eComment: I don't support calling the new 49-acre park at 2155 South Peach Avenue the "Southeast Fresno Sports Complex" because it's not even a sports complex. It's a park. The name makes it sound like it's only for sports when it's really a space for the whole community. Something like "Peach Park" or "Heritage Harvest Park" would make way more sense and actually reflect what it is and where it's at.

This clarity will serve our community well, ensuring residents and visitors immediately understand the comprehensive recreational opportunities available.

Secondly, I am particularly enthusiastic about the future incorporation of a state-of-the-art gymnasium within the complex. This addition will undoubtedly elevate the park's utility, providing much-needed indoor recreational space and complementing the outdoor fields and amenities. It speaks to a thoughtful, forward-looking approach to community development that addresses a wide range of needs.

Finally, I deeply appreciate the Councilmember and the City's thoughtful decision to allow future amenities within the complex to be named after individuals. This wise approach ensures that the park can authentically represent the rich diversity of Southeast Fresno, allowing various groups and historical figures to be honored without prioritizing one over another in the overarching name. It fosters a sense of unity and broad community ownership.

Thank you for your time, consideration, and dedication to enhancing our city's recreational infrastructure. I urge you to vote in favor of naming this vital community asset the "Southeast Fresno Sports Complex."

Sincerely,

Allen

This clarity will serve our community well, ensuring residents and visitors immediately understand the comprehensive recreational opportunities available.

Secondly, I am particularly enthusiastic about the future incorporation of a state-of-the-art gymnasium within the complex. This addition will undoubtedly elevate the park's utility, providing much-needed indoor recreational space and complementing the outdoor fields and amenities. It speaks to a thoughtful, forward-looking approach to community development that addresses a wide range of needs.

Finally, I deeply appreciate the Councilmember and the City's thoughtful decision to allow future amenities within the complex to be named after individuals. This wise approach ensures that the park can authentically represent the rich diversity of Southeast Fresno, allowing various groups and historical figures to be honored without prioritizing one over another in the overarching name. It fosters a sense of unity and broad community ownership.

Thank you for your time, consideration, and dedication to enhancing our city's recreational infrastructure. I urge you to vote in favor of naming this vital community asset the "Southeast Fresno Sports Complex."

Sincerely,

Vang Her

Hi there Council Members,

I support naming the 49-acre park "Southeast Fresno Sports Complex," as it accurately describes the multiple facilities planned and reflects the diversity of our community, making it welcoming for all. Additional sports amenities can be named once built, this can honor our community leaders and show how we all can come together to create one great park!

I also urged the council and mayor to fund the proposed gymnasium, as Southeast Fresno lacks an indoor sports facility, which would be especially valuable during the hot summer months. For instance, Volleyball and basketball are two very popular sports that can benefit from this; they must not be excluded from the park.

I urge the council to VOTE YES on
agenda item 2-R, on Thursday,
8/14,2025

Thank you

It speaks to a thoughtful, forward-looking approach to community development that addresses a wide range of needs.

Finally, I deeply appreciate the Councilmember and the City's thoughtful decision to allow future amenities within the complex to be named after individuals. This wise approach ensures that the park can authentically represent the rich diversity of Southeast Fresno, allowing various groups and historical figures to be honored without prioritizing one over another in the overarching name. It fosters a sense of unity and broad community ownership.

Thank you for your time, consideration, and dedication to enhancing our city's recreational infrastructure. I urge you to vote in favor of naming this vital community asset the "Southeast Fresno Sports Complex."

Best,
Murphy Moua

Council Members,

I support naming the 49-acre park “Southeast Fresno Sports Complex,” as it accurately describes the multiple facilities planned and reflects the diversity of our community, making it welcoming for all. Additional sports amenities can be named once built, this can honor our community leaders and show how we all can come together to create one great park!

I also urged the council and Mayor to fund the proposed gymnasium, as Southeast Fresno lacks an indoor sports facility, which would be especially valuable during the hot summer months. For instance, Volleyball and basketball are two very popular sports that can benefit from this; they must not be excluded from the park.

I urge the council to VOTE "YES" on
agenda item 2-R, on Thursday, 8/14,2025

Item: 2.-R. ID 25-1074 ***RESOLUTION - Naming the 49-Acre Park at 2155 South Peach Ave. "Southeast Fresno Sports Complex" (Subject to Mayor's Veto)

eComment: This is an uninspired and clinical name for a park that is meant to become a staple of our community. The "sports complex" part of the name serves to describe a portion of the Facility. However, it doesnt represent other aspects (dog park, community garden, playground, splash pad, picnic areas, etc). Naming it a "sports complex" in title is a disservice to the community in that it obscures the other amenities offered to the community. Additionally, naming it an uninspired name like "Southeast Fresno" does not promote name recognition of the park and does not promote the joy that this park will bring to the community. Any of the polled options (Peach Park, Seed and Stone Park, Heritage Harvest Park, etc) would be lovely names for this community park. As it is currently proposed, the park name is a cold, bland misnomer that would be hard to direct interest to by name alone. Southeast Fresno deserves nice, attractive amenities--even in name.

eComment: Why even have a survey for names if you are not only not going to use them but also going to go with something that wasn't on the survey and doesn't represent the community at all? Everyone knows where Woodward Park is, everyone knows where Roeding Park is, or Kerney Park. No one has an issue with those names. Names of places are important, and this chosen name isn't right for a project of this majesty or important for the community.

But this name doesn't lend any prestige to this center, and doesn't align with the wishes of local residents. A survey was taken on potential name option, why should the park not be named by the community?

eComment: Dear City Council Members, Mayor, and City Manager, I strongly oppose naming the new 49-acre park "Southeast Fresno Sports Complex." This name disregards the hundreds of community members who participated in the February 2025 online poll that sought to honor the land's agricultural heritage. While the proposed name is descriptive, it ignores public input and the original goal of reflecting the area's history and community identity, and it's a missed opportunity to honor significant leaders and stories connected to Southeast Fresno. Choosing a name outside the community's top choices undermines trust in the engagement process and shows disinterest for community voices. I urge the Council to vote NO on this name and to choose one that reflects the values and voices of Southeast Fresno residents. Sincerely, Tammy Vang

Choosing a name that includes community voices is an opportunity for the council to acknowledge community members and what would support them in feeling confidence and belonging to this new public space. This is an opportunity for us to honor and uplift the important stories and leaders in the Southeast Fresno area and to have a name that either reflects the land or the stories that belong to this part of Fresno. A name can be simple, but I've seen so many comments from online and it goes to show that the name of this park means a lot to our community. Names create visibility and empowerment. It's a way for the city council to say yall see us, hear us and care for our us. I urge the Council to vote NO on this name and to choose one through a process that reflects the values and voices of Southeast Fresno residents.

eComment: I am writing to wholeheartedly support naming the new 49-acre park Southeast Fresno Sports Complex. This name not only reflects the facility's purpose but also proudly identifies the community it will serve. One feature I am particularly excited about is the planned gymnasium. Having a modern indoor space alongside the outdoor fields will create a well-rounded facility that meets diverse recreational needs, from youth programs to community events. This balanced approach shows real foresight in meeting current and future demands. I also commend the City for leaving room to name future amenities after specific individuals. This thoughtful decision ensures the park can honor the many cultures, histories, and leaders that make Fresno unique while keeping the overall name inclusive and representative of the whole community.

eComment: Dear City Council Members, Mayor, and City Manager, I strongly oppose naming the new 49-acre park "Southeast Fresno Sports Complex." This name disregards the hundreds of community members who participated in the February 2025 online poll that sought to honor the land's agricultural heritage. While the proposed name is descriptive, it ignores public input and the original goal of reflecting the area's history and community identity, and it's a missed opportunity to honor significant leaders and stories connected to Southeast Fresno. Choosing a name outside the community's top choices undermines trust in the engagement process and shows disinterest for community voices. It is important that the council chooses a name that includes community input to build connection, a sense of belonging, and encourages civic engagement. I urge the Council to vote NO on this name and to choose one that reflects the values and voices of Southeast Fresno residents.
