

Exhibit G-2
Appeal To City Council

City Council Hearing:

Consideration of Conditional Use Permit Application No. P22-03906

COUNCILMEMBER NELSON ESPARZA

April 12, 2024

From: Office of Councilmember Esparza
RE: Appeal of CUP No. P22-03906

On Wednesday April 3, 2024 the Planning Commission denied the appeal for Conditional Use Permit Application No. P22-03906. After reviewing the extenuating circumstances and seeing that there are letters of support from the surrounding neighborhood, I would like to appeal this decision for discussion among the City Council in order to further explore the cost-benefit of allowing this establishment to re-open with the respective CUP.

Respectfully,

Councilmember Nelson Esparza
