LOCAL PREFERENCE. Fresno Municipal Code Section 4-108 LOCAL PREFERENCE IN CONTRACTS REQUIRING COMPETITIVE BIDDING provides for a local preference. Portions pertinent to materials, supplies and/or equipment contracts are paraphrased as follows:

Except for those Contracts funded by the federal or state government when such funding would be jeopardized because of this preference, the Council authorizes the Purchasing Manager to extend a preference to a local business as expressly set forth herein.

Fresno Municipal Code section 4-108(a): For purposes of this section, “local business” shall mean a business with a fixed primary or branch office either (i) within a twenty-five mile radius of Fresno City Hall, located at 2600 Fresno Street in the City of Fresno, or (ii) within the County of Fresno; and which fixed primary or branch office was established prior to the City inviting bids for the respective purchase. The Purchasing Manager, in the evaluation of any and all sealed bids for materials, supplies and/or equipment pursuant to this section whenever the lowest responsive and responsible bid exceeds five hundred thousand dollars (\$500,000), shall extend a **five percent (5%) preference to a local business in award of the Contract as determined in subdivision (i) of “Extension of the Preference” below.**

Fresno Municipal Code section 4-108(b): For purposes of this section, “local business” shall mean a business (i) having a total of one hundred or fewer employees, an average annual gross receipts of twelve million dollars (\$12,000,000.00) or less over the three calendar years immediately prior to the year in which city is inviting bids for the respective purchase, and having a valid small business certification issued by the State of California; (ii) with a fixed primary or branch office either within a twenty-five mile radius of Fresno City Hall, located at 2600 Fresno Street in the City of Fresno, or within the County of Fresno; and (iii) which fixed primary or branch office was established prior to the city inviting bids for the respective purchase. The Purchasing Manager, in the evaluation of any and all sealed bids for materials, supplies and/or equipment pursuant to this section whenever the lowest responsive and responsible bid is less than or equal to five hundred thousand dollars (\$500,000), shall extend a **five percent (5%) preference to a local business in award of the Contract as determined in subdivision (i) of “Extension of the Preference” below.**

Extension of the Preference: The preference under both Fresno Municipal Code sections 4-108(a) and (b) shall be extended consistent with each of the following:

- (i) The amount of the preference shall be equal to the amount of 5% applied to the lowest responsive and responsible bid; provided, however, in no event shall the amount of the preference exceed the sum of \$75,000.
- (ii) If the Bidder submitting the lowest responsive and responsible bid is not a local business, and if a local business has also submitted a responsive and responsible bid, and, with the benefit of the preference, the local business' bid is equal to or less than the original lowest responsive and responsible bid, the City shall award the Contract to the local business at its submitted bid price.
- (iii) The Bidder shall certify, under penalty of perjury, that the Bidder qualifies as a local business. The preference is waived if the certification does not appear on the bid.

Bidders shall submit the CERTIFICATION FOR LOCAL PREFERENCE form with their bid if they seek the benefit of local preference.

APPROVED EQUALS. For equipment and material purchases, where brand name/model are specified, the City reserves the right to evaluate any product or type of equipment offered on the Bid Proposal and to determine acceptability as an "approved equal."

1. All Bid Proposals must be accompanied with pertinent information that provides sufficient technical data to evaluate the item(s) offered. The information may consist of manufacturer's literature, specifications, drawings (to scale), sketches (to proportion) performance data, etc., where same is necessary to completely describe the product.
2. The decision of acceptability as an "approved equal" shall be within the sole discretion of the City. If approval as an equal is denied by the City, Contractor shall provide one of the manufacturers/brands listed in the Specifications without change in the Contract price.

EXCEPTIONS. Any exceptions taken at the time of or after bid submittal, may render the bid nonresponsive. Attachments by Bidders which include legal terms and conditions that conflict with the GENERAL CONDITIONS may be considered an exception, and Bidder may, therefore, be considered nonresponsive.

BID APPEAL PROCEDURE. The City has an appeal procedure in place as adopted by the City Council on April, 29, 2003 in Resolution No. 2003-129. Any bidder wishing to file an appeal should refer to that Resolution. A copy of the Resolution may be obtained from the City Clerk's Office, 2600 Fresno Street, Fresno, CA 93721.

Once City staff has reviewed and evaluated the bid proposals received and has determined the lowest responsible Bidder for award, that determination will be posted on a public bulletin board outside the Purchasing Unit's Office and on the City's website www.fresno.gov, *Bid Opportunities, Anticipated Awards*, a minimum of 5 working days prior to Council action to award a Contract for the project/purchase. The bulletin board and website will generally be updated by Monday of each week, no later than 5 p.m. It is the sole responsibility of interested bidders to seek this information from either of these sources.

Should bidders wish to appeal the staff determination, appeals must be received in writing

within 5 working days from the time the determination is posted and conform to the requirements under Resolution No. 2003-129. "Working day" means a City of Fresno regular business day. In no event will appeals be accepted later than 5:00 p.m. on the day before Council is scheduled to take action on the Contract award. Appeals must be submitted to following:

City of Fresno Purchasing Unit
2600 Fresno Street, Room 2156
Fresno, CA 93721
Fax number (559) 457-1265

Letters of appeal must clearly state why it is felt the staff's determination of bid award is to someone other than the lowest responsive and responsible Bidder, or outside the procedural requirements for the submission and opening of bids.

Appeals not submitted within the stated time will not be honored and the City will proceed to award the Contract.

REGULATED COMMUNICATIONS IN CITY PROCUREMENT PROCESS ORDINANCE.

The Regulated Communications in City Procurement Process Ordinance (Article 6, Chapter 4 of the Fresno Municipal Code) became effective May 7, 2004. With certain specified exceptions, the Ordinance provides that no Respondent, Bidder, Proposer (as the case may be) shall initiate, engage in, or continue any communication to or with any City elected official concerning or touching upon any matter which is the subject of this competitive procurement process.

Any Respondent, Bidder, Proposer or elected official (as the case may be) who initiates, engages in, continues in, or receives any regulated communication shall file the written disclosure required by the Regulated Communications in City Procurement Process Ordinance.

Any Respondent, Bidder, or Proposer violating the Regulated Communications in City Procurement Process Ordinance may be disqualified from participating in this procurement process and/or determined to be non-responsible. Additionally, the City may set aside the award of a contract, prior to its execution, to a party found to have violated the Ordinance.

Note: The full text of Fresno Municipal Code, Chapter 4, Article 6 may be viewed on the City's website at, <http://www.fresno.gov>. Under "Government"; "Fresno Municipal Code." Or view the Fresno Municipal Code directly at <http://www.municode.com/Resources/gateway.asp?sid=14478&sid=5>

A Bidder who has been determined by the Council to be nonresponsible may be debarred from bidding or proposing upon or being awarded any contract with the City or City of Fresno Successor Agency, or from being a subcontractor or supplier at any tier upon such contract, in accordance with the procedures in Resolution No. 2003-130 adopted by Council on April 29, 2003. The initial period of any such debarment shall not be less than one year or more than three years. A Bidder may request a hearing, in accordance with Resolution No. 2003-130, upon receipt of a notice of proposed debarment from the City Manager or his/her designee.
