This AGREEMENT supersedes and effectively cancels the MASTER AGREEMENT BETWEEN THE CITY OF FRESNO AND THE COUNCIL OF FRESNO COUNTY GOVERNMENTS FOR OWP CONSULTING SERVICES dated August 29, 1991:

WITNESSETH:

WHEREAS, Title 23 of the United States Code requires an annual Overall Work Program (OWP) which identifies regional planning and planning-related activities of FCOG and its member governments, to be adopted each fiscal year by FCOG; and

WHEREAS, the planning process employed by FCOG will provide for the cooperation of, and coordination with, public transit and paratransit operators, public airport operators, local public works and planning departments, air pollution control districts, passenger and freight rail operators, and other state and federal agencies, as appropriate; and

WHEREAS, FCOG, in cooperation with the State Department of Transportation, Federal Highway Administration, Federal Transit Administration, the designated air pollution control agency, and public transportation service providers, will be responsible for carrying out the metropolitan transportation planning process; and

WHEREAS, in accordance with 23 CFR Section 450.212 and 23 CFR Section 450.316(b), the planning process shall be conducted in an open manner so members of public, civic groups, interest groups, businesses and industries, and other agencies can fully participate; and

WHEREAS, Chapter 2, Section 2.3 of the Joint Powers AGREEMENT creating FCOG allows member agencies to perform planning services in accordance with the approved work programs; and

NOW THEREFORE, in consideration of the foregoing and of the mutual promises hereinafter expressed, and intending to be legally bound thereby, the parties do mutually agree as follows:

Furthermore, FCOG shall have no right to control or supervise or direct the manner or method by which AGENCY shall perform its work and function. However, FCOG shall retain the right to administer this AGREEMENT so as to verify that AGENCY is performing its obligations in accordance with the terms and conditions thereof. AGREEMENT; and it is understood and acknowledged by the parties hereto that future additional funding of this AGREEMENT will depend not only on AGENCY'S satisfactory performance, but also upon the availability of grant funds allocated for such purposes.

FCOG and AGENCY agree that because additional funding may not be available beyond the term of a particular OWP for the completion of any unfinished project or service, each party is expected to structure and conduct each project in such a manner that it may be readily completed or wound up with a minimum waste or loss in the event no further funding is available.
