2. Term of Agreement and Time for Performance. This Agreement shall be effective from the date first set forth above (Effective Date) and shall continue in full force and effect through June 30, 2024, subject to any earlier termination in accordance with this Agreement. - (c) In the event of termination due to failure of Consultant to satisfactorily perform in accordance with the terms of this Agreement, City may withhold an amount that would otherwise be payable as an offset to, but not in excess of, City's damages caused by such failure. In no event shall any payment by City pursuant to this Agreement constitute a waiver by City of any breach of this Agreement which may then exist on the part of Consultant, nor shall such payment impair or prejudice any remedy available to City with respect to the breach.
- (d) Upon any breach of this Agreement by Consultant, City may (i) exercise any right, remedy (in contract, law or equity), or privilege which may be available to it under applicable laws of the State of California or any other applicable law; (ii) proceed by appropriate court action to enforce the terms of the Agreement; and/or (iii) recover all direct, indirect, consequential, economic and incidental damages for the breach of the Agreement. Consultant shall notify Administrator in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, and shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to Administrator of the cessation of such occurrence.

5. Confidential Information and Ownership of Documents.

- (a) Any reports, information, or other data prepared or assembled by Consultant pursuant to this Agreement shall not be made available to any individual or organization by Consultant without the prior written approval of the Administrator. - (c) If Consultant should subcontract all or any portion of the services to be performed under this Agreement, Consultant shall cause each subcontractor to also comply with the requirements of this Section 5.
- (d) This Section 5 shall survive expiration or termination of this Agreement.

It is further mutually understood and agreed by and between the parties hereto that inasmuch as Consultant represents to City that Consultant and its subcontractors, if any, are skilled in the profession and shall perform in accordance with the standards of said profession necessary to perform the services agreed to be done by it under this Agreement, City relies upon the skill of Consultant and any subcontractors to do and perform such services in a skillful manner and Consultant agrees to thus perform the services and require the same

of any subcontractors. Therefore, any acceptance of such services by City shall not operate as a release of Consultant or any subcontractors from said professional standards.

7. Indemnification. To the furthest extent allowed by law, CONSULTANT shall indemnify, hold harmless and defend CITY and each of its officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage), and from any and all claims, demands and actions in law or equity (including reasonable attorney's fees, litigation expenses and cost to enforce this agreement) that arise out of, pertain to, or relate to the negligence, recklessness or willful misconduct of CONSULTANT, its principals, officers, employees, agents or volunteers in the performance of this Agreement.

If CONSULTANT should subcontract all or any portion of the services to be performed under this Agreement, CONSULTANT shall require each subcontractor to indemnify, hold harmless and defend CITY and each of its officers, officials, employees, agents and volunteers in accordance with the terms of the preceding paragraph.

This section shall survive termination or expiration of this Agreement.

8. Insurance.

- (a) Throughout the life of this Agreement, Consultant shall pay for and maintain in full force and effect all insurance as required in **Exhibit B**, which is incorporated into and part of this Agreement, with an insurance company(ies) either (i) admitted by the California Insurance Commissioner to do business in the State of California and rated no less than "A-VII" in the Best's Insurance Rating Guide, or (ii) as may be authorized in writing by City's Risk Manager or designee at any time and in its sole discretion. The required policies of insurance as stated in Exhibit B shall maintain limits of liability of not less than those amounts stated therein. However, the insurance limits available to City, its officers, officials, employees, agents, and volunteers as additional insureds, shall be the greater of the minimum limits specified therein or the full limit of any insurance proceeds to the named insured.
- (b) If at any time during the life of the Agreement or any extension, Consultant or any of its subcontractors/sub-consultants fail to maintain any required insurance in full force and effect, all services and work under this Agreement shall be discontinued immediately, and all payments due or that become due to Consultant shall be withheld until notice is received by City that the required insurance has been restored to full force and effect and that the premiums therefore have been paid for a period satisfactory to City. Any failure to maintain the required insurance shall be sufficient cause for City to terminate this Agreement. No action taken by City pursuant to this section shall in any way relieve Consultant of its responsibilities under this Agreement. The phrase "fail to maintain any required insurance" shall

include, without limitation, notification received by City that an insurer has commenced proceedings, or has had proceedings commenced against it, indicating that the insurer is insolvent.

- (c) The fact that insurance is obtained by Consultant shall not be deemed to release or diminish the liability of Consultant, including, without limitation, liability under the indemnity provisions of this Agreement. The duty to indemnify City shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by Consultant. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of Consultant, its principals, officers, agents, employees, persons under the supervision of Consultant, vendors, suppliers, invitees, consultants, sub-consultants, subcontractors, or anyone employed directly or indirectly by any of them.
- (d) If Consultant should subcontract all or any portion of the services to be performed under this Agreement, Consultant shall require each subcontractor/sub-consultant to provide insurance protection, as an additional insured, to the City and each of its officers, officials, employees, agents, and volunteers in accordance with the terms of this section, except that any required certificates and applicable endorsements shall be on file with Consultant and City prior to the commencement of any services by the subcontractor. Consultant and any subcontractor/sub-consultant shall establish additional insured status for City, its officers, officials, employees, agents, and volunteers by using Insurance Service Office (ISO) Form CG 20 10 11 85 or both CG 20 10 10 01 and CG 20 37 10 01 or by an executed manuscript company endorsement providing additional insured status as broad as that contained in ISO Form CG 20 10 11 85.

9. Conflict of Interest and Non-Solicitation.

- (a) Prior to City's execution of this Agreement, Consultant shall complete a City of Fresno conflict of interest disclosure statement in the form as set forth in **Exhibit C**. During the term of this Agreement, Consultant shall have the obligation and duty to immediately notify City in writing of any change to the information provided by Consultant in such statement.
- (b) Consultant shall comply, and require its subcontractors to comply, with all applicable (i) professional canons and requirements governing avoidance of impermissible client conflicts; and (ii) federal, state and local conflict of interest laws and regulations including, without limitation, California Government Code Section 1090 et. seq., the California Political Reform Act (California Government Code Section 87100 et. seq.) and the regulations of the Fair Political Practices Commission concerning disclosure and disqualification (2 California Code of Regulations Section 18700 et. seq.). At any time, upon written request of City, Consultant shall provide a written opinion of its legal counsel and that of any subcontractor that, after a due diligent inquiry, Consultant and the respective subcontractor(s) are in full

compliance with all laws and regulations. Consultant shall take, and require its subcontractors to take, reasonable steps to avoid any appearance of a conflict of interest. Upon discovery of any facts giving rise to the appearance of a conflict of interest, Consultant shall immediately notify City of these facts in writing.

- (c) In performing the work or services to be provided hereunder, Consultant shall not employ or retain the services of any person while such person either is employed by City or is a member of any City council, commission, board, committee, or similar City body. This requirement may be waived in writing by the City Manager, if no actual or potential conflict is involved.
 - (d) Consultant represents and warrants that it has not paid or agreed to pay any compensation, contingent or otherwise, direct or indirect, to solicit or procure this Agreement or any rights/benefits hereunder.
 - (e) Neither Consultant, nor any of Consultant's subcontractors performing any services on this Project, shall bid for, assist anyone in the preparation of a bid for, or perform any services pursuant to, any other contract in connection with this Project unless fully disclosed to and approved by the City Manager, in advance and in writing. Consultant and any of its subcontractors shall have no interest, direct or indirect, in any other contract with a third party in connection with this Project unless such interest is in accordance with all applicable law and fully disclosed to and approved by the City Manager, in advance and in writing. Notwithstanding any approval given by the City Manager under this provision, Consultant shall remain responsible for complying with Section 9(b), above.
 - (f) If Consultant should subcontract all or any portion of the work to be performed or services to be provided under this Agreement, Consultant shall include the provisions of this Section 9 in each subcontract and require its subcontractors to comply therewith.
 - (g) This Section 9 shall survive expiration or termination of this Agreement.
10. Recycling Program. In the event Consultant maintains an office or operates a facility(ies), or is required herein to maintain or operate same, within the incorporated limits of the City of Fresno, Consultant at its sole cost and expense shall:
- (a) Immediately establish and maintain a viable and ongoing recycling program, approved by City's Solid Waste Management Division, for each office and facility.  - (b) Immediately contact City's Solid Waste Management Division at (559) 621-1452 and schedule a free waste audit, and cooperate with such Division in their conduct of the audit for each office and facility.

- (c) Cooperate with and demonstrate to the satisfaction of City's Solid Waste Management Division the establishment of the recycling program in paragraph (i) above and the ongoing maintenance thereof.

11. General Terms.

- (a) Except as otherwise provided by law, all notices expressly required of City within the body of this Agreement, and not otherwise specifically provided for, shall be effective only if signed by the Administrator or designee.
- (b) Records of Consultant's expenses pertaining to the Project shall be kept on a generally recognized accounting basis and shall be available to City or its authorized representatives upon request during regular business hours throughout the life of this Agreement and for a period of three years after final payment or, if longer, for any period required by law. In addition, all books, documents, papers, and records of Consultant pertaining to the Project shall be available for the purpose of making audits, examinations, excerpts, and transcriptions for the same period of time. If any litigation, claim, negotiations, audit or other action is commenced before the expiration of said time period, all records shall be retained and made available to City until such action is resolved, or until the end of said time period whichever shall later occur. If Consultant should subcontract all or any portion of the services to be performed under this Agreement, Consultant shall cause each subcontractor to also comply with the requirements of this paragraph. This Section 11(b) shall survive expiration or termination of this Agreement.
- (c) Prior to execution of this Agreement by City, Consultant shall have provided evidence to City that Consultant is licensed to perform the services called for by this Agreement (or that no license is required). If Consultant should subcontract all or any portion of the work or services to be performed under this Agreement, Consultant shall require each subcontractor to provide evidence to City that subcontractor is licensed to perform the services called for by this Agreement (or that no license is required) before beginning work.

12. Nondiscrimination. To the extent required by controlling federal, state and local law, Consultant shall not employ discriminatory practices in the provision of services, employment of personnel, or in any other respect on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era. Subject to the foregoing and during the performance of this Agreement, Consultant agrees as follows:

- (a) Consultant will comply with all applicable laws and regulations providing that no person shall, on the grounds of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity made possible by or resulting from this Agreement.

- (b) Consultant will not discriminate against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era. Consultant shall ensure that applicants are employed, and the employees are treated during employment, without regard to their race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era. Such requirement shall apply to Consultant's employment practices including, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provision of this nondiscrimination clause.
- (c) Consultant will, in all solicitations or advertisements for employees placed by or on behalf of Consultant in pursuit hereof, state that all qualified applicants will receive consideration for employment without regard to race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era.

13. Independent Contractor.

- (a) In the furnishing of the services provided for herein, Consultant is acting solely as an independent contractor. Neither Consultant, nor any of its officers, agents, or employees shall be deemed an officer, agent, employee, joint venturer, partner or associate of City for any purpose. City shall have no right to control or supervise or direct the manner or method by which Consultant shall perform its work and functions. 18. Waiver. The waiver by either party of a breach by the other of any provision of this Agreement shall not constitute a continuing waiver or a waiver of any subsequent breach of either the same or a different provision of this Agreement. No provisions of this Agreement may be waived unless in writing and signed by all parties to this Agreement. Waiver of any one provision herein shall not be deemed to be a waiver of any other provision herein.

The parties acknowledge that this Agreement in its final form is the result of the combined efforts of the parties and that, should any provision of this Agreement be found to be ambiguous in any way, such ambiguity shall not be resolved by construing this Agreement in favor of or against either party, but rather by construing the terms in accordance with their generally accepted meaning.

SCOPE OF SERVICES

Consultant Service Agreement between City of Fresno (City) and Campbell Strategy and Advocacy LLC (Consultant)

Lobbying Representation for all relevant State Agencies and Departments

Looking ahead over the coming 18 months, Campbell Strategy and Advocacy, LLC's top priority for the City of Fresno is securing significant discretionary funds to alleviate the local impacts of the pandemic. This worldwide health crisis has strained the economy, our healthcare delivery systems, and exacerbated existing societal challenges such as homelessness and poverty. Campbell and his team are committed to identifying resources and opportunities at the State level to help the City of Fresno rebuild and support its residents. Its approach to success in the legislative and budgetary process is multifaceted, rooted in thoughtful strategy and persistence. Leveraging its champions and existing relationships can help Campbell prepare and overcome any challenges it may face. Although current events are out of its control, they can play to the advantage of the City and Campbell, depending on the circumstances.

Legislative Advocacy During the COVID-19 Pandemic

Work at the California State Capitol is anything but business as usual. With the Legislature's primary focus on mitigating the effects of the pandemic, uncertainties related to the economy resulting in future and state budget vulnerabilities as far as the eye can see, policy makers are in crisis mode. They will focus their efforts on only the state's most pressing issues.

It will take a disciplined plan of attack to get traction on any issue in the coming legislative year. Timelines may again be significantly compressed. While discussions will still happen in public, the decisions will be made quickly and often behind closed doors to a magnitude that hasn't been experienced in quite some time. This increases the urgency to formulate a comprehensive strategy on not only what we are asking for but when and with whom we will make the requests. It is important to begin quickly in order to succeed in this new structure.

The current pandemic has provided opportunities for advocacy. Throughout this past legislative session, the Governor has worked to strike the delicate balance between preventing the spread of the virus while keeping economic activity afloat. COVID-19 will continue to be at the top of the priority list, but we can also expect housing, homelessness, and climate change to be prioritized. California is still suffering the effects of climate change as wildfire season sets new records every year and creates a strain on existing resources. The Governor in recent months continues to announce various relief efforts related to eviction protection, transportation costs, and housing. It will be essential to protect the investments the State has earmarked for high speed rail during these discussions. With State surpluses depleting and being reallocated to more pressing

needs, legislators outside of the Central Valley will potentially be eyeing these funds as an available surplus. It will be important for the City to work with other stakeholders and keep this investment.

California is also hopeful for federal stimulus funding that could result in additional resources for homelessness, unemployment, and small businesses that have been impacted by COVID and shelter-in-place orders. Keeping strong communication with key Administration staff will be important as economic recovery opportunities arise.

Organizational Structure

Campbell will strive to ensure his clients are fully serviced with the support of his team. His relationships and expertise are most valuable serving as the lead strategist and negotiator in big-ticket items. Angie Manetti, Fresno's point person in Campbell's firm, will assist on strategy and negotiations as well. She will be active in the Capitol and be the main contact with legislators and staff within the legislature, administration, and agency. She can provide lead testimony on legislation where the City of Fresno has assumed a formal position. Manetti will also be the day-to-day point of contact for any inquiries or requests. Marla Cowan will serve as our researcher and provide policy analysis where needed. She will be responsible for registering public positions taken by the City of Fresno so they are coordinated and transmitted appropriately.

As part of Campbell's lobbying effort, he and his team will review all bills introduced and amended throughout the Legislative Session to identify those that affect the City of Fresno and the services the City provides. Based on this review and in collaboration with the Fresno team, Campbell will make recommendations as to whether the City of Fresno should support, oppose, seek amendments to, or simply monitor bills of interest. Campbell will have a focused lobbying strategy for each bill of interest to the City of Fresno. Together with City input, Campbell's team will determine on which bills, if any, the City may want to take a lead role, and he will engage appropriately on the City's behalf. When needed, Campbell will meet with legislative, committee and Administration staff, testify before legislative committees and work with the City's team, legislators, staff and any others to resolve issues related to bills of interest.

Campbell and his team will also advise when the City of Fresno is better served by remaining in the background, utilizing an association, or engaging directly. Establishing a successful individual presence in Sacramento will be defined by both the issues on which Campbell and the City choose to engage, as well as the issues that are chosen to bypass – both courses of action are noticed and have a level of significance with respect to how the City of Fresno will be viewed in the legislative process.
