Any employee with more than six hundred eighty (680) hours of annual leave as of December 30, 2013 will have all hours above 680 placed in a special annual leave bank which may be used for the same purpose as annual leave and shall be cashed out upon leaving City employment in accordance with subsection (6) below.

- (4) Use of Annual Leave - Annual leave requests will be administered in accordance with existing FMC provisions, City administrative orders, policies, procedures, rules and regulations.
- (5) Unused Annual Leave Pay Out During Fiscal Year - Employees will be permitted to cash out up to forty eight (48) hours or ~~twenty-five percent (25%) of their annual leave balances, whichever is greater, each fiscal year during the term of this MOU except that, during the term of this MOU, employees are limited to ten percent (10%) of their annual leave balance each fiscal year. During the term of this MOU, employees can only cash out annual leave before January~~ **April 1st** of each fiscal year. No cash out can be done between ~~January~~ **April 1st** and June 30th.
- (6) Unused Annual Leave Pay Out - Upon separation from City service, an employee will be compensated for all unused annual leave balances at his or her applicable base rate of pay. Compensation received under this provision will not be considered pensionable for retirement purposes. The FMC was modified to include a definition of annual leave, and exclude accrued annual leave pay outs from **pensionable compensation** ~~pensionability~~ under the City of Fresno Employees Retirement System. ~~Both parties agreed to~~

~~support and recommend this action to the Retirement Board and City Council.~~

- (7) Transfer - An employee transferring to a position represented by a different bargaining group, which is not covered by annual leave, may either cash out his or her unused annual leave balance at his or her applicable base rate of pay, or have the unused annual leave balance converted to a vacation leave balance of hours. The conversion is obtained by multiplying unused annual leave hours by the applicable Association class' base rate of pay (convert to an hourly figure), dividing the product by the applicable non-Association class' base rate of pay (convert to an hourly figure), and placing the resulting balance for leave usage as requested and designated by the employee. (Conversion example: 100 [unused annual leave hours] x \$15.00 [CFMEA class monthly base rate converted to hourly] = \$1,500.00 [product] ÷ \$20.00 [non-CFMEA class monthly base rate converted to hourly] = 75 [converted hours to be placed in a vacation balance account].) Upon separation from City service, the employee who transferred to a position outside the Association will be compensated for all unused annual leave hours at his or her applicable base rate of pay. Compensation received under this provision will not be considered pensionable for retirement purposes.

- b. **The first three days of annual leave used in lieu of sick leave by an employee on or after July 1st of each year for the purposes noted below will be considered leave taken under AB1522, Healthy Workplace Healthy Family Act of 2014 and will not be subject to corrective/disciplinary action.**

The first three days of annual leave used as sick leave on or after July 1st of each year can be used for:

- (1) **Diagnosis, care, or treatment of an existing health condition of, or preventive care for, an employee;**
- (2) **Diagnosis, care, or treatment of an existing health condition of, or preventive care for an employee's (a biological, adoptive, or foster parent, stepparent, or legal guardian of an employee or the employee's spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor child), child (a child, which for purposes of this article means a biological, adopted, or foster child, stepchild, legal or a child to whom the employee stands in loco parentis**

this definition of a child is applicable regardless of age dependency status), spouse, registered domestic partner, sibling, grandparent, or grandchild; or,

- (3) For an employee who is a victim of domestic violence, sexual assault, or stalking, the purposes described in Labor Code Section 230(c) and Labor Code Section 230.1(a).

After the employee has taken the first three days of annual leave used in lieu of sick leave on or after July 1st of each year, the provisions regarding AB1522, Healthy Workplace Healthy Family Act of 2014 will not be applicable.

Any leave taken under these provisions which would also apply to other sick leave provisions (e.g., Family Care Leave and/or family and medical leave) would also count toward those provisions.

Employees who terminate City employment and return within one year of such termination will be entitled to reinstatement of their frozen sick leave balances up to a total of forty-eight (48) hours.

- b c. Sick Leave Balances Unused - Effective July 1, 2000 all employees occupying classes in this Unit who are employed in permanent positions at fixed monthly or yearly salaries, had their unused sick leave balances frozen.

- (1) Use of Frozen Sick Leave - Except for usage permitted by State Labor Code Section 233 of Chapter 164 (Sick Leave Use to Care for Family Members), frozen sick leave balances may only be used by the employee for an extended illness of twenty-four (24), or more consecutive work hours. Otherwise, employees shall be required to use annual leave. If requested, an employee shall be required to provide medical verification of the extended illness.

- (2) Unused Frozen Sick Leave Pay Out - At service retirement or at a disability retirement if the employee is otherwise eligible for service retirement, employees will be credited with the number of accumulated frozen sick leave balances in excess of 240 hours at the time of retirement multiplied by 40% of the employee's then current hourly rate of pay to be used solely to pay premiums for medical insurance (including COBRA provisions), pursuant to the City's Health Reimbursement Arrangement as set forth in Section G., below.

~~c. Pensionability Compensation payable under the annual leave program will not be considered pensionable for retirement purposes. The Fresno Municipal Code has been modified to include a definition of annual leave, and exclude accrued annual leave from pensionability under the City of Fresno Employees Retirement System. Both parties agreed to support and recommend this action to the Retirement Board and City Council.~~

3. Supplemental Sick Leave:

~~Effective December 30, 2013, employees in this unit will no longer be provided Supplemental Sick Leave. Employees who currently have Supplemental Sick Leave Balances effective December 30, 2013 may continue to utilize the hours as follows:~~ **Employees shall be credited with forty (40) hours of supplemental sick leave, each fiscal year thereafter during the term of this MOU with an accrual limit of eighty (80) hours. Employees who have earned eighty (80) hours or more prior to July 1, 2015 shall retain those hours but shall not accrue any additional time. Upon their employment with the City, new employees appointed to such permanent positions shall be credited with a pro-rated number of hours for each full calendar month remaining on such appointment in the fiscal year. Employees may utilize the hours as follows:**

- a. Once frozen sick or annual leave has been exhausted;
- b. As service credit on an hour-per-hour basis upon retirement;
- c. Placed in a Health Reimbursement Arrangement in accordance with Article VIII, Section G;
- d. To be cashed out at separation from the City if not eligible for participation in the Health Reimbursement Arrangement; or,
- e. May be used in the performance of community activities during the course of the employee's normal work day, with the appropriate approval.

- b. ~~Employees who are scheduled to and do work a regular shift on a holiday shall be credited with eight (8) hours of holiday leave on the first day of the pay period following the date of such work. Any~~ **employee in Unit 14 who is exempt from the payment of overtime and who is otherwise eligible to receive such accumulation, who is required to work a regularly scheduled shift on a holiday, shall have the number of hours worked up to eight (8) hours added to his or her holiday balance on the first day of the pay period following the date of such work.**
- c. When a holiday falls on a Saturday, or on an employee's regularly scheduled day off, an employee shall be credited with eight (8) hours of holiday leave on the first day of the following month.
- e. ~~Employees may request payment and be compensated for up to forty-eight (48) hours or 25% of their holiday leave balance, whichever is greater, each fiscal year during the term of this MOU except that, during the term of this MOU, employees are limited to ten percent (10%) of their holiday leave balance each fiscal year. During the term of this MOU, employees~~ **Employees** can only cash out holiday leave before January **April 1st** of each fiscal year. No cash out can be done between January **April 1st** and June 30th.

5. Administrative Leave:

Exempt employees shall receive sixty (60) hours of administrative leave each fiscal year, and may request payment and be compensated for up to forty-eight (48) hours of their Administrative Leave balance during the year in which it is credited. Upon employment by the City, new employees appointed to exempt positions shall be credited with ~~four~~ **five** hours of

administrative leave for each full calendar month remaining in the fiscal year. Administrative leave not taken or compensated during the fiscal year in which it is credited shall not be added to the leave credited in the next fiscal year, nor carried over. Exempt employees shall be compensated for any administrative leave balance, not to exceed sixty (60) hours, upon termination from City service.

~~Employees with supplemental administrative leave must use such leave prior to June 30, 2014. No additional supplemental leave will be earned or provided.~~

6. Administrative Time Off

City employees who are designated as exempt from overtime under the provisions of the Fair Labor Standards Act and who receive administrative leave pursuant to paragraph 5., above, may be granted administrative time off if the supervisor or designee determines that service delivery and performance of job functions will not be impaired due to the employee's absence. Such time off shall not be calculated on an hour-for-hour basis in relation to total hours worked. Administrative time off shall not be deducted from any other existing leave banks.

Administrative time off must be scheduled in advance when possible, approved as administrative time off by the employee's supervisor or designee and generally taken in increments of less than one day.

Only Department Directors, Assistant Directors or Division Managers may approve administrative time off for a full day's absence.

G. Health Reimbursement Arrangement (HRA)

The City currently maintains a Health Reimbursement Arrangement (HRA) that qualifies as a "health reimbursement arrangement" as described in Internal Revenue Service (IRS) Notice 2002-45 and other guidance published by the IRS regarding HRAs. The City agrees to maintain the HRA such that it will continue to qualify as a "health reimbursement arrangement" for the term of the MOU.

At separation from permanent employment with the City of Fresno by service retirement or at a disability retirement if the employee is otherwise eligible for service retirement, employees who have used eighty (80) hours or less of frozen sick leave and/or annual leave used for sick time (excluding only hours used for protected leave such as family and medical leave, or Workers' Compensation leave) in the 24 months preceding their date of retirement, will be credited with an account for the employee under the HRA to be used solely to pay premiums for medical insurance (including COBRA premiums). The "value" of the account shall be determined as follows:

- The number of accumulated supplemental sick leave hours at the time of retirement multiplied by the employee's then current hourly base rate of pay.
- The number of accumulated frozen sick leave hours in excess of 240 hours at the time of retirement multiplied by 40% of the employee's then current hourly base rate of pay.
- The hourly base rate of pay shall be the equivalent of the monthly salary for an employee as reflected in Exhibit I, multiplied by twelve (12) months then divided by 2,080 hours.

The HRA accounts shall be book accounts only – no actual trust account shall be established for any employee. Each HRA book account shall be credited on a monthly basis with a rate of earnings equal to the yield on the City's Investment Portfolio (provided that such yield is positive).

The HRA accounts shall be used solely to pay premiums for medical insurance (including COBRA premiums) covering the participant, the participant's spouse (or surviving spouse in the event of the death of the participant), and the participant's dependents. Once a participant's account under the HRA has been reduced to \$0, no further benefits shall be payable by the HRA. If the participant, the participant's spouse, and the participant's dependents die before the participant's account under the HRA has been reduced to \$0, no death benefit shall be payable to any person by the HRA.

While this provision is in effect employees shall not be allowed to cash out any accumulated or accrued supplemental sick leave or frozen sick leave at retirement.

H. WORKERS' COMPENSATION

1. Notwithstanding the provisions of FMC Section 3-118, an employee in this Unit who suffers an injury or illness in the course and scope of City employment shall receive 66.67% of average weekly earnings in the fifty-two (52) weeks prior to the injury. Should the State-mandated workers' compensation rate of payment be adjusted, the City and the Association will have a limited reopener to adjust the rate accordingly. Employees on "light duty" as a result of an injury or illness suffered in the course and scope of employment shall receive their regular salary during the period of light duty.
 - a. Compensation for an accepted claim of a work related injury or illness shall begin following the first three (3) days after the employee leaves work as a result of the injury or illness. However, this three (3) day waiting period shall be waived and compensation shall begin on the first day of the work related injury or illness only if:

- (1) the employee is hospitalized as an inpatient on the first day for at least twenty-four (24) hours; or
 - (2) the employee is absent fourteen (14) calendar days, or more.
2. Partial days of absence due to a work related injury or illness, including the day of injury or illness, shall be at full pay and shall not count towards the three (3) day exclusion period, however, this time shall be recorded as a work related injury/illness absence.
3. At the employee's option, in the event of a work related injury/illness pay from the City is not provided during the first three (3) days of absence due to the work related injury or illness. The employee may take frozen sick leave, annual leave, holiday or administrative leave for that period.
4. If the employee opts to use frozen sick leave, annual leave, holiday, or administrative leave for the first three (3) days and it is later determined that work related injury/illness pay under paragraph 1.a. above, beginning on the first day of a work related injury or illness is appropriate, the leave time shall be restored to the employee and the employee's pay or leave balance will be adjusted accordingly. If the employee has been on leave without pay for the first three (3) days and it is later determined that pay is applicable from the first day, the employee shall be paid therefore.
5. If an employee is placed on frozen sick leave, annual leave, holiday, or administrative leave pending determination as to whether the injury or illness is industrial, and the injury or illness is determined to be industrial, frozen sick leave, annual leave, holiday, or administrative leave shall be restored and the employee placed on work related injury/illness leave as provided herein.
6. Retirement benefits shall not be reduced as a result of the level of compensation established herein. Changes in contribution by the City and employee shall be in accordance with applicable FMC Retirement Code sections.
7. Taxes shall not be withheld on compensation which is paid due to an injury or illness sustained in the course and scope of employment with the City.

I. COURT TIME

Notwithstanding the provisions of FMC Section 3-109, an employee in this Unit who receives a notice or subpoena requiring a court appearance during a pre-approved vacation, holiday or administrative leave shall be credited with annual leave, holiday or administrative leave equivalent to the actual number of hours spent in court on such day(s).

J. WORK SCHEDULES

The City and employees of the Association may mutually agree to alternative work schedules for individual employees, including, but not limited to 9/80's. Both the City and the employee retain the right to withdraw the mutual agreement and return to the regular schedule established by the employee's division.

K. USE OF PERSONAL VEHICLES

Employees may be required, at the discretion of the City, to use their personal vehicles for City business. Employees required to use their personal vehicles on City business, other than traveling to and from work, shall be reimbursed in accordance with Administrative Order 2-2, Transportation Allowance and Mileage Reimbursement Policy. Employees may be required, at the discretion of the City, to take a City vehicle home to facilitate efficient response to after-hours emergencies or City business, pursuant to Administrative Order 8-8, City-Owned/Leased Vehicles/Acquisition, **Assignment** and Usage Policy.
