programs when performing functions pursuant to the respective license or certificate.

Aircraft Sales, Services, and Storage. Uses related to the rental, sales and leasing, storage, repair, and washing of aircraft.

Animal Care, Sales and Services. Retail sales and services related to the boarding, grooming, and care of household pets including:

Grooming and Pet Stores. Retail sales of animals and/or services, including grooming, for animals on a commercial basis. Grooming or selling of dogs, cats, and similar small animals. Typical uses include dog bathing and clipping salons, pet grooming shops, and pet stores and shops. This classification excludes dog walking and similar pet care services not carried out at a fixed location, and excludes pet supply stores that do not sell animals or provide on-site animal services.

Kennels. A commercial, non-profit, or governmental facility for keeping, boarding, training, breeding, or maintaining four or more dogs, cats, or other household pets not owned by the kennel owner or operator. Typical uses include pet clinics, pet day care, grooming, animal hospitals for small animals, and animal shelters, but exclude pet shops and animal hospitals that provide 24-hour accommodation of animals receiving medical or grooming services.

Veterinary Services. Veterinary services for household pets. This classification allows 24-hour accommodation of animals receiving medical

services, but does not include kennels (see Kennels) nor veterinary care for farm animals (see Agricultural Support Services).

Artist's Studio. Work space for an artist or artisan, including individuals practicing one of the fine arts or performing arts, or skilled in an applied art or craft. This use is distinguished by incidental retail sales of items produced on the premises and does not include joint living and working units (see Live-Work).

Automobile/Vehicle Sales and Services. Retail or wholesale businesses that sell, rent, and/or repair automobiles, boats, recreational vehicles, trucks, vans, trailers, and motorcycles including the following:

Automobile Rentals. Rental of automobiles. Typical uses include car rental agencies.

Automobile/Vehicle Sales and Leasing. Sale or lease, retail or wholesale, of automobiles, light trucks, motorcycles, motor homes, and trailers, together with associated repair services and parts sales, but excluding body repair and painting. Typical uses include automobile dealers and recreational vehicle sales agencies. This classification does not include automobile brokerage and other establishments which solely provide services of arranging, negotiating, assisting, or effectuating the purchase of an automobile for others.

Automobile/Vehicle Repair, Major. Repair of automobiles, trucks, motorcycles, motor homes, boats, and recreational vehicles, including the incidental sale, installation, and servicing of related equipment and parts,

generally on an overnight basis. This classification includes auto repair shops, body and fender shops, transmission shops, wheel and brake shops, auto glass services, and vehicle painting, but excludes vehicle dismantling or salvaging and tire retreading or recapping.

Automobile/Vehicle Service and Repair, Minor. The service and repair of automobiles, light-duty trucks, boats, and motorcycles, including the incidental sale, installation, and servicing of related equipment and parts. This classification includes the replacement of small automotive parts and liquids as an accessory use to a gasoline sales station or automotive accessories and supply store, and quick-service oil, tune-up, and brake and muffler shops, where repairs are made or service is provided in enclosed bays and no vehicles are stored overnight, including tire sales and installation. This classification excludes disassembly, removal, or replacement of major components such as engines, drive trains, transmissions, or axles; automotive body and fender work; vehicle painting; or other operations that generate excessive noise, objectionable odors, or hazardous materials; and towing services. It also excludes repair of heavy trucks, limousines, or construction vehicles.

Large Vehicle and Equipment Sales, Service, and Rental. Sales, servicing, rental, fueling, and washing of large trucks, trailers, tractors, and other heavy equipment used for construction, moving, agricultural, or landscape gardening activities. Examples include cranes, earth moving

equipment, tractors, combines, heavy trucks, etc. Includes large vehicle operation training facilities. Sales of new or used automobiles are excluded from this classification.

Service Station. Establishments primarily engaged in retailing automotive fuels or retailing these fuels in combination with activities, such as providing minor automobile/vehicle repair services; selling automotive oils, replacement parts, and accessories; and/or providing incidental food and retail services.

Towing and Impound. Establishments primarily engaged in towing light or heavy motor vehicles, both local and long distance. These establishments may provide incidental services, such as vehicle storage and emergency road repair services (for automobile dismantling, see Salvage and Wrecking).

Washing. Washing, waxing, detailing, or cleaning of automobiles or similar light vehicles, including self-serve washing facilities.

Banks and Financial Institutions.

Banks and Credit Unions. Financial institutions providing retail banking services. This classification includes only those institutions engaged in the on-site circulation of money, including credit unions, but excludes check-cashing businesses and payday lenders.

Check Cashing Businesses, Payday Lenders, and Similar Financial Services. Establishments that, for compensation, engage in the business of

cashing checks, warrants, drafts, money orders, or other commercial paper serving the same purpose; that offer, originate, or make deferred deposit transactions in which the establishment/lender defers depositing a customer's personal check or electronically accessing a bank account until a specific date, pursuant to a written agreement, for a fee or other charge; or that engage in the business of making consumer or auto-title loans.

This category does not include State or federally chartered banks, savings associations, credit unions, or industrial loan companies. It also does not include retail sellers that are primarily engaged in the business of selling consumer goods, such as consumables to retail buyers, and that cashes checks or issues money orders as a service to its customers (for a fee not exceeding two dollars), incidental to their main purpose or business.

Banquet Hall. A facility, as part of a hotel or as a standalone facility, where various types of gatherings may occur. Banquet Hall activities include, but are not limited to, formal dinners, receptions, reunions, business meetings, benefits, and club meetings.

Business Services. Establishments providing goods and services to other businesses on a fee or contract basis, including printing and copying, blueprint services, advertising and mailing, equipment rental and leasing, office security, custodial services, photo finishing, model building, taxi or delivery services with two or fewer fleet vehicles on-site.

Corner Commercial. Small-scale commercial establishments within residential districts. Limited permitted uses are neighborhood-serving to provide convenient, walkable access to important amenities.

Eating and Drinking Establishments. Businesses primarily engaged in serving prepared food and/or beverages for consumption on or off the premises.

Bars/Nightclubs/Lounges. Businesses serving beverages for consumption on the premises as a primary use and including on-sale service of alcohol including beer, wine, and mixed drinks. This use includes micro-breweries where alcoholic beverages are sold and consumed on-site and any food service is subordinate to the sale of alcoholic beverages.

Restaurant with Alcohol Sales. Restaurants providing food and beverage services, including the sales of alcoholic beverages for consumption on the premises. Takeout or delivery service may be provided. This use includes micro-breweries where the sale and consumption of alcoholic beverages are subordinate to on-site food service.

Restaurant without Alcohol Sales. Restaurants providing food and beverage services without the sales of alcoholic beverages. Food and beverages may be consumed on the premises, taken out, or delivered. This classification also includes catering businesses or bakeries that have a storefront retail component.

Entertainment and Recreation. Provision of participant or spectator entertainment to the general public.

Cinema/Theaters. Facilities for indoor display of films, motion pictures, or dramatic, musical, or live performances. This classification may include incidental food and beverage services to patrons.

Cyber/Internet Café. A private establishment that offers access to the Internet to its customers, usually within the setting of a café where food and drink may be purchased.

Motorcycle/Riding Clubs. Facilities that support the activities of motorcycle interest groups.

Shooting/Archery Range. A facility designed for firearm or archery practice.

Large-Scale. This classification includes large outdoor facilities such as amusement and theme parks, sports stadiums and arenas, racetracks, amphitheaters, drive-in theaters, water parks, zoos, driving ranges, golf courses, miniature golf courses, and riding stables. Fully enclosed sports stadiums and arenas are also included. This classification may include snack bars and other incidental food and beverage services to patrons. Bars or restaurants with alcohol sales shall be treated as a separate use and shall be regulated accordingly, even when operated in conjunction with the entertainment and recreation use.

Small-Scale. This classification includes smaller and primarily indoor facilities such as fitness centers, health clubs, and gymnasiums; handball, racquetball, and tennis club facilities; ice or roller skating rinks; public swimming pools; bowling alleys; card rooms; dance halls; pool and billiards lounges;

trampoline and bounce house establishments; and amusement arcades. This classification may include snack bars and other incidental food and beverage services to patrons. Bars or restaurants with alcohol sales shall be treated as a separate use and shall be regulated accordingly, even when operated in conjunction with the entertainment and recreation use.

Food and Beverage Sales. Retail sales of food and beverages for off-site preparation and consumption. Typical uses include food markets, groceries, and liquor stores.

Farmer's Markets. A commercial use primarily consisting of an organized display, indoors or outdoors, of agricultural products in their natural state for retail sale. Other products such as processed food (dried fruit, cheese or bread, for example), or artisan handiwork or art, are sometimes sold at Farmer's Markets as well. Farmer's Markets which take place within a fully enclosed building which is not disassembled when the Farmer's Market is not in operation shall be considered Healthy Food Grocers.

General Market. Retail food markets of food and grocery items for offsite preparation and consumption. Typical uses include ~~supermarkets~~ [full-service grocery stores], neighborhood grocery stores, and specialty food stores, such as retail bakeries; candy, nuts, and confectionary stores; meat or produce markets; vitamin and health food stores; cheese stores; and delicatessens. This classification may include small-scale specialty food production such as pasta shops with retail sales.

Healthy Food Grocer. A food and beverage retail sales establishment that (1) dedicates at least 50 percent of retail space to a general line of grocery products intended for home preparation, consumption and use; and (2) dedicates at least 30 percent of retail space to perishable goods including dairy, fresh, produce, fresh meats, poultry and fish, and frozen foods.

Liquor Stores. An establishment less than 10,000 square feet in size that sells liquor for off-site consumption and/or that devotes 30 percent or greater floor area to the selling of packaged alcoholic beverages (such as ale, beer, wine, and liquor) for off-site consumption.

Food Preparation. Businesses preparing and/or packaging food for off-site consumption, excluding those of an industrial character in terms of processes employed, waste produced, water used, and traffic generation. Typical uses include catering kitchens, bakeries with on-site retail sales, and small-scale specialty food production. This use includes micro-breweries, but does not include tasting rooms open to the public or sales for consumption on site.

Funeral Parlors and Internment Services. An establishment primarily engaged in the provision of services involving the care, preparation, or disposition of human remains and conducting memorial services. Typical uses include crematories, columbaria, mausoleums, mortuaries, funeral chapels, and funeral homes.

Live/Work. A unit that combines a work space and incidental residential occupancy occupied and used by a single household in structure that has been

constructed for such use or converted from commercial or industrial use and structurally modified to accommodate residential occupancy and work activity in compliance with the Building Code. The working space is reserved for and regularly used by one or more occupants of the unit.

Lodging. An establishment providing overnight accommodations to transient patrons for payment for periods of less than 30 consecutive calendar days.

Bed and Breakfast. A residential structure that is in residential use with one or more bedrooms rented for overnight lodging and where meals may be provided.

Hotels and Motels. An establishment providing overnight lodging to transient patrons. These establishments may provide additional services, such as conference and meeting rooms, restaurants, bars, or recreation facilities available to guests or to the general public. This use classification includes motor lodges, motels, and tourist courts, but does not include rooming houses, boarding houses, private residential clubs, or bed and breakfast establishments within a single-unit residence, which are separately defined and regulated.

RV Parks. A form of lodging designed to specifically accommodate travelers with recreational vehicles and/or trailers.

Maintenance and Repair Services. Establishments engaged in the maintenance or repair of office machines, household appliances, furniture, and similar items. This classification excludes maintenance and repair of vehicles or

boats (see Automotive/Vehicle Sales and Services) and personal apparel (see Personal Services).

Offices. Offices of firms or organizations providing professional, executive, management, administrative or design services, such as accounting, architectural, computer software design, engineering, graphic design, interior design, investment, insurance, and legal offices, excluding banks and savings and loan associations (see Banks and Financial Institutions). This classification also includes offices where medical and dental services are provided by physicians, dentists, chiropractors, acupuncturists, optometrists, and similar medical professionals, including medical/dental laboratories within medical office buildings but excluding clinics or independent research laboratory facilities and hospitals (see Hospitals and Clinics).

Business and Professional. Offices of firms or organizations providing professional, executive, management, or administrative services, such as accounting, architectural, computer software design, engineering, graphic design, interior design, legal offices, and tax preparation offices.

Medical and Dental. Office use providing consultation, diagnosis, therapeutic, preventive, or corrective personal treatment services by doctors, dentists, medical and dental laboratories, and similar practitioners of medical and healing arts for humans licensed for such practice by the State of California. Incidental medical and/or dental research within the office is considered part of the office use, where it supports the on-site patient services.

Walk-In Clientele. An office business providing direct services to patrons or clients that may or may not require appointments. This use classification includes employment agencies, insurance agent offices, real estate offices, travel agencies, utility company offices, and offices for elected officials. It does not include banks or check-cashing facilities that are separately classified and regulated.

Personal Services.

General Personal Services. Provision of recurrently needed services of a personal nature. This classification includes barber shops and beauty salons, seamstresses, tailors, day spas, dry cleaning agents (excluding large-scale bulk cleaning plants), shoe repair shops, self-service laundries, video rental stores, photocopying, photo finishing services, and travel agencies mainly intended for the consumer.

Fortune Telling Service. An establishment engaged in or that professes to foretell future or past events or that is engaged in the practice of palmistry (the art or practice of reading a person's character or future from the lines on the palms of hands). Examples of this use type include astrologers, fortune tellers, palm and card readers, and psychics.

Massage Establishments. Any business, including a sole proprietorship, which offers massage therapy in exchange for compensation, whether at a fixed place of business or at a location designated by the patron. Massage therapy includes the application of various techniques to the muscular structure and soft

tissues of the human body, including, but not limited to, any method of pressure or friction against, or stroking, kneading, rubbing, tapping, compression, pounding, vibrating, rocking or stimulating of, the external surfaces of the body with the hands or with any object or appliance. Exempted from this definition are massage therapists operating in conjunction with and on the same premises as a physician, surgeon, chiropractor, osteopath, nurse or any physical therapist who is duly State-licensed to practice their respective profession in the State of California, and out-service massage therapists certified pursuant to the California Business and Professions Code Section 4612.

Medical Marijuana Collective. A location where marijuana is cultivated collectively by more than one qualified patient (with valid identification card) or designated primary caregiver of a person with a valid identification card, in order to collectively or cooperatively cultivate and/or store marijuana for medical purposes, as provided in Health and Safety Code Section 1362.775.

Tattoo or Body Modification Parlor. An establishment whose principal business activity is one or more of the following: 1) using ink or other substances that result in the permanent coloration of the skin through the use of needles or other instruments designed to contact or puncture the skin; or 2) creating an opening in the body of a person for the purpose of inserting jewelry or other decoration.

Retail Sales.

Building Materials and Services. Retail sales or rental of building supplies or equipment. This classification includes lumber yards, tool and equipment sales or rental establishments, and includes establishments devoted principally to taxable retail sales to individuals for their own use. This definition does not include Construction and Material Yards or plant nurseries.

Convenience Retail. Establishments primarily engaged in the provision of frequently or recurrently needed small personal items or services for residents within a reasonable walking distance. These include various general retail sales and personal services of an appropriate size and scale to meet the above criteria. Liquor Stores shall not be considered Convenience Retail.

General Retail. The retail sale or rental of merchandise not specifically listed under another use classification. This classification includes retail establishments with 80,000 square feet or less of sales area; including department stores, clothing stores, furniture stores, pet supply stores, hardware stores, and businesses retailing the following goods: toys, hobby materials, handcrafted items, jewelry, cameras, photographic supplies and services (including portraiture and retail photo processing), medical supplies and equipment, pharmacies, electronic equipment, sporting goods, kitchen utensils, hardware, appliances, antiques, art galleries, art supplies and services, paint and wallpaper, carpeting and floor covering, office supplies, bicycles, and new automotive parts and accessories (excluding vehicle service and installation). Retail sales may be combined with

other services such as office machine, computer, electronics, and similar small-item repairs.

Gun Shop. Any retail sales business engaged in selling, leasing, purchasing, or lending of guns, firearms, or ammunition.

Large-Format Retail. Retail establishments (over 80,000 square feet of sales area) that sell merchandise and bulk goods for individual consumption, including membership warehouse clubs.

Nurseries and Garden Centers. Establishments primarily engaged in retailing nursery and garden products—such as trees, shrubs, plants, seeds, bulbs, and sod—that are predominantly grown elsewhere. These establishments may sell a limited amount of a product they grow themselves. Fertilizer and soil products are stored and sold in package form only. This classification includes wholesale and retail nurseries offering plants for sale.

Pawn Shops. Establishments engaged in the buying or selling of new or secondhand merchandise and offering loans in exchange for personal property.

Second Hand/Thrift Store. A retail establishment that buys and sells used products, including through consignment, that may include clothing, furniture and household goods, jewelry, household appliances, musical instruments, business machines and office equipment, hand tools, and similar items. This use does not include book stores, antique stores, sale of used farm or construction equipment, junk dealers, scrap/dismantling yards, sale of used cars or other vehicles, or pawn shops.

Swap Meet/Flea Market. Any indoor or outdoor place, in an approved location, or for an approved activity where new or used goods or secondhand personal property is offered for sale or exchange to the general public by a multitude of individual licensed vendors, usually in compartmentalized spaces. The term swap meet is interchangeable with and applicable to: flea markets, auctions, open air markets, or other similarly named or labeled activities; but the term does not include supermarket or department store retail operations.

SECTION 15-6802. – DEFINITIONS

In any case of conflicting definitions, the Director shall determine which shall be applied.

Grade. The location of the ground surface.

Average Grade. A horizontal line approximating the ground elevation through each building on a site used for calculating the exterior volume of a building. Average grade is calculated separately for each building.

Existing Grade. The elevation of the ground at any point on a parcel as shown on the required survey submitted in conjunction with an application for a building permit or grading permit. Existing grade also may be referred to as natural grade.

Ground Floor. The lowest floor of a building other than a basement that is closest to finished grade.

Ground-Floor Street Frontage. The first level of a building, other than a basement, that borders a public street.

Habitable Space. As defined in Section 202 of the California Building Code.

Habitation. Regular and exclusive use of a space or structure for shelter and other residential purposes in a manner that is private and separate from another residence on the same parcel.

Hazardous Materials. Any material, including any substance, waste, or combination thereof, which because of its quantity, concentration, or physical, chemical, or infectious characteristics may cause, or significantly contribute to, a

substantial present or potential hazard to human health, safety, property, or the environment when improperly treated, stored, transported, disposed of, or otherwise managed.

Height. The vertical distance from a point on the ground below a structure to a point directly above. See also Section 15-305, Measuring Height.

Historic Preservation Commission. The Historic Preservation Commission of the City of Fresno.

Home Occupation. A commercial use conducted on residential property by the inhabitants of the subject residence, which is incidental and secondary to the residential use of the dwelling.

Household. One or more persons living together in a single dwelling unit, with common access to, and common use of, all living and eating areas and all areas and facilities for the preparation and storage of food; who share living expenses, including rent or mortgage payments, food costs and utilities; and who maintain a single mortgage, lease, or rental agreement for all members of the household.

Illegal Non-Conforming Use, Structure, or Site Feature. A use, structure, site feature, or lot shall be designated as having Illegal Non-Conforming status if it was not lawfully established under the regulations of the jurisdiction in which it was located at the time of its establishment or has not continuously remained in compliance with all terms and conditions imposed upon the use,

structure, or site feature upon its establishment or imposed upon it any time thereafter.

Intensity of Use. The extent to which a particular use or the use in combination with other uses affects the natural and built environment in which it is located, the demand for services, and persons who live, work, and visit the area. Measures of intensity include, but are not limited to, requirements for water, gas, electricity, or public services; number of automobile trips generated by a use; parking demand; number of employees on a site; hours of operation; the amount of noise, light, or glare generated; the number of persons attracted to the site, or, in eating establishments, the number of seats.

Intersection, Street. The area common to two or more intersecting streets.

Kitchen. A room or space within a building with appliances used for cooking or preparing food.

Land Division-Related Definitions. The following terms are related to Part IV: Land Divisions.

Arterial. A street designated by the circulation element of the General Plan to serve high-volume inter- and intra-city traffic, and to act as a distributor between freeways, other arterials, and major traffic generators.

Block. An area of land within a subdivision entirely bounded by any streets (other than alleys), freeways, railroad rights-of-way, natural barriers, or the exterior boundaries of the subdivision.

Collector Street. A street designated by the circulation element of the General Plan to collect and distribute traffic between local streets and arterials.

Community Apartment. An undivided interest in common in the land coupled with the right of exclusive occupancy of an apartment unit which is part of a community apartment project.

Community Apartment Project. As defined by Section 11004 of the California Business and Professions Code.

Condominium. As defined by Section 783 of the California Civil Code.

Condominium Project. A development consisting of condominiums.

Conversion. The creation of separate ownership of existing real property together with a separate interest in space of a building.

Comparable Replacement Housing. Available rental housing located within a reasonable proximity to the proposed condominium conversion project, and to public and commercial facilities, with units which are decent, safe, and sanitary, and which are generally similar in size and price to those of the proposed project.

Cul-de-sac. A street which terminates in a permanent turn-around and which by design is not intended to continue beyond its terminal point.

Dead-End Street. A street which is terminated at the boundary line of the subdivision but which will be required to be extended at a later date to provide access to abutting land.

Expressway. A roadway for through traffic with full control of access and generally with signalized intersections.

Final Map. A map showing a subdivision of five or more lots, prepared for filing with the Fresno County Recorder in accordance with the provisions of the Subdivision Map Act and Part IV: Land Divisions, if deemed in substantial compliance with a previously approved tentative subdivision map and with any conditions to such approval.

Frontage. That portion of a parcel of property which abuts on a public street.

Frontage Road. A street adjacent and auxiliary to a Major Street, and separated by a divider strip, which street provides access to abutting property.

Handicapped. As defined by Section 50072 of the California Health and Safety Code.

Improvements. Any street work and utilities to be installed, or agreed to be installed, by the subdivider on the land to be used for public or private streets, highways, ways, and easements, as are necessary for the general use of the lot owners in the subdivision and local neighborhood traffic and drainage needs as a condition precedent to the approval and

acceptance of the Final Map thereof. Improvements also refers to any other specific improvements or types of improvements, the installation of which, either by the subdivider, by public agencies, by private utilities, by any other entity approval by the local agency, or by a combination thereof, is necessary to ensure consistency with, or implementation of, the General Plan or any applicable specific plan.

Improvement Plans. The plans, profiles, cross-sections, and specifications of all proposed improvements.

Local Collector Street. A local street also serving as a collector street for several local streets.

Local Street. Any public street that is used or is intended to be used for the principal purpose of serving as access to abutting property.

Lot Line Adjustment. A shift or rotation of an existing lot line or other adjustment where a greater or lesser number of parcels than originally existed is not created.

Map Act. The Subdivision Map Act of the State of California Government Code.

Merger. The joining of two or more contiguous parcels of land under one ownership into one parcel.

Outlot. A lot designated alphabetically on the subdivision map for specific use or nonuse.

Parcel. A single unit of land separated from other units of land by legal description, the boundaries of which are shown on a parcel map or final map, described in a deed, or for which a certificate of compliance has been issued pursuant to the Subdivision Map Act. Parcel shall also include two or more parcels where the owner(s) have recorded a covenant with the Office of the County Recorder that states the intention of the owner(s) to combine and use the parcels as a single unit of land in compliance with City regulations. Also referred to as "lot."

Parcel Map. A map prepared in accordance with the provisions of this Subdivision Ordinance, designed to be placed on record in the office of the Fresno County Recorder, and providing for the division of land which meets the exceptions set forth in Section 66426 of the Map Act.

Private Street. Any street, roadway, accessway or similar, lying in whole or in part within a subdivision which is privately owned and maintained and provides access to a development.

Public Improvement. Street work, utilities, and other facilities proposed or required to be installed within the subdivision for the general use of all the subdivision lot owners and for local neighborhood or community needs.

Remainder. That portion of an existing parcel which is not designated on the required map as part of the subdivision. The remainder

shall not be considered as part of the subdivision but shall be shown on the required map as part of the area surrounding the subdivision.

Restricted Access Strip. A strip of land not less than one foot in width for the purpose of regulating access to part-width and dead-end streets until such time as such roads may be completed or extended.

Standard Specifications. The Standard Specifications of the Department of Public Works of the City as may be amended from time to time.

Stock Cooperative. The same as defined by Section 11003.2 of the California Business and Professions Code.

Subdivider. A person, firm, corporation, partnership, or association who proposes to divide, divides, or causes to be divided real property into a subdivision for their self or for others.

Subdivision. The division, by any subdivider, of any unit or units of improved or unimproved land, or any portion thereof, shown on the latest equalized County assessment roll as a unit or as contiguous units, for the purpose of sale, lease, or financing, whether immediate or future. Property shall be considered contiguous units, even if it is separated by roads, streets, utility easement, or railroad rights-of-way. This definition shall specifically include Condominiums, Community Apartment Projects, or Stock Cooperative conversions.

Temporary Turn-Around. A paved area for turning vehicles at the end of a dead-end street, which is constructed either within the dedicated right-of-way or upon a temporary easement, to be obliterated when such street is extended.

Tentative Map. A map made for the purpose of showing the design and improvements of a proposed subdivision and the existing conditions in and around it.

Tentative Parcel Map. A map made for the purpose of showing the design and improvements of a proposed subdivision creating four or fewer parcels or more than four parcels as provided for in the State Subdivision Map Act and Part IV: Land Divisions, and the existing conditions in and around it.

Tract. A subdivision of real property into lots and rights-of-way.

Vesting Tentative Map. A Tentative Map for a subdivision that shall have printed conspicuously on its face the words "Vesting Tentative Map" at the time it is filed in accordance with Part IV: Land Divisions.

Landscape-Related Definitions. The following terms are related to Article 23, Landscape.

Automatic Irrigation System. An irrigation system that utilizes an automatic timing device (automatic controller) to remotely control valves for operation of water supply to landscapes.

California Building Code. A California Code (California Code of Regulations, Title 24, Part 2, California Building Code) adopted by the City of Fresno and incorporated into the Municipal Code Chapter 11.

California Green Building Standards Code. A California Code (California Code of Regulations, Title 24, Part 11, California Green Building Standards Code) adopted by the City of Fresno and incorporated into the Municipal Code Chapter 11.

California Model Water Efficient Landscape Ordinance. A California legislation that took effect in the City of Fresno on January 1, 2010. See California Code of Regulations, Title 23. Waters, Division 2. Department of Water Resources, Chapter 2.7 Model Water Efficient Landscape Ordinance.

California Plumbing Code. A California Code (California Code of Regulations, Title 24, Part 5, California Plumbing Code) adopted by the City of Fresno and incorporated into the Municipal Code Chapter 11.

Drought-Tolerant Plant. A plant that is adapted to arid or drought conditions. The use of drought-tolerant plants is essential to a successful xeriscape, which ideally requires no supplemental irrigation.

Hedge. Any group of shrubs planted in line or in groups so that the branches of any one plant are intermingled or form contact with the branches of any other plant in the line.

Heritage Tree. An indigenous tree whose size, as measured at 48 inches above natural grade, is defined below:

- *Quercus lobata* (Valley oak) is more than 30 inches in circumference.
- *Fraxinus latifolia* (Oregon ash) is more than 25 inches in circumference.
- *Cephalanthus occidentalis* (Buttonbush or Button-willow) is more than 36 inches in circumference.
- Community of trees;
- Founders tree;
- **Tree so designated by the City Council, based upon findings that the particular tree is unique and of importance to the public due to its unusual age, appearance, location, or other factors.**

Hydrozone. A portion of the landscaped area having plants with similar water needs.

Landscape Mound. Any location on a lot or parcel of land where dirt, soil, top soil, or pile of earth is placed, or otherwise elevated, above the grade of surrounding land for any decorative or functional landscape architectural purpose.

Landscaping. The planting, configuration, and maintenance of trees, ground cover, shrubbery, and other plant material, decorative natural

and structural features (walls, fences, hedges, trellises, fountains, sculptures), earth patterning and bedding materials, and other similar site improvements that serve an aesthetic or functional purpose.

"Private landscaping" means any landscaping located within the boundaries of privately owned property, and includes any landscaping located within any unimproved right-of-way abutting a private property and in any park strip other than the City-maintained park strip.

"Public landscaping" means any landscaping located within any street median, City park or other parcel of publicly owned property, including any landscaping located in a City-maintained park strip.

Mulch. Any organic material such as leaves, bark, straw, compost, or inorganic mineral materials such as rocks, gravel, and decomposed granite left loose and applied to the soil surface for the beneficial purposes of reducing evaporation, suppressing weeds, moderating soil temperature, and preventing soil erosion.

Park Strip. The area of the public street located between the face of the curb and closest edge of the sidewalk.

Passive Solar-Oriented Tree. A deciduous tree which drops its leaves in fall and regains them in the spring, located in the south, southwest, or west yard and planted within 15 feet of a building.

Plant. Any turf, ground cover, shrub, vine, and tree suitable for planting.

Private Tree. Any tree located within the boundaries of privately owned property.

Pruning. The removal of more than one-third of the crown or existing foliage of the tree or more than one-third of the root system.

Remove. Cutting to the ground; extraction; killing by spraying, girdling, or any other means; or pruning done without a permit or which does not conform to the provisions of a permit.

Retention Basin. An impoundment created by a dam or an excavation for the purpose of storing and settling sediment and other pollutants from surface water. A retention basin is designed to hold a specific amount of water until the water can evaporate or infiltrate. Usually the basin is designed to have overflows drain to a receiving conveyance system when the water level exceeds the basin capacity.

Shrub. A bush, hedge, or any woody plant of relatively low height, having several stems arising from the base and lacking a single trunk.

Trim. The cutting or removal of a portion of a tree which removes less than one-third of the crown or existing foliage of a tree, removes less than one-third of the root system, and does not kill the tree.

Turf. The upper stratum of soil bound by grass and plant roots into a thick mat or an artificial substitute thereof.

Water-Wise, Climate-Appropriate Plant. A plant that can survive periods of limited water availability and other environmental factors in the region that it is being planted.

Wind Buffer-Oriented Tree. An evergreen tree which keeps its leaves all year round and is located in a northwest or west yard to protect a building from Fresno's prevailing winds blowing from the northwest direction.

Legal Non-Conforming Use, Structure, or Site Feature. A use, structure, or site feature shall be designated as having Legal Non-Conforming status if it was lawfully established under the regulations of the jurisdiction in which it was located at the time of its establishment and has continuously remained in compliance with all terms and conditions imposed upon the use, structure, or site feature upon its establishment or imposed upon it any time thereafter, based on evidence provided by the property owner, tenant, or applicant. Legal Non-Conforming status shall also be assigned if non-conformities were created by a public improvement, such as a street widening project.

Light Fixture. The assembly that holds a lamp and may include an assembly housing, a mounting bracket or pole socket, a lamp holder, a ballast, a reflector or mirrors, and a refractor or lens.

Limited-Service Restaurants. Establishments primarily engaged in providing food services (except snack and nonalcoholic beverage bars) where

patrons generally order or select items and pay before eating. Food and drink may be consumed on premises, taken out, or delivered to the customer's location.]

Loading Space. An off-street space or berth on the same parcel with a building for the temporary parking of a vehicle while loading or unloading of goods.

Loft. See Mezzanine.

Lot. A parcel, tract, or area of land whose boundaries have been established by a legal instrument such as a deed or map recorded with the County of Fresno, and which is recognized as a separate legal entity for purposes of transfer or title, except public easements or rights-of-way.

Corner Lot. A parcel of land abutting two or more streets at their intersection, or upon two parts of the same street forming an interior angle of less than 135 degrees.

Flag Lot. A parcel not fronting on or abutting a public road and where access is from a public road by a narrow right-of-way or driveway.

Key Lot. The first interior parcel to the rear of a reversed corner parcel and not separated therefrom by an alley.

Reverse Corner Lot. A corner parcel, the side street line of which is substantially a continuation of the front parcel line of the first parcel to its rear.

Through Lot. A parcel which fronts on two parallel streets or which fronts upon two streets which do not intersect at the boundaries of the parcel.

FIGURE 15-6802-1: LOT AND YARD TYPES

Lot Area. The total area within the property lines of a parcel, excluding any street or alley right-of-way.

Lot Depth. The average distance from the front lot line to the rear lot line measured in the general direction of the side lines. See also Section 15-306, Measuring Lot Width and Depth.

Lot Frontage. The width of the front parcel line measured at the street right-of-way.

Lot Line. A line of record bounding a parcel that divides one parcel from another parcel or from a public or private street or any other public space.

Front Lot Line. The parcel line separating a parcel from a street right-of-way. In the case of a corner parcel, the line separating the narrowest street frontage of the parcel from the street shall be considered the front.

Rear Lot Line. The parcel line opposite and most distant from the front parcel line; or in the case of triangular or otherwise irregularly shaped parcel, a line ten feet in length entirely within the parcel, parallel to, and at a maximum distance from the front parcel line.

Side Lot Line. Any parcel line other than a front or rear parcel line.

Street Side Lot Line. A side lot line of a corner lot that is adjacent to a street.

FIGURE 15-6802-2: REAR LOT LINE FOR PURPOSES OF DETERMINING SETBACKS

Lot Width. The horizontal distance between the side lines of a parcel measured at right angles to its depth along a straight line parallel to the front parcel line at the street or public right-of-way that is identified as the parcel's address.

Main Structure. See Structure, Main.

Maintenance and Repair. The repair or replacement of nonbearing walls, fixtures, wiring, roof, or plumbing that restores the character, scope, size, or design of a structure to its previously existing, authorized, and undamaged condition.

Mezzanine. An intermediate floor within a building interior without walls, partitions, closets, screens, or other complete enclosing interior walls or partitions that is open to the floor below and has a floor area that is no greater than one-third of the total floor area of the floor below. When the total floor area of a mezzanine exceeds one-third of the total floor area of the floor below it constitutes an additional story. In some instances, mezzanine may be defined differently by the Building Code.

Mixed-Use Development. The development of a parcel or building with two or more different land uses such as, but not limited to, a combination of residential, office, manufacturing, retail, public, or entertainment in a single or physically integrated group of structures.

Mobile Vendor. Any person that sells, or causes or allows another, whether as an employee or as an independent contractor leasing or renting equipment, to

sell any food, drinks, or merchandise by means of a motorized or non-motorized vehicle, such as a wagon, pushcart, handcart, bicycle, motorized cart, or food truck.

Muntin. A bar or rigid supporting strip between adjacent panes of glass.

Noise-Related Definitions.

Community Noise Equivalent Level (CNEL). The average equivalent A-weighted sound level during a 24-hour day, obtained after addition of five decibels to sound levels in the evening from 7 p.m. to 10 p.m. and after addition of 10 decibels to sound levels in the night from 10 p.m. to 7 a.m.

Day-Night Average Sound Level (Ldn). The A-weighted average sound level for a given area (measured in decibels) during a 24-hour period with a 10 dB weighting applied to night-time sound levels (after 10 p.m. and before 7 a.m.). The Ldn is approximately numerically equal to the CNEL for most environmental settings.

Decibel (dB). A unit of measurement used to express the relative intensity of sound as heard by the human ear describing the amplitude of sound, equal to 20 times the logarithm to the base 10 of the ratio of the pressure of the sound measured to the reference pressure, which is 20 micropascals (20 micronewtons per square meter).

Decibel, A-weighted (dBA). The "A-weighted" scale for measuring sound in decibels; weights or reduces the effects of low and high

frequencies in order to stimulate human hearing. Every increase of 10 dBA doubles the perceived loudness though the noise is actually ten times more intense.

Equivalent Sound Level (Leq). A single-number representation of the fluctuating sound level in decibels over a specified period of time. It is a sound-energy average of the fluctuating level.

Maximum Noise Level (Lmax). The highest value measured by the sound level meter over a given period of time, based on the time-weighted sound level in dB, using either the Fast or Slow time constant.

Non-Conforming Building. See Non-Conforming Structure.

Non-Conforming Lot. A legally-created lot of land having less area, frontage, or dimensions than the existing Code requires in the Zoning District in which it is located.

Non-Conforming Use, Structure, or Site Feature. See Legal Non-Conforming Use, Structure, or Site Feature.

Occupancy Group. The Building Code use category for determining requirements for building construction elements and life safety system requirements.

On-Site. Located on the lot that is the subject of discussion.

Open Space Types.

Open Space, Common. Any outdoor area, not dedicated for public use, which is designed and intended for the common use and enjoyment of the residents and guests of more than one dwelling unit.

Open Space, Private. Open areas for outdoor living and recreation that are adjacent and directly accessible to a single dwelling unit, reserved for the exclusive use of residents of the dwelling unit and their guests.

Open Space, Usable. Outdoor areas that provide for outdoor living and/or recreation for the use of residents.

Outdoor Sales, Temporary and Seasonal. The sale or offering for sale to the general public of merchandise outside of a permanent structure on property owned or leased by the person, firm, or corporation. These sales are of a limited duration and conducted on an occasional basis, and are secondary or incidental to the principal permitted use or structure existing on the property.

Outdoor Storage. The keeping, in an unroofed area, of any goods, junk, material, merchandise or vehicles in the same place for more than 72 hours except for the keeping of building materials reasonably required for construction work on the premises pursuant to a valid and current Building Permit issued by the City.

Overlay District. A zoning designation specifically delineated on the Zoning Map establishing land use requirements that govern in addition to the standards set forth in the underlying zoning district.

Parapet. A low wall or railing extending above the roof and along its perimeter.

Parcel. See Land Division-Related Definitions.

Parking Facility. An area of a parcel, structure, or any other area, including driveways, which is designed for and the primary purpose of which is to provide for the temporary storage of operable motor vehicles.

Accessory Parking. An area of a parcel, structure, or any other area, which is designed, reserved for, and the primary purpose of which is to provide off-street parking to serve a building or use that is the primary or main use of the parcel.

Long-Term Parking. An area designed for employee parking, when a vehicle is not normally moved during the period of an employee's work shift, as opposed to customer or visitor parking.

Parking, Bicycle. A covered or uncovered area equipped with a rack or other device designed and useable for the secure, temporary storage of bicycles.

Long-Term. Bicycle parking that is designed to serve employees, students, residents, commuters, and others who generally stay at a site for two hours or longer.

Short-Term. Bicycle parking that is designed to serve shoppers, customers, messengers, guests, and other visitors to a site who generally stay for a period of less than two hours.

Parking Space, Off-Street. An area, covered or uncovered, designed and usable for the temporary storage of a vehicle, which is paved and accessible by an automobile without permanent obstruction.

Parking Structure. A structure used for parking and storage of vehicles.

Patio. An outdoor area, often paved, adjoining a building that is used for outdoor open space. It is not enclosed by walls and typically is located at grade or supported by minimal footings.

Paving. A type of material used over areas of a parcel such as driveways, parking spaces and areas, pathways, patios, and front setbacks used for access by vehicles and pedestrians.

Permit. Any Conditional Use Permit, Temporary Use Permit, Building Permit, license, certificate, approval, or other entitlement for development and/or use of property as required by any public agency.

Permitted Use. Any use or structure that is allowed in a Zoning District without a requirement for approval of a Use Permit, but subject to any restrictions applicable to that Zoning District.

Person. Any individual, firm, association, organization, partnership, business trust, company, or corporation.

Person with Disabilities. Under the Americans With Disabilities Act, an individual with a disability is a person who: (1) has a physical or mental impairment that substantially limits one or more major life activities; or (2) has a record of such an impairment; or (3) is regarded as having such an impairment.

[Pharmacies and Drug Retailers. Establishments generally known as pharmacies and drug retailers engaged in retailing prescription or nonprescription drugs and medicines.]

Planning Commission. The Planning Commission of the City of Fresno.

Plaza. An outdoor space set aside for gathering or congregating and commercial activities, typically surrounded by building frontages.

Pocket Park. A park of one-half to two acres in size that intended to serve the needs of a smaller, specific neighborhood located within a half-mile radius of the pocket park.

Podium. A continuous raised platform supporting a building or a large block of two or three stories beneath a multi-story block of smaller area.

Porte Cochere. A roofed structure through which a vehicle can pass, extending from the entrance of a building over an adjacent driveway, the purpose of which is to shelter persons entering and exiting a building.

Pre-Existing. In existence prior to the effective date of this Code.

Primary Use. See Use, Primary.

Project. Any proposal for a new or changed use or for new construction, alteration, or enlargement of any structure, that is subject to the provisions of this ordinance. This term includes, but is not limited to, any action that qualifies as a "project" as defined by the California Environmental Quality Act.

Public Land. Any government-owned land, including, but not limited to, public parks, beaches, playgrounds, trails, paths, schools, public buildings, and other recreational areas or public open spaces.

Public Resources Code. The Public Resources Code of the State of California.

Qualified Applicant. The property owner, the owner's agent, or any person or other legal entity that has a legal or equitable title to land that is the subject of a development proposal or is the holder of an option or contract to purchase such land or otherwise has an enforceable proprietary interest in such land.

Ramp. An access driveway leading from one parking level to another, or an access driveway from an entrance leading to parking at a different level.

Recreational Vehicle (RV). A mobile, temporary lodging space, usually housed in a motor vehicle or trailer, generally for the purposes of travelling.

Residential Use. One or more rooms designed, occupied, or intended for occupancy as primary living quarters in a building or portion thereof.

Review Authority. Body responsible for making decisions on zoning and related applications.

Right-of-Way. A strip of land acquired by reservation, dedication, forced dedication, prescription, or condemnation and intended to be occupied or occupied by a road, railroad, electric transmission lines, oil or gas pipeline, water line, sanitary storm sewer, or other similar use.

Roof. That portion of a building or structure above walls or columns that shelters the floor area or the structure below.

Screening. Buffering of a building or activity from neighboring areas or from the street with a wall, fence, hedge, informal planting, or berm.

Security Grate or Grilles. A metal grate that rolls up over, or slides across, a window or door to provide protection against unwanted entry. It also can be a fixed metal fixture over window openings.

Service Areas. Portions of a building which are utilitarian in nature and are not typically frequented by the general public or occupants of the building, such as utility equipment rooms, freight loading areas, trash/recycling rooms, and emergency exit stairways/hallways.

Setback. The distance between the parcel line and a building, not including permitted projections, that must be kept clear or open. See also Section 15-304, Measuring Distances, and Section 15-313, Determining Setbacks (Yards).

Shielded Light Fixture. Outdoor light fixtures shielded or constructed so that light rays emitted by the lamp are projected below the horizontal plane passing through the lowest point on the fixture from which light is emitted.

Sidewalk. A paved, surfaced, or leveled area, paralleling and usually separated from the street, used as a pedestrian walkway.

Sidewalk Café. Any outdoor dining area located in or adjacent to any public sidewalk or right-of-way which is associated with a restaurant or other eating and drinking establishment on a contiguous adjacent parcel.

Sign-Related Definitions. The following terms are related to Article 26, Signs.

Animated Sign. A sign with messages that visually change, or images that move or appear to move, more frequently than once every 24

hours, regardless of the method by which the visual change is affected. This definition does not include traditional barber poles, hand-held signs, personally attended signs, commercial mascots, scoreboards, or signs which merely display time or temperature. Animated signs include electronic message signs, sometimes called electronic reader boards. A sign that displays a series of still images which change more frequently than once per 24 hours, whether by digital, LED, or functionally equivalent method, is within this definition.

Awning. Any structure made of flexible fabric or similar material covering a metal frame attached to a building, whether or not the same is so erected as to permit its being raised to a position flat against the building when not in use.

Awning or Canopy Sign. Sign copy placed on an awning or any other projecting structure made of flexible fabric or similar material covering a metal frame supported by the ground or sidewalk.

Banner. Any sign of lightweight fabric or similar material that is mounted to a pole or a building at one or more edges. Flags are not within this definition.

Billboard. See Outdoor Advertising Display.

Changeable Copy Sign. A sign constructed or designed to allow for periodic changes of copy, and for which the copy is changed not more than once each 24 hour period. Examples include signs for an auditorium,

theater, church, meeting hall, or similar uses characterized by public assembly and changing programs or events, or gas station prices. This definition does not include animated signs or electronic reader board signs.

Commercial Message. A message on a sign, or portion of a sign, that promotes, informs, or proposes an economic transaction, primarily concerns the economic interests of the sign sponsor and/or audience, or is intended to further discussion in the marketplace of goods and services.

Construction Sign. A temporary sign displayed on the site of a construction, remodeling, or major landscaping project during the period of time of actual construction activity.

Copy. Any letters, numerals, or symbols displayed on a sign face conveying a message to the public.

Directional Sign. Any sign, other than a highway marker or any sign erected and maintained by public authority, or a public utility which is designed, erected, and maintained for the purpose of directing persons to a place, structure, or activity.

Exempt Sign. A sign which may be legally displayed, erected or maintained, but is not subject to a sign permit requirement. See Section 15-2604, Exempt Signs.

Face. That portion of a sign upon which the copy is mounted or displayed.

Flag. Any fabric or banner containing distinctive colors, patterns, or design that displays the symbol(s) of a nation, state, local government, company, organization, belief system, idea, or other meaning.

Freestanding Sign. A permanent sign that is self-supporting in a fixed location and not attached to a building. Freestanding signs are of two types: monument and pole. Monument signs are connected or attached to a sign structure, fence, or wall that is not an integral part of a building. Pole signs are mounted on a pole(s) or other support(s) that are placed on and anchored in the ground or on a base and that is independent from any building or other structure. Flag poles are not within this definition.

Graffiti. Marks, such as inscriptions, drawings, or designs, which are placed, scratched, etched, painted, or sprayed on public or private property without the owner's consent.

Illuminated Sign. A sign with an artificial light source incorporated internally or externally for the purpose of illuminating the sign. This includes signs made from neon or other gas tube(s) that are bent to form letters, symbols, or other shapes. Ambient lighting, by itself, does not make a sign "illuminated."

Master Sign Program. A coordinated sign plan which includes details of all signs (not including exempt or temporary signs) which are or will be placed on a site, including master identification, individual business, and directory signs.

Mobile Billboard. Any vehicle, or wheeled conveyance which carries, conveys, pulls, displays, or transports any sign or billboard for the primary purpose of advertising a commercial or noncommercial message, or other general advertising for hire.

Monument Sign. See Freestanding Sign.

Name Plate. A sign that identifies an occupant and/or address.

Non-Conforming Sign. A sign lawfully erected and legally existing prior to the effective date of this Code, or of amendments thereto, but which does not conform to the provisions of this Code.

Non-Commercial Message. A message or image on a sign, or portion of a sign, which displays noncommercial speech, e.g., commentary or advocacy on topics of public debate and concern. This definition shall be construed and interpreted in light of relevant court decisions. Noncommercial messages do not have a location factor, such as on-site or off-site.

Non-Communicative Aspects. Those aspects of a sign that are not directly communicative, such as physical structure, mounting device, size and height, setback, illumination, spacing, and scale relative to other structures.

Off-Site or Off-Premise Sign. A sign that identifies, advertises, or attracts attention to a business, product, service, event, or activity sold,

existing, or offered at a different location. The off-site/on-site distinction applies only to commercial messages.

On-Site or On-Premise Sign. Any sign or portion thereof that identifies, advertises, or attracts attention to a business, product, service, event, or activity sold, existing, or offered upon the same property or land use as the sign. The off-site/on-site distinction applies only to commercial messages.

Outdoor Advertising Signs. Billboards and any other outdoor advertising signs which convey an off-site commercial message as their primary purpose.

Pennant. Any lightweight plastic, fabric, or other material, whether or not containing a message of any kind, attached to a rope, wire, or string, usually in a series, designed to move in the wind and attract attention. Flags and banners are not within this definition.

Pole Sign. See Freestanding Sign.

Projecting Sign. Any sign that is perpendicular to the face of a building and projects more than 18 inches from the face. This category includes awning and under canopy signs.

Primary Building Face. The wall of a building which contains the principal entrance(s) to the building. If there are principal entrances in more than one wall, the longest of the walls in which principal entrances are located shall be the primary building face. "Primary building face" shall

include not only the wall itself but all doors, windows, or other openings therein and projections therefrom.

Real Estate Sign. Any sign, temporary in nature, with copy which concerns a proposed sale, rent, lease, or exchange of real property. This definition does not include occupancy signs at establishments offering transient occupancy, such as hotels, motels, and "bed and breakfast" facilities.

Roofline. The top edge of a roof or building parapet, whichever is higher, excluding any cupolas, pylons, chimneys, or minor projections.

Roof Sign. Any sign located on a roof of a building or having its major structural supports attached to a roof.

Sign. Any identification, description, illustration, or device illuminated or non-illuminated, which is visible to the general public from any exterior public right-of-way, and directs attention to a product, service, place, activity, person, institution, business, or solicitation, including any permanently installed or situated merchandise; or any emblem, painting, banner, pennant, or placard designed to advertise, identify, or convey information. A display, device, or thing need not contain lettering to be a sign. Notwithstanding the generality of the foregoing, the following are not within this definition:

Architectural features. Decorative or architectural features of buildings (not including lettering, trademarks, or moving parts), that do not perform a communicative function;

Fireworks, etc. The legal use of fireworks, candles, and artificial lighting not otherwise regulated by this Code;

Foundation stones, cornerstones;

Grave markers, grave stones, headstones, mausoleums, shrines,
and other markers of the deceased;

Personal appearance. Items or devices of personal apparel, decoration, or appearance, including tattoos, makeup, wigs, costumes, and masks, but not including commercial mascots or hand-held signs; and

Symbols embedded in architecture. Symbols of non-commercial organizations or concepts including, but not limited to, religious or political symbols, when such are permanently integrated into the structure of a permanent building, including stained glass windows on churches, carved or bas relief doors or walls, bells, and religious statuary.

Sign Area. The area contained within a single continuous perimeter enclosing all parts of such sign copy, excluding any structural elements outside the limits of the sign required to support the sign.

Temporary Sign. A structure or device used for the public display of visual messages or images, which is typically made of lightweight or flimsy materials which is not intended for or suitable for long term or permanent display.

Wall Sign. Any sign attached to, erected against, or painted upon the wall of a building or structure, the face of which is in a single plane parallel to the plane of the wall. Wall signs also include signs on a false or mansard roof.

Window Sign. Any sign painted, etched, or otherwise affixed to an exterior window of a building, or in the interior of the building, within three feet of a window, intended to be viewed from the exterior of such building. On-site advisory signs are not considered window signs.

Site. A parcel, or group of contiguous parcels, that is proposed for development in accordance with the provisions of this Ordinance and is in a single ownership or under unified control.

Story. That portion of a building included between the upper surface of any floor and the upper surface of the floor next above, except that the topmost story shall be that portion of a building included between the upper surface of the topmost floor and the upper surface of the roof above. A mezzanine with a floor area that exceeds one third of the total floor area of the floor or level below constitutes a story. In some instances, story may be defined differently by the Building Code.

Street. A public or private thoroughfare which affords the access to a block and to abutting property. "Street" includes avenue, place, way, drive, boulevard, highway, road, and any other thoroughfare, except an alley as defined herein.

Street Tree. A tree fronting private property within the street right-of-way.

Streetwall. A wall or portion of a wall of a building facing a street.

Structural Alterations. Any physical change to or the removal of the supporting members of a structure or building, such as bearing walls, columns,

beams, or girders including the creation, enlargement, or removal of doors or windows and changes to a roofline or roof shape.

Structure. Anything constructed or erected, which requires a fixed location on the ground, or is attached to a building or other structure having a fixed location on the ground.

Structure, Accessory. A detached subordinate structure, used only as incidental to the main structure on the same parcel.

Structure, Main. A structure housing the principal use of a site or functioning as the principal use.

Structure, Temporary. A structure without any foundation or footings and which is intended to be removed when the designated time period, activity, or use for which the temporary structure was erected has ceased.

Swimming Pool. A pool, pond, or open tank capable of containing a large and deep enough body of water for people to use to swim.

Telecommunication-Related Definitions. The following terms are related to Section 15-2759, Telecommunication and Wireless Facilities.

Alternative Tower Structure. Artificial trees, clock towers, bell steeples, light poles, and similar alternative-design mounting structures that camouflage or conceal the presence of antennas or towers.

Antenna. Any system of poles, panels, rods, reflecting discs, wires, or similar devices used for the transmission or reception of electromagnetic signals, including, but not limited to, radio waves and microwaves. An

antenna does not include the support structure the antenna(s) is mounted upon.

Antenna, Amateur Radio. A ground-, building-, or tower-mounted antenna operated by a federally licensed amateur radio operator that is used for the purpose of transmitting and receiving radio signals as part of the Amateur Radio Service as designated by the Federal Communications Commission (FCC).

Antenna, Building- or Structure-Mounted. An antenna mounted to a building, rooftop equipment screen, or structure that transmits or receives electromagnetic signals.

Antenna, Ground-Mounted. Any antenna that is not mounted on a pole, a structure, or the roof or wall of a building.

Antenna, Satellite Earth Station. An antenna designed and used to receive and/or transmit radio frequency signals directly to and/or from orbiting communications satellites.

Antenna, Whip. An antenna consisting of a single, slender, rod-like element, less than one wave length long, which is supported only at or near its base.

Antenna Structure. An antenna array and its associated support structure, such as a mast or tower (not including a suspended simple wire antenna), that is used for the purpose of transmitting and/or receiving

electromagnetic signals, including, but not limited to, radio waves and microwaves.

Antenna Structure, Freestanding. An antenna structure or mast that is not attached to any part of a building, fence, or other such structure. Freestanding antenna structures include communications towers, wooden utility poles, and concrete and steel monopoles. If the total height of the structure, including the antenna, is at least 17 feet high, it shall be treated as a monopole.

Antenna Structure, Monopole. An antenna structure, often tubular in shape, usually made of metal, reinforced concrete, or wood, which is at least 17 feet in height. A monopole may also be an alternative antenna structure that is designed to replicate a tree or other natural feature.

Slim Line Monopole. A continuous, smooth, round cross section monopole with no cut-outs or exterior attachments such as climbing pegs.

Co-Location. The location of two or more wireless communications facilities owned or used by more than one public or private entity on a single support structure or otherwise sharing a common location. Co-location shall also include the location of wireless communications facilities with other facilities such as buildings, water tanks, light standards, and other utility facilities and structures.

Distributed Antenna System. A system of small antennas installed on existing infrastructure such as telephone poles and streetlights

throughout an area, which are interconnected by fiber optic cable to a central hub location, and are generally designed to support multiple wireless carriers.

Equipment Cabinet or Enclosure. A cabinet or structure used to house equipment associated with a wireless communications facility.

Feasible. Feasible means in light of technical feasibility, radio signal transmitting and receiving requirements, aesthetics, electromagnetic fields, costs, landowner permission, facility owner permission, and all necessary approvals under this Code and the California Building Code, as well as the common meaning of the term.

Mast. A pole of wood or metal or a tower fabricated of metal that is used to support an antenna and maintain it at the proper elevation.

Microcell Facility. A wireless communication facility serving a single carrier and consisting of an antenna no larger than four feet in height or, if tubular, no more than six feet long and four inches in diameter comprised of a networked set of antennas that are connected with each other and to a wireless service source, such that a one or more high-power antennas that serve a given area are replaced by a group of lower-power antennas to serve the same geographic area.

Readily Visible. An object that can be identified as a wireless telecommunications facility when viewed with the naked eye.

Related Equipment. All equipment ancillary to the transmission and reception of voice and data via radio frequencies. Such equipment may include, but is not limited to, cable, conduit, and connectors.

Service Provider. Any authorized provider of wireless communications services.

Telestyles. Architecturally blended cell towers, the result of cooperation with designers and architects.

Tower. Any structure that is designed or constructed primarily for the purpose of supporting one or more antennas, including self-supporting lattice towers, guy towers, or monopole towers. The term includes, but is not limited to, radio and television transmission towers, microwave towers, common-carrier towers, cellular telephone towers, alternative tower structures and the like.

Wireless Communications Facility. Personal wireless service facilities as defined by the federal Telecommunications Act of 1996 including, but not limited to, facilities that transmit and/or receive electromagnetic signals for cellular radio telephone service, personal communications services, enhanced specialized mobile services, paging systems, and related technologies. Such facilities include antennas, microwave dishes, parabolic antennas, and all other types of equipment used in the transmission or reception of such signals; telecommunication towers or similar structures supporting said equipment; associated

equipment cabinets and/or buildings; and all other accessory development used for the provision of personal wireless services. These facilities do not include radio towers, television towers, and government-operated public safety networks.

Temporary Structure. See Structure, Temporary.

Temporary Use. A use that is intended to be of a limited duration of time and that will not permanently alter the character or physical facilities of the property where it occurs.

Tenant. A person who rents, leases, or subleases, through either a written or oral agreement, real property from another.

Tiny House. A structure intended for separate, independent living quarters for one household that meets these six conditions:

1. Is licensed and registered with the California Department of Motor Vehicles and meets ANSI 119.2 or 119.5 requirements;
2. Is towable by a bumper hitch, frame-towing hitch, or fifth-wheel connection. Cannot (and is designed not to) move under its own power. When sited on a parcel per requirements of this Code, the wheels and undercarriage shall be skirted;
3. Is no larger than allowed by California State Law for movement on public highways;
4. Has at least 100 square feet of first floor interior living space;

5. Is a detached self-contained unit which includes basic functional areas that support normal daily routines such as cooking, sleeping, and toiletry; and

6. Is designed and built to look like a conventional building structure.

Trailer. A vehicle without motor power, designed to be drawn by a motor vehicle and to be used for human habitation or for carrying persons or property, including a mobile home, trailer coach or house trailer.

Trash Screen/Enclosure. A permanent, immobile structure, designed for the storage of a mobile resource recovery, recycling, or compost bin or container.

Unit. See Dwelling Unit.

Use. The purpose for which land or the premises of a building, structure, or facility thereon is designed, arranged, or intended, or for which it is or may be occupied or maintained.

Use, Accessory. A use that is customarily associated with, and is incidental and subordinate to, the primary use and located on the same parcel as the primary use.

Use, Primary. A primary, principal, or dominant use established, or proposed to be established, on a parcel.

Use Classification. A system of classifying uses into a limited number of use types on the basis of common functional, product, or compatibility characteristics. All use types are grouped into the following categories: residential;

public and semi-public; commercial; industrial; transportation, communication, and utilities; and agricultural and extractive.

Use Permit. A discretionary permit, such as a Conditional Use Permit, which may be granted by the appropriate City authority to provide for the accommodation of land uses with special site or design requirements, operating characteristics, or potential adverse effects on surroundings, which are not permitted as of right, but which may be approved upon completion of a review process and, where necessary, the imposition of special conditions of approval by the permit granting authority.

Use Type. A category which classifies similar uses based on common functional, product, or compatibility characteristics.

Utilities. Equipment and associated features related to the mechanical functions of a building(s) and services such as water, electrical, telecommunications, and waste.

Variance. A discretionary grant of permission to depart from the specific requirements of this Code that is warranted when, due to special circumstances regarding the physical characteristics of the property, the strict application of standards would deprive the property of privileges available to other property in the same zoning district. See Article 55, Variances.

Vehicle. Any vehicle, as vehicle is defined by the California Vehicle Code, including any automobile, camper, camp trailer, trailer, trailer coach, motorcycle, house car, boat, or similar conveyance.

Vibration. A periodic motion of the particles of an elastic body or medium in alternately opposite directions from the position of equilibrium.

Visible. Capable of being seen (whether or not legible) by a person of normal height and visual acuity walking or driving on a public road.

Walk-Up Facility. A facility designed to provide service to pedestrian clients, where clients typically are queued on the outside of the main structure or room. Typical facility types include, but are not limited to, automatic teller machines (ATMs) and food-service windows.

Wall. Any exterior surface of building or any part thereof, including windows.

Warehouse Clubs and Supercenters. Establishments generally known as warehouse clubs, superstores, or supercenters, primarily engaged in retailing a general line of groceries, including a significant amount and variety of fresh fruits, vegetables, dairy products, meats, and other perishable groceries, in combination with a general line of new merchandise, such as apparel, furniture, and appliances.]

Watercourse. A strip of land over which water flows, having a definite bed, bank, and channel, wherein the water need not flow continually, but usually flows in a particular direction.

Window. An opening in a wall of a building that is filled with glass in a frame. They typically allow light and air into the interior of a building, but also serve as mediums for viewing merchandise in commercial properties.

Yard. See Setback.

Yard Sales. See Garage Sales.

Zoning District. A specifically delineated area or district in the city within which regulations and requirements uniformly govern the use, placement, spacing, and size of land and buildings.

SECTION 15-2706. – ALCOHOL SALES—THE RESPONSIBLE NEIGHBORHOOD MARKET ACT.

A. **Regulations for On-Site Consumption.** Refer to Section 15-2751, Restaurants with Alcohol Sales, Bars, Nightclubs, and Lounges for standards.

B. **Regulations for Wholesalers.** Operators who hold a Type 17 ABC license for the purpose of selling beer and wine to retailers or a Type 18 ABC license for the purpose of selling distilled spirits to retailers, who meet the definition of a "wholesaler" within the meaning of California Business and Professions code section 23021, and who are located within the City of Fresno are subject to the following restrictions:

1. Wholesalers shall not supply establishments (as defined below) with any items that would violate this section of the Fresno Municipal Code.

C. **Purpose.** The following regulations, known as "The Responsible Neighborhood Market Act," are for establishments that sell alcoholic beverages for off-site consumption not otherwise exempt under Section 15-2706.D.2 (henceforth "establishment"). These establishments possess certain characteristics that have the potential to cause deleterious effects and nuisances on surrounding

neighborhoods and businesses, especially when such establishments are concentrated near one another. In order to ensure that establishments operate in a manner that is mutually beneficial to surrounding uses and to also provide mechanisms to prevent and correct any associated problems, the following special regulations are provided.

D. Applicability.

1. **New or Expanded Use.** Any proposed new establishment or any existing establishment that requests to modify their alcohol or business license type(s), reinstate their alcohol or business license(s) after an expiration or revocation, extend their hours of alcohol sales, or expand their floor area for retail sales of alcohol, shall obtain a Conditional Use Permit issued in compliance with the standards of this section. An existing establishment that expands their floor area for non-alcohol related retail sales is allowed to retain the conditions on their existing Conditional Use Permit in relation to alcohol requirements. Should an establishment not comply with the strict application of the regulations provided for in this section, said improvements shall be made prior to commencing the sale of alcoholic beverages. Violation of these standards at any time may result in the revocation of a Conditional Use Permit.

2. **Exemptions.** This section does not apply to the following:

a. Establishments that serve alcohol for on-site consumption, where an off-site sales component is incidental to the

main use and as permitted through an establishment's ABC Conditional Use Permit License Type.

b. Temporary uses issued a Temporary License by the California Department of Alcoholic Beverage Control and established in compliance with all City laws and ordinances.

3. **Conditional Use Permit.** Conditional Use Permits issued pursuant to this section shall also be subject to the following:

a. ABC Conditional Use Permit:

i. Establishments seeking to sell alcoholic beverages for off-site consumption, whether as a new or expanded use, shall obtain a Conditional Use Permit for alcohol sales.

E. **Modifications to Existing Establishments.** A modification to an existing establishment shall not be approved when a condition exists that has caused or resulted in repeated activities that are harmful to the health, peace, or safety of persons residing or working in the surrounding area.

F. **Location Restrictions for New Establishments.** The following location restrictions apply to new establishments, unless the establishment can be found qualified for exception by the Review Authority. These location restrictions shall apply to existing establishments that must obtain a CUP pursuant to this ordinance due to proposed expansion or improvement of an existing use that is currently operating pursuant to a CUP issued prior to the effective date of this

ordinance unless the proposed expansion or improvement is only with respect to a necessary repair, or bringing the existing establishment into compliance with current building codes, including but not limited to the California Building Code, the California Fire Code, and the California Electrical Code, as may be amended and any local amendments thereto.

1. **Near Sensitive Uses.** The establishment shall not be located within 1,000 feet of the following:

- a. A public park, playground, recreational area including a trail that is immediately adjacent to a public park, or youth facility, including a nursery school, preschool, or day care facility;
- b. A public or private State-licensed or accredited school;
- or
- c. An alcohol or other drug abuse recovery or treatment facility.

2. **Near Other Alcoholic Beverage Establishments.** The establishment shall not be located within 1,000 feet of an existing establishment, nor may it lead to a grouping of more than four establishments within a 1,000 foot radius. Notwithstanding this requirement, an establishment shall not be located within 500 feet of an existing establishment when an establishment is located in a Census Tract that is not oversaturated with off-sale licenses.

3. **Within High Crime Areas.** The establishment shall not be located in an area of high crime, as defined by the California Business and Professions Code 23958.4(a)(1) et seq., and as determined by the Department of Alcoholic Beverage Control.

4. **Within High Concentration Areas.** The establishment shall not be located in an area of high concentration, as defined by the California Business and Professions Code 23958.4(a)(3) et seq., and as determined by the Department of Alcoholic Beverage Control.

5. **Citywide Ratio.** No establishment shall be granted a Conditional Use Permit under this Section if the number of sites selling alcohol for off-site consumption will exceed one license per 2,500 residents. This ratio requirement shall not apply to: (1) existing establishments that must obtain a CUP pursuant to this ordinance due to proposed expansion or improvement of an existing use that is currently operating pursuant to a CUP issued prior to the effective date of this ordinance; (2) new establishments that utilize the Cancel and Transfer provisions stated in Section S., below; or (3) an existing establishment that is in good standing which has a change in the ABC License holder, specifically partner franchisees.

6. **Exceptions.** A new establishment may be excepted from location restrictions if the Review Authority determines all of the following:

a. The proposed use is not located within an area in which the Chief of Police has determined, based upon quantifiable information, that the proposed use: (a) would be detrimental to the public health, safety, or welfare of persons located in the area; or (b) would increase the severity of existing law enforcement or public nuisance problems in the area.

b. The proposed off-premises sale of alcoholic beverages is incidental and appurtenant to a larger retail use and provides for a more complete and convenient shopping experience.

c. The proposed outlet for the off-premises sale of alcoholic beverages would act as a public convenience or necessity to an underserved portion of the community and/or enhance the vitality of an existing commercial area without presenting a significant adverse impact on public health or safety.

d. The primary use of the establishment, based on information provided by the applicant, has been determined by the Review Authority to meet the definition of a General Market including a supermarket, neighborhood grocery store or a Healthy Food Grocer.

7. **Existing establishment relocation exception.** An existing establishment that relocates and holds a Conditional Use Permit pursuant to this ordinance may be excepted from the location restrictions if the

proposed relocation is located: (a) across the street and within a 1/4 mile radius of the current location; (b) within the same Council District; (c) within the same Census Tract; (d) not within 500 feet of a nursery school, preschool, a public or private State-licensed or accredited school or daycare facility; and (e) not in an area of high crime, as defined by the California Business and Professions Code 23958.4(a)(1) et seq., and as determined by the Department of Alcoholic Beverage Control. The original location will be required to forfeit its existing alcohol entitlements for the original location. Written notice shall be provided to all property owners within a 1,500-foot radius of the subject property for the proposed relocation.

[8. **Full-Service Grocery Store exception.** New establishments may be excepted from the location restrictions if the primary use of the establishment, based on information provided by the applicant, that has been determined by the Review Authority to meet the definition of a Full-Service Grocery Store , including a supermarket, neighborhood grocery store or a Healthy Food Grocer as defined in the Fresno Municipal Code.]

G. Landscaping.

1. **New Buildings.** Landscaping shall be provided per the underlying District.

2. **Existing Buildings.** Perimeter landscaping and Parking Lot Shading shall be provided per the underlying district. The Review Authority, at their discretion, may make exceptions to the prescribed standards,

however in no case shall the reduction result in a net reduction of 35 percent or greater in the amount of landscaping provided. Landscaping may also be aggregated to minimize the impact on existing parking areas.

H. **Lighting.** The exterior of the premise, including adjacent public sidewalks and all parking lots under the control of the establishment, shall be illuminated during all hours of darkness during which the premises are open for business in a manner so that persons standing in those areas at night are identifiable by law enforcement personnel. However, required illumination shall be placed and/or shielded in a way that minimizes interference with the neighboring residences.

I. **Litter and Graffiti.**

1. Trash and recycling receptacles shall be provided by public entrances and exits from the building.

2. The owner or operator shall provide for daily removal of trash, litter, and debris from premises and on all abutting sidewalks within 20 feet of the premises.

3. The owner or operator shall remove graffiti within 48 hours.

J. **Pay Phones and Vending Machines.** External pay phones and snack vending machines are prohibited.

K. **Video Surveillance.**

1. Establishments must equip a fully functional color digital video camera system.

2. The system must continuously record, store, and be capable of playing back images and be fully functional at all times, including during any hours the business is closed. The system must be maintained in a secured location inside of the business.

3. The system shall have the correct date and time stamped onto the image at all times.

4. The camera storage capacity should be for at least two weeks (14 calendar days). Such cameras must be capable of producing a retrievable and identifiable image than can be made a permanent record and that can be enlarged through projection or other means.

5. If utilizing a digital video recorder, it must be capable of storing at least 14 days of real-time activities.

6. The system shall be capable of producing a CD or digital playback feature and may be provided to an authorized representative of the Fresno Police Department within 24 hours of the initial request relating to a criminal investigation only.

7. The interior of the business must have at least one camera placed to focus on each cash register transaction to include the clerk as well as the customer waiting area.

8. There shall be four exterior cameras placed so as to record activities in the primary customer parking areas of their business. These

cameras should be of sufficient quality to be able to identify persons and or vehicles utilizing the business parking lot.

9. All interior cameras shall record in color.

10. All exterior cameras shall record in color and have automatic low light switching capabilities to black and white. Exterior cameras should be in weatherproof enclosures and located in a manner that will prevent or reduce the possibility of vandalism.

L. Signage.

1. The provisions specified under Article 26, Signs and this subsection shall apply. Where conflict may occur between the provisions of Article 26 and this subsection, the more restrictive provisions shall govern.

2. The following copy is required to be prominently posted in a readily visible manner on an interior wall or fixture and not on windows:

a. "California State Law Prohibits the Sale of Alcoholic Beverages to Persons Under 21 Years of Age."

b. "No Loitering is Allowed On or In Front of These Premises."

c. "No Open Alcoholic Beverage Containers are Allowed on These Premises."

3. No more than 5 percent of the square footage of each window and clear door that is visible to the public from a public thoroughfare,

sidewalk, or parking lot of an off-sale alcohol retail outlet shall bear advertising, signs, or other obstructions of any sort.

a. The area covered by signs or advertising includes all clear areas within signs or advertising, such as the clear area within neon signs.

b. Signage, advertising, or other obstructions inside or outside the establishment that are not physically attached to the windows or doors, but are visible from a public thoroughfare, sidewalk, or parking lot in the same manner as if they were physically attached is included in the 5 percent limitation.

c. Any signage required by law shall not count towards the 5 percent limitation, but shall nonetheless follow rules related to visual obstruction.

4. Advertising and signage on windows and clear doors shall be placed and maintained in a manner that ensures that law enforcement personnel have a clear and unobstructed view of the interior of the outlets, including the area in which the cash registers are maintained, from exterior public sidewalks, parking lots, or entrance to the outlets.

5. Any establishment located within 250 feet of a sensitive use, as listed in Subsection E.1, shall not advertise alcohol sales in a manner visible from the outside of the establishment, such as from a public thoroughfare, sidewalk, or parking lot.

6. Displays of alcoholic beverages, freestanding advertising structures of any kind such as cardboard floor stands, or other free-standing signs shall be prohibited within 10 feet of consumer entrance points, shall not be visible from the exterior of the establishment, and shall be prohibited on the exterior of the establishment.

M. **Loitering and Other Nuisance Activities.** The operation of the establishment shall not result in repeated nuisance activities on the property, which may include, but are not limited to, repeated disturbances of the peace, illegal drug activity, public drunkenness, drinking in public, alcoholic beverage and tobacco sales to minors, harassment of passerby, gambling, prostitution, sale of stolen goods, public urination, theft, assaults, batteries, acts of vandalism, loitering, excessive littering, graffiti, illegal parking, excessive loud noises (especially in the late night or early morning hours), traffic violations, curfew violations, lewd conduct, or other violations of City, State, or federal laws, especially when contributing to a proportionally high rate of police reports and arrests to the area. This section shall not apply to operators where offenses are the result of third party conduct beyond the operators' control.

N. **Training.** The owners and all employees of the establishment who are involved in the sale of alcoholic beverages must complete approved course(s) in training of liquor sales and handling within sixty days after approval of the Conditional Use Permit becomes final, or for employees hired after the approval of the Conditional Use Permit, within sixty days from the date of hire. To satisfy this

requirement, a certified program must meet the standards of the California Coordinating Council on Responsible Beverage Service (CCC/RBS) or other certifying or licensing body designated by the State of California.

O. **Compliance with Laws.** The establishment must remain in compliance with all local, State, and federal laws, regulations, and orders, as well as all conditions of approval imposed on the use. This includes compliance with annual City business license fees. In the event of non-compliance, the operator shall be given written notice by the City and an opportunity to cure. Article 63 of Chapter 15, regarding Enforcement of the Citywide Development Code shall also apply in relation to compliance issues, in addition to the annual inspection requirements listed within Section R, below.

P. **Posting of Conditions.** A copy of all conditions of approval and training requirements shall either be posted in a conspicuous and unobstructed place near the entrance, cashier counter, or customer service area of the establishment or posted in an employee area and provided upon request (e.g. via flyer or brochure) to patrons and enforcement officials.

Q. **Prohibited Products.** The sale or distribution of one or more of the following shall be prohibited.

1. Wine in containers of less than 750 milliliters.
2. Single containers of beer, malt liquor, wine coolers, and similar alcoholic beverages not in original factory packages of three-packs or greater, subject to the following exception:

a. Craft beer which is originally packaged in a single 22 oz. bottle.

3. Distilled spirits in containers of less than 375 milliliters.

4. Paper or plastic cups in quantities less than their usual and customary packaging.

R. Additional Requirements.

1. The Director may require the applicant to submit additional information, of such type and in such form as the Director may specify, as the Director may deem relevant to the application, including, but not limited to, an operational statement, floor plans, architectural renderings, and technical studies, as appropriate.

2. The Director may refer the application to other City departments to determine whether the establishment's location will comply with building, health, zoning, and fire ordinances or other applicable ordinances or laws. City departments may conduct an inspection of the premises to determine compliance with the ordinances and other laws they administer, and may subsequently prepare reports summarizing their inspections and recommend whether to approve or deny the application based on their inspections.

3. Additional and/or security measures such as reduced hours of operation, security guards, door monitors, and burglar alarm systems may be required if harm, nuisance, or related problems are demonstrated to

occur as a result of business practices or operations. This will be determined on a case-by-case basis upon review by the Police Department.

4. Establishments shall not acquire an ABC license for use that has been temporarily surrendered by another establishment in any jurisdiction, or is from an establishment located outside the City of Fresno or a County island within the City of Fresno. Establishments must comply with the Cancel and Transfer provisions, set forth below, which require an establishment to acquire active ABC licenses from overconcentrated areas in the City of Fresno.

5. Establishments shall be subject to annual inspection to ensure compliance with this Section and any additional conditions of the Conditional Use Permit. If an annual inspection results in a finding that an operator is not in compliance with this section or the specific conditions of the CUP, that finding may be used as a basis for revoking the CUP. An establishment that is subject to a revocation proceeding will be referred to the Responsible Neighborhood Market Act Committee for review and prior to the start of the revocation process.

a. If an operator is determined to be out of compliance with this section or the specific conditions of the CUP, that operator shall be subject to administrative fines set forth in the Master Fee Schedule as may be amended; the fine structure shall consist of progressively higher fines for violations occurring within twelve

months of a prior violation, and upon the fourth violation being upheld within a three year period of the first violation, the CUP for the business shall be subject to revocation.

b. If an establishment operating under an existing ABC license is purchased by a unassociated and unrelated new operator seeking to continue operation of the establishment, and the new operator is not subject to administrative fines as set forth above at any other establishment in the City, the City Manager, with concurrence of the City Attorney, may waive any administrative fines imposed upon the existing establishment upon transfer to the new operator, if the new operator agrees to and obtains a new CUP.

S. Cancel and Transfer.

1. New establishments shall transfer and cancel ABC licenses in good standing as set forth in Table 15-2706 below, from within a Council District identified as having an overconcentration of ABC licenses for off-sale use, as determined by the Director following review of data prepared by the California Department of Alcoholic Beverage Control. The ABC license will be submitted to the Alcoholic Beverage Control for permanent cancellation. A canceled ABC license cannot be reactivated or reinstated.

TABLE 15-2706: CANCEL AND TRANSFER RATIO
