TOTAL NET BID AMOUNT

1. Davis Moreno Construction, Inc. 4720 N Blythe Avenue Fresno CA 93722	\$303,368.00
---	--------------

Each bidder has agreed to allow the City sixty-four (64) days from date bids are opened to accept or reject their bid proposal. Purchasing requests that you complete the following sections and return this bid evaluation to the Purchasing Division at the latest by Monday, September 12, 2016, 5:00 P.M.

The Engineer's Estimate for this expenditure is \$170,000.00. The contract price is 78% above the Engineer's Estimate. If the overage is greater than 10% or only one bid was received, give explanation:

The Engineer's Estimate did not factor in the safety precautions necessary to perform the work at such an elevated height.

BACKGROUND OF PROJECT (To be completed by Evaluating Department/Division. Explain need for project/equipment):

Veterans Memorial Auditorium was built in 1935, the stage is original to the building as are the grid access ladder and the stage grid. Therefore, the existing ladder up to the stage grid system is not up to current OSHA standards. Furthermore, the grid has not been modified since originally built and there are several areas surrounding the grid that are not OSHA code compliant.
