Re: Cast in Place Concrete Substitution Letter

Mr. Lenhof,

Please let this letter serve as Klassen's written request to substitute its listed Cast in Place Concrete subcontractor JT2 Inc. (Todd Companies) with Total Concrete Services Inc.

We make this request pursuant to Public Contract Code Section 4107 (a) (1) which states: "When the subcontractor listed in the bid, after having a reasonable opportunity to do so, fails or refuses to execute a written contract for the scope of work specified in the subcontractor's bid, when that written contract, based upon the general terms, conditions, plans, and specifications for the project involved or the terms of that subcontractor's written bid is presented to the subcontractor by the prime contractor".

Please note that Klassen Corporation has attempted to negotiate contract terms and conditions with JT2 Inc. Todd Companies. JT2 Inc. redlined more than half of our contract agreement and has made unreasonable requests to amend our contract. JT2 Inc. has been notified that they will not perform the remaining portion of the site concrete. For your reference, the information for Total Concrete Services Inc. is as follows:

Total Concrete Services Inc.
Joshua Allen Laurita
President/Owner
6310 Stewart Way
Bakersfield, CA 93308
661-615-3699
Contractors License Number 1037731

Please let me know if you have any questions.

Sincerely,

Robert Ben Walker
Project Manager
661-706-3260
