**FRESNO POLICE DEPARTMENT
Contracted Law Enforcement Regulations**

1. Officers perform law enforcement functions only and respond to direction by the Fresno Police Department (hereafter known as the Department).
2. Officers charge a four hour minimum. Any time in excess of four hours is charged for each additional half hour or portion thereof.
3. The Department requires at least a 48 hour advance notification in order to cancel a contracted job. When the required notice is not given, the applicant shall be responsible for paying the Department the required minimum for each officer.
4. Department staff will deal with one person as a primary contact. One alternate may be selected.
5. The department requires the applicant to maintain records related to contracted law enforcement services.
6. Questions should be communicated to the Contracted Law Enforcement Coordinator.
7. Any requested schedule changes shall be coordinated through the Contracted Law Enforcement Coordinator as soon as possible and may not be honored.
8. The Department may, at its discretion, cancel any or all contracted law enforcement services at any time due to unavailability of officers or emergencies. Contracted officers may, at their own discretion, terminate their contractual obligations to return to regular department duties in the event of an emergency or incident related to their capacity as law enforcement officers. It is understood by the parties that the Department and its police officers do not owe a greater level of police services or protection under this contract than is owed to the public generally.
9. The applicant is responsible for costs associated with an officer having to work in excess of the contracted time as a result of activities related to the contract.
10. The Department requires a minimum number of officers per number of attendees at the event. This figure is approximately one officer per two hundred people, and one supervisor per five officers. These numbers are general guidelines. The Department will take other factors into consideration. The Department will make the determination of how many officers will be required if the contract is accepted. This is not a negotiable figure. In addition, if the Department receives information that greater numbers of people are expected than was first anticipated, additions will be made in the number of officers assigned, subject to Paragraph number 8, as above. Assignment of officers is in the sole discretion of the Department and subject to availability. Any requests for assignment of officers are limited to Police Officers and Community Service Officers (CSOs). In the event the Department determines that the requisite number of such Officers is unavailable for an event, the Department may assign Reserve Officers for the limited purpose of providing traffic control services.

THE FOLLOWING CONTRACT REQUESTS WILL BE REFUSED:

1. Requests that are not in the incorporated areas of the City of Fresno;
2. Requests for plain clothes officers;
3. Mobile jobs where an unmarked, private vehicle would be used for patrol or transport;
4. Requests which constitute a conflict of interest on the part of the officers or the Department.

By signing this document, you verify that you understand and agree to the rules and regulations for Contract Services. A signature is required for your contract application to be approved.
