RE: RE-BID FIRE STATION NO. 20 REMODEL

BID FILE NUMBER: 3532-12017

March 10, 2017

City of Fresno

2600 Fresno st. room 2156

Fresno, Ca.

Attn: Bob Callistro

I am writing you to inform you that a major mistake was made on my part with my bid proposal submitted on Tuesday the 7<sup>th</sup> of March 2017. When adding up my expenses I inadvertently left out 2 major catagories, Electrical work and cabinetry. These line items were figured into my bid but not added to my totals the day I submitted. I apologize for my clerical mistake.

Since this would be a substantial loss for my company I am respectfully requesting that you allow me withdrawl my bid and return my bid bond once there is an award for this contract.

Sincerley,

Bryan Carlson

BC Construction and Electric
