ARTICLE I

PREAMBLE

A. PURPOSE

This Memorandum of Understanding, hereinafter referred to as “MOU,” entered into between the City of Fresno, hereinafter referred to as the City, and the International Brotherhood of Electrical Workers, Local Union 100, hereinafter referred to as “IBEW,” “Local 100,” “Union,” “Unit,” “Unit 7,” or “bargaining unit,” has as its purpose the establishment of wages, hours, and other terms and conditions of employment.

B. GOVERNING LAWS

The legal relationship between the City and its employees (employer/employee) and the City and IBEW is governed by Chapter 10 of Division 4 of Title 1 of the Government Code (Section 3500 *et seq.*, commonly known as the Meyers-Milias-Brown Act (MMBA)), applicable provisions of the Public Employment Relations Board (PERB) and Article 6 of Chapter 3 of the Fresno Municipal Code, hereinafter FMC, as may be amended from time to time. In the event of conflict between said laws and this MOU, said laws shall govern.

ARTICLE II

EMPLOYEE RIGHTS

A. EMPLOYEE RIGHTS

Except as otherwise provided in this MOU, the rights of employees include those set forth in FMC Section 3-604. Execution of this MOU shall not be deemed a waiver of any Union or employee right unless the right is clearly or explicitly modified or restricted herein.

B. EMPLOYEE RESPONSIBILITIES

All employees in this Unit acknowledge that the City shall consider the positions and proposals of IBEW as the meet and confer positions and proposals of all employees, individually and collectively, in said Unit.

C. SURVEILLANCE CAMERAS IN WORKPLACE LOCATIONS

The Union agrees that the City has a legitimate interest in the use of video-only surveillance cameras, including in workplace locations, for purposes related to safety and security of employees and City property and, within the restrictions described herein, to monitor work progress. (This agreement is limited to installed video-only surveillance and is not intended to apply to installed surveillance video involving sound recording.)

The City agrees to provide advance notice before any additional surveillance cameras are installed in areas in which bargaining unit employees work or congregate. In no event will such cameras be installed in locations in which bargaining unit employees have a reasonable expectation of privacy, such as washrooms, locker rooms, or dressing areas.

The parties further agree that the information obtained by use of such cameras may be used for the purpose of addressing safety violations, criminal conduct, or conduct in violation of established City policies. The information obtained by the use of such cameras will not be used to evaluate an employee's work output, or for general performance evaluations, nor will the information be used for the purposes of initiating disciplinary measures unless such discipline is based on safety violations, the commission of criminal acts, or the violation of established City policies. In the event that disciplinary action is proposed consistent with this Agreement, the City agrees to share the information obtained by the use of the surveillance camera(s) with the employee or with a representative of Local 100, if so requested by the employee in writing.

ARTICLE III

CITY RIGHTS

A. GENERAL

1. The rights of the City include those rights enumerated in FMC Section 3-605, as may be amended from time to time, specifically:

 - (11) exercise complete control and discretion over its organization and the technology of performing its work.”
2. All other rights formerly or presently claimed by or vested in the City on the effective date of this MOU and not mentioned in Subsection 1. (a) are retained by and reserved to the City unless explicitly waived by the City by resolution of the Council or by Council-approved MOU.

B. UNION RECOGNITION

The City acknowledges IBEW as the recognized employee organization representing the Unit, and therefore, the parties agree to meet and confer in good faith promptly upon request by either party and continue for a reasonable period of time in order to exchange freely information, opinions, and proposals. MOU negotiations may be initiated at the request of either party and the City shall accept proposals from IBEW as early as five (5) months preceding the expiration of the MOU.

C. CITY RECOGNITION

IBEW recognizes the City Manager of the City, or such other person as may be designated in writing, as the designated representative of the City, and shall meet and confer in good faith promptly upon request by the City and continue for a reasonable period of time in order to exchange freely information, opinions, and proposals, and to endeavor to reach agreement on matters within the scope of representation.

D. RECOGNITION OF MUTUAL OBLIGATION

IBEW and the City recognize and acknowledge their mutual obligation and responsibility to effectuate the purposes set forth in, and to adhere to the conditions and clauses set forth, in this MOU.

F. UNILATERAL ACTION

In the event the meet and confer process for a successor MOU results in an impasse, as defined in the FMC, the City shall not take unilateral action regarding wages, hours, and other terms and conditions of employment prior to the completion of the impasse procedure as required by the FMC and MMBA.

G. EMPLOYEE PERFORMANCE EVALUATIONS

1. Each City department shall have the right, at a minimum, to conduct annual employee performance evaluations on a department-wide basis for all employees at the discretion of the appointing authority.
2. Supervisors shall complete quarterly evaluations on probationary employees. Two (2) evaluations shall be conducted during the first six (6) months and two (2) during the second six (6) months.

The City agrees to provide IBEW a copy of all job announcements for permanent positions in Unit 7.

The City also agrees to provide IBEW a copy of all job announcements for temporary employment for classifications in Unit 7.

Provision of such notices to IBEW does not obligate the City to hire from IBEW or any other groups and crafts hiring hall. The City reserves the right to consider qualified applicants via the City's temporary applicant pool before opening a recruitment for temporary employment.

I. NEW EMPLOYEE ORIENTATION

The Personnel Services Department (PSD) provides a new employee orientation program to all new City employees (i.e., NEO). PSD will notify the Union at least ten (10) business days² in advance of a scheduled NEO, and at the end of the work week immediately preceding the NEO if the NEO will include any individuals who will be represented by the Union, unless the City is unable to reasonably do so because of an unforeseeable urgent need critical to City operations.

A representative of the bargaining unit will be invited to the NEO meeting room immediately prior to a session to be conducted by the bargaining unit and will be introduced by a City staff member. The bargaining unit representative will be provided an opportunity to meet with new bargaining unit members during the NEO. The session will be scheduled for twenty (20) minutes. This session will not be held if there are no new bargaining unit members attending the NEO or rescheduled if the bargaining unit representative is not available.

J. EMPLOYEE INFORMATION

The City will provide the employee information it has on file in compliance with California Government Code Sections 3555 – 3559) for all new hires in the bargaining unit within 30 days of hire, as well as all employees represented by the Union at least once per quarter.

L. NOTICE

The City and Union mutually agree that notice shall be given, where required under Cal. Gov. Code. Section 3500.5 (i.e., the Myers-Milias-Brown Act), via email to the Union representatives of record. The Union shall have fourteen calendar days from the date of receipt of notice to respond to the City via email to request meet and confer. Failure to respond to the City within fourteen calendar days shall constitute

a waiver of meet and confer rights with respect to the substantive matter addressed by the notice.

M. STEWARDS

The Union shall have the right to appoint a Steward to any division (i.e. TSSL, Water, Airport, etc.). Stewards shall be appointed by the Business Manager of the Local Union. The individual appointed as a Steward shall have received the IBEW Steward training prior to assuming the duties of a Steward.

The appointment of Stewards must be submitted in writing to the City.

Such Steward shall see that the working conditions of this agreement are observed and shall have sufficient time to perform these duties during regular working hours.

Stewards shall endeavor to provide as much advance notice as possible regarding the need to use release time as is practical and shall notify their immediate supervisor of the time required to engage in the Steward duty. Employees shall return to their assigned work duties promptly upon completion of their Steward duties if scheduled work time remains in the employee's assigned shift.

Under no circumstances shall the City or department dismiss or otherwise discriminate against an Employee for making a complaint or giving evidence with respect to an alleged violation of any provision of this Agreement. At no time shall a Steward be discriminated against for the faithful performance of his duties. A written list of the Elected Officers of the Union and the Union Stewards appointed to the City, within the divisions of Unit 7, shall be furnished to the City immediately after their designation and the Union shall notify the City promptly in writing of any changes of such Union Officers or Stewards.

ARTICLE V

DUES DEDUCTION

A. DUES CHECK-OFF

1. The City shall deduct the dues or benefit premiums, or both, following receipt of notice from IBEW that authorization has been provided to IBEW by an employee who desires a dues deduction in this Unit. The City shall stop dues deductions or benefit premium deductions, or both, upon receipt of notice from IBEW that authorization has been provided to IBEW by employees in the Unit. Should there be a dispute regarding the deduction of dues, IBEW shall provide the City with a copy of the authorization(s) signed by the employee.
2. IBEW, in consideration for and as a condition of the City withholding and transmitting payroll and benefit deductions authorized by this Section and in compliance with Government Code Section 1157.12, shall indemnify and hold harmless the City of Fresno, its officers, and employees from any liability that may result from making, canceling, or changing requested deductions.
3. Dues deductions will be terminated when an employee leaves the bargaining unit.
4. Any disputes regarding the interpretation of this Section shall be resolved through the grievance procedure unless another established appeal procedure exists.

B. EXCEPTIONS TO DUES DEDUCTION AUTHORIZATION

An employee's earnings must be sufficient after other legal and required deductions are made to cover the amount of the dues deduction authorization. When an employee is in a non-pay status for an entire pay period, no dues deduction shall be made from future earnings to cover that pay period, nor may the member be required to deposit, nor may the member deposit with the City Controller, the amount which would have been deducted if the member had been in a pay status during that period. In the case of a member who is in a non-pay status during only a part of the pay period and whose salary is insufficient to cover other legal and required deductions, no dues deduction or deposit shall be made.

C. DUES DEDUCTION

The deductions shall be transmitted at least monthly by electronic funds transfer to an account designated by the Union.

ARTICLE VI

GRIEVANCES

A. GRIEVANCE PROCEDURE

1. A grievance is a dispute concerning the interpretation or application of any existing City rule or regulation governing personnel practices or working conditions, including this MOU. A grievance involves the claimed misapplication or misinterpretation of a rule or regulation relating to an existing right or duty. This procedure shall not apply to any dispute for which there is another established resolution procedure, including but not limited to, appeal to the Fresno Civil Service Board, Retirement Board, Public Employment Relations Board (PERB) unfair employee-employer relations charge or fact-finding procedures, or as outlined below.
2. A written grievance must set forth the rule or regulation claimed to have been violated, describe the specific incident or circumstances of the alleged violation, and specify the remedy sought. Any dispute between the parties as to the grievability of an issue or as to whether the requirements of this procedure have been met shall be presented to the Grievance Advisory Committee ("Committee"). The Committee shall rule on the dispute before proceeding with the hearing. (See Article VI, A-5 below).
3. IBEW may represent employees covered by this MOU on grievances under the grievance procedure.
4. The procedure and sequence in filing and processing a grievance shall be as follows:
 - a. The grievant and/or IBEW representative shall discuss the grievance with the grievant's immediate supervisor before a written grievance may be filed.
 - (1) If the grievance is not settled through this discussion, it either may be discussed with the next higher supervisor or a written grievance may be filed with the grievant's immediate supervisor. A written grievance must be filed within twenty (20) calendar days from the time the employee becomes aware or should have become aware of the issue or incident giving rise to the problem.
 - (2) Upon receipt of a written grievance, the immediate supervisor shall give the grievant a written reply within ten (10) calendar days.

- b. Should the grievant not be satisfied with the answer received from the immediate supervisor, the grievant may within ten (10) calendar days from receipt of the answer file an appeal with the department director. The department director shall have fourteen (14) calendar days after receipt of the appeal to review the matter, investigate and provide a written answer to the appeal, explaining clearly the decision or proposed action and reasons thereof. The department director may confer with the grievant and appropriate supervisors in an attempt to bring about a harmonious solution.

- c. The City and IBEW may mutually agree to waive steps 1 and 2 and proceed directly to hearing by the Committee when the issue is one in which the grievant's supervisor or department director has no jurisdiction.
 - (1) If the grievant is not satisfied with the decision of the department director, the grievant may within seven (7) calendar days after receipt of the written reply, file a request for a review of the department director's decision to the Grievance Advisory Committee, with a copy sent to Labor Relations. The review/appeal to the Grievance Advisory Committee shall be reviewed and approved by the IBEW Business Manager or designee before it is delivered to Labor Relations.
 - (2) The City and IBEW may agree to seek resolution of the grievance through mediation using the services of the California State Mediation and Conciliation Service, prior to hearing by the Grievance Advisory Committee. Time limits for processing of grievances are automatically extended while mediation is in process.
 - (3) From the date a grievance otherwise meeting all criteria for the filing and processing of a grievance reaches the Labor Relations office pursuant to Subsection A. 4. c. (1) above, the Grievance Advisory Committee shall be convened within thirty (30) calendar days in order to hear the grievance.
 - (4) All time limits in this Article may be extended by mutual agreement of the parties.
 - (5) The Grievance Advisory Committee shall conduct a hearing and make a recommendation to the City Manager within thirty (30) calendar days of their last meeting.

- d. The City Manager shall review the decision of the department director and recommendations of the Grievance Advisory Committee and shall render a written decision to the grievant within twenty (20) calendar days after receipt from the Grievance Advisory Committee.
 - e. Failure of the grievant to file an appeal within the specified time limit for any step of the procedure shall constitute abandonment of the grievance. Failure of the responsible supervisor or official of the City to render a decision within the specified time limit established by this procedure shall automatically move the grievance to the next higher level for action, without action required of the grievant. Failure of the City Manager to render a decision within the specified time limit will result in the default to the Grievance Advisory Committee or neutral's decision, adopted as the final decision on the matter.
5. The Grievance Advisory Committee shall be comprised of three (3) members: One selected by IBEW, one selected by the City, and the Chairperson. The Chairperson may be chosen either by mutual agreement of IBEW and the City, or by the "strike" method from a list of neutrals provided by the California State Mediation and Conciliation Service. If the Chairperson is selected by the strike method from the list of neutrals provided by the California State Mediation and Conciliation Service, then the Grievance Advisory Committee shall be comprised exclusively of the selected neutral.
- a. The neutral and Grievance Advisory Committee shall be bound by the language of the MOU, City Administrative Orders, ordinances, rules and regulations, and department rules and regulations consistent therewith in considering any issue properly before them. The neutral and Grievance Advisory Committee shall be expressly confined to the precise issues submitted and shall have no authority to consider any other issue not so submitted. The neutral and Grievance Committee may not recommend changes in established wages or benefits, nor recommend the payment of back wages or benefits to a date prior to the date of the incident.
 - b. Fees and expenses of the neutral shall be paid half by the City and half by IBEW; provided, however, that the Committee may recommend that the City or IBEW pay the total of such fees and expenses should it find that, but for the unreasonableness of that party's posture, the convening of the Committee would not have been necessary. The City and IBEW shall select a chairperson or request a list of neutrals within twenty (20) calendar days of the receipt of a grievance requesting review by a Grievance Advisory Committee by Labor Relations.

Upon expiration of the certificate(s) for which an employee is receiving certificate pay, certificate pay will be discontinued until such time the employee submits their renewal certificate to their department. Additionally, requested leave shall not be unreasonably denied due to standby duty. An employee assigned to standby will be required to carry a ~~City pager and/or~~ City cell phone (if available) and shall not consume alcohol during the standby period or any substance which may impair the employee's ability to perform all required duties. The HRA accounts shall be used pursuant to the City of Fresno Retiree HRA Plan Document. Once a participant's account under the HRA has been reduced to \$0, no further benefits shall be payable by the HRA. This temporary modification shall not be less than one (1) week nor more than one (1) month, unless mutually agreed to by the parties. In the event of a bona fide emergency, as determined by management, shorter notification shall be allowed. EXHIBIT 2

ATTENDANCE POLICY UNIT 7, REPRESENTED BY IBEW, LOCAL 100

PURPOSE

To establish an attendance policy for employees in Unit 7, represented by IBEW.

POLICY & PROCEDURES

This policy is to be construed on a rolling 12-month period. A primary requirement for continued employment is regular attendance. While the City recognizes some absences may be unavoidable, City departments and the employees have an obligation to the public that demands regular and prompt attendance.

Although it is recognized that excessive absenteeism is a proper reason for corrective/disciplinary action, up to and including termination of employment, it is the policy of the City to identify problem areas by keeping proper records, exploring avenues of available assistance, and encouraging compliance with attendance standards.

This attendance policy was developed to establish uniform guidelines to further efforts to provide service to the public and is designed to be a no-fault program. The pervasive problems stemming from inordinate absences are the focus of this policy, not the nature of the absences.

Authorized leaves and statutorily protected leaves (e.g., Family and Medical Leave Act, California Family Rights Act, military leave, jury duty, subpoenas and court appearances, bereavement leave, vacation leave, FMC leave of absences, suspension, union business, etc.) are outside the scope of this attendance policy and shall not be considered an incident.

In the event of a serious illness or injury to the employee requiring the employee's absence during a future period of time, or a serious illness or injury to the employee's spouse, dependent minor children, or parents requiring the employee's absence during a future period of time, the applicable City department, the employee and the Union may agree to a plan for the employee's absence(s) over a specified period of time. If such plan is agreed upon, absences under such plan shall not be subject to this policy.

DEFINITIONS AND RULES - SECTION I:

1. Absences:

Excluding the authorized and statutorily protected leaves discussed above, an absence or absenteeism is defined as any failure to show up for or remain at work as scheduled regardless of the reason. Any employee, who fails to show up for work or remain at work as scheduled, will be charged with an incident of absence under this policy.

- a. Authorized leaves (i.e., scheduled leave time prearranged and approved) shall not be considered an incident.
- b. A day or days of continuous absence due to illness shall be considered one incident.
- c. Employees who are absent for an indefinite period due to illness or injury must inform their supervisor of their absence at the onset of the absence prior to the start of their scheduled shift in accordance with subsection (d) below and inform their supervisor of their anticipated return date. An employee may be required to provide a medical professional's verification to return to work after the use of greater than forty (40) hours of consecutive leave used for the absence in a seven (7) calendar day period.
- d. Employees who are unable to report to work must notify their manager or designee in advance of their scheduled start time. Employees who fail to provide advanced notification of an absence may be subject to corrective/disciplinary action. This provision shall not preclude any department or division from establishing policies or procedures regarding employee notification of an absence or tardy, including but not limited to, the time in which employees must provide advanced notification, subject to meet and confer with Labor Relations and the Union. A copy of such procedures established by any department or division shall be furnished to the Union and shall be subject to meet and confer with Labor Relations and the Union prior to implementation. No policy written by any department or division shall supersede any of the provisions or language of this MOU agreement.
- e. Any employee who does not report to work and does not notify their manager or designee of the absence will be considered absent without leave and may be subject to disciplinary action as provided in the applicable provisions of the Fresno Municipal Code, as the same may be amended from time-to-time.
- f. These provisions shall not preclude any department or division from establishing policies or procedures regarding absences, including, but not limited to the time in which employees must provide advanced notification, subject to meet and confer with Labor Relations and the Union. A copy of such procedures established by any department or division shall be furnished to the Union and shall be subject to meet and confer with Labor Relations and the Union prior to implementation. No policy written by any

department or division shall supersede any of the provisions or language of this MOU agreement.

2. Tardies:

An employee is tardy if they report to work after their scheduled start time. Departments and/or divisions may establish policies or procedures which provide specific guidance on the timing which constitutes a tardy based on operational need. Grace periods or report to work time ranges are at the discretion of management.

- a. Excessive tardiness is defined as three (3) or more tardies during one (1) calendar month.
- b. Employees who accrue three (3) tardies during one (1) calendar month shall receive one (1) incident. Employees shall receive one (1) incident for each subsequent tardy during the calendar month.
- c. Employees who are going to be tardy must notify their manager or designee that they will be tardy in advance of their scheduled start time and provide a time they anticipate they will report to work. Employees who fail to provide advanced notification of a tardy may be subject to corrective/disciplinary action.
- d. Employees who are tardy and report to work by their anticipated report time will receive one (1) tardy. Employees who do not report to work by their anticipated report time and do not provide notification to their manager or designee, will receive a second tardy.
- e. The City reserves the right to require an employee to report to work for the balance of the day on which tardiness occurs. Failure by the employee to report to or remain at work for the balance of the day as directed by a supervisor may be cause for disciplinary action.
- f. Employees may use applicable leave balances, or Leave without Pay, once all applicable leave balances have been exhausted, to cover work time missed due to the tardy.
- g. These provisions shall not preclude any department or division from establishing policies or procedures regarding tardies that are not addressed in these provisions, including, but not limited to the time in which employees must provide advanced notification, subject to meet and confer with Labor Relations and the Union. A copy of such procedures established by any department or division shall be furnished to the Union and shall be subject to meet and confer with Labor Relations and the Union prior to implementation. No policy written by any department or division shall supersede any of the provisions or language of this MOU agreement.

CORRECTIVE/DISCIPLINE ACTIONS - SECTION II:

1. Excessive absenteeism by an employee shall subject said employee(s) to corrective/disciplinary action. Excessive absenteeism for purposes of this policy shall be defined as four (4) or more occurrences (i.e., incident) of absence within any consecutive 12-month period beginning with the effective date of this policy. The 12-month period referred to in this policy shall mean a “rolling” 12-month period.
2. The corrective/disciplinary actions under this policy are noted in the table below.

Incident	Level
4th	Verbal Warning
5th	Letter of Understanding
6th	Written Reprimand
7th	\$100 Fine
8th	\$300 Fine & 6 month prohibition on working overtime, if non-exempt, unless overtime is management directed
9th	10 Working Days Suspension
10th	Termination

The City reserves the right to deviate from this table of progressive corrective/disciplinary action under mitigating circumstances as approved by the appointing authority, or when there is a pattern of excessive absenteeism indicating abuse of time off. An example of a mitigating circumstance is a case where an employee with an otherwise exemplary prior history of good attendance (three [3] to five [5] years) experiences an unexpected problem, which causes inordinate temporary absenteeism, or whenever there is a pattern of abuse of time off.

An employee who has no additional incidents for 90 calendar days after receipt of an incident shall have their number of incidents reduced by one (1). The employee must have no additional incidents for an additional 30 calendar days before an additional incident is removed. If an employee receives an incident before an additional 30 calendar days has passed, then no incident will be removed until 90 calendar days after the last incident. The incident to be removed shall be the oldest in the rolling 12-month review period at the time the employee reaches the 91st and 31st days respectively.
