- F. The provisions of this Section shall survive the termination or expiration of this agreement.

Section 10.2 Insurance

- A. Throughout the life of this Agreement, Airline shall pay for and maintain in full force and effect all policies of insurance required hereunder with an insurance company(ies) either (i) admitted by the California Insurance Commissioner to do business in the State of California and rated not less than "A-VII" in Best's Insurance Rating Guide, or (ii) authorized in writing by City's Risk Manager or his/her designee. The following policies of insurance are required:

- (i) COMMERCIAL GENERAL LIABILITY insurance which shall be at least as broad as Insurance Services Office (ISO) form CG 00 01 and shall include coverage for "bodily injury", "property damage" and "personal and advertising injury", including premises and operation, products and completed operations, and contractual liability with limits of liability of not less than \$5,000,000 per occurrence for bodily injury and property damage, \$1,000,000 per occurrence for personal and advertising injury, \$5,000,000 aggregate for products and completed operations and \$10,000,000 general aggregate. Airline may substitute Airport Liability insurance for this insurance provided the coverage is as broad as required and the limits of liability are not less than required.

- (ii) AIRCRAFT LIABILITY insurance shall include coverage for bodily injury to passengers and non-passengers, property damage and cargo

legal liability with combined single limits of liability of not less than \$100,000,000 per occurrence and aggregate for bodily injury, property damage and cargo legal liability for aircraft under 60,000 GTW and \$350,000,000 per occurrence and aggregate for bodily injury, property damage and cargo legal liability for aircraft over 60,000 GTW.

(iii) COMMERCIAL AUTOMOBILE LIABILITY insurance which shall be at least as broad as the most current version of Insurance Service Office (ISO) Business Auto Coverage Form CA 00 01, and include coverage for all owned, hired, and non-owned automobiles or other licensed vehicles (Code 1 - Any Auto) with limits of liability of not less than \$5,000,000 per accident for bodily injury and property damage.

(iv) WORKERS' COMPENSATION insurance as required under the California Labor Code.

(iv) EMPLOYERS' LIABILITY insurance with limits of liability of not less than \$1,000,000 each accident, \$1,000,000 disease policy limit and \$1,000,000 disease each employee.

In the event Airline purchases an Umbrella or Excess insurance policy(ies) to meet the minimum limits of insurance set forth above, this insurance policy(ies) shall "follow form" and afford no less coverage than the primary insurance policy(ies).

- C. Airline shall be responsible for payment of any deductibles contained in any insurance policies required hereunder and Airline shall also be responsible for payment of any self-insured retentions. At no time shall City be responsible for the payment of any deductibles or self-insured retentions. Any deductibles or self-insured retentions must be declared to, and approved by, the City's Risk Manager or his/her designee. At the option of the City's Risk Manager or his/her designee, either (i) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, its officers, officials, employees, agents and volunteers; or (ii) Airline shall provide a financial guarantee, satisfactory to City's Risk Manager or his/her designee, guaranteeing payment of losses and related investigations, claim administration and defense expenses. At no time shall City be responsible for the payment of any deductibles or self-insured retentions.
- D. All policies of insurance required hereunder shall be endorsed to provide that the coverage shall not be cancelled, reduced in coverage or in limits except after 30 calendar day written notice has been given to City. Upon issuance by the insurer, broker, or agent of a notice of cancellation, non-renewal, or reduction in coverage or in limits, Airline shall furnish City with a new certificate and applicable endorsements for such policy(ies). In the event any policy is due to expire during this Agreement, Airline shall provide a new certificate, and applicable endorsements, evidencing renewal of such policy not less than 15 calendar days prior to the expiration date of the expiring policy.

- E. The General Liability (or Airport Liability, if applicable), Aircraft Liability and Automobile Liability insurance policies shall be written on an occurrence form and shall name City, its officers, officials, agents, employees and volunteers as an additional insured. Such policy(ies) of insurance shall be endorsed so Airline's insurance shall be primary and no contribution shall be required of City. The coverage shall contain no special limitations on the scope of protection afforded to City, its officers, officials, employees, agents and volunteers. Any Workers' Compensation insurance policy shall contain a waiver of subrogation as to City, its officers, officials, agents, employees and volunteers.
- F. Airline shall furnish City with all certificate(s) and applicable endorsements effecting coverage required hereunder. All certificates and applicable endorsements are to be received and approved by the City's Risk Manager or his/her designee prior to City's execution of the Agreement. Such evidence of insurance shall be provided City at the following address:
- City of Fresno - Airports Department
Properties Division
4995 E. Clinton Way
Fresno, CA 93727
- G. Upon request of City, Airline shall immediately furnish City with a complete copy of any insurance policy required under this Contract, including all endorsements, with said copy certified by the underwriter to be a true and correct copy of the original policy. This requirement shall survive expiration or termination of this Agreement.
- H. Any failure to maintain the required insurance shall be sufficient cause for City to terminate this Lease. No action taken by City hereunder shall in any way relieve Airline of its responsibilities under this Lease.
- I. The fact that insurance is obtained by Airline shall not be deemed to release or diminish the liability of Airline, including, without limitation, liability under the indemnity provisions of this Agreement. The duty to indemnify City and its officers, officials, employees, agents and volunteers shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by Airline. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of Airline.
- J. Airline and its insurers hereby waive all rights of recovery against City and its officers, officials, employees, agents and volunteers, on account of injury, loss by or damage to the Airline or its officers, officials, employees, agents, volunteers, invitees, consultants, subconsultants, contractors and subcontractors, or its property or the property of others under its care, custody and control. Airline shall give notice to its insurers that this waiver of subrogation is contained in this Agreement. This requirement shall survive termination or expiration of this Agreement.

- K. If Airline should contract any work on the Premises or subcontract any of its obligations under this Agreement, Airline shall require each consultant, subconsultant, contractor and subcontractor to provide insurance protection in favor of City and its officers, officials, employees, agents and volunteers in accordance with the terms of each of the preceding paragraphs, except that the consultants', subconsultants', contractors' or subcontractors' certificates and endorsements shall be on file with Airline and City prior to the commencement of any work by the consultant, subconsultant, contractor or subcontractor.

Section 10.3 Nonliability of City

- A. Without wavier or limitation, City shall not in any event be liable for any acts or omissions of Airline, its officers, officials, employees, agents, volunteers, invitees, consultants, subconsultants, contractors or subcontractors, or for any conditions resulting from the operations or activities of Airline, its officers, officials, employees, agents, volunteers, invitees, consultants, subconsultants, contractors or subcontractors, or for any conditions resulting from the operations or activities of any other Airline, lessee, tenant, concessionaire, vendor, supplier, consultant, subconsultant, contractor, subcontractor or invitee, however caused.
- B. City shall not be liable for Airline's failure to perform any of the obligations under this Agreement or for any delay in the performance thereof, nor shall any such delay or failure be deemed a default by City.

6. Article 13, Section 13.1 shall be deleted in its entirety.

7. Article 13, Section 13.3(A) shall be modified as follows:

The time of ninety (90) calendar days' written notice, shall be modified to read "sixty (60) calendar days' written notice..."

8. Article 14, Section 14.19(D) shall be modified as follows:

Duty to Notify City. In the event of a release or threatened release of Hazardous Material into the environment that is or could be in violation of Environmental Laws relating to or arising out of Airline's use or occupancy of the Leased Premises or in the event any claim, demand, action or notice is made against Airline regarding Airline's failure or alleged failure to comply with any Environmental Laws, Airline immediately shall notify City by telephone, followed by written notice and shall provide City with copies of any written claims, demands, notices, or actions so made.

9. Exhibits "A" and "B" from the AOA shall be deleted and replaced with Exhibits "A-1", "B-1" and "C-1", each attached hereto.

Except as expressly set forth herein, the AOA and all of the aforementioned Amendments shall otherwise remain unchanged and in full force and effect.

///
