For what Board or Commission are you applying?

HOUSING AND COMMUNITY DEVELOPMENT COMMISSION

Briefly explain why you are interested in serving on this Board(s) or Commission(s):

I've always had a passion for public and community service, I find now I have more time to make available to serve and believe my skills would be of benefit to this commission. For 7 years I worked with the County of Fresno, 5 of which included CAO oversight for Department of Social Services including emergency solutions grants, community development block grants, homeless services, and developing/reviewing related briefing reports for the Board of Supervisors including approval of the Consolidated Plan. I also worked with United Way 211 system to ensure housing information availability to varying populations. I have extensive experience as a technical writer in local government and understanding for collaborative efforts involving multiple government and community organizations.

Do you or an immediate family member have any professional or financial relationship that may present a potential conflict of interest for this board, commission or similar body?

No
