Cost Estimate Summary:

DISCLAIMER: Independent Cost Estimates (ICE) must be tailored to the nature of the procurement, if this template does not satisfy the needs of a given procurement, the Purchaser should obtain or create an ICE that does.

Through the method stated above it has been determined that the total cost of the goods/services is expected to range from \$64,459 to \$80,907. The source of this funding would be derived from FTA grant.
