FRESNO CITY COUNCIL

Supplemental Packet

ITEM(S)

1-T (ID 22-1496)

Actions pertaining to solar projects proposed at PARCS and Public Safety sites including Mosqueda Community Center, Roeding Park, Ted C. Wills Community Center, Inspiration Park, Mary Ella Brown Community Center, Fire Department Headquarters, and Police Regional Training Center (Council Districts 1, 3, 5):

1-LL (ID 22-1372)

Actions pertaining to solar projects proposed at Department of Transportation/Fresno Area Express (FAX) sites including the FAX Employee Parking Lot and Bus Yard

Contents of Supplement:

Letter of Support from International Brotherhood of Electrical Workers (IBEW) Local 100

Item(s)

Supplemental Information:

Any agenda related public documents received and distributed to a majority of the City Council after the Agenda Packet is printed are included in Supplemental Packets. Supplemental Packets are produced as needed. The Supplemental Packet is available for public inspection in the City Clerk's Office, 2600 Fresno Street, during normal business hours (main location pursuant to the Brown Act, G.C. 54957.5(2)). In addition, Supplemental Packets are available for public review at the City Council meeting in the City Council Chambers, 2600 Fresno Street. Supplemental Packets are also available on-line on the City Clerk's website.

Americans with Disabilities Act (ADA):

The meeting room is accessible to the physically disabled, and the services of a translator can be made available. Requests for additional accommodations for the disabled, sign language interpreters, assistive listening devices, or translators should be made one week prior to the meeting. Please call City Clerk's Office at 621-7650. Please keep the doorways, aisles and wheelchair seating areas open and accessible. If you need assistance with seating because of a disability, please see Security.

Esmeralda Soria
Council District 1

RE: Solar Agenda Items at September 29th City Council Meeting

Dear Council Member Soria,

My name is Jake Piland and I am the Assistant Business Manager for IBEW Local 100. We represent more than 1,200 Electrical Workers in Fresno, Madera, Kings and Tulare counties. The vast majority in the Fresno area.

I am writing to voice my support of the proposal of 9 solar projects at City facilities, consisting of (5) park sites, (1) the Fire HQ, (1) the Police Department Training Center, and (2) projects at FAX. I urge your approval of Staff's recommendation at the September 29th City Council Meeting to enter into an Energy Services Agreement with ForeFront Power.

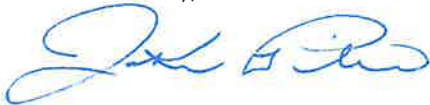

ForeFront Power has completed many other projects in the Fresno area and has hired locally, which provided job opportunities for our local apprentices and local journeymen like myself. I believe the project by ForeFront Power will bring a great benefit to our City and enhance the value of these City facilities.

These projects are also an excellent use of Tax Payer money due to the long term benefits to the City of Fresno and the environment. The Covid-19 pandemic has left us with some economic challenges that we will all need to work together to overcome. It is projects like these that will put the residents of Fresno back to work by providing numerous job opportunities. These projects are vital to the economic recovery of Fresno and its surrounding communities.

I urge you to approve these projects on September 29.

Thank you for your consideration and support.

Sincerely,

Ronny Jungk
