AND FUNDING REQUIREMENTS

Regional Public Transit Program: New Technology Reserve Sub Program
Grantee: City of Fresno
Project: Dynamic Downtown - Adaptive Signal Control Technology

This Program Eligibility and Funding Agreement (“**Agreement**”) is made and entered into on _____, 2018 by and between the City of Fresno (hereinafter referenced as “**Grantee**”) and the Fresno County Transportation Authority (“**Authority**”).

RECITALS

WHEREAS, passage of the Measure C Extension created within the Regional Public Transit Program a subprogram entitled “New Technology Reserve” (aka Advanced Transportation Technology), the purpose of which was to finance research, or to provide funding for implementation of projects intended to reduce traffic congestion, energy consumption and air emissions resulting from less vehicular traffic and less surface street congestion; and to improve mobility in more densely developed areas by providing convenient and direct transit service; and

WHEREAS, in accordance with the Measure C Extension Expenditure Plan (“Expenditure Plan”) and most notably Appendix B thereto, further details regarding the funding and implementation of the New Technology Reserve (“NTR”) subprogram are set forth in the Measure C Extension Strategic Implementation Plan (“SIP”); and

WHEREAS, the SIP identifies entities eligible for NTR funding to include Fresno COG, Fresno County, and the cities within Fresno County; and, eligible projects to include evaluation, planning, design, and construction of new transit technologies; and

WHEREAS, in April 2018, Fresno COG issued a Call for Projects to those eligible entities for Cycle II of NTR funding for advanced transit projects of regional significance in the area of research, development, demonstration, and deployment that would advance public transit and transportation to be funded through the NTR; and

WHEREAS, Grantee submitted a "Project Application" that requested reservation from eligible Measure C Extension funds of a grant in the amount of \$1,813,000 to install a state-of-the-art Adaptive Signal Control Technology (ASCT) system in downtown Fresno along Fresno Street, Van Ness Avenue, and the Downtown Bus Rapid Transit corridors (hereinafter the "Project"), with a matching fund commitment of \$37,000. ASCT will provide real-time traffic monitoring and continuous signal synchronization to respond to changing conditions and optimize traffic flow. Said application was evaluated by the New Technology Multidisciplinary Advisory Group ("MAG"), who recommended the approval of the full amount of grant funding requested; and

WHEREAS, funding made available through this Agreement shall be available solely for the design and construction of the ASCT system on the previously mentioned corridors, as identified in the Project Application; and

WHEREAS, the Authority is authorized to approve funding for payment to Grantee in accordance with this Agreement, the SIP, and the Expenditure Plan, for funding of the Project; and

WHEREAS, on October 10, 2018, based primarily on the recommendations of the MAG, which were based upon the MAG's review of the applications and supporting documentation submitted by applicants for NTR funding (including the Grant Application for this Project, hereinafter referenced as "the Application," a copy of which is attached as Appendix 1 hereto), the Authority's Board approved the reservation of \$1,813,000 in NTR funding to be made available for implementation of the Project with the understanding that Grantee, would provide a minimum of \$37,000 in matching funds or services; and

WHEREAS, on October 10, 2018, the Authority's Board further directed Authority staff to draft this Agreement, for the purpose of establishing program implementation requirements and the terms and conditions governing the rights and obligations of the respective parties hereunder; and

WHEREAS, Authority and Grantee now desire to enter into this Agreement, which serves to establish requirements for Grantee's use of the funding provided hereunder, as well as delineating the respective rights and obligations of the parties regarding use of Measure C funds as authorized for use by Grantee for the purposes specified hereunder, including but not limited to conditions and limitations on Grantee's right to receipt of payment hereunder.

NOW, THEREFORE, in consideration of the mutual promises and undertakings herein made and the mutual benefits to be derived there from, the parties hereto represent, covenant and agree as follows:

Grantee hereby expressly agrees to abide by the terms and conditions of this Agreement, the applicable provisions of the SIP, and the Application, which acknowledgment and agreement is a condition for Grantee's receipt of Measure C funds available under the NTR subprogram; and Grantee further agrees to comply with the Expenditure Plan, and all adopted Policies and Procedures of the Authority as applicable, as well as any subsequent amendments, updates, or other applicable plans.

- 1.1 **Project Scope, Schedule and Funding Program.** The project scope, schedule, and funding details are included in the Application attached hereto as Appendix 1 to this Agreement. The City Council of the City of Fresno previously has approved, by appropriate Resolution, the participation by Grantee in the Project.

- 1.2 **Eligibility for Funding.** The Authority's Board has determined, in reliance upon the recommendation of the MAG which based its recommendation on its review of the Grant Application, that the Project meets one or more of the following eligibility requirements for NTR funding, as set forth in the Application and the SIP:

- 1.6 **Maintenance of Project Records.** Grantee shall maintain complete and accurate records for the Project for which funding is made available hereunder. All such records shall be maintained on a generally-accepted accounting basis and be clearly identified and readily accessible. - 1.7.5 Eligible Project Cost Request Deadline. Invoices for eligible Project costs incurred by Grantee shall be submitted to the Authority on the approved form. The appropriation request will specify the use of the funding and the manner in which other sources of funding for the Project were applied, in substantial conformity with the projections set forth in the Budget/Schedule as set forth in the Application which is attached hereto as Appendix 1. The Authority’s Executive Director will review invoices for accuracy and sufficiency in terms of compliance with the foregoing requirements. Unsatisfactory or inadequate invoices will be returned to Grantee for correction and resubmission. Upon receipt of a proper invoice, eligible Measure C NTR funds (as applicable) shall be provided to the Grantee within 45 days.

- 1.9 **Monitoring and Performance Evaluation.** Grantee shall submit periodic reports to Authority, on either a quarterly or semi-annual basis, as directed by the Authority's administration based on the nature and duration of that specific project. Each such report will provide a status of activities completed or achieved during the immediately preceding period and also will include an evaluation of the Project's performance based on those metrics identified in the Performance Measures portion of the project application. Said reports are due to Authority within 30 days of the end of the reporting period.

ARTICLE II

The Authority is released from any liability to Grantee regarding the Authority's administration and issuance of the Measure C proceeds except for any breach of Authority's fiduciary duty as set forth in the Expenditure Plan and SIP.

3.1 Effective Date and Term. This Agreement shall become effective as of the date of its full execution by the parties and shall remain in full force and effect following its final approval by the Authority's Board, for a period of twelve (12) months following the date of Grantee's completion of eligible Project work, unless sooner terminated as provided in Section 3.2 or in Section 3.4 or unless the Agreement's term is extended by formal approval of a subsequent amendment hereto in accordance with Section 3.8.

3.2 Discharge. This Agreement shall be subject to discharge as follows:

3.2.1 Termination by Mutual Consent. This Agreement may be terminated at any time by mutual consent of Grantee and Authority. If this Agreement is mutually terminated by the parties, Grantee will no longer receive Measure C funds under the NTR for its proposed Project, unless a new agreement between Grantee and Authority relating to such Project is formed; and in the event of such mutual termination, those funds remaining from the originally reserved funding allocation of \$1,813,000 shall be returned by the Authority to the general NTR funding pool.

3.2.2 Discharge Upon Completion of Grantee's Program. Except as to any rights or obligations which survive discharge as specified in Section 3.14, upon completion of Grantee's completion of eligible Project work, this Agreement shall be discharged, and the parties shall have no further obligation to each other.

The Authority reserves the right to terminate the Agreement at any time by giving written notice to Grantee of such termination and specifying the effective date thereof. If this Agreement is terminated by the Authority as provided herein, Grantee will be paid by the Authority for eligible Project costs incurred prior to termination of the Agreement, consistent with the requirements of the Program referenced herein and in the SIP and Application. In that event, all finished or unfinished documents and other materials shall, at the option of the Authority, become its property subject to the terms and conditions of Section 1.6.
