SCOPE OF REPRESENTATION

A. GENERAL

1. "Scope of representation" means all matters relating to employer-employee relations, including, but not limited to, wages, hours, and other terms and conditions of employment. Employee rights, as set forth in FMC Section 3-604, and City rights as set forth in FMC Section 3-605 (a), are excluded from the scope of representation.
2. The Association is the exclusive representative of all employees within the Unit.

B. GRIEVANCE PROCEDURE

1. A grievance is a dispute concerning the interpretation or application of any existing policy, practice, written City rule or regulation governing personnel practices or working conditions, including this MOU. A grievance involves the claimed misapplication or misinterpretation of a rule or regulation relating to an existing right or duty; it does not relate to the establishment or abolition of a right or duty. This procedure shall not apply to any dispute for which there is another established resolution procedure, including but not limited to, appeal to the Civil Service Board, Retirement Board, or unfair employer-employee relations charge, fact-finding procedure, or as outlined below.
2. A written grievance must set forth the rule, regulation, policy or specific section of the MOU claimed to have been violated, must describe the specific incident or circumstances of the alleged violation, and specify the remedy sought or it will be returned to the grievant for appropriate completion before being processed. Any dispute between the parties as to the grievability of an issue or as to whether the requirements of this procedure have been met shall be presented to the Grievance Advisory Committee. The Committee shall rule on the dispute before proceeding with the hearing. The Committee will be bound by the agreement of the parties regarding timeliness.
3. The Association may represent employees covered by this MOU on a grievance under the grievance procedure.
4. An Association Officer designated by the Association in writing shall be excused from regular duties without loss of compensation for such time as

is necessary to attend and represent the grievant at a grievance hearing, beginning at the first level of supervision.

5. The procedure and sequence in filing and processing a grievance shall be as follows:

Step One

- a. The grievant and/or Association representative shall discuss the grievance with the grievant's immediate supervisor or designee before a written grievance may be filed.
- (1) If the grievance is not settled through this discussion, it either may be discussed with the next higher supervisor or a written grievance may be filed with the grievant's immediate supervisor. A written grievance must be filed, with a copy being sent to the Labor Relations Division, within twenty-one (21) calendar days from the time the employee becomes aware or should have become aware of the issue or incident giving rise to the problem.
- (2) Upon receipt of a written grievance, the immediate supervisor shall give the grievant a written reply, with a copy sent to Labor Relations, within nine (9) calendar days.

Step Two

- a. Should the grievant not be satisfied with the answer received from the immediate supervisor, the grievant may, within nine (9) calendar days, file an appeal to the department head or designee. The department head or designee shall have twenty-one (21) calendar days after receipt of the appeal to review the matter, investigate and provide a written answer to the appeal, explaining clearly the decision or proposed action and reasons thereof. The grievant and/or representative shall have the opportunity, if desired, to present to the Fire Chief the position regarding the grievance. Copies of any correspondence should be sent to Labor Relations.
- b. The City, the grievant, and/or the Association may mutually agree to waive steps one (1) and two (2) and proceed directly to hearing by the Grievance Advisory Committee when the issue is one over which the grievant's supervisor or department head has no jurisdiction.

Step Three

- a. If the grievant is not satisfied with the decision of the department head or designee, the grievant may within nine (9) calendar days after receipt of the written reply, file a request for a review of the department head's or designee's decision to the Grievance Advisory Committee. The review/appeal to the Grievance Advisory Committee shall be referred to the Association for review and recommendations before it is delivered to the Labor Relations Division.
- b. The City and the Association may agree to seek resolution of the grievance through mediation using the services of the State Mediation and Conciliation Service, prior to hearing by the Grievance Advisory Committee. Time limits for processing of the grievance are automatically extended as long as mediation is in process. The fees and expenses of the mediator shall be paid half by the City and half by the Association.

Step Four

- a. The Grievance Advisory Committee shall be composed of (3) three members: one selected by the Association, one selected by the City and the Chairperson. The Chairperson may be chosen either by mutual agreement of the Association and the City, or by the "strike" method from a list of neutrals provided by the State Mediation and Conciliation Service. If the Chairperson is selected by the strike method from the list of neutrals provided by the State Mediation and Conciliation Service, then the Grievance Advisory Committee shall be comprised of the selected neutral.
- b. From the date a grievance, otherwise meeting all criteria for the filing and processing of a grievance, reaches the Labor Relations Division, the Grievance Advisory Committee will attempt to convene within thirty (30) calendar days in order to hear the grievance. Any fees and expenses for the GAC shall be paid half by the City and half by the Association.
- c. The neutral and Grievance Advisory Committee shall be bound by the language of this MOU, City Administrative Orders, ordinances, rules and regulations, and department rules and regulations consistent therewith in considering any issue properly before them. The neutral and Grievance Advisory Committee shall be expressly confined to the precise issues submitted and shall have no authority to consider any other issue not so submitted. The neutral and Grievance Advisory Committee may not recommend changes in

established wages or benefits, nor recommend the payment of back wages or benefits to a date prior to the date of the incident which gave rise to the grievance.

- d. The Grievance Advisory Committee shall conduct a hearing, and make a recommendation to the City Manager within thirty (30) calendar days of their last meeting.

Step Five

The City Manager or designee shall review the decision of the Fire Chief and recommendations of the Grievance Advisory Committee and shall render a final written decision to the grievant within twenty-one (21) calendar days after receipt from the Grievance Advisory Committee.

- 6. Failure of the grievant to file the grievance or an appeal within the specified time limit for any step of the procedure shall constitute an abandonment of the grievance.
- 7. Failure of the responsible supervisor or official of the City to render a decision within the specified time limit established by this procedure shall automatically move the grievance to the next higher level for action, without action required of the grievant. All time limits herein may be extended by mutual agreement of the parties.

C. USE OF HEARING OFFICER IN DISCIPLINARY ACTION INITIATED BY CITY

Members may elect the alternative appeal procedure before a hearing officer instead of a hearing before the Civil Service Board, as provided in FMC Section 3-283.

D. IN LIEU OF SUSPENSION

By mutual agreement between the Chief (**with prior City Manager approval**) or designee and the affected employee, an employee suspended from duty without pay may forfeit accumulated holiday, CTO, and/or vacation credits equal to the number of hours of suspension in lieu of the suspension. If the suspension is reduced or reversed at the conclusion of the appeal process, the City shall reinstate the appropriate amount of forfeited credits. This provision is not subject to the grievance procedure.

ARTICLE VI

DUES DEDUCTION

A. DUES CHECK-OFF

1. The City shall deduct the dues or benefit premiums, or both, following receipt of notice from the Association that authorization has been provided to the Association by members in the Unit. The City shall stop dues or benefit premiums, or both, upon receipt of notice from the Association that authorization has been provided to the Association by members in the Unit. Should there be a dispute regarding the deduction of dues, the Association shall provide the City with a copy of the authorization(s) signed by the employee.
2. A Dues Deduction Authorization may be revoked by a member in the Unit, and the dues or benefit deduction canceled by representation to the Association.
3. The Association, in consideration for and as a condition of the City withholding and transmitting payroll and benefit deductions authorized by this Section and in compliance with **California Government Code § 1153 *****, shall hold harmless the City of Fresno, its officers, and employees from any liability that may result from making, canceling, or changing requested deductions.
4. Upon written authorization by a retired member of the Association, the City shall deduct Association deductions, credit union deductions and benefit fund deductions from the retirement check of such retired member and forward such deductions as designated in such authorization.

B. EXCEPTIONS TO DUES DEDUCTION AUTHORIZATION

The Association member's earnings must be sufficient after other legal and required deductions are made to cover the amount of the dues deduction authorized. When a member is in a non-pay status for an entire pay period, no dues deduction shall be made from future earnings to cover that pay period, nor will the member deposit with the City the amount which would have been deducted if the member had been in a pay status during the pay period. In the case of a member who is in a non-pay status during only a part of the pay period and whose salary is insufficient to cover other legal and required deductions, no dues deduction or deposit shall be made.

C. DUES DEDUCTION

Dues deductions covering all such deductions shall be transmitted by electronic funds transfer to an account specified by Fresno City Firefighters Association Local **#202 * * ***.
