For what Board or Commission are you applying? **City of Fresno Planning Commission**

Briefly explain why you are interested in serving on this Board(s) or Commission(s):

**I have long been concerned about the level of poverty in the Fresno area and see a direct connection between the vitality of our economy and planning so have been involved in efforts to promote good planning. I am committed to helping Fresno to have a strong economy with opportunities for all of the citizens. I believe that my business experience, especially in the area of jobs, combined with my planning avocation will add a unique perspective to the Planning Commission.**

Do you or an immediate family member have any professional or financial relationship that may present a potential conflict of interest for this board, commission or similar body?

**My company, Denham Resources, has been in business in this area since 1970 and we have a wide variety of clients in the area. I do not believe that would be a conflict because I would be scrupulous about recusing myself from any decision that might be a conflict.**
