RESOLUTION NO. _____

A RESOLUTION OF THE COUNCIL OF THE CITY OF FRESNO ESTABLISHING RULES FOR THE APPLICATION OF CITY EMPLOYEE COMPENSATION RATES AND SCHEDULES AND RELATED REQUIREMENTS, AND ESTABLISHING COMPENSATION RATES AND SCHEDULES FOR FISCAL YEAR 2019

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Fresno, as follows:

SECTION 1. SPECIAL PROVISIONS APPLICABLE TO ALL CLASSES

The rules set forth in this resolution constitute special provisions applicable to all classes of employment in the City service. If any provision(s) of a Memorandum of Understanding (hereafter "MOU") or Terms and Conditions of employment (hereafter "T & C") adopted and approved by the Council under Article 6, Chapter 3 of the Fresno Municipal Code (hereafter "FMC") or employment agreement that is authorized and in compliance with Article V of the City of Fresno Transparency in Government Act and currently in effect, is clearly and specifically in conflict with any rule contained in this resolution, the provision in such MOU, T & C, or employment agreement shall prevail.

SECTION 2. SALARY STEP PLAN

The step plan of each salary range shall be applied and interpreted as follows for permanent and probationary employees appointed to permanent positions:

- A. The first step shall be the minimum rate and shall normally be the hiring rate for the class. In a case where it is difficult to secure a qualified person or if a person of unusual qualifications is engaged, the City Manager or designee, after receiving the recommendation of the Director of Personnel Services, may approve appointment above the first step.
- B. The second step shall be paid upon the completion of six (6) months of paid status at the first step.
- C. The third step shall be paid upon the completion of one (1) year of service at the second step.
- D. The fourth step shall be paid upon completion of one (1) year of service at the third step.
- E. The fifth step shall be paid upon completion of one (1) year of service at the fourth step.

- F. The sixth step shall be paid upon completion of one (1) year of service at the fifth step.
- G. Employees who are reinstated in accordance with FMC Section 3-292, who were not at the top step prior to layoff or demotion, will be credited with paid time previously worked at the step at time of layoff or demotion. The next step increase date will be adjusted accordingly upon reinstatement. Any time missed due to mandatory furloughs shall count as paid time.
- H. Raises to the second, third, fourth, fifth, and sixth steps shall be automatic unless an unsatisfactory performance evaluation is made by the appointing authority. Following an unsatisfactory performance evaluation, a raise may be delayed by the appointing authority for not more than six (6) months and more than six (6) months only with approval of the City Manager or designee. A raise to any step may be made at any time by the City Manager or designee on recommendation of the appointing authority and the Director of Personnel Services whenever an employee exhibits unusual merit.

Six (6) months of service equals 1,040 hours of service, and one (1) year of service equals 2,080 hours of service, except where employees work a 56-hour workweek, six (6) months of service equals 1,456 hours of service, and one (1) year of services equals 2,912 hours of service.

- I. An employee who is selected to fill a reclassified position pursuant to FMC Section 3-209 (b), or who is promoted from one class to another having a higher salary range, shall be adjusted to the lowest step in the salary range of the new class, which is at least three and one-half percent (3.5%) higher than the rate received in the employee's former class. If such an increase would require a payment greater than the highest step, then the highest step shall be paid.

An employee in Exhibit 7 who is appointed to a position in a class having a salary range shall be promoted according to the foregoing provisions to the nearest step, but not exceeding the top step, in the new class range after adding five percent (5%) to the employee's salary rate.

- J. When a class is assigned a new salary range, the salary of an employee in such class shall be adjusted to the same relative step in the new salary range, and such adjustment shall not alter the employee's anniversary date for purposes of future step increases in the class.
- K. A permanent employee, filling a position in a higher class on a temporary basis, and who is entitled to the rate of pay for such higher class, shall be

paid in the same manner as provided for promotion in Section 2, subsection H above.

- L. If an employee is receiving compensation above the highest step of the range, the employee's present rate shall be continued as an approved additional step rate for the class ("Y-rated"), until the highest step is greater than the Y rate, but no other employee may be adjusted to this rate, and it shall no longer be in effect after the incumbent vacates the classification.

- M. Except as noted in Section 2, subsection G above, step increases shall become effective immediately upon completion of required service. For purposes of this section, any employee who is absent without pay, excluding statutorily protected leave, such as leaves taken under the Family and Medical Leave Act (FMLA), the California Family Rights Act (CFRA), Pregnancy Disability Leave (PDL), and Military Leave for the number of hours specified below while on any single step in a range shall not be considered to have been on paid status for the number of weeks shown, and advancement to the next step shall be delayed by such number of weeks:

<u>At least</u>	<u>But less than</u>	<u>Weeks delayed</u>
1 hour	40 hours	None
40 hours	120 hours	2
120 hours	200 hours	4
200 hours	280 hours	6
280 hours	360 hours	8
360 hours	440 hours	10

For purposes of this section, leave without pay, in reference to step advancement, shall be adjusted appropriately for 56-hour employees:

<u>At least</u>	<u>But less than</u>	<u>Weeks delayed</u>
1 hour	56 hours	None
56 hours	168 hours	2
168 hours	280 hours	4
280 hours	392 hours	6

The number of additional weeks by which advancement to the next step shall be delayed shall be calculated in the same manner as those respective formulas specified herein. Such delay shall cause a change in the employee's anniversary date for purposes of future step increases in the class.

- N. Transfer to a different classification with the same salary range and in which no salary change occurs, shall result in a new anniversary date upon which advancement to the next step shall be calculated, or merit increase shall be considered.
- O. In lieu of a Salary Step Plan, an Executive Pay Range Plan has been established for classes as set forth in Exhibit 2.
 - 1. For employees who separated from City service prior to July 1, 2015:
 - a. The salary for each executive employee in the E1 through E19 executive pay ranges and the salary range for each class within such ranges shall be established by the City Manager or designee.

The City Manager or designee shall promulgate such rules and regulations deemed appropriate in the implementation and administration of this subsection.

For purposes of calculating retirement benefits for any employee in a class in the Executive Pay Range Plan who has left City service after five (5) years of service, but prior to attaining an age sufficient for service retirement, and who has elected to leave contributions in the retirement system, retirement benefits shall be calculated as follows:

The employee's salary at the time of separation from employment with the City shall be compared to the control point in existence at the time of separation for the class from which the employee is retiring. Retirement benefits (based on monthly salary only) shall be calculated using the same relationship the employee's salary bore to the control point at the time of separation as it would bear to the control point at the time of retirement. As an example only, if an employee's salary at the time of separation was five percent (5%) below the control point for the class, then the benefit at retirement would be based on that amount, which would be five percent (5%) below the control point for that class at the time of retirement, subject to the applicable provisions of the

retirement system regarding years of service, compensation earnable, and so on.

2. For employees in Exhibit 2, who separate from City service on or after July 1, 2015:
 - a. The salary for each executive employee in the E1 through E19 executive pay ranges and the salary range for each class within such ranges shall be established by the City Manager or designee.

The City Manager or designee shall promulgate such rules and regulations deemed appropriate in the implementation and administration of Section 2, Subsection (O)(2)(b) below.

- b. For purposes of calculating Compensation Earnable as defined in FMC 3-501, any employee in the City of Fresno Employees Retirement System (hereafter "System") in a class in the Executive Pay Plan who separates from City service and elects to remain a member of the System shall have their Compensation Earnable calculated as follows:

Beginning July 1 following the date the Deferred Vested Member separates from City service, the Member's Compensation Earnable at the time of separation shall be indexed with the Consumer Price Index (hereafter "CPI") – United States City Average for Urban Wage Earners and Clerical Workers -- all items (i.e. general price inflation) and the Employment Cost Index for Wage Inflation (i.e. across the board pay increases) for State and local government employees, as published by the Bureau of Labor Statistics of the United States Department of Labor.

Determination of the percentage of annual increase or decrease in CPI and Employment Costs for wage inflation shall be made by the Retirement Board on or before April 1 of each year for each of the two immediately preceding calendar years. The percentage by which such indexes for the more recent full calendar year shall have increased or decreased over or below indexes for the full calendar year immediately prior shall be the percentage used to calculate adjustments to Compensation Earnable with the following exceptions: banking shall not be applied nor shall the sum of accumulated CPI and Employment Costs adjustments plus Compensation Earnable fall outside the Executive Pay Range approved by the City Council each fiscal year.

This process will continue each July 1 until the Deferred Vested Member elects to begin receiving the retirement benefit. This adjusted Compensation Earnable shall be used in the Member's final compensation for the calculation of the retirement benefit.

If a Deferred Vested Member held more than one position during their highest three consecutive years, the Compensation Earnable in each position shall be allocated on a time held, pro-rata basis and the combined adjusted Compensation Earnable, including adjustments due to CPI and Employment Costs for wage inflation, shall be used in the Member's final compensation for the calculation of the retirement benefit.

- c. System members who retire or enter Deferred Retirement Option Program (hereafter "DROP") on or after July 1, 2015, shall have any previously held Executive Pay Range salaries determined in accordance with Section 2, Subsection (N)(2)(b) above.

- P. Except where provided in this subsection, temporary assignment to perform the duties of absent employees shall be in accordance with FMC Section 3-260.

After any employee holding a permanent position in Exhibit 2 has completed 40 hours of service in a higher class the employee shall thereafter be paid at the rate of pay of the higher class while so assigned. An employee who has held permanent status in the higher class prior to such assignment shall not be required to complete the qualifying period of service set forth above and shall be paid for the entire duration of the assignment to the higher class at the rate of pay assigned to such higher class.

SECTION 3. RATES OF PAY

Rates of pay provided for by a resolution establishing or approving such salaries are fixed on the basis of dollars per month or full-time service in full-time positions unless otherwise clearly indicated. Salaries shown are the base rate of pay for each respective job classification. The hourly rate of pay for employees whose schedule is 40 hours per week is calculated by multiplying the monthly rate of pay by 12 and dividing by 2,080. The hourly rate of pay for employees whose schedule is 56 hours per week is calculated by multiplying the monthly rate of pay by 12 and dividing by 2,912.

SECTION 4. EXEMPT JOB CLASSES

Employees in classes listed as exempt in any exhibit attached to this salary resolution whose job codes are marked with a small “e” shall not be entitled to payment or compensatory time off for overtime as provided for in the rules and regulations of the Fair Labor Standards Act (hereafter “FLSA”).

In accordance with the rules and regulations of the FLSA, the base salary of exempt employees shall not be reduced due to variations in the quality or quantity of the work performed. Deductions from the salary of exempt employees are allowed only for those certain circumstances which are set forth in the applicable FLSA regulations.

Employees exempt from overtime shall not be subject to deductions for Leave Without Pay in increments of less than a work day or shift. Employees with qualified medical restrictions may be temporarily placed on a part-time basis and will receive the pro-rated salary during the time of restriction.

SECTION 5. WAGES, OVERTIME, AND PAID SICK LEAVE FOR TEMPORARY EMPLOYEES

- A. Temporary employees shall be paid on an hourly basis for the hours actually worked, subject to the provisions of Section 4 above and/or the FLSA, which provides for overtime compensation for hours worked in excess of 40 per workweek. Any such employee in a class having a monthly salary rate shall be paid an hourly rate that is converted from the monthly salary for that class pursuant to Section 3.
- B. Paid Sick Leave for Temporary Employees:
 - 1. Temporary employees will accumulate and be able to use paid Sick Leave in accordance with AB1522, Healthy Workplace Healthy Family Act of 2014.

SECTION 6. FLEXIBLE STAFFING

An employee holding a permanent position in any class in a group of classes designated as flexibly staffed may be appointed to a higher class in that group, provided that the employee meets the minimum requirements and the department director recommends such appointment.

SECTION 7. ALTERNATE WORK SCHEDULE FOR EMPLOYEES IN EXHIBIT 2

A 4/10 or 9/80 work schedule may be implemented in any department, division, or work unit, upon approval of the City Manager or designee.

Each 4/10 work schedule will consist of a total of 40 scheduled hours of actual work time per workweek. The workweek begins at 12:01 a.m. Monday and ends at Midnight on Sunday.

Each 9/80 work schedule will consist of eight 9-hour shifts, one 8-hour shift, and one day off per 14-day period broken down into two 40-hour per week FLSA workweeks. All employees working a 9/80 work schedule shall have an FLSA

A. Holidays:

Employees must use the Management Leave in accordance with applicable provisions in appropriate MOUs or T & Cs.

SECTION 9. SICK LEAVE USAGE AND COMPENSATION FOR EMPLOYEES IN EXHIBIT 2

- B. Protected Sick Leave: After 90 days of employment at the City, employees holding a permanent position in Exhibit 2 who are not participating in the Annual Leave Plan shall be allowed to use up to six (6) months of Sick Leave which would be accrued per fiscal year for Protected Sick Leave purposes identified in California Labor Code Section 233, and up to 20 hours of Supplemental Sick Leave in accordance with the provisions for such leave, as set forth in Section 12 below. Employees are encouraged to schedule routine medical and/or dental appointments outside of regular work hours when possible. Use of Protected Sick Leave shall be recorded by an appointing authority or designee.

Said employees who have been continuously employed for ten (10) years or more shall be allowed to accumulate unused Vacation Leave credit of 500 hours. Said employees may, in November of each year, request a cash payment from eight (8) to 40 hours of any vacation accrual the employee has acquired prior to the December payroll period, if on October 31 of that year, the employee has a balance of 240 or more hours of Sick Leave. All other provisions of FMC Section 3-108 shall apply.

Payment received under this provision will not be pensionable for retirement purposes.

SECTION 14. MANAGEMENT TIME OFF FOR EMPLOYEES IN EXHIBIT 2

City employees who are designated as exempt from overtime under the provisions of the FLSA and who receive Management Leave pursuant to Section 8, may be granted Management Time Off if the supervisor or designee determines that service delivery and performance of job functions will not be impaired due to the employee's absence. Such time off shall not be calculated on an hour-for-hour basis in relation to total hours worked. Management Time Off shall not be deducted from any existing leave banks.

Management Time Off must be scheduled in advance when possible, approved as Management Time Off by the employee's supervisor or designee and generally taken in increments of less than one day.

SECTION 17. BILINGUAL CERTIFICATION PROGRAM FOR EMPLOYEES OCCUPYING PERMANENT CLASSES

The bilingual certification program consists of a City administered examination process whereby employees in Exhibit 2 or employees with applicable MOUs or

T & Cs with Bilingual pay provisions, may apply for a bilingual examination, and if certified by the examiner, receive bilingual premium pay for interpreting and translating. In conjunction with the Director of Personnel Services, department directors or their designees shall designate those positions or assignments for which bilingual skills are desired, unless modified by applicable MOU or T & C.

- A. In order to remain eligible to receive bilingual premium pay, employees must take and pass the certification examination once every five (5) years.
- B. This bilingual certification program is not subject to the grievance or appeal process.
- C. Bilingual certification examinations are conducted for Armenian, Cambodian, Hindi, Hmong, Laotian, Punjabi, Sign, Spanish, and Vietnamese languages.

SECTION 18. BENEFITS FOR FULL-TIME EMPLOYEES OCCUPYING PERMANENT POSITIONS IN EXHIBIT 2

Benefits for employees occupying permanent positions in Exhibit 2 shall be as follows:

- A. Effective September 1, 2014, the City's contribution towards employee health insurance is seventy-five percent (75%) of the premium established by the Fresno City Employees Health and Welfare Trust Board.

The cost of increases after September 1, 2014, in the health and welfare premium will be shared on a fifty percent (50%) basis by the City and employees, except that employees will be required to pay no more than thirty percent (30%) of the premium established by the Fresno City Employees Health and Welfare Trust Board. At such time as the employee share is set at thirty percent (30%), the City shall pay seventy percent (70%).

The employee may opt to contribute the amount necessary to make up the difference through payroll deductions, or accept a reduced coverage option.

Should any represented bargaining unit in the City negotiate a successor MOU, impose T & C, extend the period of an MOU or T & C, resulting in a greater contribution by the City (including maintenance of percentage contributions) the City will match that benefit.

- B. The City will provide a Life Insurance benefit that is equal to the employee's annual earnings, rounding up to the next \$1,000, with a maximum benefit of \$150,000.
- C. The City provides Long Term Disability Insurance for employees in accordance with terms of the policy.
- D. Employees may elect to make contributions through payroll deductions for voluntary supplemental benefits made available by the City.
- E. Employees in Exhibit 2 hired with the City on or after August 31, 2014, shall make an additional contribution equal to one and one-half percent (1.5%) of their pensionable compensation to the City of Fresno Employees Retirement System, reducing the City contribution by a corresponding amount. Employees who transfer, demote, or promote, into Unit 2 and were paying an additional one and one half percent (1.5%) of their pensionable compensation to the City of Fresno Employees Retirement System immediately prior to entering Unit 2, shall continue to pay the additional one and one half percent (1.5%) of their pensionable compensation to the City of Fresno Employees Retirement System, reducing the City contribution by a corresponding amount. In accordance with Internal Revenue Code Section 414(h)(2) and related guidance, the City shall pick-up and pay the contribution by salary reduction in accordance with this provision to the City of Fresno Employees Retirement System. The employee shall have no option to receive the one and one-half percent (1.5%) contribution in cash. The one and one-half percent (1.5%) contribution paid by the employee will not be credited to an

employee's accumulated contribution account, nor will it be deposited into a member's DROP account.

- F. The City currently maintains an HRA that qualifies as a "Health Reimbursement Arrangement" as described in Internal Revenue Service (IRS) Notice 2002-45 and other guidance published by the IRS regarding HRA's.

At separation from permanent employment with the City of Fresno by service retirement or at a disability retirement if the employee is otherwise eligible for service retirement, employees who have used 80 hours or less of frozen Sick Leave and/or Annual Leave used for sick time and/or Sick Leave, Holiday Leave, and/or Vacation Leave used for sick time (excluding only Bereavement Leave, and statutorily protected hours used for workers' compensation benefits, and/or other statutory protected leave such as Family and Medical Leave Act and Protected Sick Leave taken for the purposes identified in California Labor Code Section 233) in the 24 months preceding their date of retirement, will be credited with an account for the employee under the HRA to be used solely to pay premiums for medical insurance (including COBRA premiums). The "value" of the account shall be determined as follows:

- The number of accumulated Supplemental Sick Leave hours at the time of retirement multiplied by the employee's then current hourly base rate of pay.
- For those with Annual Leave, the number of accumulated frozen Sick Leave hours in excess of 240 hours at the time of retirement multiplied by 40 percent (40%) of the employee's then current hourly base rate of pay.
- For those with Vacation/Sick Leave, the number of accumulated sick leave hours in excess of 240 hours at the time of retirement multiplied by 40 percent (40%) of the employee's then current hourly base rate of pay.
- The hourly base rate of pay shall be the equivalent of the monthly salary for an employee as reflected in the applicable range, multiplied by 12 months then divided by 2,080 hours.
- The accounts may be book accounts only, or cash accounts at the City's option. No actual trust account shall be established for any employee. Each HRA account shall be credited on a monthly basis with a rate of earnings equal to the yield on the City's Investment Portfolio (provided that such yield is positive).

The HRA accounts shall be used solely to pay premiums for medical insurance (including COBRA premiums) covering the participant, the participant's spouse (or surviving spouse in the event of the death of the participant), and the participant's dependents. Once a participant's account under the HRA has been reduced to \$0, no further benefits shall be payable by the HRA. If the participant, the participant's spouse, and the participant's dependents die before the participant's account under the HRA has been reduced to \$0, no death benefit shall be payable to any person by the HRA.

While this provision is in effect, employees eligible for HRA shall not be allowed to cash out any accumulated or accrued Supplemental Sick Leave or frozen Sick Leave or Sick Leave at retirement.

- G. On September 15, 2011, the City Council adopted Resolution No. 2011-193, which began the imposition of a salary concession effective September 5, 2011, on employees holding positions listed in Exhibit 2 of the Salary Resolution (FY12 salary concessions).

Employees in Exhibit 2 impacted by FY12 salary concessions will be held harmless with respect to DROP and retirement calculations, including calculations impacting members who separate from City employment and elect a deferred vested status.

Employer and employee retirement contributions will continue to be calculated based on the unadjusted, pre-concessions salary/hourly rate.

Employee leave payoffs at separation will be calculated using the unadjusted, pre-concessions salary/hourly rate, including those leave payoffs used to calculate credit to the employee's HRA retirement.

This section shall be applied retroactively to those employees who separated from City employment on or after July 1, 2012.

SECTION 19. COMPENSATION FOR FULL-TIME EMPLOYEES OCCUPYING PERMANENT POSITIONS IN EXHIBIT 2

- A. The following forms of compensation, when authorized, are to be included in base salary:

This benefit is for employees who voluntarily participate in the City's Deferred Compensation plan, which shall not be calculated as part of base salary. Employees not currently participating in the plan will be required to complete a Participation Agreement and elect to contribute.

SECTION 20. BENEFITS FOR POLICE CADETS AND PERMANENT PART-TIME EMPLOYEES

- A. Employees in permanent full-time positions in the Police Cadet series shall receive the following benefits:
1. Police Cadet is a training series and is designed to ultimately lead to appointment to a permanent full-time position other than Police Cadet in the Police Department. A Police Cadet may be probationary released pursuant to FMC 3-273 during the Police Cadet program.
 2. Upon appointment to a permanent position other than Police Cadet, time served as a Police Cadet I and II shall not be included in calculating an employee's period of continuous service for the purposes of seniority, retirement benefits, leave accruals, or other benefits.
 3. Police Cadets shall be provided with Social Security benefits and shall not be members of the Fresno City Employees' Retirement System as they are employed principally for the purpose of training.
 4. Actual hours worked in excess of 40 hours a week shall be compensated as overtime in accordance with the applicable provisions of FLSA.
 5. Fringe benefits for employees in permanent positions in the Cadet series will be determined by the City Manager or designee.
 6. Sick Leave

Employees will accumulate and be able to use Sick Leave in accordance with AB1522, Healthy Workplace Healthy Family Act of 2014.

Employees will earn one (1) hour of leave for every thirty (30) hours of work, including overtime. This accrual will begin on July 1, 2015, or the first day of employment, whichever is later. Accruals of Sick Leave may be carried over from year to year.

Employees who leave City employment and return within one (1) year from the date of separation will have unused Sick Leave accruals restored up to forty-eight (48) hours.

7. Bilingual Premium Pay

Employees in the Cadet Series shall be eligible for the Bilingual Certification Program as provided in Section 17.

B. Benefits for Permanent Part-Time (hereafter "PPT") employees shall be as follows:

1. Health and Welfare benefits shall be provided as outlined in Section 18A.

2. PPT employees shall be provided with Social Security benefits and shall not be members of the Fresno City Employees' Retirement System. Until the Retirement Board acts upon the joint recommendation regarding retirement benefits applicable to PPT employees, and any ordinances or resolutions are adopted implementing that action, PPT employees shall not be in the Fresno City Employees' Retirement System and shall be provided with Social Security benefits. PPT employees who participated in the plan as a permanent full-time employee and whose contributions remain on deposit remain members of the Fresno City Employees' Retirement System.

3. PPT employees shall be paid for jury duty attendance and court attendance in accordance with FMC Sections 3-109 and 3-110.

4. Holidays

PPT employees shall receive paid leave for holidays in proportion to the number of non-overtime hours scheduled for that position, as reflected in the adopted budget.

5. Leave for PPT Employees in Exhibit 2

PPT employees holding an appointment in a permanent class included in Exhibit 2, shall be granted leave under the same terms and conditions as full time employees in Exhibit 2, except that such leave shall be at a rate proportionate to a permanent full time employee occupying the same class, according to the number of hours scheduled to work.

C. Use of Protected Sick Leave for Police Cadets and Permanent Part-Time Employees:

1. The first three (3) days or twenty-four (24) hours, whichever is greater, of leave shall be Protected Sick Leave by an employee on or after July 1 of each year if used for the purposes noted in subsection C.3 below, and will be considered leave taken under AB1522, Healthy Workplace Healthy Family Act of 2014. The leave will not be used or considered for the purpose of corrective and/or disciplinary action.

The purpose of this benefit is to allow employees time to care for themselves and family members as defined in California Labor Code section 246.5 for the purposes identified in California Labor Code section 233 as stated in subsection 3 below. Employees are encouraged to schedule routine medical and/or dental appointments outside of regular work hours when possible. Use of Protected Sick Leave shall be authorized and recorded by an appointing authority or designee.

2. Protected Sick Leave can be used for:
 - a. Diagnosis, care, or treatment of an existing health condition of, or preventative care for, an employee;
 - b. Diagnosis, care, or treatment of an existing health condition of, or preventative care for an employee's parent (a biological adoptive, or foster parent, stepparent, or legal guardian of an employee or the employee's spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor child), child (a child, which for purposes of this article means a biological, adopted, or foster child, stepchild, legal ward, or a child to whom the employee stands in loco parentis - this definition of a child is applicable regardless of age or dependency status), spouse, registered domestic partner, parent-in-law, sibling, grandchild, or grandchild; or,
 - c. For an employee who is a victim of domestic violence, sexual assault, or stalking, the purposes described in Labor Code Section 230(c) and Labor Code Section 230.1(a).
3. After the employee has taken the first three (3) days of Protected Sick Leave for purposes as defined in subsection C3 above on or after July 1 of each year, these provisions under AB1522, Healthy Workplace Healthy Family Act of 2014 will no longer be applicable.

4. Protected Sick Leave requests will be administered in accordance with existing FMC provisions, City administrative orders, policies, procedures, rules and regulations regarding approval of time off.

SECTION 21. CONVERSION OF LEAVES WHEN CHANGING BARGAINING UNITS

- A. Employees changing from a bargaining unit with leave banks that are the same as leave banks in the bargaining unit to which they are transferring, will maintain their existing leave balances, e.g. Vacation Leave to Vacation Leave, Sick Leave to Sick Leave, Supplemental Sick Leave to Supplemental Sick Leave, etc., subject to Section 21, Subsection (H) Leave Caps below.

Employees in a bargaining unit with Administrative Leave or Management Leave who move to a bargaining unit with Administrative or Management Leave will maintain their existing leave balances. Administrative Leave and Management Leave shall be the same leave type.

- B. Annual Leave/Vacation Leave - Employees with an Annual Leave balance moving to a position in a bargaining unit which is not covered by Annual Leave, may either cash out unused Annual Leave at the former class' base rate of pay, or convert the unused Annual Leave to a non-accruing Annual Leave bank.

The conversion is obtained by multiplying unused Annual Leave hours by the former class's base rate of pay (converted to an hourly figure), dividing the product by the new class's base rate of pay (converted to an hourly figure), and placing the resulting balance for leave usage as requested and designated by the employee, with appropriate approval.

Conversion example:

$$\frac{100 \text{ unused hrs} \times \$15.00 \text{ (Former base rate)}}{\$20.00 \text{ (New class base rate)}} = 75 \text{ hrs placed in non-accruing annual leave balance account}$$

Employees with Vacation Leave moving to a bargaining unit with Annual Leave will have all Vacation accruals transferred to Annual Leave.

- C. Sick Leave – Employees with Sick Leave who move to a bargaining unit with Annual Leave will have their unused Sick Leave balances frozen.
- D. Supplemental Sick Leave – Employees with Supplemental Sick Leave who move to a bargaining unit with no Supplemental Sick Leave may

either cash the leave out at the former class' base rate of pay or continue to maintain the Supplemental Sick Leave. If the employee elects to retain the Supplemental Sick Leave, it may be used pursuant to Section 12.

- E. Supplemental Management Leave (formerly "Supplemental Administrative Leave") – Employees with Supplemental Management Leave who move to a bargaining unit with no Supplemental Management Leave, will retain such leave for use during the fiscal year. Leave not used by the end of the fiscal year cannot be cashed out and is forfeited.
- F. Employee Incentive Time Off (EITO) – Employees with EITO who move to a bargaining unit with no EITO will have the EITO balance cashed out at the former class' rate of pay at the time of transfer.
- G. Compensatory Time Off (CTO) – Employees with CTO who move to a bargaining unit with no CTO, will have all time cashed out at the former class' rate of pay. Employees with CTO who move to a bargaining unit with CTO will be subject to all provisions regarding CTO in the new bargaining unit. If the employee's CTO balance is over the cap of the new bargaining unit, any CTO above the cap will be cashed out at the former class' rate of pay.
- H. Leave Caps - When employees change from one bargaining unit to a different bargaining unit that has a lower leave accrual cap for leave other than Sick Leave, all leave over the cap will be cashed out at the former class' base rate of pay upon the conclusion of the second pay period after the change in bargaining unit. The cash out is obtained by multiplying the amount of hours over the new cap by the former class' base rate of pay (converted to an hourly figure).

Employees with Sick Leave who move to a bargaining unit with Sick Leave whose balance is over the cap of the new bargaining unit will have any hours above the Sick Leave cap transferred to a Frozen Sick Leave bank.

Employees with Holiday Leave who move to a bargaining unit with a Holiday Leave whose balance is over the cap of the new bargaining unit will have any Holiday Leave above the cap transferred to a Special Holiday Leave bank.

Employees with Special Holiday Leave who move to a bargaining unit with no Holiday Leave cap will have all Special Holiday Leave transferred to Holiday Leave.

SECTION 22. SPECIAL PROVISIONS FOR EMPLOYEES ON LEAVE FOR MILITARY SERVICE

The City will extend salary and benefits to permanent City employees while they are serving in active military duty deployments of more than thirty-one (31) days as follows:

- A. Payment of the employee's salary differential benefit;
- B. Payment of the City's portion of the employees' Health and Welfare Contribution, if the employee is currently covered by the City of Fresno Health and Welfare Trust; and
- C. Continued accrual of Vacation, Sick Leave, Annual Leave and/or Management Leave balances to which they are otherwise entitled by unit designation and employee status during the period of deployment.

SECTION 23. BEREAVEMENT LEAVE

In accordance with FMC Sections 3-107 (d)(1) and (h), upon the death of a member of an employee's immediate family, the employee shall be allowed to use Sick Leave (or Annual Leave) for such Special Leave as is actually necessary to take care of funeral arrangements or attend the funeral, but not to exceed four working days; provided, however, that members of the fire fighting forces working a twenty-four hour shift shall be allowed such sick leave not to exceed two regular working shifts.

For the purpose of this provision, immediate family includes: the employee's child, parent, spouse, registered domestic partner, parent-in-law, grandparent, grandchildren, or sibling.

An employee may use Sick Leave to attend the funeral of a person other than a member of the immediate family if granted such Special Leave by their department head. The department head shall notify Personnel Services Director when any employee is granted such Special Leave.

SECTION 24. SALARIES FOR EMPLOYEES IN EXHIBIT 2, EXHIBIT 8, AND PERMANENT PART-TIME EMPLOYEES WHILE ABSENT DUE TO INJURY IN THE LINE OF DUTY

The percentage of wages or salary received for an employee who suffers an injury in the course and scope of City employment shall be the percentage established by the State of California Workers' Compensation laws.

SECTION 25. BENCHMARKING DELETED CLASSIFICATIONS

Consistent with FMC Section 3-205, the job classifications or pay step identified in Exhibit 16 have been deleted and a pay relationship to calculate retirement benefits for the respective job classifications or pay step has are hereby established as incorporated by this reference.

SECTION 26. UNUSUAL CIRCUMSTANCES

In any case where, by reason of unusual circumstances, rigid adherence to the foregoing rules would cause a manifest injustice, the City Manager, on recommendation of the appropriate appointing authority and the Director of Personnel Services, may make such order deviating therefrom, as is in the City Manager's judgment, proper to mitigate the injustice.

SECTION 27. CONFLICTING RESOLUTIONS

Resolution No. 2017-176, all amendments thereto, and all other resolutions or parts of resolutions in conflict with this resolution except as such resolutions or parts thereof approve a MOU or T & C, are hereby repealed.

SECTION 28. RESOLUTION EFFECTIVE DATE

Upon final legislative approval, this Resolution shall become effective July 1, 2018.
