ARTICLE I: PROPERTY, TERM, EARLY TERMINATION, RENT, AND OTHER CHARGES

Section 1.01 Premises or Leasehold.

The Premises consists of an approximately 1,556 square foot restaurant (Premises), consisting of a 1,396 square foot ground floor, which includes a dining room and kitchen, and a 160 square foot basement storage area. The Leasehold is located inside the existing Administration/Terminal Building at FCH, see **Exhibit A**, attached hereto and made a part hereof.

Section 1.02 Term and Early Termination.

The Term of this Lease shall initially be for three (3) years commencing June 1, 2025 (hereinafter referred to as, Commencement Date or Effective Date), and ending May 31, 2028 (Ending Date), unless terminated earlier in the manner and under the conditions herein provided. Either party may terminate this Lease at any time and without cause by serving written notice upon the other party no less than ninety (90) days before such Termination is to be effective. Lessor’s Director of Aviation (Director) or designee may terminate this Lease as provided herein.

Section 1.03 Holding Over.

- A. In the event Lessee remains in possession of the Premises or any part thereof beyond this Lease’s Ending Date as a holdover tenancy, such tenancy will only be permitted with the express written consent of Lessor. Hold over occupancy shall be a tenancy from month to month and terminable by either Party hereto upon service of a minimum of a 30-day advance written notice upon the other Party.
- B. Rental During Holding Over Period: During the holding over month-to-month tenancy period, Lessee shall pay to Lessor all rent required by this Lease at the rates in effect as of the date immediately preceding the date on which such month-to-month tenancy commences, including any monthly Percentage Rent Rate(s) and any Base Rent Adjustment(s).
- C. Applicability of Lease Provisions: Except as otherwise specifically set forth within this provision, such holding over shall be subject to all the terms, covenants, conditions, and provisions of this Lease applicable to a month-to-month tenancy.

Section 1.04 Rent.

Definition: Rent shall mean all monetary obligations of Lessee to Lessor under the terms of this Lease.

A. Net Agreement.

This is a Net Agreement with respect to monthly Base Rent, fees and charges paid to Lessor by Lessee. Lessee shall, at Lessee's cost and expense, in addition to the Rent, fees and charges set forth herein, pay all costs and expenses associated with Lessee's occupancy and use of the Premises and with the activities and operations conducted thereon/therefrom pursuant to this Agreement, including but not limited to those certain activities and operations described herein.

B. Base Rent.

Amount and Due Date: Commencing June 1, 2025, then continuing monthly thereafter during this Lease, Lessee shall pay to Lessor Rent in the amount of Seven Hundred Dollars and zero cents (\$700.00) per month. Such Rent will be due and payable on or before the 1st day of the month for which due without invoice. The Rent due hereunder for any period less than a full calendar month shall be prorated.

C. Percentage Rent.

At all times while Gross Receipts (which refers to the total amount of monies earned by Lessee, before deduction of any expenses, in its performance of the Restaurant Facility located on Premises) are being generated from the Premises, Lessee shall calculate Percentage Rent each month, which Percentage Rent shall be equal to the product of the applicable Percentage Rent Rate(s) times the amount of Lessee's Gross Receipts during such month. The Percentage Rent Rate will be implemented in Year 2 of this Lease with a rate of eight and one-half percent (8.5%) of its total monthly Gross Receipts. In Year 3 of this Lease, Lessee shall pay a ten percent (10%) fee for its total monthly Gross Receipts. Lessee shall pay Percentage Rent to Lessor monthly without prior notice or demand within fifteen (15) days after the expiration of each month. Each month, Lessee shall complete a Monthly Concession Report and provide the same to Lessor no later than the 10th day of each month. For a copy of the Monthly Concession Report, see **Exhibit B**. All Percentage Rent payments shall be computed based on all Gross Receipts made during the previous month as indicated on Lessee's Monthly Concession Report.

D. Base Rent Adjustment.

Annually, commencing June 1, 2026, which is the beginning of Year 2 of this Lease, and then on June 1 each year and annually for the duration of the Term, and if applicable, any holding over period, the Base Rent will **increase only** by the same percentage as the percentage change, with a maximum of 2.00%, in the U.S. Department of Labor, Bureau of Labor Statistics (USDLBLS) Consumer Price Index (CPI) for Urban Wage Earners and Clerical Workers (all items, U.S. city average) from January 1 to December 31 during the last full calendar year prior to the scheduled rent adjustment date. manner illustrated within **Exhibit C** "Illustration of Annual Rental Adjustment Computation," attached hereto and made a part hereof. At no time shall the Base Rent decrease below the initial rate listed in section 1.03(B) above. The base year for the first year adjustment (year two of the Lease) shall be the CPI calendar year 2024.

1. Throughout the Term of this Lease, and if applicable, any holding over period, the amount of the monthly Base Rent to be paid to Lessor by Lessee shall be subject to increase only.
2. Retroactive Rent Adjustment: In the event any annual Rent Adjustment computation shall, for any reason whatsoever, be delayed beyond the Scheduled Adjustment Date, Lessee shall continue paying the existing monthly Base Rent amount (i.e., the amount being paid immediately prior to the Scheduled Adjustment Date) when due until the new rental rate is finally determined by Lessor.
 - a. Any Rent Adjustment due as a result of any such late computation shall apply and be paid by Lessee retroactively as of the Scheduled Adjustment Date for which any such late computation shall be applicable.
 - b. When any such late computation results in an increase in the monthly rent, Lessee shall pay the difference between the new rate and the old rate, for each of the months commencing with the Scheduled Adjustment Date during which the new rent amount shall have been in effect, along with the next due monthly rent payment.

D. Off Set of Credits on Account.

If any credit on Lessee's account is 180 days or older, Lessor has the right to apply such credit to the outstanding balance without prior written consent from Lessee and which invoice to apply the credit to.

In the interest of ensuring the appropriate level of security to match evolving threats. Lessor reserves the right to enhance security requirements at its sole discretion. These enhanced requirements may consist of additional security technology, access restrictions, badging, and other measures. Lessee may be responsible for all costs associated with the badging process, if Director or designee decide to implement badges at FCH, for themselves and their: employees, sub-lessees, successors, or assigns.

C. Reimbursement for Insurance and other Lessor Expenses.

Lessee shall pay and nothing within this Lease shall be deemed to relieve Lessee, any employee of Lessee, or any one or more of Lessee's tenants, sub-Lessees, customers, invitees, successors, assigns, or any other person or entity whomsoever, from payment of such other fees and charges as may legitimately incurred by Lessor pursuant to Lessor's ownership of the Premises including but not limited to the pro-rata portion of the Fire and Extended Coverage insurance policy covering the subject Premises.

D. Effect of Failure to Pay Fees/Charges.

The minimum charge per month shall be one dollar (\$1.00).

B. Best Estimate of Damage.

Lessee and Lessor recognize that the damage which Lessor shall suffer as a result of Lessee's failure to pay rent and/or other sums when due is difficult to ascertain, and therefore agree the above said late charge is the best estimate of the damage which Lessor shall suffer in the event of Lessee's late payment.

C. Change to Late Payment Charge.

It is expressly stipulated that the amount of the Late Payment Charge (above) may, at any time and from time to time during the term of this Lease, and if applicable,

Such improvements shall be given over to Lessor free and clear of any and all encumbrances, liens, claims, or demands of any nature or description whatsoever, except for any then still outstanding loan obtained by Lessee and used to finance the cost of such improvements and secured by a recorded Deed of Trust where such loan shall have been obtained by Lessee and made by a Lender pursuant to and in full conformity with the provisions of this Lease applicable to such loans, in which event, the matter of such outstanding loan balance and the existence and disposition of such a Deed of Trust shall be governed by the provisions of this Lease.

3. If, for any reason whatsoever, Lessee shall fail to provide Lessor with any bill(s) of sale pursuant to the provisions of the immediately preceding paragraphs "i" and "ii", such failure shall not, in any way whatsoever, invalidate Lessor's claim of ownership of any such improvements or trade fixtures or delay Lessor's acquiring ownership thereof pursuant to the provisions of this Article and ownership of such shall vest in Lessor, as and when required by this Lease, to the same force and effect as would exist had Lessee provided Lessor with such bill(s) of sale; however, nothing within this paragraph "iii" contained shall relieve Lessee of its obligation to provide any such bill(s) of sale to Lessor, as and when required by any of the provisions of this Lease.

- I. Limitation on Industrial Improvements/Trade Fixtures/Office Improvements. As respectively defined within paragraphs "F", "G" and "H" of this Section 3.03 (collectively referred to as, ITO Improvements), above, shall not include: (1) any installations or improvements which by their removal shall materially damage or destroy any part of the Premises, or (2) any other installations or improvements which become part of the realty and the property of Lessor at the end of this Lease's Term, and if applicable, any holding over period, hereof pursuant to any of the provisions of this Lease.

- K. Transfer of Ownership of ITO Improvements to Lessor at the Expiration this Lease's Term, and if applicable, any holding over period. Upon any ITO Improvements becoming part of the realty and the property of Lessor pursuant to any of the provisions of this Article, above, transfer of ownership thereof to Lessor shall be effected pursuant to the provisions of this sub-section, below.
1. Within thirty (30) days following the date on which any such improvements or trade fixtures become part of the realty and the property of Lessor, Lessee shall execute and provide Lessor with a valid bill of sale, transferring all of Lessee's rights, title, and interests in and to such improvements or trade fixtures to Lessor, and neither Lessee nor any other party whomsoever shall be entitled to any remuneration or other consideration whatsoever from Lessor for the value, if any, thereof.
 2. Any and all such ITO Improvements shall be given over to Lessor by Lessee free and clear of any and all encumbrances, liens, claims, and/or demands of any nature or description whatsoever, except for any then still outstanding loan obtained by Lessee and used to finance the cost of any such improvements and secured by a recorded Deed of Trust where such loan shall have been obtained by Lessee and made by a Lender pursuant to and in full conformity with the provisions of this Lease, in which event, the matter of any such outstanding loan balance and the existence and disposition of any such a Deed of Trust shall be governed by the provisions of this Lease.
 3. If, for any reason whatsoever, Lessee shall fail to provide Lessor with any bill(s) of sale pursuant to the provisions of the immediately preceding paragraphs "A" and "B", such failure shall not, in any way whatsoever, invalidate Lessor's claim of ownership of any such improvements or trade fixtures or delay Lessor's acquiring ownership thereof pursuant to the provisions of this Article and ownership of such shall vest in Lessor, as and when required by this Lease, to the same force and effect as would exist

had Lessee provided Lessor with such bill(s) of sale; however, nothing within this paragraph "iii" contained shall relieve Lessee of its obligation to provide any such bill(s) of sale to Lessor, as and when required by any of the provisions of this Lease.

Lessor agrees to provide Lessee with a minimum of seventy-two (72) hours' notice in advance of any formal inspection of the Premises and prior to the making of any required repairs thereto, except in cases of emergency wherein no advance notice will be required.

C. Repairs by Lessor at Lessee's Expense.

In the event Lessor deems any repairs required to be made by Lessee necessary and serves Lessee with written notice thereof, if, for any reason whatsoever, Lessee fails to commence such repairs and complete same with reasonable dispatch, Lessor may then make such repairs or cause such repairs to be made and shall not be responsible

to Lessee for any loss or damage that may occur to Lessee's stock or business by reason thereof. If Lessor makes such repairs or causes such repairs to be made, Lessee agrees that the cost thereof shall be payable, as additional rent, along with the next monthly rental installment due hereunder after the completion of such repairs and the submission by Lessor to Lessee of a statement of such cost, or if no further rental installments are then payable, within thirty (30) days following submission by Lessor of any such statement.

1. During the Term, and if applicable, any holding over period, hereof, Lessee shall make its own arrangements for and pay all charges for gas, electricity, telephone, internet, trash collection and other utility service(s) (Utilities) supplied to and used on the Premises. All such charges shall be paid before delinquency, and Lessor and the Premises shall be protected and held harmless by Lessee therefrom. Should Lessee make arrangements for any Utilities through the City's Finance Department's Utilities Billing and Collection Section (e.g. solid waste [trash] disposal), Lessee agrees to pay to Lessor, monthly, upon receipt of the billing(s) therefor at the then current rates as established from time to time by ordinances of Lessor for such services, such sum(s) as shall be due for any and all such services provided to the Premises during the Term, and if applicable, any holding over period, hereof.

4. Lessor shall not be liable to Lessee for any interruption in or curtailment of any utility service, nor shall any such interruption or curtailment constitute a constructive eviction or grounds for rental abatement in whole or in part hereunder.

B. Disposable Waste:

1. Solid Waste: Lessee, at Lessee's own cost and expense, shall provide a complete and proper arrangement, in compliance with all ordinances of

Lessor, for the adequate, sightly, sanitary handling and disposal, away from FCH, of all solid waste caused as a result of any and all activities conducted on the Premises. Lessee shall provide and use suitable covered receptacles for discarded machinery or parts and any other solid commercial and/or industrial wastes and/or other refuse. C. Control of Hazards and Nuisances.

Lessee shall, at all times, keep the Premises and each and every part thereof in a neat, clean and orderly condition, and shall prevent the accumulation of, and shall maintain said Premises free from, any refuse or waste materials which might be or constitute a potential health, environmental, or fire hazard or public or private nuisance. Lessee shall neither conduct nor suffer or permit the conducting of any activity on the Premises which either directly or indirectly produces objectionable or unlawful amounts or levels of air pollution (gases, particulate matter, odors, fumes, smoke, dust, etc.); water pollution; light, glare, or heat; electronic and/or radio emissions interfering with any navigational or communications facilities/operations associated with the operation of the airport and/or its use by aircraft; trash or refuse accumulation; or any other activity/operation which is hazardous or dangerous by reason or risk of explosion, fire or harmful emission.

2. Restrictions: Lessee shall not cause or permit to occur:

Any violation of any federal, state, or local law, ordinance, or regulation now or hereafter enacted, related to environmental conditions in, on, under or about the Premises, or arising from Lessee's use(s) or occupancy(ies) thereof, including, but not limited to, soil and ground water conditions; or
- b. The use, generation, release, manufacture, refining, production, processing, storage, or disposal of any Hazardous Substance in, on, under or about the Premises, or the transportation to or from the Premises of any Hazardous Substance, except where Lessor's advance written consent to any such use, generation, release, manufacture, refining, production, processing, or storage shall have been requested in writing and received by Lessee. Any and all such consents of Lessor shall be deemed given subject to and conditioned upon Lessee's fully and faithfully complying with any and all federal, state, or local statutes, laws, ordinances, rules and/or regulations, now or hereafter enacted, applicable to the use, generation, manufacture, refining, production, processing, transport, transfer, storage, and/or sale of that/those Hazardous Substances to which any such consent of Lessor may, in any way whatsoever, be deemed to apply.
- c. Lessor's consent/approval shall not be required for the use, storage and disposal of materials/supplies containing hazardous substances where such materials/supplies shall be lawfully available to both the general public and Lessee through commercial retail outlets so long as:
 - i. Such materials/supplies are not for "resale", are obtained periodically but frequently enough to preclude the storage of unreasonable quantities of such on the Premises, and are for use by Lessee or Lessee's employees, agents, representatives, contractors, or sub-contractors in the performance of Lessee's normal day-to-day and/or periodic housekeeping and routine, recurring maintenance activities on the Premises (e.g., commercial cleaning products [soaps/detergents/solvents], furniture and floor waxes, weed/pest killers, products normally used in the Lessee's industry, etc.); and

- b. Lessee shall, at Lessee's cost and expense, make all submissions to, provide all information required by, and comply with any and all requirements of any and all governmental authorities (the Authorities) under the Laws.
- c. Should any Authority or any court of competent jurisdiction demand that a cleanup plan be prepared and that a cleanup be undertaken because of any deposit, spill, discharge, or other release of Hazardous Substances that occurs during this Lease's Term, and if applicable, any holding over period, at, on, or from the Premises, or which arises at any time as a result of Lessee's use(s) or occupancy(ies) of the Premises, then Lessee shall, at Lessee's cost and expense, prepare and submit the required plans and all related bonds and other financial assurances and carry out all such cleanup plans in a timely manner.
- d. Lessee shall promptly provide all information regarding the use, generation, storage, transportation, or disposal of Hazardous Substances that is requested by Lessor. If Lessee fails to fulfill any duty imposed under this Article within a reasonable period of time following service of proper notice, Lessor may do so; and, in such case, Lessee shall cooperate with Lessor in order to prepare any and all documents Lessor deems necessary or appropriate to determine the applicability of the Laws to the Premises and Lessee's occupancy(ies) and/or use(s) thereof, and for compliance therewith, and Lessee shall execute any and all such documents promptly upon Lessor's request. No such action by Lessor and no attempt made by Lessor to mitigate damages under any law shall constitute a waiver of any of Lessee's obligations under this Article.

4. Indemnification: Lessee shall indemnify, defend, and hold harmless Lessor, Lessor's officers, agents, employees and volunteers from all fines, suits, procedures, claims, and actions of every kind, and all costs associated therewith (including reasonable attorneys' and consultants' fees) arising out of or in any way connected with any deposit, spill, discharge, or other release of Hazardous Substances that occurs at any time during the Term of this Lease (and if applicable, any holding over period) as a result of any and all use(s) and/or occupancy(ies) of said Premises by Lessee or any employee, representative, agent, contractor, sub-contractor, supplier, customer, guest, invitee, tenant or sub-Lessee of Lessee, or as a result of

Lessee's failure to provide any or all information, make any or all submissions, and take any and all steps required by any or all Authorities under the Laws and any and all other environmental laws.

5. Lessee's Obligations/Liabilities Surviving Expiration of Lease: Lessee's obligations and liabilities under this Subsection D, shall survive the expiration of this Lease's Term, and if applicable, any holding over period.

Section 3.06 Observation of Governmental Regulations.

- A. **Airport Rules and Regulations.** Lessor reserves the right to adopt, amend and enforce reasonable rules and regulations governing the Premises and the public areas and facilities used by Lessee in connection therewith. Such rules and regulations shall be consistent with the safety, security and overall public utility of FCH and with the rules, regulations and orders of the Federal Aviation Administration (FAA) (or such successor agency[ies] as may, at any time and from time to time during the term hereof be designated by the Federal Government to perform either similar, new, additional, and/or supplemental functions, powers and/or duties with respect to air transportation, aircraft, Airports, etc.), and such rules and regulations shall not be inconsistent with the provisions of this Lease or the procedures prescribed and approved, from time to time, by the FAA with respect to the operation of aircraft at FCH.  1. Lessee shall be fully liable to Lessor for any and all claims, demands, damages, fines and/or penalties of any nature whatsoever which may be imposed upon Lessor by the United States Government as a result

of any unauthorized entry by Lessee, Lessee's employees, agents, representatives, servants, tenants, customers, patrons, guests, invitees, sub-Lessees, contractors, sub-contractors, or any vehicle operated thereby, into any area of FCH to which access by persons or vehicles is restricted/controlled pursuant to FAA and/or Airport Security Rules/Regulations/Plans, and Lessee shall be similarly liable to Lessor where any such claims, demands, damages, fines and/or penalties shall be the result of any violation by any person or entity whomsoever when such person or entity may reasonably be deemed to have gained access to any such area on airport from the Premises leased by Lessee under this Lease as a result of a failure on Lessee's part to control access to such areas pursuant to the provisions of this Section of this Article, below.

2. Lessee shall be solely responsible for controlling access to any such restricted/controlled areas from any and all parts of the Premises and shall, at all times during this Lease's Term, and if applicable, any holding over period, hereof, at Lessee's own cost and expense, provide and/or implement such approved airport security monitoring and control systems, equipment, and/or procedures as may be required to fully comply with any and all such rules/ regulations/plans as such rules/regulations/plans exist(ed) on the commencement date of the Term hereof or as such may exist, at any time and from time to time, during this Lease's Term, and if applicable, any holding over period, so as to preclude any unauthorized entry into any such area from the Premises by any person or persons whomsoever.

Lessee, by its signature(s) hereunto affixed, acknowledges that it has reviewed the aforesaid Exhibit, in its entirety, and fully understands the meaning, purpose, and intent thereof. Lessee expressly agrees that, throughout the Term, and if applicable, any holding over period, hereof, it shall fully and faithfully comply with, abide by and/or adhere to, as applicable and appropriate, each and every one of the numbered provisions contained within

ARTICLE IV - INDEMNIFICATION, EXEMPTION OF LESSOR, AND INSURANCE

Section 4.01 Indemnification and Release.

- A. liable for injury to the person of Lessee, Lessee's servants, agents, employees, contractors, sub-contractors, tenants, sub-lessees, customers, or invitees, whether or not said damage or injury is caused by or results from fire, steam, electricity, gas, water or rain, or from the leakage, breakage, obstruction or other defects of pipes, sprinklers, wires, appliances, plumbing, air conditioning or lighting fixtures, or from any other cause, whether or not the said damage or injury results from conditions arising in or on any part or all of the Premises or in or on any of the improvement(s) and facilities appurtenant thereto located therein or from other sources or places, and regardless of whether or not the cause of such damage or injury or the means of repairing the same is inaccessible to Lessee, except where such injury, damage, and/or loss shall have been caused solely by the gross negligence or willful misconduct of Lessor. Lessee also covenants and agrees that Lessor shall not be liable for any damages arising from any act or neglect on the part of any third parties.

Section 4.03 Insurance.

- A. (a) Throughout the life of this Agreement, LESSEE shall pay for and maintain in full force and effect all insurance as required herein with an insurance company(ies) either (i) admitted by the California Insurance Commissioner to do business in the State of California and rated no less than "A-VII" in the Best's Insurance Rating Guide, or (ii) as may be authorized in writing by CITY'S Risk Manager or his/her designee at any time and in his/her sole discretion. Any failure to maintain the required insurance shall be sufficient cause for CITY to terminate this Agreement. No action taken by CITY pursuant to this section shall in any way relieve LESSEE of its responsibilities under this Agreement. The phrase "fail to maintain any required insurance" shall include, without limitation, notification received by CITY that an insurer has commenced proceedings, or has had proceedings commenced against it, indicating that the insurer is insolvent.
- C. (c) The fact that insurance is obtained by LESSEE shall not be deemed to release or diminish the liability of LESSEE, including, without limitation, liability under the indemnity provisions of this Agreement. The duty to indemnify CITY shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by LESSEE. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of

LESSEE, vendors, suppliers, invitees, contractors, subcontractors, or anyone employed directly or indirectly by any of them.

D. Coverage shall be at least as broad as:

3. Workers' Compensation insurance as required by the State of California and Employer's Liability Insurance.

E. MINIMUM LIMITS OF INSURANCE

LESSEE, or any party the LESSEE subcontracts/contracts with, shall maintain limits of liability of not less than those set forth below. However, insurance limits available to CITY and each of their officers, officials, employees, agents and volunteers as additional insureds, shall be the greater of the minimum limits specified herein or the full limit of any insurance proceeds available to the named insured:

 - (iii) \$1,000,000 disease policy limit.
4. PROPERTY: Limits of insurance in an amount equal to the full (100%) replacement cost (without deduction for depreciation) of LESSEE'S business property.

F. UMBRELLA OR EXCESS INSURANCE

In the event LESSEE purchases an Umbrella or Excess insurance policy(ies) to meet the "Minimum Limits of Insurance," this insurance policy(ies) shall "follow form" and afford no less coverage than the primary insurance policy(ies). In addition, such Umbrella or Excess insurance policy(ies) shall also apply on a primary and non-contributory basis for the benefit of the CITY and each of their officers, officials, employees, agents and volunteers.

G. DEDUCTIBLES AND SELF-INSURED RETENTIONS

LESSEE shall be responsible for payment of any deductibles contained in any insurance policy(ies) required herein and LESSEE shall also be responsible for payment of any self-insured retentions.

H. OTHER INSURANCE PROVISIONS/ENDORSEMENTS

All policies of insurance required herein shall be endorsed to provide that the coverage shall not be cancelled, non-renewed, reduced in coverage or in limits except after thirty (30) calendar days written notice has been given to CITY, except ten (10) days for nonpayment of premium. LESSEE is also responsible for providing written notice to the CITY under the same terms and conditions. Upon issuance by the insurer, broker, or agent of a notice of cancellation, non-renewal, or reduction in coverage or in limits, LESSEE shall furnish CITY with a new certificate and applicable endorsements for such policy(ies). In the event any policy is due to expire during the work to be performed for CITY, LESSEE shall provide a new certificate, and applicable endorsements, evidencing renewal of such policy not less than fifteen (15) calendar days prior to the expiration date of the expiring policy.

LESSEE shall establish additional insured status for the City and for all ongoing and completed operations by use of ISO Form CG 20 10 11 85 or CG 20 26 04 13 or by an executed manuscript insurance company endorsement providing additional insured status as broad as that contained in ISO Form CG 20 10 11 85 or CG 20 26 04 13.

The Commercial General and Automobile Liability policies of insurance shall be endorsed so LESSEE's insurance shall be primary and no contribution shall be required of City. The coverage shall contain no special limitations on the scope of protection afforded to CITY, its officers, officials, employees, agents and volunteers. If LESSEE maintains higher limits of liability than the minimums shown above, City requires and shall be entitled to coverage for the higher limits of liability maintained by LESSEE.

Should any of the required policies provide that the defense costs are paid within the Limits of Liability, thereby reducing the available limits by any defense costs, then the requirement for the Limits of Liability of these policies will be twice the above stated limits.

All policies of insurance shall contain, or be endorsed to contain, a waiver of subrogation as to CITY, its officers, officials, employees, agents and volunteers. The property insurance policy is to contain, or be endorsed to contain, the following provisions:

1. Full replacement value of any permanent improvements on the Leased Premises, with the CITY named as a Loss Payee.
 2. The coverage shall contain:

Upon request of CITY, LESSEE shall immediately furnish CITY with a complete copy of any insurance policy required under this Agreement, including all endorsements, with said copy certified by the underwriter to be a true and correct copy of the original policy. This requirement shall survive expiration or termination of this Agreement. All subcontractors working under the direction of LESSEE shall also be required to provide all documents noted herein.
- J. SUBCONTRACTORS - If LESSEE subcontracts or contracts any or all of the services to be performed under this Agreement or any work on the premises, LESSEE shall be solely responsible for ensuring that its subcontractors maintain insurance coverage at levels no less than those required by applicable law and is customary in the relevant industry.

All certificates and applicable endorsements are to be received and approved by the City's Risk Manager or designee prior to Lessor's execution of the Lease. Such evidence of insurance shall be provided Lessor at the following address:

City of Fresno
Airports Department
4995 E. Clinton Way
Fresno, CA 93727

- K. Any failure to maintain the required insurance shall be sufficient cause for Lessor to terminate this Lease. No action taken by Lessor hereunder shall in any way relieve Lessee of its responsibilities under this Lease.
- L. The fact that insurance is obtained by Lessee shall not be deemed to release or diminish the liability of Lessee, including, without limitation, liability under the indemnity provisions of this Lease. The duty to indemnify Lessor and its officers, officials, employees, agents and volunteers shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by Lessee.

Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of Lessee.

- M. Lessee and its insurers hereby waive all rights of recovery against Lessor and its officers, officials, employees, agents and volunteers, on account of injury, loss by or damage to the Lessee or its officers, officials, employees, agents, volunteers, invitees, consultants, sub-consultants, contractors, and subcontractors, or its property or the property of others under its care, custody and control. Moreover, in using FCH or conducting any operations thereat or thereon, Lessee agrees to comply with all applicable rules and regulations then in effect. Continued failure to comply with any minimum standard, rule or regulation within a reasonable time after instruction by Lessor to do so will constitute a material breach of this Lease.

Section 5.01 Designation of Local Representative by Lessee.

Lessee shall at all times retain in the local area a qualified, competent and experienced representative to supervise its operations and authorized to represent and act for Lessee in matters pertaining to the day-to-day conduct of Lessee's business operations on the Premises. During any temporary periods of absence by said representative, an alternate representative of Lessee with like authorization must be present. Lessee shall at all times keep the Director or designee advised as to who Lessee's authorized representative is and how immediate communication can be established with that representative on a 24-hour basis in the event of an emergency.

Section 5.02 Quality of Service.

In entering into this Lease, Lessor has foremost in mind providing the aviation public with facilities and services of high quality, commensurate with the trade that is accustomed to using contemporary airport facilities, and Lessee (together with its sub-lessees, if any) agrees to conduct its/their business in a proper and first-class manner at all times. Lessee further agrees that any and all services provided by Lessee and/or by Lessee's sub-lessees, if any, at FCH shall at all times be rendered in a prompt, clean, courteous, efficient, safe, and professional manner and that any and all persons employed by Lessee, Lessee's sub-lessees, if any, for the purpose of providing any services shall at all times be professionally qualified and, as and when required, properly trained, certified and/or licensed to so perform, and that the number of such persons shall at all times be adequate to meet the demand for such services as shall be provided under authority hereof.

Unless otherwise specifically authorized, all exterior signs of the Premises shall conform in general appearance to the existing signs displayed at FCH.
- B. **Removal of Signs.** Upon the expiration or termination of this Lease, Lessee shall remove, obliterate or paint out, as required by the Director or designee, all signs and advertising on the Premises, if pertaining to Lessee. In this regard, Lessee shall restore the Premises to the same condition as prior to the placement thereon of any signs or advertising, ordinary wear and tear accepted. In the event, Lessee fails to remove, obliterate, or paint out each and every sign or advertisement of Lessee, the Director or designee may have the necessary work performed at the expense of Lessee, and the charge therefore shall be paid by Lessee to Lessor upon demand.

ARTICLE VI - ASSIGNMENT, HYPOTHECATION, TRANSFER, AND ASSIGNMENT BY DEED OF TRUST

Section 6.01 General.

Nothing within this Lease contained shall be deemed to allow Lessee or Lessee's successors or assigns, either voluntarily or by operation of law, to hypothecate, encumber, sell, assign, surrender, or otherwise transfer this Lease, in whole or in part; or to hypothecate, encumber, sell, assign, surrender, or otherwise transfer, in whole or in part, any of Lessee's rights, title and/or interests in or to any part or all of the Premises and/or in or to any part or all of the improvements and appurtenances which existed therein or thereon at the commencement of the Term hereof or which may, at any time and from time to time, be constructed/installed therein or thereon during this Lease's Term; or to rent or otherwise permit/allow/suffer occupancy and/or use of any part or all of the Premises by any person or entity, other than Lessee, except only with the Director's or designee's advance express written consent. However, under this Lease, Lessee is strictly prohibited to sub-let any portion of its interest in the Premises during this Lease's Term, including any holding over period.

Section 6.02 Assignment.

- A. **Assignment:** Lessee may not and shall not sell, transfer or make any assignment of this Lease to any other person(s) or entity(ies) whomsoever without first obtaining the prior express written consent of the Director or designee, and any purported/attempted sale, transfer and/or assignment of this Lease, following Lessee's fulfillment of such obligations, without first obtaining the Director's or designee's advance express written consent, shall be null and void and shall constitute a breach of this Lease. Any person or entity to whom this Lease is sold, transferred, or assigned shall be required to comply with and fulfill all terms and conditions of this Lease. Lessor reserves the right to require a new agreement with

the Assignee which may consist of new terms, rates, and conditions for the leasehold as a required condition of the assignment. Lessor has no obligation to approve any assignment.

1. Lessor shall not be obligated to consent to and shall not consent to any sale, transfer, and/or assignment of this Lease by Lessee to any other person or entity whomsoever where Lessee shall be in default of any of its obligations thereunder as of the date on which Lessor's consent to the sale, transfer and/or assignment would have otherwise been given.
- B. Lessor's consenting to any such actions shall not constitute a waiver of the conditions, limitations, and restrictions of this Article relative to further or other such actions, which conditions, limitations, and restrictions apply to each and every sale, transfer and/or assignment hereof and shall be binding upon each and every transferee, assignee, and/or other successor in interest of Lessee.

- B. Lessor's Consent. Neither Lessee nor any buyer or purchaser may hypothecate, transfer, encumber and/or assign this Lease and leasehold estate, in whole or in part, by any deed of trust without first obtaining the written consent of Lessor in advance, and any attempted or purported hypothecation, transfer, encumbrance, and/or assignment of this Lease by deed of trust (or otherwise) without such written consent shall be null and void and shall constitute a breach of this Lease.
- C. Lessor's Consent Given/Accepted Subject to Terms, Covenants, Conditions, Agreements and Provisions of Lease. In the event, Lessor shall give its consent in writing to any hypothecation, transfer, encumbrance and/or assignment of this Lease and the Leasehold estate by any deed of trust to any reputable lender as security for repayment of a loan made pursuant to the provisions of this Article, such consent shall be deemed to be given by Lessor (and accepted by the particular lender/beneficiary concerned) subject to and/or conditioned upon all of the covenants, conditions, warranties, terms, agreements and provisions of this Lease applicable thereto.
- D. Lessor's Consent Not a Waiver of Any of Lessor's Rights and Interests.
 1. Except as may otherwise be expressly set forth within Lessor's written consent thereto, any and all such trust deeds and any and all of the rights acquired by any and all persons or entities thereunder shall be subject to all of the terms, covenants, conditions, reservations, restrictions, prohibitions, limitations, warranties, agreements, and provisions of this Lease, and to any

and all of the rights and interests of Lessor therein and thereto, none of which shall be waived by any such consent.

2. Lessor's consenting to any such action shall not constitute a waiver of the conditions, limitations, and restrictions set forth within this Lease relative to further or other such actions, which conditions, limitations, and/or restrictions shall be binding upon each and every assignee, transferee or other successor in interest of Lessee.
- E. Request for Lessor's Consent during a Period When Lessee is in Default. Lessor shall have the right to withhold its consent to any deed of trust where Lessee shall be in Default of any of its obligations under this Lease as of the date on which Lessor's consent to assignment by the deed of trust would have otherwise been given, provided that Lessee was notified of Default, and failed to cure within the time required.

ARTICLE VII - DEFAULT

Section 7.01 Default by Lessor.

Lessor shall work to fulfill obligations required of Lessor under the Lease within a reasonable timeframe.

Section 7.02 Default by Lessee.

- A. Default. The occurrence of any of the following events shall constitute a material Default and breach of this Lease by Lessee:
1. The vacating or abandonment of the Premises by Lessee.
 2. The failure by Lessee to use the Premises for lawful purposes only and/or failure by Lessee to comply with or observe any statute, law, ordinance, rule, regulation, standard or requirement of any federal, state, or local government entity with respect to Lessee's occupancy(ies) and/or use(s) of any part or all of the Premises, as such statutes, laws, ordinances, rules, regulations, standards or requirements exist(ed) on the Commencement Date of the Term of this Lease or as such may exist at any time and from time to time during this Lease's Term, and if applicable, any holding over period, thereof, where any such failure shall be evidenced by either a finding or judgment of any court of competent jurisdiction or where any such shall be admitted by Lessee in any proceeding brought against Lessee by any government entity.

5. The discovery by Lessor that any financial statement provided Lessor by Lessee, any assignee of Lessee, any successor in interest of Lessee, or any guarantor of Lessee's obligations under this Lease, and/or any one or more of such persons or entities, was materially false.
6. Any hypothecation, encumbrance, sale, assignment, or transfer of either this Lease, in whole or in part; or of any of Lessee's rights, title, and interests in or to any part or all of the Premises and/or in or to any part or all of the improvements and appurtenances thereto which exist(ed) therein or thereon at the commencement of the Term of this Lease or which may at any time and from time to time be constructed/ installed therein or thereon during the thereof where such action(s) shall not be in full conformity with any and all of the provisions of this Lease applicable thereto; or any attempted/purported renting or permitting occupancy of any part or all of the Premises by any person or entity other than Lessee.

written notice thereof upon Lessee by Lessor, pursuant to this Lease; provided, however, that if the nature of Lessee's default is such that more than thirty (30) days are reasonably required for its cure, then Lessee shall not be deemed to be in default and breach of this Lease if Lessee commences such cure within said thirty (30) day period and thereafter diligently prosecutes such cure to completion as soon as reasonably possible.

B. Lessor's Remedies.

1. Abandonment: If Lessee abandons the Premises, this Lease shall continue in effect. Lessor shall not be deemed to terminate this Lease as a result of such material default and breach other than by written notice of termination served upon Lessee by Lessor, and Lessor shall have all of the remedies available to Lessor under Section 1951.4 of the Civil Code of the State of California so long as Lessor does not terminate Lessee's right to possession of the Premises, and Lessor may enforce all of Lessor's rights and remedies under this Lease, including the right to recover the rent as it becomes due under this Lease. After abandonment of the Premises by Lessee, Lessor may, at any time thereafter, give notice of termination.
2. Termination: Following the occurrence of any material Default and breach of this Lease by Lessee as set forth within this Section, above, Lessor may then immediately, or at any time thereafter, terminate this Lease by service of a minimum of ten (10) days advance written notice to such effect upon Lessee and this Lease shall terminate at 11:59:59 p.m., on the Termination date specified within such notice.

a. Such notice shall set forth the following:

The Default and breach which resulted in such Termination by Lessor;
and

- i. A Demand for Possession, which, in the event only ten (10) days advance notice shall be given by Lessor, shall be effective at 12:00:01 A.M., on the eleventh (11th) calendar day following the date on which the notice in which such demand is contained shall be sufficiently served upon Lessee by Lessor in conformity with the "Notice" provisions of this Lease; or, if more than the minimum number of days advance notice shall be given, at 12:00:01 a.m., on the next day following the date specified within such notice as being the date of Termination hereof.
- b. Such notice may contain any other notice which Lessor shall be required or desire to give under this Lease.

3. Possession: Following Termination of this Lease by Lessor, pursuant to the provisions set forth in this Section, without prejudice regarding other remedies Lessor may have (due to Lessee's Default and breach) and/or due to such termination, Lessor may:
 - a. Peaceably re-enter the Premises upon voluntary surrender thereof by Lessee or remove Lessee and/or any other persons and/or entities occupying the Premises therefrom, using such legal proceedings as may be available to Lessor under the laws or judicial decisions of the State of California;
 - b. Repossess the Premises or re-let the Premises or any part thereof for such term (which may be for a term extending beyond the Term of this Lease) at such rental and upon such other terms and conditions as Lessor in Lessor's sole discretion shall determine, with the right to make reasonable alterations and repairs to the Premises; and
 - c. Remove all personal property therefrom and store all personal property not belonging to Lessor in a public warehouse or elsewhere at the cost of and for the account of Lessee.

 - c. The worth at the time of award of the amount by which the unpaid rent for the balance of the Term after the time of award exceeds the amount of such rental loss for the same period Lessee proves could be reasonably avoided; and
 - d. Any other amount necessary to compensate Lessor for all the detriment proximately caused by Lessee's failure to perform Lessee's obligations under this Lease or which in the ordinary course of things would be likely to result therefrom.
5. Liquidated Damages: If this Lease is terminated early by Lessor (pursuant to the Default provisions hereof), due to Lessee's failure to keep, observe,

or perform any of the terms, covenants, conditions, warranties, agreements, or provisions hereof to be kept, observed, or performed by Lessee, the entire amount of such Surety instrument may be claimed, retained, and used by Lessor as Liquidated Damages.

6. Additional Remedies: Following the occurrence of any material Default and breach of this Lease by Lessee, as set forth within this Article, in addition to the foregoing remedies, Lessor may maintain Lessee's right to possession, in which case this Lease shall continue in effect whether or not Lessee shall have abandoned the Premises and, so long as, this Lease is not terminated by Lessor or by a decree of a court of competent jurisdiction. Lessor shall be entitled to enforce all of Lessor's rights and remedies under this Lease, including the right to recover the Rent as it becomes due thereunder and, during any such period. Lessor shall have the right:
 - a. To remedy any Default of Lessee;
 - b. To maintain or improve the Premises without terminating this Lease;
 - c. To incur expenses on behalf of Lessee in seeking a new Lessee;
 - d. To cause a receiver to be appointed to administer the Premises; and
 - e. To add to the rent payable hereunder all of Lessor's reasonable costs in so doing, with interest at the maximum reasonable rate then permitted by law from the date of such expenditure until the same is repaid.
7. Other: In the event, Lessee causes or threatens to cause a breach of any of the covenants, terms or conditions contained in this Lease, Lessor shall be entitled to obtain all sums held by Lessee, by any trustee, or in any account provided for herein, to enjoin such breach or threatened breach and to invoke any remedy allowed at law, in equity, by statute or otherwise as though re-entry, summary proceedings and other Remedies were not provided for in this Lease.
8. Cumulative Remedies: Each right and remedy of Lessor, provided for in this Article or now or hereafter existing at law, in equity, by statute or otherwise shall be cumulative and shall not preclude Lessor from exercising any other rights or from pursuing any other Remedies provided for in this Lease or now or hereafter available to Lessor under the laws or judicial decisions of the State of California.
9. Indemnification: Nothing contained within this Article affects the right of Lessor to Indemnification by Lessee, as elsewhere within this Lease provided, for liability arising from personal injuries or property damage prior to the Termination of this Lease.

Section 7.03 Force Majeure.

Neither Lessor nor Lessee shall be deemed in violation of this Lease if it is prevented from performing any of its obligations hereunder by reasons of Force Majeure. For purposes of this Lease, "Force Majeure" means contingencies, causes or events beyond the reasonable control of Lessor or Lessee, including acts of nature or a public enemy war, riot, civil commotion, insurrection, state, federal, or municipal government or de facto government action (unless caused by acts or omissions of Lessee), fires, explosions, floods, strikes, boycotts, embargoes, or shortages of materials, acts of terrorism, acts of God, casualty losses, unavoidable accidents, floods, fire, explosion, inclement weather, impossibility of performance, any event or action that is legally recognized as a defense to a contract action in the State of California, or other circumstances that are beyond the reasonable control of Lessor or Lessee; provided, however, that this Section 7.03 shall not apply to failure of Lessee to pay rentals, fees, and charges specified under this Lease. In the event of Force Majeure, where Lessee is prevented from performing any of its obligations due to the above stated circumstances, Lessee shall notify Lessor in writing within ten (10) days following such circumstances. Lessor, through its Director or designee, shall notify Lessee within twenty (20) days whether Lessor, in its sole discretion, concurs with the reasons of Lessee's delays.

ARTICLE IX - GENERAL PROVISIONS

Section 9.01 Executor's Authority.

Each individual executing this Lease on behalf of Flight Line Café, LLC., a California Limited Liability Company, represents and warrants that he/she is duly authorized to execute and deliver this Lease on behalf of said business in accordance with its governing documents including articles of incorporation and bylaws, and that this Lease is binding upon said business in accordance with its terms.

Section 9.02 Interpretation of Agreement.

Nothing contained within this Lease shall be construed or interpreted, in any manner whatsoever, as limiting, relinquishing or waiving any of the rights of ownership enjoyed by Lessor in and to FCH property, or in any manner waiving or limiting Lessor's control over the operation, maintenance, etc., of FCH property or in derogation of such governmental rights as Lessor possesses, except as is specifically provided for within this Lease.

Section 9.03 Waiver of Breach of Covenants.

No waiver of any Default or breach of any covenant by either party to this Lease shall be implied from any omission by either party to take action on account of such Default if such Default persists or is repeated, and no express waiver shall affect any Default other than the Default specified in the waiver, and then said waiver shall be operative only for the time and to the extent therein stated. The waiver by either party hereto of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of any subsequent breach of the same covenant, term or condition or of any other term, covenant or condition contained within this Lease. The subsequent acceptance of Rent, fees and/or other charges hereunder by Lessor shall not be deemed to be a waiver of any preceding breach by Lessee of any term, covenant or condition of this Lease, other than the failure of Lessee to pay the particular Rent, fees and/or other charges so accepted, regardless of Lessor's knowledge of such preceding breach at the time of acceptance of such rent, fees or other charges. The exercise of any right or option or privilege under this Lease by Lessor shall not prevent Lessor from exercising any and all other rights,

privileges and options hereunder, and Lessor's failure to exercise any right, option or privilege under this Lease shall not be deemed a waiver of said right, option or privilege, nor shall it relieve Lessee from Lessee's obligation to perform each and every covenant and condition on Lessee's part to be performed hereunder, nor from damages or other remedy for failure to perform or meet the obligations of this Lease. The consent or approval by either party to or of any act by either party requiring further consent or approval shall not be deemed to waive or render unnecessary their consent or approval to or of any subsequent similar acts.

Section 9.04 Venue and Litigation.

- a. This Lease, and the rights and obligations of the parties thereto, shall be construed, interpreted, and enforced pursuant to the laws of the State of California and exclusive venue in any and all actions arising under this Lease shall be laid in the Judicial District of Fresno County, California.
- b. In any action or proceeding which Lessor or Lessee may be required to prosecute to enforce its respective rights under this Lease, the unsuccessful party therein agrees to pay all costs incurred by the prevailing party therein, including reasonable interest and attorneys' fees, to be fixed by the court, and said costs, interest, and attorneys' fees shall be made a part of the judgment in said action.

Section 9.05 Liens and Claims.

Lessee shall not suffer or permit to be enforced against Lessor's title to the Premises, or any part thereof, any lien, claim or demand arising from any work of construction, repair, restoration, maintenance or removal as herein provided, or otherwise arising (except liens, claims or demands suffered by or arising from the actions of Lessor), and Lessee shall pay all such liens, claims and demands before any action is brought to enforce same against said Premises; and Lessee agrees to hold Lessor and said Premises free and harmless from all liability for any and all such liens, claims or demands, together with all costs and expenses in connection therewith. Lessor shall have the right at any time to post and maintain on said Premises such notices as may be necessary to protect Lessor against liability for all such liens, claims and demands.

Section 9.06 Successors and Assigns.

Subject to such limitations and/or requirements as may elsewhere within this Lease be set forth with regard to Lessee's sub-leasing the Premises (or any part thereof) or with regard to either Lessee's assigning this Lease or Lessee's pledging, mortgaging, hypothecating, or otherwise encumbering this Lease or any of Lessee's rights, title and/or interests thereunder, this Lease and all of the terms, covenants, conditions, stipulations, warranties, prohibitions, limitations, reservations, restrictions, agreements, and provisions therein contained shall extend to and bind the legal representatives, successors and assigns of the respective parties hereto.

Section 9.07 Invalid Provisions.

In the event any covenant, condition or provision of this Lease, or the application thereof to any person, entity, or circumstance, shall to any extent be held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, covenants, conditions or provisions of this Lease, or the application thereof to any person, entity, or circumstance, shall remain in full force and effect and shall in no way be affected, impaired or invalidated, provided that such invalidity, voiding or non-enforceability of such covenant, condition or provision does not materially prejudice either party in its respective rights and obligations contained in the then remaining valid covenants, conditions or provisions of this Lease.

Section 9.08 Captions and Article/Section/Paragraph Numbers.

The captions, article numbers, section and sub-section numbers, paragraph and sub-paragraph numbers and/or alphabetical identifiers and index appearing in this Lease are inserted solely for the purpose of convenience in reference and in no way define, limit, construe, or describe the scope or intent of such articles, sections, sub-sections, paragraphs or sub-paragraphs of this Lease nor in any way whatsoever affect this Lease.

Section 9.09 Covenants and Conditions.

Each provision of this Lease performable by Lessee shall be deemed both a covenant and a condition.

Section 9.10 Consents/Approvals.

Wherever in this Lease the consent/approval of one party is required to an act of the other party, such consent/approval shall not be unreasonably withheld or delayed.

Section 9.11 Cumulative Remedies.

No remedy or election under this Lease shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

Section 9.12 Prior Agreements.

Amendments: This Lease and those certain Exhibits attached hereto and made a part hereof by reference herein contain all agreements of the parties with respect to any matter mentioned herein. No prior agreement or understanding pertaining to any such matter shall be effective. This Lease may not be amended or otherwise modified in any way whatsoever, except in writing signed by the Parties. Except as otherwise stated in this Lease, Lessee acknowledges that neither Lessor nor Lessor's officers, employees or agents has made any oral or written warranties or representations to Lessee relative to the condition or use by Lessee of the Premises and Lessee acknowledges that Lessee assumes all responsibility regarding the Occupational Safety Health Act, the legal use and adaptability of the Premises, and the compliance thereof with all applicable laws and regulations in effect during the Term of this Lease except as otherwise specifically stated in this Lease.

Section 9.13 Quiet Possession.

Upon Lessee paying the rental, fees, and/or other charges reserved under this Lease and keeping, observing and/or performing all of the covenants, conditions, warranties, promises, agreements, and/or provisions on Lessee's part to be kept, observed and/or performed thereunder, Lessee shall have quiet possession of the Premises during the full Term of this Lease, and any extensions thereto, subject to all of the provisions of this Lease.

Section 9.14 Time of Essence.

Time is of the essence with respect to this Lease and matters therein contained.

Section 9.15 Review/Examination of Lease.

Submission of the instrument by Lessor for review/examination or signature by Lessee does not constitute a reservation of or option to lease, and the instrument is not effective as a lease or otherwise, unless and until execution and delivery by both Lessor and Lessee.

Section 9.16 Accord and Satisfaction.

No payment by Lessee or receipt by Lessor of a lesser amount than the rent, fees and/or charges payment(s) due to be made by Lessee under this Lease shall be deemed to be other than on account of the rent, fees and/or charges due, and no endorsement or statement on any check or in any letter accompanying any check or payment as rent, fees and/or charges shall be deemed an accord and satisfaction, and Lessor may accept such check or payment without prejudice to Lessor's right to recover the balance of such rent, fees and/or charges or to pursue any other remedy provided in this Lease.

Section 9.17 National Emergency and Condemnation/Eminent Domain.

- A. Total Taking/Condemnation of Leased Premises: In the event that the Government of the United States takes over the operation of the Airport, or any part thereof which shall include all of the Premises, by requisition or other unilateral action as the result of a national emergency or otherwise, the Lease shall terminate as of the effective date of any such taking; or, if all of the Premises shall be taken by public authority pursuant to condemnation actions(s) under the laws of eminent domain, the Lease shall terminate as of the date of title vesting in such proceeding.
 1. Upon termination of this Lease, as a result, of either of the events hereinabove described within this Section, the Parties hereto shall be relieved of any and all obligations, one to the other, hereunder, not accrued to the date of such termination and Lessor shall promptly return, on a prorated basis, any then unearned rent theretofore paid by Lessee under this Lease.

2. Lessor shall not be liable to Lessee for any injury to Lessee's business or loss of income or any other injury or loss suffered by Lessee, as a result, of any such taking and/or termination.
- B. Partial Taking/Condemnation of Premises: In the event, that only a part of the Premises shall be taken as a result of any of those actions described in this Section, and if such taking and the reasons therefore shall not constitute a bar to Lessee's continued beneficial occupancy and use of that/those portion(s) of the Premises not so taken, where such taking may reasonably be deemed to not adversely affect Lessee's commercial business operations therein and thereon to a significant extent/degree, this Lease shall continue in full force and effect and that/those certain parcel(s) of land so taken shall be automatically deleted from the Premises leased by Lessor to Lessee thereunder, as of the date of such taking and/or title vesting.
- C. Awards: In the event, that all or part of the Premises shall be taken, as a result, of any of those actions described in this Section, above, the rights of the parties hereto with respect to such award(s) as shall be paid for such taking shall be as follows:
1. Lessor shall be entitled to the entire amount of any and all compensation awarded by reason of the taking of the Premises and any and all Lessor-owned improvements then located therein or thereon and Lessee waives any right or claim to any part thereof from Lessor or the condemning authority.
 2. Subject to the provisions of this Section, below, Lessee shall have the right to claim and recover from the condemning authority such compensation as may be separately awarded or recoverable by Lessee in Lessee's own right on account of:
 - a. The taking of or injury to any Lessee-owned improvements then located on the Premises, including the value of the then existing leasehold interest therein and thereto, to the extent of Lessee's interest therein, based on the value of the then remaining unexpired portion of the Term of this Lease, as said value shall be determined in the proceedings for the taking of such operations and awarding such compensation; and
 - b. Any and all cost or loss (including loss of business) which may be incurred by Lessee as a result of Lessee's having to remove Lessee's personal property (including merchandise, furniture, trade fixtures and equipment) to a new location.
- D. Payments to Encumbrancers: Any compensation which would otherwise be payable to Lessee under this Section, above, shall be paid directly to any known lawful encumbrancer of the Leasehold interest, to the extent of such encumbrance.

- E. Notice and Execution: Upon service of process upon Lessor in connection with either any taking over of Airport by the United States Government or any condemnation or potential condemnation, Lessor shall immediately give Lessee notice thereof in writing. Lessee shall immediately execute and deliver to Lessor any and all instruments which may be required to fully effectuate any and all of the provisions of this Article if, as and when any such instruments shall be required of Lessee.

Section 9.18 Relationship of Parties.

Nothing contained in this Lease shall be deemed or construed by the parties or by any third persons to create the relationship of principal and agent or of partnership or joint venture between Lessor and Lessee. Except the extent expressly provided for in this Lease: (i) Lessor does not grant, convey, or delegate to Lessee any tangible or intangible property interest or express or implied agency, license, right, or authority; (ii) Lessee shall have no authority to bind the Lessor absent its express written consent; (iii) either Party shall be free from obligations or liabilities under contracts entered by the other; and (iv) each Party shall bear its own costs/expenses in pursuit hereof.

Section 9.19 Conflict of Interest.

No officer or employee shall have any financial interest, direct or indirect, in any contract with the Lessor or be financially interested, directly or indirectly, in the sale to Lessor of any land, materials, supplies or services, except on behalf of Lessor as an officer or employee. No officer or employee shall be in litigation with Lessor or any of its agents at the time this Lease is executed. Lessee shall complete **Exhibit G**, "Disclosure of Conflict of Interest," and update same if/when any responses there to change, so that Lessor may determine whether a conflict exists. Any violation of this Section, with knowledge, express or implied, of the person or corporation contracting with Lessor shall render the contract involved voidable by the City Manager or the City Council.

Section 9.20 Non-Discrimination.

- A. Lessee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that in the event facilities are constructed, maintained, or otherwise operated on the said property describer in this Lease for a purpose for which a Department of Transportation (DOT) provisions of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements pursuant to 49 CFR Part 21. Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulations may be amended.
- B. Lessee, for itself, its successors in interest, and assignees, as a part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land that: (i) no person on the grounds of race, color, national origin, or disability shall be excluded from participation in, denied the benefits of or be otherwise

subjected to discrimination in the use of said facilities; (ii) in the construction of any improvements on, over, or under such land and the furnishing of services thereon, no person on the grounds of race, color, national origin or disability shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination; and (iii) Lessee shall use the premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulations may be amended.

- C. Lessee ensures that it will comply with pertinent statutes, executive orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from federal assistance. This Provision obligates Lessee or its transferee for the period during which federal assistance is extended to the airport program, except where federal assistance is to provide, or is in the form of personal property or real property or interest therein or structures of improvements thereon. In these cases, the Provision obligates Lessee or any transferee for the longer of the following periods: (i) the period during which the property is used by the sponsor or any transferee for a purpose for which federal assistance is extended, or for another purpose involving the provision of similar services or benefits or (ii) the period during which the airport sponsor or any transferee retains ownership or possession of the property.
- D. Lessee agrees to ensure that disadvantaged business enterprises as defined in 49 CFR Parts 23 and 26 have the maximum opportunity to participate in the performance of contracts financed in whole or in part with federal funds provided under this Lease. In this regard, Lessee shall take all necessary and reasonable steps in accordance with 49 CFR Parts 23 and 26 to ensure that disadvantaged business enterprises have the maximum opportunity to compete for and perform such contracts. Lessee shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of DOT-assisted contracts.
- E. As a condition of this Lease, Lessee covenants that it will take all necessary actions to insure that, in connection with any work under this Lease, Lessee, its associates and subcontractors, will not discriminate the treatment or employment of any individual or groups of individuals on the grounds of race, color, religion, national origin, sex or disability unrelated to job performance, either directly, indirectly or through contractual or other arrangements. Lessee shall also comply with all applicable requirements of the Americans with Disabilities Act, 42 U.S.C.A. §12101-12213, as amended. In this regard, Lessee shall keep, retain and safeguard all records relating to this Lease or work performed hereunder for a minimum period of three (3) years from final lease completion, with full access allowed to representatives of Lessor, upon request, for purposes of evaluating compliance with this and other provisions of this Lease.
- F. In the event of Lessee's breach of any of the above nondiscrimination covenants, Lessor according to the provisions of this Lease shall have the right to terminate

this Lease and to re-enter and repossess the leased Premises and the facilities thereon, and hold the same as if the Lease had never been made or issued.

Section 9.21 Required Accessibility Disclosure.

A Certified Access Specialist (CASP) can inspect the Premises and determine whether the Premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the Premises, the commercial property owner or Lessor may not prohibit Lessee from obtaining a CASp inspection of the Premises for the occupancy or potential occupancy of Lessee, if requested by Lessee. The Parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the Premises.

² These laws do not apply to private sponsors.

³ 2 CFR Part 200 contains requirements for State and Local Governments receiving Federal assistance. Any requirement levied upon State and Local Governments by this regulation shall

apply where applicable to private sponsors receiving Federal assistance under Title 49, United States Code.

- ⁴ Cost principles established in 2 CFR part 200 subpart E must be used as guidelines for determining the eligibility of specific types of expenses.
- ⁵ Audit requirements established in 2 CFR part 200 subpart F are the guidelines for audits.

SPECIFIC ASSURANCES

Specific assurances required to be included in grant agreements by any of the above laws, regulations or circulars are incorporated by reference in this Grant Agreement.

2. Responsibility and Authority of the Sponsor.

a. Public Agency Sponsor:

It has legal authority to apply for this Grant, and to finance and carry out the proposed project; that a resolution, motion or similar action has been duly adopted or passed as an official act of the applicant's governing body authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.

b. Private Sponsor:

It has legal authority to apply for this Grant and to finance and carry out the proposed project and comply with all terms, conditions, and assurances of this Grant Agreement. It shall designate an official representative and shall in writing direct and authorize that person to file this application, including all understandings and assurances contained therein; to act in connection with this application; and to provide such additional information as may be required.

3. Sponsor Fund Availability.

It has sufficient funds available for that portion of the project costs which are not to be paid by the United States. It has sufficient funds available to assure operation and maintenance of items funded under this Grant Agreement which it will own or control.

4. Good Title.

- a. It, a public agency or the Federal government, holds good title, satisfactory to the Secretary, to the landing area of the airport or site thereof, or will give assurance satisfactory to the Secretary that good title will be acquired.
- b. For noise compatibility program projects to be carried out on the property of the sponsor, it holds good title satisfactory to the Secretary to that portion of the property upon which Federal funds will be expended or will give assurance to the Secretary that good title will be obtained.

5. Preserving Rights and Powers.

- a. It will not take or permit any action which would operate to deprive it of any of the rights and powers necessary to perform any or all of the terms, conditions, and assurances in this Grant Agreement without the written approval of the Secretary, and will act promptly to acquire, extinguish or modify any outstanding rights or claims of right of others which would interfere

with such performance by the sponsor. This shall be done in a manner acceptable to the Secretary.

- b. Subject to the FAA Act of 2018, Public Law 115-254, Section 163, it will not sell, lease, encumber, or otherwise transfer or dispose of any part of its title or other interests in the property shown on Exhibit A to this application or, for a noise compatibility program project, that portion of the property upon which Federal funds have been expended, for the duration of the terms, conditions, and assurances in this Grant Agreement without approval by the Secretary. If the transferee is found by the Secretary to be eligible under Title 49, United States Code, to assume the obligations of this Grant Agreement and to have the power, authority, and financial resources to carry out all such obligations, the sponsor shall insert in the contract or document transferring or disposing of the sponsor's interest, and make binding upon the transferee all of the terms, conditions, and assurances contained in this Grant Agreement.
- c. For all noise compatibility program projects which are to be carried out by another unit of local government or are on property owned by a unit of local government other than the sponsor, it will enter into an agreement with that government. Except as otherwise specified by the Secretary, that agreement shall obligate that government to the same terms, conditions, and assurances that would be applicable to it if it applied directly to the FAA for a grant to undertake the noise compatibility program project. That agreement and changes thereto must be satisfactory to the Secretary. It will take steps to enforce this agreement against the local government if there is substantial non-compliance with the terms of the agreement.
- d. For noise compatibility program projects to be carried out on privately owned property, it will enter into an agreement with the owner of that property which includes provisions specified by the Secretary. It will take steps to enforce this agreement against the property owner whenever there is substantial non-compliance with the terms of the agreement.
- e. If the sponsor is a private sponsor, it will take steps satisfactory to the Secretary to ensure that the airport will continue to function as a public-use airport in accordance with these assurances for the duration of these assurances.
- f. If an arrangement is made for management and operation of the airport by any agency or person other than the sponsor or an employee of the sponsor, the sponsor will reserve sufficient rights and authority to ensure that the airport will be operated and maintained in accordance with Title 49, United States Code, the regulations and the terms, conditions and assurances in this Grant Agreement and shall ensure that such arrangement also requires compliance therewith.
- g. Sponsors of commercial service airports will not permit or enter into any arrangement that results in permission for the owner or tenant of a property used as a residence, or zoned for residential use, to taxi an aircraft between that property and any location on airport. Sponsors of general aviation airports entering into any arrangement that results in permission for the owner of residential real property adjacent to or near the airport must comply with the requirements of Sec. 136 of Public Law 112-95 and the sponsor assurances.

6. Consistency with Local Plans.

The project is reasonably consistent with plans (existing at the time of submission of this application) of public agencies that are authorized by the State in which the project is located to plan for the development of the area surrounding the airport.

7. Consideration of Local Interest.

It has given fair consideration to the interest of communities in or near where the project may be located.

8. Consultation with Users.

In making a decision to undertake any airport development project under Title 49, United States Code, it has undertaken reasonable consultations with affected parties using the airport at which project is proposed.

9. Public Hearings.

In projects involving the location of an airport, an airport runway, or a major runway extension, it has afforded the opportunity for public hearings for the purpose of considering the economic, social, and environmental effects of the airport or runway location and its consistency with goals and objectives of such planning as has been carried out by the community and it shall, when requested by the Secretary, submit a copy of the transcript of such hearings to the Secretary. Further, for such projects, it has on its management board either voting representation from the communities where the project is located or has advised the communities that they have the right to petition the Secretary concerning a proposed project.

10. Metropolitan Planning Organization.

In projects involving the location of an airport, an airport runway, or a major runway extension at a medium or large hub airport, the sponsor has made available to and has provided upon request to the metropolitan planning organization in the area in which the airport is located, if any, a copy of the proposed amendment to the airport layout plan to depict the project and a copy of any airport master plan in which the project is described or depicted.

11. Pavement Preventive Maintenance-Management.

With respect to a project approved after January 1, 1995, for the replacement or reconstruction of pavement at the airport, it assures or certifies that it has implemented an effective airport pavement maintenance-management program and it assures that it will use such program for the useful life of any pavement constructed, reconstructed or repaired with Federal financial assistance at the airport. It will provide such reports on pavement condition and pavement management programs as the Secretary determines may be useful.

12. Terminal Development Prerequisites.

For projects which include terminal development at a public use airport, as defined in Title 49, it has, on the date of submittal of the project grant application, all the safety equipment required for certification of such airport under 49 U.S.C. § 44706, and all the security equipment required by rule or regulation, and has provided for access to the passenger enplaning and deplaning area of such airport to passengers enplaning and deplaning from aircraft other than air carrier aircraft.

13. Accounting System, Audit, and Record Keeping Requirements.

- a. It shall keep all project accounts and records which fully disclose the amount and disposition by the recipient of the proceeds of this Grant, the total cost of the project in connection with which this Grant is given or used, and the amount or nature of that portion of the cost of the project supplied by other sources, and such other financial records pertinent to the project. The

accounts and records shall be kept in accordance with an accounting system that will facilitate an effective audit in accordance with the Single Audit Act of 1984.

- b. It shall make available to the Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, for the purpose of audit and examination, any books, documents, papers, and records of the recipient that are pertinent to this Grant. The Secretary may require that an appropriate audit be conducted by a recipient. In any case in which an independent audit is made of the accounts of a sponsor relating to the disposition of the proceeds of a grant or relating to the project in connection with which this Grant was given or used, it shall file a certified copy of such audit with the Comptroller General of the United States not later than six (6) months following the close of the fiscal year for which the audit was made.

14. Minimum Wage Rates.

It shall include, in all contracts in excess of \$2,000 for work on any projects funded under this Grant Agreement which involve labor, provisions establishing minimum rates of wages, to be predetermined by the Secretary of Labor under 40 U.S.C. §§ 3141-3144, 3146, and 3147, Public Building, Property, and Works), which contractors shall pay to skilled and unskilled labor, and such minimum rates shall be stated in the invitation for bids and shall be included in proposals or bids for the work.

15. Veteran's Preference.

It shall include in all contracts for work on any project funded under this Grant Agreement which involve labor, such provisions as are necessary to insure that, in the employment of labor (except in executive, administrative, and supervisory positions), preference shall be given to Vietnam era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns owned and controlled by disabled veterans as defined in 49 U.S.C. § 47112. However, this preference shall apply only where the individuals are available and qualified to perform the work to which the employment relates.

16. Conformity to Plans and Specifications.

It will execute the project subject to plans, specifications, and schedules approved by the Secretary. Such plans, specifications, and schedules shall be submitted to the Secretary prior to commencement of site preparation, construction, or other performance under this Grant Agreement, and, upon approval of the Secretary, shall be incorporated into this Grant Agreement. Any modification to the approved plans, specifications, and schedules shall also be subject to approval of the Secretary, and incorporated into this Grant Agreement.

17. Construction Inspection and Approval.

It will provide and maintain competent technical supervision at the construction site throughout the project to assure that the work conforms to the plans, specifications, and schedules approved by the Secretary for the project. It shall subject the construction work on any project contained in an approved project application to inspection and approval by the Secretary and such work shall be in accordance with regulations and procedures prescribed by the Secretary. Such regulations and procedures shall require such cost and progress reporting by the sponsor or sponsors of such project as the Secretary shall deem necessary.

18. Planning Projects.

In carrying out planning projects:

- a. It will execute the project in accordance with the approved program narrative contained in the project application or with the modifications similarly approved.
- b. It will furnish the Secretary with such periodic reports as required pertaining to the planning project and planning work activities.
- c. It will include in all published material prepared in connection with the planning project a notice that the material was prepared under a grant provided by the United States.
- d. It will make such material available for examination by the public, and agrees that no material prepared with funds under this project shall be subject to copyright in the United States or any other country.
- e. It will give the Secretary unrestricted authority to publish, disclose, distribute, and otherwise use any of the material prepared in connection with this grant.
- f. It will grant the Secretary the right to disapprove the sponsor's employment of specific consultants and their subcontractors to do all or any part of this project as well as the right to disapprove the proposed scope and cost of professional services.
- g. It will grant the Secretary the right to disapprove the use of the sponsor's employees to do all or any part of the project.
- h. It understands and agrees that the Secretary's approval of this project grant or the Secretary's approval of any planning material developed as part of this grant does not constitute or imply any assurance or commitment on the part of the Secretary to approve any pending or future application for a Federal airport grant.

19. Operation and Maintenance.

- a. The airport and all facilities which are necessary to serve the aeronautical users of the airport, other than facilities owned or controlled by the United States, shall be operated at all times in a safe and serviceable condition and in accordance with the minimum standards as may be required or prescribed by applicable Federal, state, and local agencies for maintenance and operation. It will not cause or permit any activity or action thereon which would interfere with its use for airport purposes. It will suitably operate and maintain the airport and all facilities thereon or connected therewith, with due regard to climatic and flood conditions. Any proposal to temporarily close the airport for non-aeronautical purposes must first be approved by the Secretary. In furtherance of this assurance, the sponsor will have in effect arrangements for:
 1. Operating the airport's aeronautical facilities whenever required;
 2. Promptly marking and lighting hazards resulting from airport conditions, including temporary conditions; and
 3. Promptly notifying pilots of any condition affecting aeronautical use of the airport. Nothing contained herein shall be construed to require that the airport be operated for aeronautical use during temporary periods when snow, flood, or other climatic conditions interfere with such operation and maintenance. Further, nothing herein shall be construed as requiring the maintenance, repair, restoration, or replacement of any structure or

facility which is substantially damaged or destroyed due to an act of God or other condition or circumstance beyond the control of the sponsor.

- b. It will suitably operate and maintain noise compatibility program items that it owns or controls upon which Federal funds have been expended.

20. Hazard Removal and Mitigation.

It will take appropriate action to assure that such terminal airspace as is required to protect instrument and visual operations to the airport (including established minimum flight altitudes) will be adequately cleared and protected by removing, lowering, relocating, marking, or lighting or otherwise mitigating existing airport hazards and by preventing the establishment or creation of future airport hazards.

21. Compatible Land Use.

It will take appropriate action, to the extent reasonable, including the adoption of zoning laws, to restrict the use of land adjacent to or in the immediate vicinity of the airport to activities and purposes compatible with normal airport operations, including landing and takeoff of aircraft. In addition, if the project is for noise compatibility program implementation, it will not cause or permit any change in land use, within its jurisdiction, that will reduce its compatibility, with respect to the airport, of the noise compatibility program measures upon which Federal funds have been expended.

22. Economic Nondiscrimination.

- a. It will make the airport available as an airport for public use on reasonable terms and without unjust discrimination to all types, kinds and classes of aeronautical activities, including commercial aeronautical activities offering services to the public at the airport.
- b. In any agreement, contract, lease, or other arrangement under which a right or privilege at the airport is granted to any person, firm, or corporation to conduct or to engage in any aeronautical activity for furnishing services to the public at the airport, the sponsor will insert and enforce provisions requiring the contractor to:
 - 1. Furnish said services on a reasonable, and not unjustly discriminatory, basis to all users thereof, and
 - 2. Charge reasonable, and not unjustly discriminatory, prices for each unit or service, provided that the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.
- c. Each fixed-based operator at the airport shall be subject to the same rates, fees, rentals, and other charges as are uniformly applicable to all other fixed-based operators making the same or similar uses of such airport and utilizing the same or similar facilities.
- d. Each air carrier using such airport shall have the right to service itself or to use any fixed-based operator that is authorized or permitted by the airport to serve any air carrier at such airport.
- e. Each air carrier using such airport (whether as a tenant, non-tenant, or subtenant of another air carrier tenant) shall be subject to such nondiscriminatory and substantially comparable rules, regulations, conditions, rates, fees, rentals, and other charges with respect to facilities directly and substantially related to providing air transportation as are applicable to all such air carriers which make similar use of such airport and utilize similar facilities, subject to reasonable

classifications such as tenants or non-tenants and signatory carriers and non-signatory carriers. Classification or status as tenant or signatory shall not be unreasonably withheld by any airport provided an air carrier assumes obligations substantially similar to those already imposed on air carriers in such classification or status.

- f. It will not exercise or grant any right or privilege which operates to prevent any person, firm, or corporation operating aircraft on the airport from performing any services on its own aircraft with its own employees (including, but not limited to maintenance, repair, and fueling) that it may choose to perform.
- g. In the event the sponsor itself exercises any of the rights and privileges referred to in this assurance, the services involved will be provided on the same conditions as would apply to the furnishing of such services by commercial aeronautical service providers authorized by the sponsor under these provisions.
- h. The sponsor may establish such reasonable, and not unjustly discriminatory, conditions to be met by all users of the airport as may be necessary for the safe and efficient operation of the airport.
- i. The sponsor may prohibit or limit any given type, kind or class of aeronautical use of the airport if such action is necessary for the safe operation of the airport or necessary to serve the civil aviation needs of the public.

23. Exclusive Rights.

It will permit no exclusive right for the use of the airport by any person providing, or intending to provide, aeronautical services to the public. For purposes of this paragraph, the providing of the services at an airport by a single fixed-based operator shall not be construed as an exclusive right if both of the following apply:

- a. It would be unreasonably costly, burdensome, or impractical for more than one fixed-based operator to provide such services, and
- b. If allowing more than one fixed-based operator to provide such services would require the reduction of space leased pursuant to an existing agreement between such single fixed-based operator and such airport. It further agrees that it will not, either directly or indirectly, grant or permit any person, firm, or corporation, the exclusive right at the airport to conduct any aeronautical activities, including, but not limited to charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales and services, sale of aviation petroleum products whether or not conducted in conjunction with other aeronautical activity, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their direct relationship to the operation of aircraft can be regarded as an aeronautical activity, and that it will terminate any exclusive right to conduct an aeronautical activity now existing at such an airport before the grant of any assistance under Title 49, United States Code.

24. Fee and Rental Structure.

It will maintain a fee and rental structure for the facilities and services at the airport which will make the airport as self-sustaining as possible under the circumstances existing at the particular airport, taking into account such factors as the volume of traffic and economy of collection. No part of the Federal share of an airport development, airport planning or noise compatibility project for

which a Grant is made under Title 49, United States Code, the Airport and Airway Improvement Act of 1982, the Federal Airport Act or the Airport and Airway Development Act of 1970 shall be included in the rate basis in establishing fees, rates, and charges for users of that airport.

25. Airport Revenues.

- a. All revenues generated by the airport and any local taxes on aviation fuel established after December 30, 1987, will be expended by it for the capital or operating costs of the airport; the local airport system; or other local facilities which are owned or operated by the owner or operator of the airport and which are directly and substantially related to the actual air transportation of passengers or property; or for noise mitigation purposes on or off the airport. The following exceptions apply to this paragraph:
 1. If covenants or assurances in debt obligations issued before September 3, 1982, by the owner or operator of the airport, or provisions enacted before September 3, 1982, in governing statutes controlling the owner or operator's financing, provide for the use of the revenues from any of the airport owner or operator's facilities, including the airport, to support not only the airport but also the airport owner or operator's general debt obligations or other facilities, then this limitation on the use of all revenues generated by the airport (and, in the case of a public airport, local taxes on aviation fuel) shall not apply.
 2. If the Secretary approves the sale of a privately owned airport to a public sponsor and provides funding for any portion of the public sponsor's acquisition of land, this limitation on the use of all revenues generated by the sale shall not apply to certain proceeds from the sale. This is conditioned on repayment to the Secretary by the private owner of an amount equal to the remaining unamortized portion (amortized over a 20-year period) of any airport improvement grant made to the private owner for any purpose other than land acquisition on or after October 1, 1996, plus an amount equal to the federal share of the current fair market value of any land acquired with an airport improvement grant made to that airport on or after October 1, 1996.
 3. Certain revenue derived from or generated by mineral extraction, production, lease, or other means at a general aviation airport (as defined at 49 U.S.C. § 47102), if the FAA determines the airport sponsor meets the requirements set forth in Section 813 of Public Law 112-95.
- b. As part of the annual audit required under the Single Audit Act of 1984, the sponsor will direct that the audit will review, and the resulting audit report will provide an opinion concerning, the use of airport revenue and taxes in paragraph (a), and indicating whether funds paid or transferred to the owner or operator are paid or transferred in a manner consistent with Title 49, United States Code and any other applicable provision of law, including any regulation promulgated by the Secretary or Administrator.
- c. Any civil penalties or other sanctions will be imposed for violation of this assurance in accordance with the provisions of 49 U.S.C. § 47107.

26. Reports and Inspections.

It will:

- a. submit to the Secretary such annual or special financial and operations reports as the Secretary may reasonably request and make such reports available to the public; make available to the

public at reasonable times and places a report of the airport budget in a format prescribed by the Secretary;

- b. for airport development projects, make the airport and all airport records and documents affecting the airport, including deeds, leases, operation and use agreements, regulations and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request;
- c. for noise compatibility program projects, make records and documents relating to the project and continued compliance with the terms, conditions, and assurances of this Grant Agreement including deeds, leases, agreements, regulations, and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request; and
- d. in a format and time prescribed by the Secretary, provide to the Secretary and make available to the public following each of its fiscal years, an annual report listing in detail:
 - 1. all amounts paid by the airport to any other unit of government and the purposes for which each such payment was made; and
 - 2. all services and property provided by the airport to other units of government and the amount of compensation received for provision of each such service and property.

27. Use by Government Aircraft.

It will make available all of the facilities of the airport developed with Federal financial assistance and all those usable for landing and takeoff of aircraft to the United States for use by Government aircraft in common with other aircraft at all times without charge, except, if the use by Government aircraft is substantial, charge may be made for a reasonable share, proportional to such use, for the cost of operating and maintaining the facilities used. Unless otherwise determined by the Secretary, or otherwise agreed to by the sponsor and the using agency, substantial use of an airport by Government aircraft will be considered to exist when operations of such aircraft are in excess of those which, in the opinion of the Secretary, would unduly interfere with use of the landing areas by other authorized aircraft, or during any calendar month that:

- a. Five (5) or more Government aircraft are regularly based at the airport or on land adjacent thereto; or
- b. The total number of movements (counting each landing as a movement) of Government aircraft is 300 or more, or the gross accumulative weight of Government aircraft using the airport (the total movement of Government aircraft multiplied by gross weights of such aircraft) is in excess of five million pounds.

28. Land for Federal Facilities.

It will furnish without cost to the Federal Government for use in connection with any air traffic control or air navigation activities, or weather-reporting and communication activities related to air traffic control, any areas of land or water, or estate therein as the Secretary considers necessary or desirable for construction, operation, and maintenance at Federal expense of space or facilities for such purposes. Such areas or any portion thereof will be made available as provided herein within four months after receipt of a written request from the Secretary.

29. Airport Layout Plan.

- a. Subject to the FAA Reauthorization Act of 2018, Public Law 115-254, Section 163, it will keep up to date at all times an airport layout plan of the airport showing:
 1. boundaries of the airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the sponsor for airport purposes and proposed additions thereto;
 2. the location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars and roads), including all proposed extensions and reductions of existing airport facilities;
 3. the location of all existing and proposed non-aviation areas and of all existing improvements thereon; and
 4. all proposed and existing access points used to taxi aircraft across the airport's property boundary.

Such airport layout plans and each amendment, revision, or modification thereof, shall be subject to the approval of the Secretary which approval shall be evidenced by the signature of a duly authorized representative of the Secretary on the face of the airport layout plan. The sponsor will not make or permit any changes or alterations in the airport or any of its facilities which are not in conformity with the airport layout plan as approved by the Secretary and which might, in the opinion of the Secretary, adversely affect the safety, utility or efficiency of the airport.

- b. Subject to the FAA Reauthorization Act of 2018, Public Law 115-254, Section 163, if a change or alteration in the airport or the facilities is made which the Secretary determines adversely affects the safety, utility, or efficiency of any federally owned, leased, or funded property on or off the airport and which is not in conformity with the airport layout plan as approved by the Secretary, the owner or operator will, if requested, by the Secretary:
 1. eliminate such adverse effect in a manner approved by the Secretary; or
 2. bear all costs of relocating such property (or replacement thereof) to a site acceptable to the Secretary and all costs of restoring such property (or replacement thereof) to the level of safety, utility, efficiency, and cost of operation existing before the unapproved change in the airport or its facilities except in the case of a relocation or replacement of an existing airport facility due to a change in the Secretary's design standards beyond the control of the airport sponsor.

30. Civil Rights.

It will promptly take any measures necessary to ensure that no person in the United States shall, on the grounds of race, color, and national origin (including limited English proficiency) in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4); creed and sex (including sexual orientation and gender identity) per 49 U.S.C. § 47123 and related requirements; age per the Age Discrimination Act of 1975 and related requirements; or disability per the Americans with Disabilities Act of 1990 and related requirements, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in any program and activity conducted with, or benefiting from, funds received from this Grant.

- a. Using the definitions of activity, facility, and program as found and defined in 49 CFR §§ 21.23(b) and 21.23(e), the sponsor will facilitate all programs, operate all facilities, or conduct all programs in compliance with all non-discrimination requirements imposed by or pursuant to these assurances.
- b. Applicability
 1. Programs and Activities. If the sponsor has received a grant (or other federal assistance) for any of the sponsor's program or activities, these requirements extend to all of the sponsor's programs and activities.
 2. Facilities. Where it receives a grant or other federal financial assistance to construct, expand, renovate, remodel, alter, or acquire a facility, or part of a facility, the assurance extends to the entire facility and facilities operated in connection therewith.
 3. Real Property. Where the sponsor receives a grant or other Federal financial assistance in the form of, or for the acquisition of real property or an interest in real property, the assurance will extend to rights to space on, over, or under such property.
- c. Duration.

The sponsor agrees that it is obligated to this assurance for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the assurance obligates the sponsor, or any transferee for the longer of the following periods:

1. So long as the airport is used as an airport, or for another purpose involving the provision of similar services or benefits; or
 2. So long as the sponsor retains ownership or possession of the property.
- d. Required Solicitation Language. It will include the following notification in all solicitations for bids, Requests For Proposals for work, or material under this Grant Agreement and in all proposals for agreements, including airport concessions, regardless of funding source:

"The ([**Selection Criteria: Sponsor Name**]), in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders or offerors that it will affirmatively ensure that for any contract entered into pursuant to this advertisement, [select businesses, or disadvantaged business enterprises or airport concession disadvantaged business enterprises] will be afforded full and fair opportunity to submit bids in response to this invitation and no businesses will be discriminated against on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in consideration for an award."

- e. Required Contract Provisions.
 1. It will insert the non-discrimination contract clauses requiring compliance with the acts and regulations relative to non-discrimination in Federally-assisted programs of the Department of Transportation (DOT), and incorporating the acts and regulations into the contracts by reference in every contract or agreement subject to the non-discrimination in Federally-assisted programs of the DOT acts and regulations.

2. It will include a list of the pertinent non-discrimination authorities in every contract that is subject to the non-discrimination acts and regulations.
3. It will insert non-discrimination contract clauses as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a sponsor.
4. It will insert non-discrimination contract clauses prohibiting discrimination on the basis of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability as a covenant running with the land, in any future deeds, leases, license, permits, or similar instruments entered into by the sponsor with other parties:
 - a. For the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b. For the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
- f. It will provide for such methods of administration for the program as are found by the Secretary to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the acts, the regulations, and this assurance.
- g. It agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the acts, the regulations, and this assurance.

31. Disposal of Land.

- a. For land purchased under a grant for airport noise compatibility purposes, including land serving as a noise buffer, it will dispose of the land, when the land is no longer needed for such purposes, at fair market value, at the earliest practicable time. That portion of the proceeds of such disposition which is proportionate to the United States' share of acquisition of such land will be, at the discretion of the Secretary, (1) reinvested in another project at the airport, or (2) transferred to another eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order:
 1. Reinvestment in an approved noise compatibility project;
 2. Reinvestment in an approved project that is eligible for grant funding under 49 U.S.C. § 47117(e);
 3. Reinvestment in an approved airport development project that is eligible for grant funding under 49 U.S.C. §§ 47114, 47115, or 47117;
 4. Transfer to an eligible sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport; or
 5. Payment to the Secretary for deposit in the Airport and Airway Trust Fund.

If land acquired under a grant for noise compatibility purposes is leased at fair market value and consistent with noise buffering purposes, the lease will not be considered a disposal of the land. Revenues derived from such a lease may be used for an approved airport development

project that would otherwise be eligible for grant funding or any permitted use of airport revenue.

- b. For land purchased under a grant for airport development purposes (other than noise compatibility), it will, when the land is no longer needed for airport purposes, dispose of such land at fair market value or make available to the Secretary an amount equal to the United States' proportionate share of the fair market value of the land. That portion of the proceeds of such disposition which is proportionate to the United States' share of the cost of acquisition of such land will, upon application to the Secretary, be reinvested or transferred to another eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order:
 - 1. Reinvestment in an approved noise compatibility project;
 - 2. Reinvestment in an approved project that is eligible for grant funding under 49 U.S.C. § 47117(e);

 - 4. Transfer to an eligible sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport; or
 - 5. Payment to the Secretary for deposit in the Airport and Airway Trust Fund.
- c. Land shall be considered to be needed for airport purposes under this assurance if (1) it may be needed for aeronautical purposes (including runway protection zones) or serve as noise buffer land, and (2) the revenue from interim uses of such land contributes to the financial self-sufficiency of the airport. Further, land purchased with a grant received by an airport operator or owner before December 31, 1987, will be considered to be needed for airport purposes if the Secretary or Federal agency making such grant before December 31, 1987, was notified by the operator or owner of the uses of such land, did not object to such use, and the land continues to be used for that purpose, such use having commenced no later than December 15, 1989.
- d. Disposition of such land under (a), (b), or (c) will be subject to the retention or reservation of any interest or right therein necessary to ensure that such land will only be used for purposes which are compatible with noise levels associated with operation of the airport.

32. Engineering and Design Services.

If any phase of such project has received Federal funds under Chapter 471 subchapter 1 of Title 49 U.S.C., it will award each contract, or sub-contract for program management, construction management, planning studies, feasibility studies, architectural services, preliminary engineering, design, engineering, surveying, mapping or related services in the same manner as a contract for architectural and engineering services is negotiated under Chapter 11 of Title 40 U.S.C., or an equivalent qualifications-based requirement prescribed for or by the sponsor of the airport.

33. Foreign Market Restrictions.

It will not allow funds provided under this Grant to be used to fund any project which uses any product or service of a foreign country during the period in which such foreign country is listed by

The airport owner or operator will permit, to the maximum extent practicable, intercity buses or other modes of transportation to have access to the airport; however, it has no obligation to fund special facilities for intercity buses or for other modes of transportation.

37. Disadvantaged Business Enterprises.

The sponsor shall not discriminate on the basis of race, color, national origin, or sex, in the award and performance of any DOT-assisted contract covered by 49 CFR Part 26, or in the award and performance of any concession activity contract covered by 49 CFR Part 23. In addition, the sponsor shall not discriminate on the basis of race, color, national origin or sex in the administration of its Disadvantaged Business Enterprise (DBE) and Airport Concessions Disadvantaged Business Enterprise (ACDBE) programs or the requirements of 49 CFR Parts 23 and 26. The sponsor shall take all necessary and reasonable steps under 49 CFR Parts 23 and 26 to ensure nondiscrimination in the award and administration of DOT-assisted contracts, and/or concession contracts. The sponsor's DBE and ACDBE programs, as required by 49 CFR Parts 26 and 23, and as approved by DOT, are incorporated by reference in this agreement. Implementation of these programs is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the sponsor of its failure to carry out its approved program, the Department may impose sanctions as provided for under Parts 26 and 23 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. § 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. §§ 3801-3809, 3812).

38. Hangar Construction.

If the airport owner or operator and a person who owns an aircraft agree that a hangar is to be constructed at the airport for the aircraft at the aircraft owner's expense, the airport owner or operator will grant to the aircraft owner for the hangar a long term lease that is subject to such terms and conditions on the hangar as the airport owner or operator may impose.

39. Competitive Access.

If the airport owner or operator of a medium or large hub airport (as defined in 49 U.S.C. § 47102) has been unable to accommodate one or more requests by an air carrier for access to gates or other facilities at that airport in order to allow the air carrier to provide service to the airport or to expand service at the airport, the airport owner or operator shall transmit a report to the Secretary that:
 1. Describes the requests;
 2. Provides an explanation as to why the requests could not be accommodated; and
 3. Provides a time frame within which, if any, the airport will be able to accommodate the requests.

CITY OF FRESNO, CALIFORNIA – DEPARTMENT OF AIRPORTS

MINIMUM STANDARDS FOR FRESNO CHANDLER EXECUTIVE AIRPORT

SECTION 1. PURPOSES OF MINIMUM STANDARDS AND APPLICABILITY

The City of Fresno, California recognizes the prohibition imposed by Section 308 of the Federal Aviation Act against granting an exclusive right to conduct any aeronautical activity at a Public Airport, and recognizes the City has agreed to the same prohibition in its acceptance of airport improvement grants from the Federal Aviation Administration. Moreover, the City wishes that there be healthy competition at the Fresno Chandler Executive Airport, conducted on a level playing field, and wishes that a broad array of high-quality products and services be available at the Airport. The City is publishing these Minimum Standards so that any Entity interested in engaging in any Revenue Generating Aviation Activity at the Airport may know the principles that apply and the requirements that must be met and maintained. Note, however, that it is not the intention of the City to create any private right of action to enforce these Minimum Standards.

These Minimum Standards do not apply to Entities previously authorized to offer or conduct specific Revenue Generating Aviation Activities at, on or from the Airport. The standards each such previously authorized Entity has been meeting shall comprise that Entity's minimum standards and must be maintained by that Entity. However, should any previously authorized Entity be granted authority to engage in additional Revenue Generating Aviation Activities, then, as a condition of such additional authorization, these Minimum Standards shall apply to each and every Business authorized, including the Revenue Generating Aviation Activities previously authorized. An example would be an Aircraft inspection and repair business where the Aircraft or a major Aircraft component is ground transported off the Airport for the inspection and repair and returned to the Airport upon completion of the inspection and repair.

SECTION 3. STATEMENT OF POLICY - PRINCIPLES APPLYING

It is the policy of the City to operate and develop FCH as a reliever airport for the City's airline airport, FYI, with FCH primarily serving general aviation Aircraft. Both Airports will be operated and developed by the Department as a financially self-supporting, complementary system of airports serving the entire range of airport users safely, securely and efficiently, offering reliable, high quality aviation products and services to meet the air transportation needs and desires of the region's citizens, visitors, commerce and economy in an environmentally friendly manner and as a good neighbor.

EXHIBIT D

To meet these policy goals, the Department shall be guided by the following principles:

1. No Entity may regularly engage in any Revenue Generating Aviation Activity at, on or from the Airport without first entering a written Agreement with the City which will prescribe the Revenue Generating Aviation Activity or Activities authorized and/or required to be offered.
2. Entities so authorized will be required to make a financial investment in Improvements and/or Equipment sufficient to satisfy the reasonably anticipated demand for the Business(es) authorized.
3. The rents, fees and/or charges charged to their clients and customers by authorized Entities shall not be higher than are reasonable and customary in that trade or business in Central California.
4. The rents, fees and/or charges charged by the Department shall be fair and not unduly discriminatory, taking into consideration the Department's direct and indirect costs of providing, maintaining, servicing and keeping secure the Airport, including the rented or Subleased Premises, the market value of same, the revenue potential of the Revenue Generating Aviation Activities authorized and their relative importance to the region. Before commencing Business operations, authorized Entities shall post and maintain security equivalent to not less than three months' of the anticipated rents fees and/or charges payable to the Department.
5. The term of any Agreement, including any options to extend, shall be no longer than required to reasonably amortize the investment in Improvements to Airport Premises that the Lessee is required to make.
6. In addition to compliance with all applicable building, zoning and hazard codes and the FCH Specific Plan, all Improvements must be approved by the Department as to architectural suitability, location and height with respect to other Airport facilities. No Improvement will be permitted that in any way interferes with or derogates Airport operations, or other Airport facilities, or encroaches into or conflicts with any building restriction line or safety area depicted on the current ALP.
7. The then effective Airport Master Plan and FCH Specific Plan shall control the types, placement and sizing of all future facilities at the Airport. No extant facility that does not conform with the then current Airport Master Plan and FCH Specific Plan shall be used or leased on terms that might impede or delay the timely development of the Airport in conformity with the then current Airport Master Plan and FCH Specific Plan, nor shall any Improvements to such facility be allowed if that might impede or delay timely subsequent development of the Airport in conformity with the said Master Plan and FCH Specific Plan.

EXHIBIT D

8. The highest and best use shall be made of the limited Airport premises so as to maximize the capacity of the Airports system to meet the air transportation needs and desires of the Airports' region. Lower or lesser uses may be authorized on an interim basis to provide interim revenues to the Department, but any such lower or lesser use(s) shall be on bases that will not impede or delay the eventual highest and best use. Hangars shall be used for the storage of Aircraft that are Airworthy or in the process of being made Airworthy and Aircraft associated support materials, AND/OR in the case of authorized FBOs or SASOs for the conduct of their authorized Business(es). Without limiting the generality of the foregoing, no hangar may be used primarily for storing or inventorying personal property that is not closely associated with the servicing, maintenance and/or care of Airworthy Aircraft or Aircraft actively in process of being made Airworthy, or being prepared for public display, or being specially prepared, treated and preserved for future rehabilitation.
9. Through-the-Fence Business Operations shall be authorized only if the products or services to be offered are not already available on the Airport and there is no reasonable possibility of accommodating the Through-the-Fence applicant on the Airport.

SECTION 4. GENERAL LEASE PROVISIONS/OBLIGATIONS; INCORPORATION BY REFERENCE

All Agreements authorizing any Revenue Generating Aviation Activity at the Airport shall incorporate by reference the following provisions and the then effective Minimum Standards, but only to the extent each such provision or standard is not in conflict with any express provision of the Agreement. 3. Nothing contained in the Lease shall be construed to grant or authorize the granting of an exclusive right to provide aeronautical services to the public as prohibited by Section 308 (a) of the Federal Aviation Act of 1958, as amended, and the City reserves the right to grant to others the privilege and right of conducting any one or all activities of an aeronautical nature, so long as they meet the Minimum Standards.
4. The City reserves the right, but shall not be obligated to the Operator, to maintain and keep in repair the landing area of the Airport and all publicly owned facilities of the airport, together with the right to direct and control all use of said landing area and facilities, including Operator's use.

7. The City reserves the right to take any action it considers necessary to protect the aerial approaches of the Airport against obstruction together with the right to prevent the Operator from erecting, or permitting to be erected any building or other structure on or adjacent to the Airport which, in the opinion of the City, would limit the usefulness of the Airport or constitute a hazard to Aircraft.
8. The Lease shall be subordinate to the provisions of any existing or future agreement between the City and the United States, relative to the operation or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the receipt or expenditure of Federal funds for the development of the Airport.
9. The Operator shall not assign or otherwise transfer any interest in Operator's Lease, nor shall Operator Sublease or assign any interest in its Leased Premises or any portion thereof without the express, written consent of the City.

EXHIBIT D

10. No Airport facilities, including hangars, Ramps and vehicular parking areas, shall be used for the storage of cars, trucks, recreational vehicles, boats, trailers, mobile homes, household furnishings or any other personal property not associated with the conduct of the Business or use authorized. Without limiting the generality of the foregoing, Operator shall not store at the Airport any Derelict Aircraft, nor shall Operator allow its Premises at the Airport to be used for the storage of Derelict Aircraft.
11. Operator shall submit on an annual basis all information deemed by the Department to be relevant to Operator's credit worthiness and financial stability. Operator is required to satisfy the Director that it is financially able to perform the services authorized in its Agreement. This shall include the responsibility to demonstrate continued financial solvency and business ability by submitting an annual financial statement, credit references, and any other proof the Director may require from time to time. Information provided shall be in a format determined by and acceptable to the Director. The Director shall be the final judge as to the qualifications and financial ability of Operator. Operator agrees that the Director may undertake such investigation and inspection as it deems necessary and appropriate.

FROM: Melissa Garza-Perry, Airports Properties Manager

As discussed in our tenant meeting on December 16, 2022, the objective is to begin to improve safety and security of the airport by ensure access for those who have a business purpose to operate at the facility.

To achieve the objective, access codes to the facility will be updated. This Notice is to advise all FCH tenants that there will be a change to your access code into the gates at FCH, effective February 1, 2023.

To properly ensure that each code is unique to the respective tenant, you will be required to complete, sign, and return the enclosed application to obtain your code. The application is a required component to complete the process. The application must be submitted to Melissa Garza-Perry, Airports Properties Manager for approval. Once approved, you will be contacted by the Airport Public Safety Office for an appointment to provide a current driver's license for copying to receive your unique access code.

Once provided, your access code will be valid for the duration of your driver's license. Once your driver's license expires, you will be required to return to the Airport Public Safety Office to provide a revised copy of your driver's license for your access code to remain active. If you fail to provide the current copy of your license, your access code will be terminated.

Tenants who provide hangar space to subtenants, those tenants will be required to follow the same process as tenants and complete the application and submit to the airport for review and approval. Upon approval and submission of their driver's license, the code will be provided.

If you fail to complete the enclosed application and provide the copy of your driver's license, it will result in loss of access to the airfield until received.
