Public comment period closed at 11:06 a.m.

Council discussion on this item includes: Discussion on the Environmental Impact Report; the applicants stance on unionized labor and project labor agreements; concerns and questions pollution mitigation efforts; Lack of clarity on project details regarding specific users, truck trips, passenger vehicle trips, and pollution estimates; traffic study; proposed mitigation measures; community engagement; potential tents, and local employment and economic impact.

Councilmember Arias motioned to deny the certification of the Environmental Impact Report (SCH No. 2022050265), on the basis that there is no substantial evidence on the record to support a conclusion that the EIR sufficient with respect to the air quality, noise, and traffic impact.
