Artistic Crosswalk Location

Indicate the location of the proposed artistic crosswalk (write a description below and attach site map). Please note that in order to be considered, the location must:

- Have an existing marked crosswalk or meet the City's standards for the installation of a marked crosswalk.
- Be at a location where vehicles are currently required to stop by stop sign or traffic signal.
- Be at a location where the speed limit is not exceeding 30 MPH and has a maximum of two through lanes.
- Shall not extend to sidewalks, curbs, or gutters.
- Have an asphalt surface.

Artistic Crosswalk Specifications

For the following section, please note:

- The crosswalk shall contain two white (yellow in school zones) transverse (horizontal) lines.
- The design shall not impair the visibility of the transverse crosswalk lines.
- The design shall be solely for aesthetic purposes (for more information on this, see Artistic Crosswalk Policy, 220.02).

Present attachment of proposed design.

Present attachment of Waiver for Artist's Rights for artistic crosswalk design.

Additional Permit Requirements

For the following section, please note the following:

- A special event permit must be obtained prior to the consideration of this artistic crosswalk application.
- As a condition of the special event permit, all insurance information must be up-to-date and valid for the installation of the artistic crosswalk.

Attach a copy of the City of Fresno issued Special Event Permit.
