Each bidder has agreed to allow the City sixty-four (64) days from date bids are opened to accept or reject their bid proposal. Purchasing requests that you complete the following sections and return this bid evaluation to the Purchasing Unit at the latest by Monday, September 17, 2018, 5:00 P.M.

The Engineer's Estimate for this expenditure is \$5,998,848.00. The contract price is 25% above the Engineer's Estimate. If the overage is greater than 10% or only one bid was received, give explanation:

The Engineer's Estimate was a preliminary budget number that was developed in 2015, making the number not reflective of current cost patterns. Also, the local construction industry is heavily laden with projects making most bids come in at higher than normal prices.

BACKGROUND OF PROJECT:

The City of Fresno Police Department is in need of a new Southeast Substation that is more centrally located to that area of Fresno. The current Southeast Substation is not centrally located and is not well equipped for the number of staff that utilize the station. The construction of this new Southeast Substation will allow quicker responses throughout the
