RESOLUTION NO. \_\_\_\_\_

A RESOLUTION OF THE COUNCIL OF THE CITY OF FRESNO  
ESTABLISHING RULES FOR THE APPLICATION OF CITY EMPLOYEE  
COMPENSATION RATES AND SCHEDULES AND RELATED  
REQUIREMENTS, AND ESTABLISHING COMPENSATION RATES AND  
SCHEDULES FOR FISCAL YEAR 2020~~19~~

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Fresno, as follows:

SECTION 1. SPECIAL PROVISIONS APPLICABLE TO ALL CLASSES

The rules set forth in this resolution constitute special provisions applicable to all classes of employment in the City service. If any provision(s) of a Memorandum of Understanding (hereafter "MOU") or Terms and Conditions of employment (hereafter "T & C") adopted and approved by the Council under Article 6, Chapter 3 of the Fresno Municipal Code (hereafter "FMC") or employment agreement that is authorized and in compliance with Article V of the City of Fresno Transparency in Government Act and currently in effect, is clearly and specifically in conflict with any rule contained in this resolution, the provision in such MOU, T & C, or employment agreement shall prevail.

SECTION 2. SALARY STEP PLAN

The step plan of each salary range shall be applied and interpreted as follows for permanent and probationary employees appointed to permanent positions:

- A. The first step shall be the minimum rate and shall normally be the hiring rate for the class. In a case where it is difficult to secure a qualified person or if a person of unusual qualifications is engaged, the City Manager or designee, after receiving the recommendation of the Director of Personnel Services, may approve appointment above the first step.
- B. The second step shall be paid upon the completion of six (6) months of paid status at the first step.
- C. The third step shall be paid upon the completion of one (1) year of service at the second step.
- D. The fourth step shall be paid upon completion of one (1) year of service at the third step.
- E. The fifth step shall be paid upon completion of one (1) year of service at the fourth step.

- F. The sixth step shall be paid upon completion of one (1) year of service at the fifth step.
- ~~F.G.~~ G. The seventh step shall be paid upon completion of one (1) year of service at the sixth step.

~~G.H.~~ H. Employees who are reinstated in accordance with FMC Section 3-292, who were not at the top step prior to layoff or demotion, will be credited with paid time previously worked at the step at time of layoff or demotion. The next step increase date will be adjusted accordingly upon reinstatement. Any time missed due to mandatory furloughs shall count as paid time.

~~H.I.~~ I. Raises to the second, third, fourth, fifth, ~~and sixth~~, and seventh steps shall be automatic unless an unsatisfactory performance evaluation is made by the appointing authority. Following an unsatisfactory performance evaluation, a raise may be delayed by the appointing authority for not more than six (6) months and more than six (6) months only with approval of the City Manager or designee. A raise to any step may be made at any time by the City Manager or designee on recommendation of the appointing authority and the Director of Personnel Services whenever an employee exhibits unusual merit.

Six (6) months of service equals 1,040 hours of service, and one (1) year of service equals 2,080 hours of service, except where employees work a 56-hour workweek, six (6) months of service equals 1,456 hours of service, and one (1) year of services equals 2,912 hours of service.

~~I.J.~~ J. An employee who is selected to fill a reclassified position pursuant to FMC Section 3-209 (b), or who is promoted from one class to another having a higher salary range, shall be adjusted to the lowest step in the salary range of the new class, which is at least three and one-half percent (3.5%) higher than the rate received in the employee's former class. If such an increase would require a payment greater than the highest step, then the highest step shall be paid.

An employee in Exhibit 7 who is appointed to a position in a class having a salary range shall be promoted according to the foregoing provisions to the nearest step, but not exceeding the top step, in the new class range after adding five percent (5%) to the employee's salary rate.

~~J.K.~~ K. When a class is assigned a new salary range, the salary of an employee in such class shall be adjusted to the same relative step in the new salary range, and such adjustment shall not alter the employee's anniversary date for purposes of future step increases in the class.

~~K~~.L. A permanent employee, assigned to filling a position in a higher class on a limited or provisional temporary basis, and who is entitled to the rate of pay for such higher class, shall be paid in the same manner as provided for promotion in Section 2, subsection JH above.

~~L~~.M. If an employee is receiving compensation above the highest step of the range, the employee's present rate shall be continued as an approved additional step rate for the class ("Y-rated"), until the highest step is greater than the Y rate, but no other employee may be adjusted to this rate, and it shall no longer be in effect after the incumbent vacates the classification.

~~M~~.N. Except as noted in Section 2, subsection HG above, step increases shall become effective immediately upon completion of required service. For purposes of this section, any employee who is absent without pay, excluding statutorily protected leave, such as leaves taken under the Family and Medical Leave Act (FMLA), the California Family Rights Act (CFRA), Pregnancy Disability Leave (PDL), and Military Leave, for the number of hours specified below while on any single step in a range shall not be considered to have been on paid status for the number of weeks shown, and advancement to the next step shall be delayed by such number of weeks:

| <u>At least</u> | <u>But less than</u> | <u>Weeks delayed</u> |
|-----------------|----------------------|----------------------|
| 1 hour          | 40 hours             | None                 |
| 40 hours        | 120 hours            | 2                    |
| 120 hours       | 200 hours            | 4                    |
| 200 hours       | 280 hours            | 6                    |
| 280 hours       | 360 hours            | 8                    |
| 360 hours       | 440 hours            | 10                   |

For purposes of this section, leave without pay, in reference to step advancement, shall be adjusted appropriately for 56-hour employees:

| <u>At least</u> | <u>But less than</u> | <u>Weeks delayed</u> |
|-----------------|----------------------|----------------------|
| 1 hour          | 56 hours             | None                 |
| 56 hours        | 168 hours            | 2                    |
| 168 hours       | 280 hours            | 4                    |

280 hours

392 hours

6

The number of additional weeks by which advancement to the next step shall be delayed shall be calculated in the same manner as those respective formulas specified herein. Such delay shall cause a change in the employee's anniversary date for purposes of future step increases in the class.

~~N.O.~~ Transfer to a different classification with the same salary range and in which no salary change occurs, shall result in a new anniversary date upon which advancement to the next step shall be calculated, or merit increase shall be considered.

~~O.P.~~ In lieu of a Salary Step Plan, an Executive Pay Range Plan has been established for classes as set forth in Exhibit 2.

1. For employees who separated from City service prior to July 1, 2015:

- a. The salary for each executive employee in the E1 through E23 executive pay ranges and the salary range for each class within such ranges shall be established by the City Manager or designee.

The City Manager or designee shall promulgate such rules and regulations deemed appropriate in the implementation and administration of this subsection.

For purposes of calculating retirement benefits for any employee in a class in the Executive Pay Range Plan who has left City service after five (5) years of service, but prior to attaining an age sufficient for service retirement, and who has elected to leave contributions in the retirement system, retirement benefits shall be calculated as follows:

The employee's salary at the time of separation from employment with the City shall be compared to the control point in existence at the time of separation for the class from which the employee is retiring. Retirement benefits (based on monthly salary only) shall be calculated using the same relationship the employee's salary bore to the control point at the time of separation as it would bear to the control point at the time of retirement. As an example only, if an employee's salary at the time of separation was five percent (5%) below the control point for the class, then the benefit at retirement would be based on that amount, which would be five percent

(5%) below the control point for that class at the time of retirement, subject to the applicable provisions of the retirement system regarding years of service, compensation earnable, and so on.

2. For employees in Exhibit 2, who separate from City service on or after July 1, 2015:

- a. The salary for each executive employee in the E1 through E23 executive pay ranges and the salary range for each class within such ranges shall be established by the City Manager or designee.

The City Manager or designee shall promulgate such rules and regulations deemed appropriate in the implementation and administration of Section 2, Subsection (P)(2)(b) below.

- b. For purposes of calculating Compensation Earnable as defined in FMC 3-501, any employee in the City of Fresno Employees Retirement System (hereafter "System") in a class in the Executive Pay Plan who separates from City service and elects to remain a member of the System shall have their Compensation Earnable calculated as follows:

Beginning July 1 following the date the Deferred Vested Member separates from City service, the Member's Compensation Earnable at the time of separation shall be indexed with the Consumer Price Index (hereafter "CPI") – United States City Average for Urban Wage Earners and Clerical Workers -- all items (i.e. general price inflation) and the Employment Cost Index for Wage Inflation (i.e. across the board pay increases) for State and local government employees, as published by the Bureau of Labor Statistics of the United States Department of Labor.

Determination of the percentage of annual increase or decrease in CPI and Employment Costs for wage inflation shall be made by the Retirement Board on or before April 1 of each year for each of the two immediately preceding calendar years. The percentage by which such indexes for the more recent full calendar year shall have increased or decreased over or below indexes for the full calendar year immediately prior shall be the percentage used to calculate adjustments to Compensation Earnable with the following exceptions: banking shall not be applied nor shall the sum of accumulated CPI and Employment Costs adjustments

plus Compensation Earnable fall outside the Executive Pay Range approved by the City Council each fiscal year.

This process will continue each July 1 until the Deferred Vested Member elects to begin receiving the retirement benefit. This adjusted Compensation Earnable shall be used in the Member's final compensation for the calculation of the retirement benefit.

If a Deferred Vested Member held more than one position during their highest three consecutive years, the Compensation Earnable in each position shall be allocated on a time held, pro-rata basis and the combined adjusted Compensation Earnable, including adjustments due to CPI and Employment Costs for wage inflation, shall be used in the Member's final compensation for the calculation of the retirement benefit.

- c. System members who retire or enter Deferred Retirement Option Program (hereafter "DROP") on or after July 1, 2015, shall have any previously held Executive Pay Range salaries determined in accordance with Section 2, Subsection (ON)(2)(b) above.

P.Q. Except where provided in this subsection, temporary assignment to perform the duties of absent employees shall be in accordance with FMC Section 3-260.

After any employee holding a permanent position in Exhibit 2 has completed 40 hours of service in a higher class the employee shall thereafter be paid at the rate of pay of the higher class while so assigned. An employee who has held permanent status in the higher class prior to such assignment shall not be required to complete the qualifying period of service set forth above and shall be paid for the entire duration of the assignment to the higher class at the rate of pay assigned to such higher class.

### SECTION 3. RATES OF PAY

Rates of pay provided for by a resolution establishing or approving such salaries are fixed on the basis of dollars per month or full-time service in full-time positions unless otherwise clearly indicated. Salaries shown are the base rate of pay for each respective job classification. The hourly rate of pay for employees whose schedule is 40 hours per week is calculated by multiplying the monthly rate of pay by 12 and dividing by 2,080. The hourly rate of pay for employees

whose schedule is 56 hours per week is calculated by multiplying the monthly rate of pay by 12 and dividing by 2,912.

SECTION 4. EXEMPT JOB CLASSES

Employees in classes listed as exempt in any exhibit attached to this salary resolution whose job codes are marked with an ~~an-small~~ "e" shall not be entitled to payment or compensatory time off for overtime as provided for in the rules and regulations of the Fair Labor Standards Act (hereafter "FLSA").

In accordance with the rules and regulations of the FLSA, the base salary of exempt employees shall not be reduced due to variations in the quality or quantity of the work performed. Deductions from the salary of exempt employees are allowed only for those certain circumstances which are set forth in the applicable FLSA regulations.

Employees exempt from overtime shall not be subject to deductions for Leave Without Pay in increments of less than a work day or shift. Employees with qualified medical restrictions may be temporarily placed on a part-time basis and will receive the pro-rated salary during the time of restriction.

SECTION 5. WAGES, OVERTIME, AND PAID SICK LEAVE FOR TEMPORARY EMPLOYEES

- A. Temporary employees shall be paid on an hourly basis for the hours actually worked, subject to the provisions of Section 4 above and/or the FLSA, which provides for overtime compensation for hours worked in excess of 40 per workweek. Any such employee in a class having a monthly salary rate shall be paid an hourly rate that is converted from the monthly salary for that class pursuant to Section 3.
- B. Paid Sick Leave for Temporary Employees:
  - 1. Temporary employees will accumulate and be able to use paid Sick Leave in accordance with AB1522, Healthy Workplace Healthy Family Act of 2014 (i.e., Labor Code §§245 et seq.)

Sick Leave may be carried over from year to year.

3. Temporary employees will be eligible to use Sick Leave on the ninetieth (90<sup>th</sup>) day of employment.
4. Temporary employees may use up to three (3) days of sick leave or twenty-four (24) hours, whichever is greater, in each fiscal year (July 1 through June 30).

  - c. For an employee who is a victim of domestic violence, sexual assault, or stalking, the purposes described in Labor Code Section 230(c) and Labor Code Section 230.1(a).
6. Temporary employees who leave City employment and return within one (1) year from the date of separation will have unused Sick Leave accruals restored up to forty-eight (48) hours.

**SECTION 6. FLEXIBLE STAFFING**

An employee holding a permanent position in any class in a group of classes designated as flexibly staffed may be appointed to a higher class in that group, provided that the employee meets the minimum requirements and the department director recommends such appointment.

**SECTION 7. ALTERNATE WORK SCHEDULE FOR EMPLOYEES IN EXHIBIT 2**

Each 4/10 work schedule will consist of a total of 40 scheduled hours of actual work time per workweek. The workweek begins at 12:01 a.m. Monday and ends at Midnight on Sunday.

Each 9/80 work schedule will consist of eight 9-hour shifts, one 8-hour shift, and one day off per 14-day period broken down into two 40-hour per week FLSA workweeks. 1. Employees shall accumulate the same number of hours of Annual Leave per month as under a 5/8 work schedule. Annual Leave will be granted for the actual number of hours absent.

C. For employees not participating in the Annual Leave Plan, the following rules shall apply:

2. Vacation: Employees on a 4/10 or 9/80 work schedule shall accumulate the same number of hours vacation per month as under a 5/8 work schedule. Vacation will be granted for the actual number of hours absent, provided the employee has a sufficient balance of Vacation hours.

A balance of 60 hours shall be credited to each such employee on the first day in July of each fiscal year. Upon their employment by the City, new employees appointed in such positions shall be credited with five (5) hours of Management Leave for each full calendar month remaining in such appointment in the fiscal year. Employees must use the Management Leave in accordance with applicable provisions in appropriate MOUs or T & Cs.

SECTION 9. SICK LEAVE USAGE AND COMPENSATION FOR EMPLOYEES IN EXHIBIT 2

Employees are encouraged to schedule routine medical and/or dental appointments outside of regular work hours when possible. Use of Protected Sick Leave shall be recorded by ~~an~~ their appointing authority or designee.

Employees who separate City employment and return within one (1) year of such separation will be entitled to reinstatement of unused Sick Leave balances at the time of separation from City employment, up to a total of forty-eight (48) hours.

SECTION 10. ANNUAL LEAVE FOR EMPLOYEES IN EXHIBIT 2

- A. This section applies to eligible employees hired on and after July 1, 2000, and those hired prior to July 1, 2000, who have been continuously employed by the City and previously elected to participate in Annual Leave. Eligible employees who elected not to participate in Annual Leave

bargaining unit with CTO will be subject to all provisions regarding CTO in the new bargaining unit. If the employee's CTO balance is over the cap of the new bargaining unit, any CTO above the cap will be cashed out at the former class' base rate of pay.

H. Leave Caps - When employees ~~change-transfer~~ from one bargaining unit to a different bargaining unit that has a lower leave accrual cap for leave other than Sick Leave, all leave over the cap will be cashed out at the former class' base rate of pay upon the conclusion of the second pay period after the ~~change-transfer~~ in bargaining unit. The cash out is obtained by multiplying the amount of hours over the new cap by the former class' base rate of pay (converted to an hourly figure).

Employees with Sick Leave who ~~move-transfer~~ to a bargaining unit with Sick Leave whose balance is over the cap of the new bargaining unit will have any hours above the Sick Leave cap ~~transferred-converted~~ to a Frozen Sick Leave bank.

Employees with Holiday Leave who ~~move-transfer~~ to a bargaining unit with a Holiday Leave whose balance is over the cap of the new bargaining unit will have any Holiday Leave above the cap ~~transferred-converted~~ to a Special Holiday Leave bank.

Employees with Special Holiday Leave who ~~move-transfer~~ to a bargaining unit with no Holiday Leave cap will have all Special Holiday Leave ~~transferred-converted~~ to Holiday Leave.

## SECTION 22. SPECIAL PROVISIONS FOR EMPLOYEES ON LEAVE FOR MILITARY SERVICE

The City will extend salary and benefits to permanent City employees while they are serving in active military duty deployments of more than thirty-one (31) days as follows:

- A. Payment of the employee's salary differential benefit;
- B. Payment of the City's portion of the employees' Health and Welfare Contribution, if the employee is currently covered by the City of Fresno Health and Welfare Trust; and
- C. Continued accrual of Vacation, Sick Leave, Annual Leave and/or Management Leave balances to which they are otherwise entitled by unit designation and employee status during the period of deployment.

SECTION 23. BEREAVEMENT LEAVE

In accordance with FMC Sections 3-107 (d)(1) and (h), upon the death of a member of an employee's immediate family, the employee shall be allowed to use Sick Leave (or Annual Leave) for such Special Leave as is actually necessary to take care of funeral arrangements or attend the funeral, but not to exceed four working days; provided, however, that members of the fire fighting forces working a twenty-four hour shift shall be allowed such Sick Leave not to exceed two regular working shifts.

For the purpose of this provision, immediate family includes: the employee's child, parent, spouse, registered domestic partner, parent-in-law, grandparent, grandchildren, or sibling.

An employee may use Sick Leave to attend the funeral of a person other than a member of the immediate family if granted such Special Leave by their department head. The department head shall notify Personnel Services Director when any employee is granted such Special Leave.

SECTION 24. LEAVE INTEGRATION WITH STATE DISABILITY INSURANCE (SDI) FOR NEW EMPLOYEES AND EMPLOYEES TRANSITIONING FROM A BARGAINING UNIT WITH SDI; LEAVE INTEGRATION WITH THE CITY'S LONG TERM DISABILITY INSURANCE PLAN

A. INTEGRATION WITH SDI (INCLUDING PAID FAMILY LEAVE) (SDI/PFL)

Formatted: Normal, Indent: Left: 0", First line: 0"

Formatted: Justified

Formatted: Justified, Indent: Left: 0.9", No bullets or numbering

Employees eligible for SDI/PFL benefits under Section 2601, et seq. of California Unemployment Insurance Code receive benefits pursuant to California Unemployment Insurance Code Section 2655.

Newly hired employees and employees transitioning from a bargaining unit with SDI participation are eligible to intergrate their leave balances under this Section. Integrating leave balances is defined as using the SDI/PFL benefit combined with an appropriate number of hours per work week of the employee's available leave balances added together to provide regular, bi-weekly income.

Before leave integration will occur, an employee must file a claim as required under SDI/PFL and make a timely election to integrate leave with SDI/PFL benefits which shall be no more than 100 percent of the employee's normal bi-weekly gross wages (excluding overtime pay) immediately prior to the start of the disability period.

A timely election to integrate leave shall be notification to the City as soon as practical, but no later than fourteen (14) calendar days after

commencement of the leave. Notification shall be provided by completing an integration agreement form available in each Department from the Payroll Clerk or Payroll directly. Extensions beyond fourteen (14) calendar days may be given due to exigent good cause circumstances on a case-by-case basis by the Director of Personnel Services or their designee.

Employees who elect to integrate as described above must provide Payroll with a copy of the Employment Development Department's (EDD) Notice of Computation within fourteen (14) calendar days of their receipt of the Notice, and are required to authorize EDD to share benefit computations with the City on their initial claim forms. Extensions beyond fourteen (14) calendar days due to exigent good cause circumstances, such as the employee being incapacitated, may be considered on a case-by-case basis.

Leave integration will not be allowed or provided for any period before the City receives the signed integration agreement and the Notice of Computation, including retroactive integration, unless exigent good cause circumstances apply (i.e., integration will occur only on a prospective basis after the City's receipt of the required leave integration paperwork unless exigent good cause circumstances apply).

Integrating leave balances with SDI benefits will continue only if leave balances are available and the employee remains eligible to receive SDI/PFL benefits. Once integration begins, it will continue as long as leave balances are available and SDI/PFL benefits continue.

Integration will end, whichever comes first in time, upon: (1) notification from the employee that SDI/PFL benefits have terminated, (2) the employee exhausting all leave balances and/or donated time resulting in leave without pay status, (3) the employee's return to work, or (4) the employee's separation from City employment.

An employee who is integrating leave and has exhausted all other leave balances may apply for donated time in accordance with City policies. Donated time will be integrated in the same manner as all other available leave time as described in this Section.

#### B. INTEGRATION WITH THE CITY'S LONG TERM DISABILITY PLAN

Employees eligible for the City's Long Term Disability Plan may elect to integrate leave time with those Plan benefits by signing an integration agreement as soon as practical, but no later than fourteen (14) calendar days after commencement of the leave. Notification shall be provided by completing an integration agreement form available in each Department from the Payroll Clerk or Payroll directly. Extensions beyond fourteen (14)

calendar days may be given due to exigent good cause circumstances on a case-by-case basis by the Director of Personnel Services or their designee.

Employees who elect to integrate as described above must provide Payroll with a copy of the City's Long Term Disability Plan's Notice of Award within fourteen (14) calendar days of their receipt of the Notice. Extension beyond fourteen (14) calendar days due to exigent good cause circumstances, such as the employee being incapacitated, may be considered on a case-by-case basis

Integration will end, whichever comes first in time, upon: (1) notification from the employee that Plan benefits have terminated, (2) the employee exhausting all leave balances and/or donated time resulting in leave without pay status, (3) the employee's return to work, or (4) the employee's separation from City employment.

**SECTION 254. SALARIES FOR EMPLOYEES IN EXHIBIT 2, EXHIBIT 8, AND PERMANENT PART-TIME EMPLOYEES WHILE ABSENT DUE TO INJURY IN THE LINE OF DUTY**

The percentage of wages or salary received for an employee who suffers an injury in the course and scope of City employment shall be the percentage established by the State of California Workers' Compensation laws.

**SECTION 265. BENCHMARKING DELETED CLASSIFICATIONS**

Consistent with FMC Section 3-205, the job classifications or pay step identified in Exhibit 16 have been deleted and a pay relationship to calculate retirement benefits for the respective job classifications or pay step ~~has~~ are hereby established as incorporated by this reference. Exhibit 16 reflects benchmarked job classifications ~~from 2016~~ since January 28, 2016.

Before commencing such temporary employment, there must be a bona-fide employment separation. For the purposes of this Section, "bona fide employment separation" means: (1) there has been no explicit or implicit understanding or agreement before their retirement, and for at least 90 calendar days after their retirement, between the

SECTION 286. UNUSUAL CIRCUMSTANCES

In any case where, by reason of unusual circumstances, rigid adherence to the foregoing rules would cause a manifest injustice, the City Manager, on recommendation of the appropriate appointing authority and the Director of Personnel Services, may make such order deviating therefrom, as is in the City Manager's judgment, proper to mitigate the injustice.
