REFERENCE for Sharon Williams

Sharon Williams has been a participant in my Leadership Series since 2013. This training is based on the Leadership Principles and materials developed by John C. Maxwell. John Maxwell is an internationally respected leadership expert, speaker, trainer, coach and author, whose philosophy is: "Everything rises and falls on leadership." Sharon has excelled in this environment and she has grown in her personal development and leadership skills.

In my opinion, Sharon Williams would make an excellent addition to the Board of Commissioners to the Fresno Housing Authority. She is a capable woman who would add greatly to the work of this group. Her compassion and leadership skill would provide insight and direction. She is fair and balanced in her thinking and contributes thoughtful and appropriate comments to topics under discussion.

I wholeheartedly recommend Sharon Williams for this position.

Sincerely

To Whom It May Concern,

I am writing to you in reference to Sharon William-Wilson whom I have known for over two years. I worked with Sharon in a personal social services case where I observed her integrity, honesty and perseverance in the court system. Since then we have grown close as friends and she has become a part of our family. She has guardianship of her granddaughter and is involved in all of her educational matters and has also assisted me with different resources for my own children. She is an active member in the community, participating in fund raisers as well as assisting her church. Sharon has experience working with group homes and correctional facilities and is accustomed to diversity and overcoming challenges in the workplace.

Sharon is positive, encouraging and dedicated to making a better life for those she meets. I believe that she is well qualified and experienced to accept the challenge of working with the Housing Department.

If you have any questions, please feel free to contact me at [REDACTED] or [REDACTED]

To Whom It May Concern,

It is a pleasure to write this letter of recommendation for Sharon Williams; an awesome leader, spiritual advisor and a joy to be around. I have been around Sharon for over 40 years and have no questions to her qualification to this open position.

Sharon is an awesome leader. As a leader Sharon has always been a hard rock for her family. As trouble arises within the family, Sharon moves quickly to resolve them. When her family needs a lending hand, you can count on Sharon to lend it. When I was attending school, and needed a babysitter to watch the children until I returned home. She voluntarily brought it upon herself, volunteered and watched the kids until I returned home.

As a spiritual leader she calmly guides you to the word for answers. Many of times my children (and myself) have come to her for spiritual influence. Without hesitation, she will point you in the direction to where your resolution can be found. Explaining the word has never been a problem for her since I've known her. Sharon is a Minister, Usher and Sunday School Teacher in the church she attends. As you can read; she wears many hats for the Lord. It is a pleasure to observe her holiness personal and around others.

I have no doubt that Sharon is the candidate that you are looking for. Her verbal skills are well organized, articulate and concise. Sharon has the ability to communicate in any situation. If any questions, do not hesitate to contact me at [REDACTED]

Cordially,

[REDACTED]
