Jobsite/Installer Details

Do you plan to insulate this building after Tuff Shed installs it?

Yes

Is there a power outlet within 100 feet of installation location?

Yes

The building location must be level to properly install the building. How level is the install location?

Slab provided by customer will be within ½" tolerance on square, level, exterior dimensions to match the building size (per customer agreement).

Will there be 18" of unobstructed workspace around the perimeter of all four walls?

Yes

Can the installers park their pickup truck & trailer within approximately 200' of your installation site?

Yes

Substrate Shed will be installed on?

Concrete without Shed Floor
