Historic Resource Permit Review Submission Check List

The Check List for the Submission of a Historic Permit Review includes the following:

- Current photographs
 - At least one overall view of the property
 - A detailed view of each historic feature that involves the proposed work
- Construction Documents
 - An existing site plan (and a proposed site plan if different from existing), drawn to scale, which clearly indicates all structures located on the parcel; and, the parcel's North, South, East, and West property lines
 - Detailed drawings, visuals, and descriptions for the proposed work
- Construction Materials
 - Detailed description of size, scale, color and material proposed for construction activity
 - Photos, spec sheet or examples of proposed material
