This class is in a flexibly-staffed series which allows an employee to “flex” to the journey level after six months of satisfactory service for a total probationary period of twelve months. In those cases, in which an employee is hired at the journey level, twelve months of satisfactory service is required.

This class is in a flexibly-staffed series, which requires one year of satisfactory service before an employee can “flex” to the journey level. Employees in classes that require one year of service for flexing will not serve an additional probationary period at the journey level. In those cases, in which an employee is hired at the journey level, twelve months of satisfactory service is required.

**Effective 3/27/2023, by the Tenth Amendment to the Salary Resolution 2022-152.

3 This class is in a flexibly-staffed series which allows an employee to “flex” to the journey level after six months of satisfactory service for a total probationary period of twelve months. In those cases, in which an employee is hired at the journey level, twelve months of satisfactory service is required.

4 This class is in a flexibly-staffed series, which requires one year of satisfactory service before an employee can “flex” to the journey level. Employees in classes that require one year of service for flexing will not serve an additional probationary period at the journey level. In those cases, in which an employee is hired at the journey level, twelve months of satisfactory service is required.
