The Engineer's Estimate for this expenditure is \$ 310,000. The contract price is 21 % above the Engineer's Estimate. If the overage is greater than 10% or only one bid was received, give explanation:

Electrical contractors in the City of Fresno continue to be a premium due to an abundance of work in the Central Valley, this was not anticipated when the project budget was originally prepared. Estimates on current similar projects are being revised to reflect this trend in pricing.

BACKGROUND OF PROJECT (To be completed by Evaluating Department/Division. Explain need for project/equipment):

The proposed Marks and Nielsen Traffic Signal project will improve vehicle capacity and pedestrian safety at the intersection. When completed, this traffic signal installation will provide pedestrian phasing at all four crosswalks as well as protected left-turns for vehicles. Other amenities include count-down
