Briefly explain why are you interested in serving on this board or commission?

I served on the Fresno Planning Commission for about 10 years from approximately 2008 to 2019 (if I remember correctly). I resigned due to some family obligations that are now behind me. I thoroughly enjoyed being on the Planning Commissions and was lucky enough to serve as chair for multiple years. I was able to do significant work on the 2014 General Plan and enjoyed working collaboratively with my fellow commissioner, city council members, the three different mayors and the general public to make smart planning decisions for the city. With more time in my personal life, I would like to once again serve the city in this role.

Educational background, Schools Attended, Degrees and Certifications

I currently work as the Chief Communications Officer with the San Joaquin Valley Air Pollution Control District. I have been in this role for over 22 years. I graduated cum Laude from the University of Oklahoma with a BA in Letters and received a Graduate Diploma of Health Science from Deakin University in Melbourne Australia (which I attended on a Rotary Foundation Ambassadorial Scholarship). I recently completed a mandatory two-hour ethics training through my employer.

Briefly explain your qualifications or areas of demonstrated expertise for this board or commission.

I have significant community experience. In addition to my prior service on the Fresno Planning Committee, I have been very active in the community with service on the boards of Creative Fresno, CMAC, Big Red Church Social Justice committee and membership in organizations such as P.E.O.

Do you or an immediate family member have any professional or financial relationship that may present a potential conflict of interest for this board, commission or similar body?

Question applies to multiple boards

The Political Reform Act of 1974 prohibits public officials from using their official positions to influence governmental decisions in which they have a financial interest. The Board Members in the designed positions must disclose their financial interests as specified in the agency's conflict of interest code.

I agree that I have read the above and agree to file a Statement of Economic Interest Form should I be appointed to a Board, Commission, or similar body according to the adopted resolution.
