Hello,

Please add my comment to the Fresno City Council Proposed 26-27 Budget Hearing

The most cost-effective way to reduce shelter overcrowding is to prevent unwanted litters before they enter the Fresno Animal Center. We respectfully request a dedicated line item for feral and community cats & dog, expanded low-cost spay/neuter services for owned pets, and partnerships with local nonprofit organizations. Every dollar invested in prevention saves multiple dollars in shelter operations while improving animal welfare and public safety.

Thank you, Beth

Hello,

Please allow more funds to support spay and neuter and be a part of stopping the suffering of so many animals. Do the humane thing and give more financial support! The city and animals are counting on you!!

Respectfully,
