the Animal Center is equal to or less than 75 percent of the Animal Center's total dog kennel capacity. Thereafter, this initial moratorium shall be lifted, and the City may resume issuing the unaltered dog licenses in accordance with FMC 10-328.

2. If any time after the lifting of the initial moratorium, the three-month moving average of the daily inventory count of all dogs at the Animal Center is more than 75 percent of the Animal Center's total dog kennel capacity, an intermittent moratorium shall be imposed on the City's unaltered dog license operations for new unaltered dog licenses until the three-month moving average of the daily inventory count of all dogs at the Animal Center is equal to or less than 75 percent of the Animal Center's total dog kennel capacity. Thereafter, the intermittent moratorium shall be lifted, and the City shall resume issuing unaltered dog licenses. For purposes of this section, "dog kennel capacity" shall mean the total number of kennels at the Animal Center that are designated for the general housing of dogs and shall not include kennels designated for temporary holding purposes such as for isolation or quarantine.

4. Any advertisement to the public regarding the availability of any dogs for sale or transfer, which was bred for the purpose of selling or transfer within the City, whether for compensation or otherwise, shall prominently display the unaltered dog license.

5. Any dog owners whose animal has been either bred or sold or transferred without an unaltered dog license shall constitute a misdemeanor.

6. Any commercial operation that allows for the sale or transfer of dogs within its premises without a proper unaltered dog license shall constitute as a misdemeanor.

7. Any person who violates this resolution shall be assessed by means of administrative citations and shall be payable directly to the City of Fresno. Administrative fees for violation of this resolution shall be assessed at \$1,000.00 per dog. Each and every day a violation exists constitutes a separate and distinct offense.
