Good Morning Ana,  
Thank you for contacting the office of Councilmember Luis Chavez. I will figure out how to add this item to the agenda and get back you as soon as possible. In the meantime, I will bring this to the attention of our Southeast Police Captain Joe Alvarez, but before we do, could you let me know the location of the community mailbox? After, I'll also forward your email to Congressman Jim Costa's office since his office directly oversees the USPS in Fresno.

I would also like to give you the contact info to our Community Service Officer, Elizabeth Wicklander. She's the direct link between our community and the Southeast Police Department.
