

RESOLUTION NO. _____

A RESOLUTION OF THE COUNCIL OF THE CITY OF
FRESNO, CALIFORNIA, AMENDING RESOLUTIONS NO.
2007-118 AND NO. 2007-318 PROVIDING TIME
EXTENSIONS RELATING TO UNDERGROUND UTILITY
DISTRICTS NUMBERS 69 AND 84

WHEREAS, on March 27, 2007, the Council adopted Resolution No. 2007-118, forming Underground Utility District No. FRE-69 (UUD FRE-69), generally located on Ventura Avenue between "H" Street and State Route 99; and

WHEREAS, the Council established July 1, 2010, as the date by which affected property owners must be ready to receive underground service, and ordered the full removal of poles, overhead wires and associated overhead structures and the full underground installation of wires and facilities for supplying electric, communication, cable television or similar associated service within UUD FRE-69 on or before December 31, 2010; and

WHEREAS, on September 25, 2007, the Council adopted Resolution No. 2007-318, forming Underground Utility District No. FRE-84 (UUD FRE-84), generally located on Blackstone Avenue from Shields Avenue to Belmont Street; and

WHEREAS, the Council established July 1, 2013, as the date by which affected property owners must be ready to receive underground service, and ordered the full removal of poles, overhead wires and associated overhead structures and the full underground installation of wires and facilities for supplying electric, communication, cable television or similar associated service within UUD FRE-84 on or before

December 31, 2013; and

WHEREAS, the Council finds that it is in the best interest of the City to amend the prior Resolutions; and

WHEREAS, notice of the amendment of the prior Resolutions has been provided in accordance with Section 13-614 of the Fresno Municipal Code.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Fresno as follows:

1. The foregoing recitals are true and correct and are adopted as the findings of the Council.
2. Resolution No. 2007-118 is amended as noted.
3. Resolution No. 2007-318 is amended as noted.

BE IT FURTHER RESOLVED that Council does hereby fix July 1, 2019, as the date by which affected property owners must be ready to receive underground service, and by ordering the full removal of poles, overhead wires and associated overhead structures and the full underground installation of wires and facilities for supplying electric, communication, cable television or similar associated service within UUD FRE-69 on or before December 31, 2019.

BE IT FURTHER RESOLVED that Council does hereby fix July 1, 2019, as the date by which affected property owners must be ready to receive underground service, and by ordering the full removal of poles, overhead wires and associated overhead structures and the full underground installation of wires and facilities for supplying

electric, communication, cable television or similar associated service within UUD FRE-84 on or before December 31, 2019.

BE IT FURTHER RESOLVED that the utility which undertakes underground installation of its facilities shall use the underground conversion allocation computed pursuant to decisions of the Public Utility Commission of the State of California for the purpose of providing service to each premise in UUD FRE-69 and UUD FRE-84 requiring it [a maximum of one hundred feet of individual electric service trenching and conductor (as well as backfill, paving and conduit, if required)]. Rule 20A conversion allocation funds shall be available for conversion of electric service panels (not to exceed \$1,500 per panel, excluding permit fees) to accept the new underground service facilities pursuant to the Public Utility Commission of the State of California Advice Letter 1930-E. Each other serving utility will provide service trenching and conductor in accordance with its tariffs on file with Public Utility Commission of the State of California or as required by its Franchise Agreement with the City. Each property owner in UUD FRE-69 and UUD FRE-84 shall be responsible for the installation and maintenance of the conduit and termination box located on, under or within any structure on the premises served.

BE IT FURTHER RESOLVED that the Public Works Director or the Assistant Public Works Director or his designee has the authority granted by Council to sign and/or execute various underground utility district agreements, of a routine or minor nature with Pacific Gas and Electric. Examples of agreements that would fall under this resolution are Rule 20A General Conditions, Rule 20A Electric Panel Service

Conversions, Letter of Street Light Agreement and any other minor or routine action which would require an agreement.

BE IT FURTHER RESOLVED that the following exceptions in said UUD FRE-69 and UUD FRE-84 be made and they are hereby authorized:

- a. Equipment appurtenant to underground facilities such as surface-mounted transformers, pedestal-mounted terminal boxes, meter cabinets, and concealed ducts.
- b. Any municipal facilities or equipment installed under the supervision and to the satisfaction of the Public Works Director.
