Supplemental Information:

Any agenda related public documents received and distributed to a majority of the City Council after the Agenda Packet is printed are included in Supplemental Packets. Supplemental Packets are produced as needed. The Supplemental Packet is available for public inspection in the City Clerk's Office, 2600 Fresno Street, during normal business hours (main location pursuant to the Brown Act, G.C. 54957.5(2)). In addition, Supplemental Packets are available for public review at the City Council meeting in the City Council Chambers, 2600 Fresno Street. Supplemental Packets are also available on-line on the City Clerk's website.

Americans with Disabilities Act (ADA):

The meeting room is accessible to the physically disabled, and the services of a translator can be made available. Requests for additional accommodations for the disabled, sign language interpreters, assistive listening devices, or translators should be made one week prior to the meeting. Please call City Clerk's Office at 621-7650. Please keep the doorways, aisles and wheelchair seating areas open and accessible. If you need assistance with seating because of a disability, please see Security.

New eComment for City Council on 2025-05-01 9:00 AM - Regular Meeting

Michael Martinez submitted a new eComment.

Meeting: City Council on 2025-05-01 9:00 AM - Regular Meeting

Item: 2.-T. ID 25-552 RESOLUTION - To approve membership in the First Public Hydrogen Authority and authorizing the City Manager or their designee to execute a counterpart to the Joint Powers Authority Agreement

eComment: Why is fresno playing with hydrogen from socal? Fresno needs to build stuff here to make hydrogen. We dont even have electricity easily here with Pg&e so why dont we focus on one future energy source at a time? I think fresno can do this with all the other cities in the San Joaquin valley instead of relying on la to help us build the future here.
